DIAGEO AGM STATEMENT: PROSPECTS FOR THE CURRENT YEAR UNCHANGED

Diageo will hold its AGM at 2.30pm today at The Queen Elizabeth II Conference Centre, Broad Sanctuary, Westminster, London SW1. At the meeting Paul Walsh, Chief Executive of Diageo, will make the following comments on the current financial year:

Looking to the future, while the outlook for a sustained recovery of world economies is still unclear Diageo has demonstrated its ability to generate growth even in challenging times. In addition, signs of improvement are evident in some markets particularly in the United States, which is now our most important market.

Continued share gains, even in difficult markets such as those in Latin America, provide further evidence that Diageo is well positioned to achieve superior performance. Therefore, while recognising that we are only three months into the current financial year, we have not seen any trends emerging which would lead us to change our view of Diageo's future prospects.

For the three trading days prior to the AGM and on the day of the AGM Diageo halted the on market share repurchase programme. This policy will be followed in future years.
