PART III NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, or the transition report portion thereof, could not be filed within the prescribed time period.

The Form 10-K for the fiscal year ended December 31, 2003 for the Registrant could not be filed within the prescribed period because the Registrant was unable to timely compile and analyze the information necessary to complete and support its estimate of the appropriate amount of impairment, if any, to recognize on its long-lived assets in connection with the Registrant's decision, in the fourth quarter of 2003, to pursue litigation against Aventis Pharmaceuticals and cease substantially all operations. The Registrant's inability to complete and file its Form 10-K within the prescribed period could not have been eliminated by the Registrant without unreasonable effort or expense. The Registrant intends to secure a third-party valuation to help the Registrant determine whether it must recognize an impairment charge and file its Form 10-K within the next fifteen calendar days in accordance with Rule 12b-25.

Attachment for Part IV (3) Other Information

The Registrant anticipates that higher revenues in 2003 will be more than offset by an increase to corresponding expenses in 2003. In addition, if the Registrant determines that it must recognize impairment charges in 2003, its expenses in 2003 will increase to reflect such charges.
