This Proxy Statement is furnished in connection with the solicitation of the enclosed proxy by the Board of Directors of Schick Technologies, Inc. (the "Company") for use at the 2004 Annual Meeting of Stockholders (the "Annual Meeting") to be held on September 22, 2004, at 10:00 a.m., New York time, at the Company's offices, located on the fifth floor of 30-00 47th Avenue, Long

Island City, New York, and at any adjournments thereof, for the purposes set forth in the Notice of Annual Meeting of Stockholders. This Proxy Statement and the form of proxy enclosed are being mailed to stockholders with the Company's Annual Report to Stockholders commencing on or about August 20, 2004.

Only stockholders of record of the common stock, par value \$0.01 per share, of the Company (the "Common Stock") at the close of business on August 18, 2004 will be entitled to vote at the Annual Meeting. As of August 3, 2004, a total of 15,048,167 shares of Common Stock were outstanding, each share being entitled to one vote. There is no cumulative voting. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock will constitute a quorum for the transaction of business at the Annual Meeting. If, however, a quorum is not present or represented at the Annual Meeting, the stockholders entitled to vote thereat, present in person or represented by proxy, will have the power to adjourn the Annual Meeting, without notice other than announcement at the Annual Meeting, until a quorum shall be present or represented.

Shares of the Company's Common Stock represented by proxies in the accompanying form, which are properly completed, signed and returned to the Company prior to the Annual Meeting, and which have not been revoked, will be voted in the manner directed by a stockholder. If no direction is given, the proxy will be voted FOR the election of the nominees for director named in this Proxy Statement, and FOR ratification of the selection of Grant Thornton LLP as the Company's independent

certified public accountants. A stockholder may revoke a proxy at any time prior to its exercise by giving to an officer of the Company a written notice of revocation of the proxy's authority, by submitting a duly elected proxy bearing a later date, by attending the Annual Meeting and voting in person or by delivering a written revocation at the Annual Meeting.

If a stockholder returns a proxy withholding authority to vote the proxy with respect to a nominee for director, then the shares of the Common Stock covered by such proxy shall be deemed present at the Annual Meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such nominee, but shall not be deemed to have been voted for such nominee. If a stockholder abstains from voting as to any matter, then the shares held by such stockholder shall be deemed present at the Annual Meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. If a broker returns a "non-vote" proxy, indicating a lack of authority to vote on such matter, then the shares covered by such non-vote shall be deemed present at the Annual Meeting for purposes of determining a quorum but shall not be deemed to be present and entitled to vote at the Annual Meeting for purposes of calculating the vote with respect to such matter. The three nominees for director for three-year terms receiving the highest number of votes at the Annual Meeting will be elected. The affirmative vote of a majority of the outstanding shares of Common Stock present in person or by proxy at the Annual Meeting is required to ratify the selection of the Company's certified public accountants.

As of the date of this Proxy Statement, the Board of Directors of the Company knows of no business that will be presented for consideration at the Annual Meeting other than the matters described in this Proxy Statement. If any other matters are properly brought before the Annual Meeting, the persons named in the enclosed form of proxy will vote the proxies in accordance with their best judgment.

In May 2004, the Company entered into a Consulting and Non-Competition Agreement with David Schick, effective upon Mr. Schick's resignation in June 2004 as the Company's Chief Executive Officer and Chairman of the Board. The Agreement provides for the termination of Mr. Schick's previous Employment Agreement, described below, and that Mr. Schick is to act as a technical consultant to the Company for a period of three years. As a consultant, Mr. Schick is responsible for performing certain specified duties, including the

exploration and evaluation of new product ideas and enhancements, evaluating technical issues relating to potential products or entity acquisitions, conducting research and development projects, and providing advice with respect to intellectual property issues. Pursuant to the Agreement, Mr. Schick reports to the Company's Chief Executive Officer. It also provides that during the term of the Agreement, and for a period of two years thereafter, Mr. Schick may not compete with the Company or solicit Company employees, customers or vendors. In addition, Mr. Schick is required to maintain the confidentiality of the Company's proprietary information. Pursuant to the Agreement, Mr. Schick is to be compensated, in full payment for the consulting services to be rendered to the Company and for his non-competition and other covenants contained in the Agreement, in the amount of \$28,333 per month for a period of 36 months. In addition, the Agreement provides that 66,307 unvested employee stock options held by Mr. Schick shall continue to vest. Previously, in December 2001, the Company had entered into a three-year employment agreement with Mr. Schick, pursuant to which Mr. Schick was employed as Chief Executive Officer of the Company until June 2004. The agreement provided for an annual performance bonus and a grant of 150,000 employee stock options. Effective June 2004, Mr. Schick resigned as the Company's Chief Executive Officer and Chairman of the Board, and his December 2001 employment agreement was terminated by mutual consent of the parties.

In June 2004, the Company entered into a three-year employment agreement with Jeffrey T. Slovin. Pursuant to the Agreement, Mr. Slovin is employed as the Company's Chief Executive Officer and President. Mr. Slovin's annual base salary is \$325,000, \$337,000 and \$350,000, respectively, during each year of the initial 3-year term of the Agreement. In addition to base salary, Mr. Slovin is eligible to receive a yearly bonus payment based on the Company's year-over-year Earnings-Per-Share growth, as defined in the Agreement. Pursuant to the Agreement, Mr. Slovin was also awarded 400,000 employee stock options which vest in equal monthly increments over a period of 48 months. Additionally, under the Agreement, all Company stock options held by Mr. Slovin will immediately vest in the event that the Company has a change in control

12

or is acquired by another company or entity, or, under certain circumstances, if Mr. Slovin is terminated from employment without cause. In addition, if Mr. Slovin is terminated without cause, the Agreement provides that he shall receive severance payments equal to 12 months' salary and, if applicable, a pro-rated bonus. Previously, in November 2001, the Company had entered into a three-year employment agreement with Mr. Slovin, pursuant to which Mr. Slovin was employed as the Company's President and Chief Operating Officer. The agreement provided for an annual performance bonus and a grant of 150,000 employee stock options. cause, the Agreement provides that he shall receive severance payments equal to 12 months' salary and, if applicable, a pro-rated bonus. Previously, in January 2002, the Company had entered into a two-year employment agreement with Mr. Stone, pursuant to which Mr. Stone was employed as the Company's Executive Vice President of Sales and Marketing. EXECUTIVE COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

This report shall not be deemed incorporated by reference by any general statement incorporating this Proxy Statement into any filing under the Securities Act of 1933 or under the Exchange Act, except to the extent that the Company specifically incorporates the information contained herein by reference, and shall not otherwise be deemed filed under those acts.

13

Compensation Philosophy: The Company does business in a competitive and dynamic industry. The Company's continued success in such an environment depends, in part, on its ability to attract and retain talented senior executives. The Company must provide executives with long- and short-term incentives to maximize corporate performance, and reward successful efforts to do so. As a result, the Committee's compensation policies are designed to:

- (i) Provide a competitive level of compensation to attract and retain talented management;
- (ii) Reward senior executives for corporate performance;
- (iii) Align the interests of senior executives with the Company's stockholders in order to maximize stockholder value;
- (iv) Motivate executive officers to achieve the Company's business objectives; and
- (v) Reward individual performance.

To achieve these compensation objectives, the Committee has developed compensation packages for senior executive officers generally consisting of base salary, awards of stock options and, in certain cases, bonus arrangements.

Base Salary. The Company seeks to pay competitive salaries to executive officers commensurate with their qualifications, duties and responsibilities. In conducting salary reviews, the Committee considers each individual executive officer's achievements during the prior fiscal year in meeting the Company's financial and business objectives, as well as the executive officer's performance of individual responsibilities and the Company's financial position and overall performance.

Option Grants. The Committee believes that equity ownership by executive officers provides incentive to build stockholder value and aligns the interests of the Company's officers with its stockholders. The Committee typically recommends or awards an option grant upon hiring executive officers or within one year of their date of hire, subject to a maximum four-year vesting schedule. After the initial stock option grant, the Committee periodically considers additional grants, under the Company's 1996 Employee Stock Option Plan. Options are granted at the then-current market price for the Company's Common Stock and, consequently, have value only if the price of the Common Stock increases over the exercise price during the period in which the option is exercisable. The

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEF 14A

size of the initial grant is usually determined with reference to the seniority of the officer, his or her level of compensation, the contribution the officer is expected to make to the Company and comparable equity compensation offered by others in the industry. In determining the size of the periodic grants, the Committee

14

considers prior option grants to the officer, independent of whether the options have been exercised, the executive's performance during the year and his or her expected contributions in the succeeding year. The Committee also believes that periodic option grants provide incentives for executive officers to remain with the Company.

Bonuses. The Committee believes that performance bonuses can serve an important function by adding a short-term performance-based incentive to an executive's compensation package.

Modification of Compensation Policies. The Omnibus Budget Reconciliation Act of 1993 includes potential limitations on tax deductions for compensation in excess of \$1,000,000 paid to the Company's executive officers. The Compensation Committee has analyzed the impact of this provision of the tax law on the compensation policies of the Company, has determined that historically the effect of this provision on the taxes paid by the Company has not and would not have been significant and has decided for the present not to modify the compensation policies of the Company based on such provision. In the event that a material amount of compensation might potentially not be deductible, it will consider what actions, if any, should be taken to seek to make such compensation deductible without compromising its ability to motivate and reward excellent performance.

Executive Compensation. The Committee periodically reviews the performance of the Chief Executive Officer, and various other executive officers of the Company. In June 2004, the Company entered into three-year employment agreements with Jeffrey T. Slovin, President and Chief Executive Officer, and Michael Stone, Executive Vice President. Prior to entering into these agreements, the Committee conducted a review of Mr. Slovin's and Mr. Stone's compensation. The Committee considered, among other items, salary data for other companies and the Company's earnings and financial position in comparison to preceding years. The terms of Mr. Slovin's and Mr. Stone's employment agreements are discussed above. See "Employment Agreements and Termination of Employment Arrangements,"

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors and persons who beneficially own more than 10% of the Company's Common Stock to file initial reports of ownership and reports of changes in ownership with the Commission. Such executive officers and directors and greater than 10% beneficial owners are required by the regulations of the Commission to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on a review of the copies of such reports furnished to the Company and written representations from executive officers and directors, the Company believes that all Section 16(a) filing requirements applicable to its executive officers and directors and greater than 10% beneficial owners were complied with, except that seven Form 5's were filed on May 5, 2004 and one Form 5 was filed on May 11, 2004 for the issuance of employee stock options on November 3, 2003 by the Board of Directors to the following executive officers, pursuant to the Company's 1996 Employee Stock Option Plan: Messrs. REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Company's Board of Directors is currently composed of three Directors, Messrs. Hood (who serves as Chairman), Rocca and Blank, all of whom are Independent Directors as such term is defined in Rule

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEF 14A

4200(a)(15) of the National Association of Securities Dealers' independent director and audit committee listing standards. In addition, the Company's Board of Directors has determined that Messrs. Hood and Rocca are "audit committee financial experts," as those terms are defined by the Securities and Exchange Commission. The Audit Committee operates under a written charter that was adopted by the Board of Directors on June 30, 2002 and amended on April 9, 2003 and on June 2, 2004. (A copy of the current Audit Committee charter, as amended, is annexed to this proxy statement as Appendix A.) The Audit Committee met five times during fiscal 2004.

21

Pursuant to the Audit Committee charter, the primary functions of the Audit Committee include: to serve as an independent and objective party to oversee the Company's accounting and financial reporting processes and internal control system; to pre-approve all auditing and non-auditing services to be provided by the Company's independent certified public accountants; to review and oversee the audit efforts of the Company's independent certified public accountants; and to provide an open avenue of communication among the independent certified public accountants, financial and senior management and the Board of Directors.

The Audit Committee has responsibility and authority, among other matters, to review with Company management any financial information filed with the S.E.C. or disseminated to the public; to establish and maintain procedures for receiving and treating complaints regarding accounting, internal accounting controls and auditing matters, and for the confidential anonymous submission by employees of concerns regarding these matters; to appoint, determine funding for and oversee the Company's independent certified public accountants; to review, in consultation with the independent certified public accountants and the Company's accounting personnel, the integrity of the Company's financial reporting processes; and to review in advance any proposed transaction between the Company and any related party.

In executing its responsibilities, the Audit Committee has reviewed and discussed the audited financial statements with Management of the Company. The Audit Committee has also discussed with the Company's independent certified public accountants the matters required to be discussed by SAS 61, as amended. In addition, the Audit Committee has received written disclosures and a letter from the Company's independent certified public accountants delineating all relationships between it and the Company, consistent with Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committee"), and has discussed with them matters pertaining to their independence. The Audit Committee also considered whether the additional services unrelated to Audit Services performed by Grant Thornton LLP were compatible with maintaining their independence in performing their Audit Services.

Based upon the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for 2004 for filing with the Securities and Exchange Commission. The Audit Committee and Board of Directors have also

22

recommended the selection of Grant Thornton LLP as the Company's independent accountants for the fiscal year ending March 31, 2005.
