**Item 1.01. Entry into a Material Definitive Agreement**

On March 16, 2006, the Compensation Committee of the Board of Directors of Citadel Broadcasting Corporation (the “Registrant”) approved certain compensation arrangements for each of the Registrant’s “named executive officers” (as defined in 402(a)(3) of Regulation S-K). These actions are conditioned on the Registrant’s obtaining the approvals from the Registrant’s shareholders at the upcoming 2006 Annual Meeting of Shareholders discussed below, upon which receipt the arrangements will become effective as of March 16, 2006. The arrangements are as follows:

- Canceling the fully vested options to purchase 4,150,000 shares of common stock at an exercise price of \$3.50 granted to Farid Suleman, the Registrant’s Chief Executive Officer, under the Stock Option Agreement, dated April 23, 2002, as amended on June 4, 2002, and issuing to Mr. Suleman in their place 2,868,006 fully vested restricted stock units with a deferred distribution date; and canceling Mr. Suleman's option to purchase 400,000 shares of common stock at an exercise price of \$16.94 granted to him under the Registrant’s 2002 Long Term Incentive Plan (the “Plan”) on March 26, 2004. Granting to Mr. Suleman 1,131,994 performance-vesting restricted shares under the Plan and amending the terms of his previously granted 1,250,000 time-vesting restricted shares, which were granted under the Plan pursuant to the Restricted Stock Agreement, dated October 25, 2005, to provide that the shares will vest in one-third installments annually, subject to Mr. Suleman’s continuous employment with the Company through the applicable vesting date and the Company’s attainment of certain performance objectives.
- Granting to Judith Ellis, the Registrant’s Chief Operating Officer, 100,000 performance-vesting restricted shares under the Plan.
- Granting Patricia Stratford, the Registrant’s Acting Chief Financial Officer, 50,000 performance-vesting restricted shares under the Plan.

The new awards of performance-vesting restricted shares have been made under the Plan. The awards each vest in two equal amounts annually, beginning on March 16, 2007, contingent on (i) the attainment of performance objectives and (ii) continuous employment of the grantee through each vesting date. If the performance objectives are not satisfied after the first year from the date of grant, that tranche of the grant shall be subject to the terms and conditions of the vesting of the second tranche of the award.

The effectiveness of the actions described above is contingent on the Registrant’s receipt of the following shareholder approvals at the upcoming 2006 Annual Meeting of Shareholders: (1) the amendment to Mr. Suleman’s 2002 Stock Option Agreement (and Mr. Suleman’s agreement to cancel the 4,150,000 stock options thereunder) is subject to shareholder approval of such amendment; (2) the modifications to Mr. Suleman’s existing time-vesting restricted stock grant, and the grant of new performance share awards to Mr. Suleman, Ms. Ellis and Ms. Stratford are each subject to shareholder approval of the utilization of certain performance objectives under the Plan; and (3) the cancellation of Mr. Suleman’s 400,000 stock options granted in 2004 is subject to receipt of the shareholder approvals described in the two preceding clauses.
