**PROXY STATEMENT
FOR THE 2016 ANNUAL MEETING OF STOCKHOLDERS**

June 21, 2016

ABOUT THE ANNUAL MEETING

Why did I receive a notice regarding the availability of proxy materials on the internet?

Pursuant to rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials over the internet. Accordingly, we have sent you a Notice of Internet Availability of Proxy Materials (the “Notice”) because the Board of Directors (the “Board”) of Edge Therapeutics, Inc. (also referred to as “we,” “us,” “our,” “Edge,” and the “Company”) is soliciting your proxy to vote at the 2016 Annual Meeting of Stockholders, including any adjournments or postponements of the meeting (the “Annual Meeting”). All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or may request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

We intend to mail the Notice on or about May 9, 2016 to all stockholders of record entitled to vote at the Annual Meeting.

How do I attend the Annual Meeting?

The Annual Meeting will be held on Tuesday, June 21, 2016 at 9:00 a.m. local time at the headquarters of Edge Therapeutics, Inc. at 200 Connell Drive, Suite 1600, Berkeley Heights, NJ 07922. Information on how to vote in

person at the Annual Meeting is discussed below.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on April 25, 2016 will be entitled to vote at the Annual Meeting. On this Record Date, there were 28,814,317 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on the Record Date your shares were registered directly in your name with our transfer agent, Computershare Trust Company, N.A., then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent

If on the Record Date your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name" and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent.

Table of Contents

What am I voting on?

There are two matters scheduled for a vote:

Proposal 1: Election of Kurt Conti, Liam Ratcliffe, M.D., Ph.D., and Robert Spiegel, M.D. to serve as Class A directors for a three-year term.

Proposal 2: Ratification of the selection by the Board of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

What if another matter is properly brought before the Annual Meeting?

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

For the proposal to elect Mr. Conti, Dr. Ratcliffe and Dr. Spiegel to the Board, you may either vote "For" or you may "Withhold" your vote, in each case, for all, some or none of the Board's nominees. For the proposal to ratify the selection of KPMG LLP, you may vote "For" or "Against" or abstain from voting.

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy over the telephone, vote by proxy through the internet, or vote by proxy using a proxy card that you may request or that we may elect to

deliver to you. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy.

- **In Person:** To vote in person, come to the Annual Meeting. Ballots will be available.
- **By Mail:** To vote using the proxy card, simply complete, sign and date the proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.
- **By Telephone:** To vote over the telephone, dial toll-free (800) 652-8683 using a touch-tone phone and follow the recorded instructions. Have your proxy available when you call. You will be asked to provide the company number and control number from the Notice. Your telephone vote must be received by 11:59 p.m., Eastern Time on June 20, 2016 to be counted.
- **Via the Internet:** To vote through the internet, go to www.envisionreports.com/EDGE and follow the on-screen instructions. Your internet vote must be received by 11:59 p.m., Eastern Time on June 20, 2016 to be counted.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a notice containing voting instructions from that organization rather than from us. Simply follow the voting instructions in the notice to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you owned as of the Record Date.

Table of Contents

What happens if I do not vote?

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record and do not vote by completing your proxy card, by telephone, through the internet or in person at the Annual Meeting, your shares will not be voted.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent

See "What are broker non-votes?" below.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, "For" the election of each of Mr. Conti, Dr. Ratcliffe and Dr. Spiegel as directors and "For" the ratification of the selection of KPMG LLP as our independent registered public accounting firm. If any other matter is properly presented at the Annual Meeting, your proxy holder (one of the individuals named on your proxy card) will vote your shares using his best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the reasonable cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the Notices to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting.

Stockholder of Record: Shares Registered in Your Name

If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date.
- You may grant a subsequent proxy by telephone or through the internet.
- You may send a timely written notice that you are revoking your proxy to our Secretary at Edge Therapeutics, Inc. at 200 Connell Drive, Suite 1600, Berkeley Heights, NJ 07922.
- You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent

If your shares are held by your broker, bank or other agent as a nominee, you should follow the instructions provided by your broker, bank or other agent.

When are stockholder proposals and director nominations due for next year's annual meeting?

Stockholder proposals, including a director nomination, to be considered for inclusion in the proxy statement for the 2017 annual meeting of stockholders must be received by us no later than January 10, 2017. The proposal must comply with SEC regulations regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Upon receipt of any such proposal, we will determine whether or not to include such proposal in the proxy statement

for the 2017 annual meeting of stockholders and proxy in accordance with regulations governing the solicitation of proxies.

Table of Contents

Stockholders who wish to submit a proposal that is not intended to be included in our annual meeting proxy statement but to be presented for consideration at next year's annual meeting, or who propose to nominate a candidate for election as a director at that meeting, are required by our bylaws to provide notice of such proposal or nomination no later than the close of business on April 22, 2017, but no earlier than the close of business on March 23, 2017, to be considered for a vote at next year's annual meeting.

Any proposal, nomination or notice must contain the information required by our bylaws and be delivered to our principal executive offices at Edge Therapeutics, Inc., c/o Corporate Secretary, 200 Connell Drive, Suite 1600, Berkeley Heights, NJ 07922.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count, for the proposal to elect each of Mr. Conti, Dr. Ratcliffe and Dr. Spiegel, votes "For," "Withhold" and broker non-votes; and, with respect to the proposal to ratify the selection of KPMG LLP, votes "For" and "Against," abstentions and, if applicable, broker non-votes. Abstentions will have the same effect as an "Against" vote for the proposal to ratify the selection of KPMG LLP. Because a director nominee is elected by the affirmative vote of the holders of a plurality of the shares of common stock voted, abstentions will have no effect on the vote for the proposal to elect each of Mr. Conti, Dr. Ratcliffe and Dr. Spiegel. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

What are "broker non-votes"?

Broker non-votes occur when a beneficial owner of shares held in "street name" does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed "non-routine." Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be "routine," but not with respect to "non-routine" matters. Under the rules and interpretations of NASDAQ, "non-routine" matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested) and executive compensation, including the advisory stockholder votes on executive compensation and on the frequency of stockholder votes on executive compensation.

How many votes are needed to approve each proposal?

- For the elections of Mr. Conti, Dr. Ratcliffe and Dr. Spiegel, a plurality of the votes cast will be required for election. Only votes "For" or "Withheld" will affect the outcome.

- To be approved, the ratification of the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016, must receive "For" votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote on the matter. If you "Abstain" from voting, it will have the same effect as an "Against" vote. Broker non-votes will have no effect.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the Annual Meeting in person or represented by proxy. On the Record Date, there were 28,814,317 shares outstanding and entitled to vote. Thus, the holders of 14,407,159 shares must be present in person or represented by proxy at the Annual Meeting to have a quorum.

Table of Contents

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, either the chairman of the Annual Meeting or the holders of a majority of shares present at the Annual Meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

Who can help answer your questions?

If you have questions about the Annual Meeting or would like additional copies of this Proxy Statement, you should contact our Secretary, W. Bradford Middlekauff, at Edge Therapeutics, Inc., 200 Connell Drive, Suite 1600, Berkeley Heights, NJ 07922.

Annual Report

On written request, we will provide, without charge, a copy of our Annual Report on Form 10-K (including a list briefly describing the exhibits thereto), filed with the SEC, to any record holder or beneficial owner of our common stock on the Record Date or to any person who subsequently becomes such a record holder or beneficial owner. Requests should be directed to the attention of our Chief Financial Officer at the address set forth above.

EXPLANATORY NOTE

We are an “emerging growth company” under applicable federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this Proxy Statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”), including the compensation disclosures required of a “smaller reporting company,” as that term is defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an “emerging growth company” until the earliest of (i) the last day of the fiscal year in which we have total annual gross revenues of \$1 billion or more; (ii) December 31, 2020; (iii) the date on which we have issued more than \$1 billion in nonconvertible debt during the previous three years; or (iv) the date on which we are deemed to be a large accelerated filer under the rules of the SEC.

PROPOSAL 1

Election of Directors

Our Board is divided into three classes: Class A, Class B and Class C, with each class serving a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors that may serve on the Board, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

The Board presently has nine members. The term of Anders D. Hove, M.D., a current Class A director, expires at the Annual Meeting. In connection with the expiration of Dr. Hove's current term at the Annual Meeting, the Board has nominated Dr. Ratcliffe to stand for election as a Class A director at the Annual Meeting.

The three nominees for director this year are Kurt Conti and Robert Spiegel, M.D. each of whom is a current director of Edge, and Liam Ratcliffe, M.D., Ph.D., who is not currently a director of Edge. If elected at the Annual Meeting, each of Mr. Conti, Dr. Ratcliffe and Dr. Spiegel would serve until the 2019 annual meeting and his successor has been duly elected and qualified, or, if sooner, until his death, resignation or removal. No director or nominee for director is related to any other director or executive officer of Edge or nominee for director by blood, marriage, or adoption. Our directors are expected to attend our Annual Meeting, either in person or telephonically. Dr. Ratcliffe was nominated for election to the Board pursuant to an understanding with New Leaf Ventures III, L.P. ("New Leaf") and Venrock Healthcare Capital Partners II, L.P. ("Venrock") that Dr. Ratcliffe would be nominated to our Board at the first annual meeting of stockholders following our initial public offering in place of Dr. Hove. Other than the foregoing, there are no arrangements or understandings between any nominee and any other person pursuant to which each such the nominee was selected.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Accordingly, each of Mr. Conti, Dr. Ratcliffe and Dr. Spiegel will be elected if he receives a plurality of the votes cast. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of each of Mr. Conti, Dr. Ratcliffe and Dr. Spiegel. If Mr. Conti, Dr. Ratcliffe or Dr. Spiegel becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for such person will instead be voted for the election of a substitute nominee proposed by our Board. Mr. Conti, Dr. Ratcliffe and Dr. Spiegel have each agreed to serve if elected. Our management has no reason to believe that either Mr. Conti, Dr. Ratcliffe or Dr. Spiegel will be unable to serve.

CORPORATE GOVERNANCE

Independence of the Board of Directors

As required under the NASDAQ listing standards, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the board of directors. The Board consults with our counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of NASDAQ, as in effect from time to time.

The Board has undertaken a review of the independence of our directors and has determined that all of our directors except Mr. Leuthner and Dr. Macdonald are independent within the meaning of Section 5605(a)(2) of the NASDAQ Stock Market listing rules and that Messrs. Conti and Loughlin and Dr. Healy meet the additional tests for independence for Audit Committee members imposed by Rule 10A-3 under the Exchange Act and Section 5605(c)(2)(A) of the NASDAQ Stock Market listing rules. Mr. Leuthner is not an independent director under these rules because he is our President and Chief Executive Officer, and Dr. Macdonald is not an independent director under these rules because he is our Chief Scientific Officer.

Board Leadership Structure

The Board has appointed Dr. Barer as Chairman of the Board and Mr. Blech as Vice Chairman of the Board. The Chairman has the authority, among other things, to preside over Board meetings, to set meeting agendas and to perform all other duties delegated to him from time to time by the Board. We believe that separation of the positions of Board Chair and Chief Executive Officer reinforces the independence of the Board in its oversight of our business and affairs. In addition, we believe that having an independent Chairman creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the Board to monitor whether management's actions are in our best interests and the best interests of our stockholders. As a result, we believe that having an independent Chairman can enhance the effectiveness of the Board as a whole.

Role of the Board in Risk Oversight

One of the Board's key functions is informed oversight of our risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a

whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for us. Our Audit Committee has the responsibility to review and discuss with management and KPMG LLP, as appropriate, our guidelines and policies with respect to risk assessment and risk management, including our major financial risk exposures and the steps taken by management to monitor and control these exposures. Our Nominating and Corporate Governance Committee is responsible for developing our corporate governance principles, and periodically reviews these principles and their application. Our Compensation Committee reviews our practices and policies of employee compensation as they relate to risk management and risk-taking incentives, to determine whether such compensation policies and practices are reasonably likely to have a material adverse effect on us.

Meetings of the Board of Directors

The Board met ten (10) times during the 2015 fiscal year. All directors attended at least 75% of the aggregate number of meetings of the Board and of the committees on which they served held during 2015 or the portion thereof for which they were directors or committee members

Information Regarding Committees of the Board of Directors

The Board has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The following table provides membership information as of December 31, 2015 for each of these standing Board committees. From time to time, our Board and committees also take action by written consent without a meeting. Each of our Board committees has authority to engage legal counsel or other experts or consultants, as it deems appropriate to carry out its responsibilities.

Audit Committee

Our Audit Committee consists of Mr. Conti, Dr. Healy, and Mr. Loughlin, each of whom satisfies the independence requirements under NASDAQ Global Market listing standards and Rule 10A-3(b)(1) of the Exchange Act. The chairperson of our Audit Committee is Mr. Loughlin, whom our Board has determined to be an “audit committee financial expert” within the meaning of SEC regulations. Each member of our Audit Committee can read and understand fundamental financial statements in accordance with Audit Committee requirements. In arriving at this determination, the Board has examined each Audit Committee member’s scope of experience and the nature of their employment in the corporate finance sector. The Audit Committee held seven (7) meetings in 2015.

The primary purpose of our Audit Committee is to assist the Board in the oversight of the integrity of our accounting and financial reporting process, the audits of our financial statements, and our compliance with legal and regulatory requirements. The functions of our Audit Committee include, among other things:

- hiring an independent registered public accounting firm to conduct the annual audit of our financial statements and monitoring its independence and performance;
- reviewing and approving the planned scope of the annual audit and the results of the annual audit;
-

pre-approving all audit services and permissible non-audit services provided by our independent registered public accounting firm;

- reviewing the significant accounting and reporting principles to understand their impact on our financial statements;
- reviewing our internal financial, operating and accounting controls with management and our independent registered public accounting firm;
- reviewing with management and our independent registered public accounting firm, as appropriate, our financial reports, earnings announcements and our compliance with legal and regulatory requirements;
- reviewing potential conflicts of interest under and violations of our Code of Conduct;
- establishing procedures for the treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters and confidential submissions by our employees of concerns regarding questionable accounting or auditing matters;
- reviewing and approving related-party transactions;
- primary responsibility for overseeing our risk management function; and
- reviewing and evaluating, at least annually, our Audit Committee's charter.

Table of Contents

With respect to reviewing and approving related-party transactions, our Audit Committee reviews related-party transactions for potential conflicts of interests or other improprieties. Under SEC rules, related-party transactions are those transactions to which we are or may be a party in which the amount involved exceeds \$120,000, and in which any of our directors or executive officers or any other related person had or will have a direct or indirect material interest, excluding, among other things, compensation arrangements with respect to employment and board membership. Our Audit Committee could approve a related-party transaction if it determines that the transaction is in our best interests. Our directors are required to disclose to the committee or the full Board any potential conflict of interest or personal interest in a transaction that our board is considering. Our executive officers are required to disclose any potential conflict of interest or personal interest in a transaction to the Audit Committee. We also poll our directors and executive officers on an annual basis with respect to related-party transactions and their service as an officer or director of other entities. Any director involved in a related-party transaction that is being reviewed or approved must recuse himself or herself from participation in any related deliberation or decision. Whenever possible, the transaction should be approved in advance and if not approved in advance, must be submitted for ratification as promptly as practical.

The Board has adopted a charter for the Audit Committee that complies with SEC and NASDAQ Stock Market listing rules. The charter is available on our website at www.edgetherapeutics.com.

Report of the Audit Committee of the Board of Directors

The Audit Committee assists the Board in performing its oversight responsibilities for our financial reporting process and audit process as more fully described in the Audit Committee's charter. Management has the primary responsibility for the financial statements and the reporting process. Our independent registered public accounting firm is responsible for performing an independent audit of our financial statements in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States), or the PCAOB, and to issue a report thereon.

In the performance of its oversight function, the Audit Committee has reviewed and discussed our audited financial statements for the year ended December 31, 2015 with management and with our independent registered public accounting firm. In addition, the Audit Committee has discussed the matters required to be discussed by Statement on Auditing Standards No. 16, as amended, "Communication With Audit Committees" (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the PCAOB in Rule 3200T, which includes, among other items, matters related to the conduct of the audit of our financial statements, with KPMG LLP, our independent registered public accounting firm for the year ended December 31, 2015. The Audit Committee has also received and reviewed the written disclosures and the letter from KPMG LLP required by the Public Company Accounting Oversight Board Ethics and Independence Rule 3526, Communication with Audit Committees Concerning Independence (which relates to the independent registered public accounting firm's independence from us) and has discussed with KPMG LLP their independence from us. We have also considered whether the non-audit services provided by the

independent registered public accounting firm are compatible with maintaining its independence.

Based on the review and discussions referenced above, the Audit Committee recommended to our Board that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2015.

The foregoing report has been furnished by the Audit Committee.

The Board has adopted a charter for the Nominating and Corporate Governance Committee that complies with SEC and NASDAQ Stock Market listing rules. The charter is available on our website at www.edgetherapeutics.com.

While the Nominating and Corporate Governance Committee does not have a formal diversity policy, the Nominating and Corporate Governance Committee recommends candidates based upon many factors, including the diversity of their business or professional experience, the diversity of their background and their array of talents and perspectives. We believe that the Nominating and Corporate Governance Committee's existing nominations process is designed to identify the best possible nominees for the Board, regardless of the nominee's gender, racial background, religion, or ethnicity. The Nominating and Corporate Governance Committee identifies candidates through a variety of means, including recommendations from members of the Board and suggestions from our management, including our executive officers. In addition, the Nominating and Corporate Governance Committee considers candidates recommended by third parties, including stockholders. The Nominating and Corporate Governance Committee gives the same consideration to candidates recommended by stockholders as those candidates recommended by members of our Board. Nominees should have a reputation for integrity, honesty and adherence to high ethical standards, should have demonstrated business acumen, experience and ability to exercise sound judgments in matters that relate to our current and long-term objectives, should be willing and able to contribute positively to our decision-making process, should have a commitment to understand Edge and our industry and to regularly attend and participate in meetings of the Board and its committees, should have the interest and ability to understand the sometimes conflicting interests of the various constituencies of Edge, which include stockholders, employees, customers, creditors and the general public, and to act in the interests of all stockholders, should not have, nor appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of all our stockholders and to fulfill the responsibilities of a director. Nominees shall not be discriminated against on the basis of race, religion, national origin, sex, sexual orientation, disability or any other basis proscribed by law. The value of diversity on the Board should be considered.

The Nominating and Corporate Governance Committee considers director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: Edge Therapeutics, Inc. at 200 Connell Drive, Suite 1600, Berkeley Heights, NJ 07922 no earlier than the close of business on March 23, 2017, and no later than the close of business on April 22, 2017. Any such submission must be accompanied by the written consent of the proposed nominee to be

named as a nominee and to serve as a director if elected. Please refer to Article II of our Second Amended and Restated Bylaws for a description of the formal process to recommend director candidates to the Nominating and Corporate Governance Committee.

Dr. Ratcliffe, the only director nominee who is not currently a member of our Board of Directors, was nominated for election to the Board pursuant to an understanding with New Leaf and Venrock that Dr. Ratcliffe would be nominated to our Board at the first annual meeting of stockholders following our initial public offering.

Narrative to Summary Compensation Table**Employment Agreements**

We have entered into employment agreements with Mr. Leuthner, our President and Chief Executive Officer, Dr. Macdonald, our Chief Scientific Officer, and Dr. Faleck, our Chief Medical Officer. The material terms of such employment agreements are summarized below.

The term of employment for each executive under his employment agreement will continue until the executive's employment with us terminates for any reason. Each employment agreement sets forth the executive's annual base salary and target bonus opportunity, and the executive's right to participate in our health insurance program and other benefit programs provided to our executives generally. Under his current employment agreement, Mr. Leuthner's annual base salary and target bonus opportunity are \$425,000 and 60% of his base salary, respectively. Under his current employment agreement, Dr. Macdonald's annual base salary and target bonus opportunity are \$375,000 and 45% of his base salary, respectively. Under his current employment agreement, Dr. Faleck's annual base salary and target bonus opportunity are \$345,000 and 40% of his base salary, respectively. Such base salaries and target bonus opportunities are subject to annual review and adjustment by the Board. Each executive's bonus award will be made at the discretion of the Compensation Committee or the Board.

Each employment agreement also provides for additional payments and benefits to be made in connection with the executive's termination of employment, as described below. In addition, each employment agreement provides that the executive is bound by our standard confidentiality and invention assignment agreement, which sets forth certain intellectual property rights between us and our employees. Dr. Macdonald's confidentiality and invention assignment agreement includes additional provisions that require him to refrain from competing or interfering with our business and soliciting our customers, prospective customers and other business relationships while he is employed by us and for 12 months thereafter. Each executive's employment agreement also provides that his equity and incentive compensation is subject to any clawback policy of our company in effect from time to time, or otherwise required by law or stock exchange.

Potential Payments Upon a Termination or Change in Control

Under the terms of their respective employment agreements, Mr. Leuthner, Dr. Macdonald, and Dr. Faleck are entitled to payments and benefits in connection with the termination of their employment with us under specified circumstances.

The employment agreements for our executives state that if an executive resigns without good reason, is terminated for cause or, with respect to all of the executives other than Mr. Leuthner, is terminated due to death or disability, the executive is only entitled to receive salary and benefits that were accrued but remain unpaid through the date of termination.

The employment agreements provide severance benefits to be paid to an executive, subject to the effectiveness of a general release of claims, if the executive terminates his employment for good reason or if we terminate the executive's employment without cause. Mr. Leuthner's employment agreement entitles him to severance benefits upon a termination due to death or disability as if such termination was without cause. The continued provision of severance benefits is conditioned on each executive's compliance with his release and the terms of our confidentiality and invention and assignment agreement such that if an executive does not comply with such agreements, severance payments to the executive will cease and previously paid severance benefits must be repaid. The terms "cause" and "good reason" have the meanings set forth in each executive's employment agreement with us.

Under Mr. Leuthner's agreement, upon a termination of Mr. Leuthner's employment by Mr. Leuthner for good reason or by us without cause, in either case, not in connection with a change in control, Mr. Leuthner is entitled to receive payments for 18 months in an amount equal to his base salary to be paid in accordance with our normal payroll practices, plus 18 months of COBRA premium reimbursements. Under the employment agreements of Drs. Macdonald and Faleck, if the executive terminates his employment for good reason or we terminate the executive's employment without cause, and such termination was not in connection with a change in control, such executives are entitled to receive 12 months of continued base salary, to be paid in accordance with our normal payroll practices, plus 12 months of COBRA premium reimbursement.

Table of Contents

The employment agreements for our executives provide enhanced severance payments upon certain employment terminations that occur in connection with a change in control. Mr. Leuthner's employment agreement provides that if Mr. Leuthner terminates his employment for good reason within 12 months following a change in control or if we terminate Mr. Leuthner's employment other than for cause (i) within the 60-day period prior to a change in control or (ii) within the 12-month period following a change in control, then Mr. Leuthner would be entitled to receive the same severance benefits as provided above, plus a payment equal to 1.5 times his target bonus opportunity and accelerated vesting of all unvested equity awards (with performance-based awards to vest at not less than target).

The employment agreements for Drs. Macdonald and Faleck provide that if they terminate their employment for good reason within 12 months following a change in control or if we terminate the executive's employment other than for cause (i) within the 60-day period prior to a change in control or (ii) within the 12-month period following a change in control, then, in each case, Drs. Macdonald and Faleck would be entitled to receive the same severance benefits as if such termination was not in connection with a change in control. In addition, each executive would be entitled to accelerated vesting of all unvested equity awards (with performance-based awards to vest at not less than target).

Each executive's employment agreement also provides for full vesting of all outstanding and unvested equity awards upon a change in control (with performance-based awards to vest at not less than target).

The following table sets forth potential payments payable to our named executive officers upon a termination of employment without cause or resignation for good reason or termination of employment without cause or resignation for good reason in connection with a change in control. The table below reflects amounts payable to our named executive officers assuming their employment was terminated on December 31, 2015 and, if applicable, a change in control also occurred on such date:

Table of Contents**PROPOSAL 2****RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has selected KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016 and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. Representatives of KPMG LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our Bylaws nor other governing documents or law require stockholder ratification of the selection of KPMG LLP as our independent registered public accounting firm. However, the Audit Committee is submitting the selection of KPMG LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in our best interests and the best interests of our stockholders.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
A VOTE IN FAVOR OF PROPOSAL 2.**

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Edge stockholders will be "householding" our proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify us or your broker. Direct your written request to Investor Relations, Edge Therapeutics, Inc. at 200 Connell Drive, Suite 1600, Berkeley Heights, NJ 07922. Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request "householding" of their communications should contact their brokers.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

By Order of the Board of Directors

W. Bradford Middlekauff

Senior Vice President, General Counsel and Secretary
