Item 1.01

Entry into a Material Definitive Agreement.

On December 13, 2018, Teligent, Inc. (the “Company”), pursuant to the previously disclosed Commitment Letter, dated November 12, 2018, between the Company and Ares Management LLC, entered into: (i) a First Lien Revolving Credit Agreement, by and among the Company, as the borrower, certain subsidiaries of the Company, as guarantors, the lenders from time to time party thereto, and ACF Finco I LP, as administrative agent (the “Revolver Credit Agreement”) and (ii) a Second Lien Credit Agreement, by and among the Company, as the borrower, certain subsidiaries of the Company, as guarantors, the lenders from time to time party thereto, and Ares Capital Corporation, as administrative agent (the “Second Lien Credit Agreement” and, together with the Revolver Credit Agreement, the “New Senior Credit Facilities”).

The New Senior Credit Facilities consist of (i) a \$25.0 million senior revolving credit facility governed by the Revolver Credit Agreement (the “New Revolver”); (ii) a \$50.0 million second lien initial term loan (the “New Initial Term Loan”); (iii) a \$30.0 million second lien delayed draw term loan A (the “Delayed Draw Term Loan A”) and (iv) a \$15.0 million second lien delayed draw term loan B (the “Delayed Draw Term Loan B” and, together with the Delayed Draw Term Loan A, the “Delayed Draw Term Loans” and, together with the New Initial Term Loan, the “New Term Loans”). The New Term Loans are governed by the Second Lien Credit Agreement. The Company’s ability to borrow under the New Revolver is subject to a “borrowing base” to be determined based upon eligible inventory, eligible equipment, eligible real estate and eligible receivables.

Maturity. The New Revolver matures on the earlier to occur of (a) six months prior to the maturity of the Company’s outstanding 4.75% Convertible Senior Notes due 2023 (the “2023 Notes”) and (b) December 13, 2023. The New Initial Term Loan matures on the earlier to occur of (a) three months prior to maturity of the 2023 Notes and (b) June 13, 2024. Commitments related to undrawn amounts of the Delayed Draw Term Loan A terminate on June 30, 2019, and drawn amounts under the Delayed Draw Term Loan A mature at the same time as the New Initial Term Loan. Commitments related to undrawn amounts of the Delayed Draw Term Loan B terminate on December 13, 2019, and drawn amounts under the Delayed Draw Term Loan B mature at the same time as the New Initial Term Loan.

Use of Proceeds. The proceeds from the New Senior Credit Facility will be used for, among other things, the refinancing of certain of the Company’s outstanding indebtedness, including repayment of all borrowings under the Credit Agreement, dated as of June 1, 2018, among the Company, as the borrower, certain subsidiaries of the Company, each as a guarantor, the lenders party thereto, and Cantor Fitzgerald Securities, as administrative agent (the “Existing Credit Agreement”), the repurchase or redemption of the Company’s outstanding 3.75% Convertible Senior Notes due 2019 (the “2019 Notes”), as well as a construction project at the Company’s Buena, New Jersey facility, working capital, capital expenditures and other general corporate purposes, all as further set forth in the Revolver Credit Agreement and the Second Lien Credit Agreement.

Interest and Fees. The interest rate under the New Revolver is calculated, at the option of the Company, at either the London Inter-Bank Offered Rate (or LIBOR) or the base rate, in each case, plus 2.75%. The interest rate on the New Term Loans is calculated, at the option of the Company, at either LIBOR plus 8.75% or the base rate plus 7.75%. Interest on the New Senior Credit Facilities is payable in cash except that interest on the New Term Loans is payable, at the option of the Company, in cash or in kind by being added to the principal balance thereof, until the earlier of December 13, 2020 and the date the Company has provided the lenders of the New Senior Credit Facilities financial statements demonstrating that the Company has attained twelve months of revenue of at least \$125 million. A commitment fee of 1.0% per annum is payable by the Company quarterly in arrears on the unused portion of the Delayed Draw Term Loans.

Amortization and Prepayment. The New Senior Credit Facilities are not subject to amortization prior to maturity. Amounts drawn under the New Revolver may be prepaid at the option of the Company without premium or penalty, subject, in the case of acceleration of the New Revolver or termination of the revolving credit commitments thereunder, to certain call protections which vary depending on the time at which such prepayments are made. Amounts drawn under the New Revolver are subject to mandatory prepayment to the extent that aggregate extensions under the New Revolver exceed the lesser of the revolving credit commitment then in effect and the borrowing base then in effect, and upon the occurrence of certain events and conditions, including non-ordinary course asset dispositions, receipt of certain insurance proceeds and condemnation awards and issuances of certain debt obligations. Amounts outstanding under the New Term Loans may be prepaid at the option of the Company subject to applicable premiums, including a make-whole premium, and certain call protections which vary depending on the time at which such prepayments are made. Subject to payment of outstanding obligations under the New Revolver as a result of any corresponding mandatory prepayment requirements thereunder, amounts outstanding under the New Term Loans are subject to mandatory prepayment upon the occurrence of certain events and conditions, including non-ordinary course asset dispositions, receipt of certain insurance proceeds and condemnation awards, issuances of certain debt obligations and a change of control transaction.

Guarantees and Collateral. The New Senior Credit Facilities are guaranteed by the Company's subsidiaries, subject to certain exceptions. The New Revolver and related obligations are secured by a first priority security interest in and lien on substantially all of the assets of the Company and the subsidiary guarantors (the "Collateral"), subject to certain exceptions. The New Term Loans and related obligations are secured by a second priority security interest in the Collateral, subject to certain exceptions.

Covenants and Other Provisions. The New Senior Credit Facilities contain customary borrowing conditions, affirmative, negative and reporting covenants, representations and warranties, and events of default, including cross-defaults on other material indebtedness, as well as events of default triggered by a change of control and certain actions initiated by the federal Food and Drug Administration. In addition, the Company is required to comply at certain times with certain financial covenants consisting of a minimum revenue test, a minimum adjusted EBITDA test and a maximum total net leverage ratio. If an event of default occurs, the lenders of the New Revolver would be entitled to take enforcement actions, including foreclosure on Collateral and acceleration of amounts owed under the New Revolver, and the lenders under the New Term Loans would also be entitled to take such actions, subject to any limitations set forth in an intercreditor agreement with respect to the New Term Loans.

On December 13, 2018, the Company issued a press release with respect to the New Senior Credit Facilities, which is attached as Exhibit 99.1 hereto.

The foregoing summary of the terms of the Revolver Credit Agreement, Second Lien Credit Agreement and the New Senior Credit Facilities do not purport to be complete descriptions and are subject to, and qualified in their entirety by, the full text of the Revolver Credit Agreement, which is attached hereto as Exhibit 10.1 and incorporated herein by reference, and the full text of the Second Lien Credit Agreement, which is attached hereto as Exhibit 10.2 and incorporated herein by reference.

Item 1.02

Termination of a Material Definitive Agreement.

On December 13, 2018, concurrently with the execution of the Revolver Credit Agreement and the Second Lien Credit Agreement and the closing of the New Senior Credit Facilities, the Company repaid in full all outstanding amounts under, and terminated, the credit facility provided by the Existing Credit Agreement. All guarantees and security interests granted by the Company and its subsidiaries under the Existing Credit Agreement were terminated. In connection with the termination of the Existing Credit Agreement, the Company incurred prepayment fees and other related costs of approximately \$0.5 million during the quarter ended December 31, 2018.
