* Note: A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.

** Note: We expect that delivery of the Depositary Shares will be made to investors on or about March 14, 2019, which is five business days following the date of this Term Sheet (such settlement cycle referred to as "T+5"). Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle on the second business day following the date of any contract for sale (such settlement cycle referred to as "T+2"), unless the parties to a trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Depositary Shares on any date prior to two business days before March 14, 2019, will be required, by virtue of the fact that the Depositary Shares will settle in T+5, to specify an alternative settlement cycle at the time of the trade to prevent a failed settlement and should consult their own advisers in connection with that election.
