PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON

JUNE 10, 2004

INFORMATION CONCERNING SOLICITATION AND VOTING

Introduction

This Proxy Statement and the enclosed proxy card (Proxy) are being furnished on behalf of the Board of Directors of Bankrate, Inc., a Florida corporation (the Company), for use at the 2004 Annual Meeting of Stockholders of the Company (the Annual Meeting), or at any adjournments or postponements, for the purposes set forth below and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at The Waterford Hotel & Conference Center, 11360 U.S. Highway One, North Palm Beach, Florida 33408, at 9:00 a.m. local time, on Thursday, June 10, 2004. The Company intends to mail this Proxy Statement and the Proxy on or about May 7, 2004, to all stockholders entitled to vote at the Annual Meeting.

Stockholders Entitled to Notice and to Vote; Quorum

Only holders of record of the Company's Common Stock at the close of business on April 16, 2004 (the Record Date), will be entitled to notice of and to vote at the Annual Meeting. At the Record Date, the Company had outstanding and entitled to vote 15,306,562 shares of Common Stock. Each holder of record of Common Stock on the Record Date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting.

Edgar Filing: BANKRATE INC - Form DEF 14A

The holders of a majority of the Common Stock outstanding on the Record Date, whether present at the Annual Meeting in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. The shares held by each stockholder who signs and returns a valid Proxy will be counted for purposes of determining the presence of a quorum at the Annual Meeting, whether or not the stockholder abstains on all or any matters to be acted on. Abstentions and broker non-votes both will be counted toward fulfillment of quorum requirements. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner.

Voting Requirements

At the Annual Meeting, stockholders will consider and act upon the election of directors, the ratification of the selection of the Company's independent public accountants, and such other business as may properly come before the Annual Meeting.

The Company's Bylaws provide that directors are elected by a plurality of the votes cast. The withholding of authority by a stockholder (including broker non-votes) as to the election of directors (Proposal 1) thus has no effect on the results of the election.

Under Florida law, the ratification of the selection of the Company's independent public accountants (Proposal 2) must be approved by a majority of the votes cast. Abstentions and broker non-votes are not treated as votes cast and thus have no effect on the vote for Proposal 2.

At the Record Date, the directors and executive officers of the Company owned or controlled the power to vote 6,425,006 shares of Common Stock eligible to be voted at the Annual Meeting, constituting approximately 41.98% of the outstanding Common Stock. The Company believes that directors and executive officers will vote all of their shares of Common Stock in favor of the election of each of the director nominees and in favor of Proposal 2 and, therefore, that the presence of a quorum, the election of the director nominees and the ratification of the selection of the independent public accountants is reasonably assured.

Proxies

When a Proxy is properly signed and returned, the shares that it represents will be voted at the Annual Meeting in accordance with the owner's instructions. In the absence of such instructions, the shares represented by a signed Proxy will be voted in favor of each of the nominees for election to the Board of Directors, as set forth in Proposal 1, and in favor of the ratification of the selection of independent public accountants, as set forth in Proposal 2.

Discretionary authority is provided in the Proxy as to any matters not specifically referred to in the Proxy or this Proxy Statement. The Board of Directors is not aware of any other matters that are likely to be brought before the Annual Meeting. If any other matter is properly presented for action at the Annual Meeting, including a proposal to adjourn or postpone the Annual Meeting to permit the Company to solicit additional proxies in favor of any proposal, the persons named in the Proxy will vote on such matter in their own discretion.

Any stockholder who signs and returns a Proxy has the power to revoke it at any time before it is exercised by providing written notice of revocation to the Secretary of the Company or by filing with the Secretary of the Company a Proxy bearing a later date. Alternatively, a stockholder can revoke a Proxy by attending the Annual Meeting and voting in person.

Proxies will be solicited from the Company's stockholders by mail. The Company will pay all expenses in connection with the solicitation, including postage, printing and handling, and the expenses incurred by brokers, custodians, nominees and fiduciaries in forwarding proxy material to beneficial owners. The Company may employ a proxy solicitation firm to solicit proxies in connection with the Annual Meeting, and the Company estimates that the fee payable for such services would be less than \$10,000. It is possible that directors, officers and other employees of the Company may make further solicitations personally or by telephone, facsimile or mail. Directors, officers and other employees of the Company will receive no additional compensation for any such further solicitations.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the amount and percent of shares of Common Stock that, at the Record Date, are deemed under the rules of the Securities and Exchange Commission (the Commission) to be beneficially owned by each member of the Board of Directors, by each nominee for election to the Board of Directors, by each executive officer of the Company named in the Summary Compensation Table below, by all directors and executive officers of the Company as a group, and by any person or group (as that term is used in the Securities Exchange Act of 1934, as amended (Exchange Act)) known to the Company to be a beneficial owner of more than 5% of the outstanding shares of Common Stock as of that date. The information concerning the beneficial ownership of the Company's directors and officers is based solely on information provided by those individuals.

PROPOSAL 1

ELECTION OF DIRECTORS

Introduction

The Board of Directors is divided into three classes, each of whose members serve for staggered three-year terms. At each annual meeting of stockholders, a class of directors is elected for a three-year term to succeed the directors of the same class whose terms are then expiring. The Board is currently comprised of two Class I directors (Mr. O Block and Mr. Poliner) whose terms expire at the 2006 annual meeting of stockholders, two Class II directors (Ms. DeMarse and Mr. Evans) whose terms expire at the Annual Meeting, and two Class III directors (Mr. Martin and Mr. Morse) whose terms expire at the 2005 annual meeting of stockholders. The Board of Directors has nominated Ms. DeMarse and Mr. Evans to stand for re-election and election, respectively, as directors at the Annual Meeting. Board of Directors Meetings and Committees

During 2003, the Board of Directors held four meetings. Each incumbent director attended at least 75% of the aggregate number of meetings of the Board of Directors and committees of the Board on which he or she served.

The members of the Audit Committee are Messrs. O Block (Chairman), Poliner and Grayson. The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to governmental bodies or the public; the Company's systems of internal controls regarding finance, accounting, legal

Edgar Filing: BANKRATE INC - Form DEF 14A

compliance and ethics that management and the Board have established; and the Company's accounting and financial reporting process. The Audit Committee encourages continuous improvement of, and fosters adherence to, the Company's policies, procedures and practices at all levels.

The members of the Compensation Committee are Messrs. Poliner (Chairman) and O Block. The Compensation Committee reviews and evaluates the compensation and benefits of all our officers, reviews general policy matters relating to compensation and benefits of employees of the Company and makes recommendations concerning these matters to the Board of Directors. The Compensation Committee also administers our stock option plans.

Nomination of Directors

The Board does not have a standing nominating committee or a charter with respect to the process for nominating directors for election to the Company's Board of Directors. The Company's Board of Directors has adopted a resolution establishing nominating procedures. Under the new nominating procedures, members of the Company's Board submit nominees for election to the Company's Board of Directors to the independent directors (as that term is defined under National Association of Securities Dealers (NASD) listing standards) of the Board for their consideration.

The Company's Bylaws provide that a stockholder may submit a nomination for election to the Company's Board of Directors by delivering a written notice to the principal executive offices of the Company not less than sixty (60) days prior to an Annual or Special Meeting of the stockholders; provided, however, that in the event that stockholders are provided with fewer than seventy (70) days notice of the meeting, notice by the stockholder will be timely if received by the Company no later than the tenth (10th) day following the earlier of the day on which notice of the meeting was mailed or the date on which public disclosure of the meeting was made.

The stockholder's notice to the Company must set forth, as to each person that the stockholder proposes to nominate for election (or re-election) as a director:

The proposed nominee's name, age, business address and residence address;

The proposed nominee's principal occupation or employment;

The class and number of shares of the Company's capital stock beneficially owned by the proposed nominee; and

Any other information relating to the proposed nominee that is required to be disclosed in solicitations for proxies for election of directors pursuant to Schedule 14A under the Exchange Act.

The stockholder's notice to the Company must also set forth, as to the stockholder giving notice:

The stockholder's name and address, as they appear on the Company's books; and

The class and number of shares of the Company's stock beneficially owned by the stockholder on the date of such notice.

The Corporation may require any proposed nominee to furnish such other information as may be reasonably required by the Company to determine the proposed nominee's eligibility to serve as a director.

Edgar Filing: BANKRATE INC - Form DEF 14A

To date, other than from Peter C. Morse, the Company's Chairman and largest shareholder, the Company has not received any recommendations from stockholders requesting that the Board consider a candidate for inclusion among the nominees in the Company's Proxy Statement. The absence of such a policy does not mean, however, that a recommendation would not have been considered had one been received. The Board would consider any candidate proposed in good faith by a stockholder. To propose a nominee, a stockholder should send the candidate's name, credentials, contact information, and his or her consent to be considered as a candidate to Robert J. DeFranco, the Company's Senior Vice President- Chief Financial Officer. The proposing stockholder should also include his or her contact information and a statement of his or her share ownership (how many shares owned and for how long).

In evaluating a director nominee, the independent directors considers the following factors:

the appropriate size of the Company's Board of Directors;

the needs of the Company with respect to the particular talents and experience of its directors;

the nominee's knowledge, skills and experience, including experience in finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;

whether the nominee is independent, as that term is defined under NASD listing standards;

the familiarity with the Company's industry;

the nominee's experience in political affairs;

the nominee's experience with accounting rules and practices; and

the desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board members.

The Company's goal is to assemble a Board of Directors that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Board will also consider candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the independent directors may also consider such other factors as they may deem are in the best interests of the Company and its stockholders. The Company also believes it appropriate for certain key members of the Company's management to participate as members of the Board.

Members of the Board identify nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service or if the independent directors decide not to re-nominate a member for re-election, the Board then identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors are polled for suggestions as to individuals meeting the criteria described above. The independent directors may also engage in research to identify qualified individuals, and the Company reserves the right to retain a third party search firm, if necessary.

Stockholder Communications with the Board of Directors

Historically, the Company has not adopted a formal process for stockholder communications with the Board. Nevertheless, every effort has been made to ensure that the Board or individual directors, as applicable, hear the views of stockholders and that appropriate responses are provided to stockholders in a timely manner. Any matter intended for the Board, or for any individual member or members of the Board, should be directed to Robert J. DeFranco, the Company's Senior Vice President-Chief Financial Officer, with a request to forward the matter to the intended recipient. All such communications will be forwarded unopened.

Director Attendance at Annual Meeting of Stockholders

Edgar Filing: BANKRATE INC - Form DEF 14A

The Company encourages all incumbent directors, as well as all nominees for election as director, to attend the Annual Meeting of Stockholders. All of the Company's incumbent directors attended the Company's Annual Meeting in June 2003.

finance code of ethics), applicable to our Chief Executive Officer, Chief Financial Officer, Controller and other finance organization employees. Compensation of Directors

Neither employee nor non-employee directors receive any compensation for their services as such. The Company reimburses each director for reasonable out-of-pocket expenses incurred in attending meetings of the Board of Directors and any of its committees.

Compensation Committee Interlocks and Insider Participation

The following non-employee directors were the members of the Compensation Committee of the Board of Directors during 2003: Randall E. Poliner (Chairman) and Robert P. O Block. None of the members of the Compensation Committee is an executive officer of the Company.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

General

The Compensation Committee of the Company's Board of Directors has furnished the following report on executive compensation in accordance with the rules and regulations of the Commission. This report outlines the duties of the Compensation Committee with respect to executive compensation, the various components of the Company's compensation program for executive officers and other key employees, and the basis on which the 2003 compensation was determined for the executive officers, with particular detail given to the 2003 compensation for the Company's Chief Executive Officer.

Compensation of Executive Officers Generally

The Compensation Committee is responsible for establishing compensation levels for the executive officers of the Company, including the annual bonus plan for executive officers, and for administering the Company's equity compensation plans. The Compensation Committee is comprised of two non-employee directors: Messrs. Poliner (Chairman) and O Block. The Compensation Committee's overall objective is to establish a compensation policy that will (1) attract, retain and reward executives who contribute to the achievement of the Company's business objectives; (2) motivate executives to attain these objectives; and (3) align the interests of executives with those of the Company's long-term investors. The Company compensates executive officers with a combination of salary and incentives designed to focus their efforts on maximizing both the near-term and long-term financial performance of the Company. In addition, the Company's compensation program rewards individual performance that furthers Company goals. The executive compensation program includes base salary, incentive bonuses, long-term

Edgar Filing: BANKRATE INC - Form DEF 14A

equity incentive awards in the form of stock option grants, and other benefits. Each executive officer's compensation package is designed to provide an appropriately weighted mix of these elements, which cumulatively provide a level of compensation roughly equivalent to that paid by companies of similar size and complexity.

Base Salary. Base salary levels for each of the Company's executive officers, including the Chief Executive Officer, are generally set within a range of base salaries that the Compensation Committee believes are paid to executive officers at companies deemed comparable to the Company based on similarities in revenue levels, industry segments and competitive employment markets. In addition, the Compensation Committee generally takes into account the Company's past financial performance and future expectations, as well as the performance of the executives and changes in the executives' responsibilities. The annual base salary paid to Ms. DeMarse (\$300,000) is the amount specified in her employment agreement with the Company.

Incentive Bonuses. The Compensation Committee recommends the payment of bonuses to provide an incentive to executive officers. Bonuses are awarded only if the Company achieves or exceeds certain corporate performance objectives. The incentive bonus to each executive officer is based on the individual executive's performance as it relates to the Company's performance. Pursuant to the Company's employment agreement with Elisabeth DeMarse, the Company is required to pay, and has paid, Ms. DeMarse a bonus of \$100,000 per year.

Equity Incentives. Stock options are used by the Company to provide a stock-based incentive to improve the Company's financial performance and to assist in the recruitment, retention and motivation of professional, managerial and other personnel. Stock options are also designed to align the interests of the Company's executive officers with those of its stockholders by encouraging executive officers to enhance the value of the Company, the price of the Common Stock, and hence, the stockholders' return over the long term. Generally, stock options are granted to executive officers from time to time based primarily upon the individual's actual and/or potential contributions to the Company and the Company's financial performance over the long term.

Compensation of the Chief Executive Officer

Pursuant to her employment agreement with the Company, the Company has paid Ms. DeMarse an annual salary of \$300,000 plus an annual bonus of \$100,000. The Committee believes the compensation paid to Ms. DeMarse is reasonable.

Policy with Respect to Qualifying Compensation for Deductibility

Section 162(m) of the Internal Revenue Code imposes a limit on tax deductions for annual compensation (other than performance-based compensation) in excess of one million dollars paid by a corporation to its Chief Executive Officer and the other four most highly compensated executive officers. The Company has not established a policy with regard to Section 162(m) of the Internal Revenue Code, because the Company has not paid and does not currently anticipate paying annual compensation in excess of one million dollars to any employee. None of the compensation paid by the Company in 2003 was subject to limitations on deductibility. The Board of Directors will continue to assess the impact of Section 162(m) on its compensation practices and determine what further action, if any, is appropriate.

Section 16(a) Beneficial Ownership Reporting Compliance

Under Section 16(a) of the Securities Exchange Act of 1934, the Company's directors, certain of its officers, and beneficial owners of more than 10% of the outstanding Common Stock are required to file reports with the Commission concerning their ownership of and transactions in Common Stock; such persons are also required to furnish the Company with copies of such reports. Based solely upon the reports and related information furnished to the Company, the Company believes that all such filing requirements were complied with in a timely manner during and with respect to 2003, except that Bruns H. Grayson filed one late Form 4.

Certain Transactions

The Company renewed its lease with Bombay Holdings, Inc. for its principal corporate offices and facilities effective January 1, 2004. Bombay is wholly-owned by Peter C. Morse, a director and principal stockholder of the Company. The lease is for three years, expiring on December 31, 2006, and requires the Company to pay a percentage of the common maintenance charges. Rent expense paid to Bombay for the year ended December 31, 2003 was approximately \$305,000. The Company believes that the terms of the lease agreement are no less favorable to us than those that could have been obtained from unaffiliated third parties.

The Board of Directors has adopted a resolution requiring that all future transactions with related parties be approved by a majority of the Board of Directors, including a majority of the independent and disinterested members of the Board of Directors, or a majority of the disinterested stockholders, and be on terms no less favorable to the Company than could be obtained from unaffiliated third parties.

PROPOSAL 2
RATIFICATION OF SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee of the Board of Directors has appointed the accounting firm of KPMG LLP to serve as the Company's independent public accountants for the fiscal year ending December 31, 2004. A proposal to ratify that appointment will be presented at the Annual Meeting. Representatives of KPMG LLP are expected to be present at the meeting. They will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

The Board of Directors recommends a vote FOR ratification of the selection of the independent public accountants.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Audit Committee of the Board of Directors has implemented procedures under the Company's Audit Committee Pre-Approval Policy for Audit and Non-Audit Services (the Pre-Approval Policy) to ensure that all audit and permitted non-audit services provided to the Company are pre-approved by the Audit Committee.

Specifically, the Audit Committee pre-approves the use of KPMG LLP for specific audit and non-audit services, within approved monetary limits. If a proposed service has not been pre-approved pursuant to the Pre-Approval Policy, then it must be specifically pre-approved by the Audit Committee before it may be provided by KPMG LLP. Any pre-approved services exceeding the pre-approved monetary limits require specific approval by the Audit Committee. The Audit Committee may delegate pre-approval authority to one or more of its members when expedition of services is necessary. All of the audit-related, tax and all other services provided by KPMG LLP to the Company in 2003 were approved by the Audit Committee by means of specific pre-approvals or pursuant to the procedures contained in the Pre-Approval Policy.

The Audit Committee has determined that all non-audit services provided by KPMG LLP in 2003 were compatible with maintaining its independence in the conduct of its auditing functions.

Report of the Audit Committee

The Audit Committee operates under a written charter adopted by the Board of Directors and revised in 2004 to reflect changes required by the Sarbanes-Oxley Act of 2002 and the NASD. The Audit Committee's charter was first published in its entirety as an appendix to the Company's 2001 Proxy Statement. The revised charter, which was approved by the Board of Directors, is included as Appendix A to this Proxy Statement. This report reviews the actions taken by the Audit Committee with regard to the Company's financial reporting process during 2003 and particularly with regard to the Company's audited consolidated financial statements as of December 31, 2003 and 2002 and for the three years ended December 31, 2003.

The Audit Committee selects of the Company's independent public accountants and meets with the Company's independent public accountants to discuss the scope and review the results of the annual audit.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Committee's Charter. The Audit Committee met four times during 2003.

All of the directors who serve on the Audit Committee are independent for purposes of the National Association of Securities Dealers listing standards. That is, the Board of Directors has determined that none of the members of the Committee has any relationship to the Company that may interfere with his independence from the Company and its management.

The Audit Committee has reviewed the Company's 2003 financial statements and met with both management and KPMG LLP, the Company's independent public accountants, to discuss those financial statements. Management has represented to us that the financial statements were prepared in conformity with accounting principles generally accepted in the United States of America. The Committee also has received from and discussed with KPMG LLP the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), relating to that firm's independence from the Company. The Audit Committee has also discussed with KPMG LLP any matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

On the basis of these reviews and discussions, the Audit Committee has recommended to the Board of Directors that the Board approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003, for filing with the Securities and Exchange Commission.

STOCKHOLDER PROPOSALS

Rules of the Commission require that any proposal by a stockholder for consideration at the 2005 annual meeting of stockholders must be received by the Company no later than January 7, 2005, if it is to be eligible for inclusion in the Company's proxy materials for its 2005 annual meeting of stockholders. Under these rules, the Company is not required to include stockholder proposals in its proxy materials unless certain other conditions specified in such rules are met.

In order for a stockholder to bring any other business or nominations before an annual meeting of stockholders, certain conditions set forth in Article II, Sections 16 and 17, of the Company's Amended and Restated Bylaws must be complied with, including delivery of notice to the Company in sufficient time prior to the meeting.

HOUSEHOLDING

If a stockholder and other residents at his or her mailing address own shares of the Company's Common Stock in street name, the stockholder's broker or bank may have given notice that each household will receive only one annual report and one proxy statement for each company in which stock is held through that broker or bank. This practice is known as householding. Unless the stockholder responded to that notice that he or she did not wish to participate in householding, he or she would be deemed to have consented to participating, and only one copy of each company's annual report and proxy statement would be sent to that address (however, each stockholder would continue to receive a separate proxy card).

Any stockholder who wishes to receive his or her own set of the Company's future annual reports and proxy statements, or who shares an address with another stockholder of the Company and together would like to receive only one set of annual disclosure documents, should contact the Company at 11811 U.S. Highway One, Suite 101, North Palm Beach, Florida 33408, Attention: Secretary, being sure to supply the names of all stockholders at the same address, the name of the bank or brokerage firm, and the account number(s). The revocation of a consent to householding should be effective 30 days after the notice is received.

BY ORDER OF THE BOARD OF DIRECTORS,

Elisabeth DeMarse

President and Chief Executive Officer

RESPONSIBILITIES AND DUTIES

The Committee's principal responsibility is one of oversight. The Company's management is responsible for preparing the Company's financial statements and the outside auditors are responsible for auditing and/or reviewing those financial statements.

While the Committee has the powers and responsibilities set forth in this charter, it is not the responsibility of the Committee to plan or conduct audits or to determine that the Company's financial statements present fairly the financial position, the results of operations and the cash flows of the Company, in conformity with accounting principles generally accepted in the United States of America. This is the responsibility of management and the outside auditors. In carrying out these oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the outside auditors' work.

The Committee's specific responsibilities are as follows:

General

1. The Committee shall have the power to conduct or authorize investigations into any matters within the Committee's scope of responsibilities. The Committee shall have unrestricted access to members of management and other employees of the Company, as well as all information relevant to the carrying out of its responsibilities.

2. The Committee shall, with the assistance of management, the outside auditors and legal counsel, as the Committee deems appropriate, review and evaluate, at least annually, the Committee's:

(a) charter;

(b) powers and responsibilities; and

(c) performance.

The Committee shall report and make recommendations to the Board with respect to the foregoing, as appropriate.

Edgar Filing: BANKRATE INC - Form DEF 14A

3. The Committee shall ensure inclusion of its then-current charter in the proxy statement for the Company's annual meetings of shareholders, at least once every three years in accordance with regulations of the SEC.

4. The Committee shall prepare annual Committee reports for inclusion in the proxy statements for the Company's annual meetings, as required by rules promulgated by the SEC.

5. The Committee shall, in addition to the performance of the duties described in this charter, undertake such additional duties as from time to time may be:
 - (a) delegated to it by the Board;

 - (b) required by law or under The Nasdaq Stock market, Inc. Marketplace Rules; or

 - (c) deemed desirable, in the Committee's discretion, in connection with its functions described in this charter.

6. The Committee shall be empowered to retain, at the Company's expense, independent counsel, accountants or other advisors for such purposes as the Committee, in its sole discretion, determines to be appropriate to carry out its responsibilities. The Company will provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee.

Internal Controls and Risk Assessment

1. The Committee shall review annually, with management and the outside auditors, if deemed appropriate by the Committee, the effectiveness of or weaknesses in the Company's internal controls, including computerized information system controls and security, the overall control environment and accounting and financial controls.

2. The Committee shall obtain from the outside auditors their recommendations regarding internal controls and other matters relating to the accounting procedures and the books and records of the Company.

3. The Committee shall, in accordance with SEC regulations, establish procedures for:

(a) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters; and

(b) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

4. The Committee shall review major financial risk exposures and the guidelines and policies which management has put in place to govern the process of monitoring, controlling and reporting such exposures.

Outside Auditors; Their Performance and Independence

1. The outside auditors report directly to the Committee, are ultimately accountable to the Board and the Committee, as the representatives of the shareholders of the Company. - (d) authorize the outside auditors to perform such supplemental reviews or audits as the Committee may deem desirable; and
- (e) obtain from the outside auditors assurance that they have complied with Section 10A, as amended, of the Securities Exchange Act of 1934.
3. The Committee shall inquire into any accounting adjustments that were noted or proposed by the outside auditors but were passed as immaterial or otherwise.
4. The Committee shall inquire as to any matters that were referred to the outside auditors' national office relating to accounting policies and/or financial statement disclosure within the Company's financial statements and, to the extent deemed appropriate, request an opportunity to address such issues directly with a representative of such national office.
5. Pre-approval by the Committee shall be required with respect to the fees for all audit and other services performed by the outside auditors as negotiated by management.
6. The Committee's approval of any non-audit services to be rendered by the outside auditors must be obtained in advance of engaging the outside auditors to render such services. The Committee shall not approve the engagement of the outside auditors to render non-audit services prohibited by law or rules and regulations promulgated by the SEC. The Committee shall consider whether the provision of non-audit services is compatible with maintaining the outside auditors' independence, including, but not limited to, the nature and scope of the specific non-audit services to be performed and whether the audit process would require the outside auditors to review any advice rendered by the outside auditors in connection with the provision of non-audit services.
7. The Committee shall receive from the outside auditors on a periodic basis a formal written statement delineating all relationships between the outside auditors and the Company, consistent with the Independence Standards Board, Standard No. 1, regarding relationships and services, which may impact the objectivity and independence of the outside auditors, and other applicable standards.
