On January 19, 2010, the Human Resources Committee of the Board of Directors (the “Committee”) of Carpenter Technology Corporation (the “Company”), approved a restricted stock unit award to K. Douglas Ralph, the Company’s Senior Vice President and Chief Financial Officer with respect to 27,602 shares of common stock. The award will vest on January 19, 2013, provided that Mr. Ralph remains employed by the Company on that date, subject to partial or full acceleration of vesting upon a termination without cause, a change in control or Mr. Ralph’s death or disability, as more particularly set forth in the award agreement. The award includes dividend equivalent rights.

The Committee also set performance goals with respect to the performance stock unit opportunity for Gregory A. Pratt, the Company’s Chairperson of the Board and interim President and Chief Executive Officer, which was previously reported in our Form 8-K filed on October 26, 2009. The performance goals are based on the Company’s internal objectives for earnings per share, free cash flow, operating income and safety performance, which apply with respect to a performance period that the Committee modified to correspond to fiscal 2010 year end results.
