Item 5.07 Submission of Matters to a Vote of Security Holders.

On December 6, 2017, Apollo Medical Holdings, Inc. (the “Company”) held a special meeting of stockholders (the “Special Meeting”) to consider five proposals related to the Company’s merger with Network Medical Management, Inc. (“NMM”) in connection with the Agreement and Plan of Merger dated as of December 21, 2016 (as amended on March 30, 2017 and October 17, 2017, the “Merger Agreement”) among the Company, Apollo Acquisition Corp. (“Merger Sub”), NMM and Kenneth Sim, as the Shareholders’ Representative (the “Merger Agreement”). Each of the Company’s proposals was approved by the requisite vote of the Company’s stockholders as described below.

At the close of business on November 14, 2017, the record date for the Special Meeting, there were 6,033,495 shares of common stock of the Company, 1,111,111 shares of Series A preferred stock of the Company and 555,555 shares of Series B preferred stock of the Company outstanding. The holders of a total of 6,284,804 shares of the Company’s common stock, Series A preferred stock and Series B preferred stock were represented at the Special Meeting in person or by proxy, representing approximately 81.6% of the Company’s shares of common stock on an as-converted basis and entitled to vote at the Special Meeting, which total constituted a quorum for the Special Meeting in accordance with the Company’s bylaws. The holders of a total of 4,618,138 shares of the Company’s common stock, Series A preferred stock and Series B preferred stock not owned by NMM were represented at the Special Meeting in person or by proxy, representing approximately 76.5% of the Company’s shares of common stock on an as-converted basis that was not owned by NMM and entitled to vote at the Special Meeting.

The proposal to approve the merger (the “Merger”) pursuant to the Merger Agreement and the transactions contemplated thereunder, including the issuance of shares of common stock and warrants of the Company to NMM shareholders as merger consideration in the Merger (Proposal No. 1), the proposal to approve amendments to the Restated Certificate of Incorporation (the “Charter”) and Restated Bylaws (“Bylaws”) of the Company to divide the board of directors of the Company into three classes (Proposal No. 2), and the proposal to elect nine directors to the Company’s board of directors for one-year, two-year or three-year terms (Proposal No. 3) required the affirmative vote of (i) a majority of the shares of the Company’s common stock, Series A preferred stock and Series B preferred stock, voting together as one class on an as-converted basis, and (ii) a majority of the shares of the Company’s common stock, Series A preferred stock and Series B preferred stock, voting together as one class on an as-converted basis, that was not owned by NMM. The approval of the non-binding advisory vote with respect to certain compensation arrangements for the Company’s named executive officers (Proposal No. 4) and the proposal to adjourn the Special Meeting to a later date, if necessary, to permit the solicitation of additional proxies (Proposal No. 5) required the affirmative vote of a majority of the shares of the Company’s capital stock entitled to vote present in person or by proxy at the Special Meeting.

The final voting results for each of these proposals is set forth below. Brokers did not have discretionary authority to vote for any of the proposals for the shares of the Company’s common stock held in street name, and as a result, no broker non-votes were received for any proposals. For more information on these proposals, please refer to the Company’s joint proxy statement/prospectus for the Special Meeting, filed with the Securities and Exchange Commission on November 15, 2017.
