**INFORMATION TO BE INCLUDED IN THE REPORT**

**Item 1.01. Entry into a Material Definitive Agreement.**

DaVita Inc. (the "Company") has entered into an employment agreement (the "Agreement") with Joseph Schohl pursuant to which Mr. Schohl will serve as the Company's Vice President, General Counsel and Secretary, effective November 18, 2004. Mr. Schohl will receive an annual base salary of \$240,000 and is eligible to receive a performance bonus of up to \$120,000, as determined by the Chief Executive Officer and/or the Board of Directors or the Compensation Committee of the Board of Directors. Mr. Schohl will also receive a signing bonus in the amount of \$41,428. The Agreement also provides for a grant of an option to purchase 60,000 shares of the Company's common stock at an exercise price equal to the closing price of the Company's common stock as reported by the New York Stock Exchange on November 18, 2004. The option has a five year term and will vest 25% on the first anniversary date of the grant, 8.33% on the twentieth month of the grant, and 8.33% every four months thereafter. As additional compensation, the Agreement also provides for a grant of 6,250 shares of the Company's restricted stock units to Mr. Schohl, entitling him to the same number of full shares of the Company's common stock. The restricted stock units will vest over a five-year period, with one-third vesting on the third, fourth and fifth anniversary date of Mr. Schohl's date of hire. Notwithstanding the foregoing, Mr. Schohl's entire award of stock options and restricted stock units will immediately vest upon a change of control. A change of control is defined in the Agreement as any transaction in which a person or group becomes the beneficial owner of greater than 40% of the total voting power entitled to vote in the election of directors of the Company, any merger, consolidation or reorganization in which the Company does not survive, any merger or consolidation in which the Company survives but the shares of the Company's common stock outstanding immediately prior to such transaction represents 40% or less of the voting power of the Company after such transaction and any transaction in which more than 40% of the Company's assets are sold, except that a change of control will not have occurred if Kent Thiry remains the Chief Executive Officer or Executive Chair of the Company for at least one year after the change of control event or becomes the chief executive officer or executive chair of the surviving company and remains in such position for at least one year following the change of control event.

Under the terms of the Agreement, Mr. Schohl is an at will employee, which means that either Mr. Schohl or the Company may terminate his employment at any time. In the event that Mr. Schohl's employment is terminated without cause, if he resigns for good cause, or if he is constructively discharged, Mr. Schohl is entitled to receive his base salary for a period of two years following termination and health benefits for a period of one year following termination. The Agreement provides further that Mr. Schohl is prohibited from competing with the Company or from soliciting employees, patients, physicians or customers of the Company for a period of two years following the termination of his employment for any reason. The Agreement also provides for reimbursement to Mr. Schohl for certain transitional expenses and contains additional terms consistent with other employment agreements between the Company and its executive officers.

Mr. Schohl does not have any other material relationship with the Company or its affiliates.

**Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.**
