Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 2.02. Results of Operations and Financial Condition.

On July 28, 2016, Colgate-Palmolive Company (the “Company”) issued a press release announcing its earnings for the quarter ended June 30, 2016. This press release is attached as Exhibit 99.1 and is incorporated by reference in this Item 2.02.

The information in this Item 2.02 is being furnished and shall not be deemed “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. The information in this Item 2.02 shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended.

Item 8.01. Other Events.

As a result of management changes effective April 1, 2016, the Company realigned the geographic structure of its Europe/South Pacific and Asia reportable operating segments within the Oral, Personal and Home Care product segment. Management responsibility for the South Pacific operations was transferred from Europe/South Pacific management to Asia management. Accordingly, commencing with the Company’s financial reporting for the quarter ended June 30, 2016, the results of the South Pacific operations are reported in the Asia Pacific reportable operating segment, which results in a slight modification to the geographic components of the Oral, Personal and Home Care product segment, with no impact on historical Company results overall.

For information purposes and to provide investors with historical information on a basis consistent with its new reporting structure, the Company has recast its historical geographic segment information to conform to the new reporting structure.

Attached as Exhibit 99.2 and incorporated by reference in this Item 8.01 are schedules containing segment information by operating segment for the years ended December 31, 2015, 2014, 2013, 2012 and 2011, the three months ended March 31, 2016 and 2015, the three months ended December 31, 2015 and the three and nine months ended September 30, 2015.

As noted above, the segment change and supplemental disclosures discussed above have no impact on the Company’s historical consolidated financial position, results of operations or cash flows. The recast financial information contained in Exhibit 99.2 does not represent a restatement of previously issued financial statements. The information in this Item 8.01, including Exhibit 99.2, should be read in conjunction with the Company’s Annual Reports on Form 10-K for the years ended December 31, 2015, 2014 and 2013 and the Company’s Quarterly Reports on Form 10-Q for the quarters ended March 31, 2016 and September 30, 2015.

Item 9.01. Financial Statements and Exhibits.

(d) *Exhibits.* The following exhibits are filed with this document:
