**Independent Auditors' Report**

The Board of Directors

Digital Realty Trust, Inc.:

We have audited the accompanying statement of revenue and certain expenses of Lakeside Technology Center (the Property) for the year ended December 31, 2004. This statement is the responsibility of the Property's management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property management's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenue and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in note 1 to the statement of revenue and certain expenses. It is not intended to be a complete presentation of the Property's revenue and expenses.

In our opinion, the statement referred to above presents fairly, in all material respects, the revenue and certain expenses, as described in note 1, of Lakeside Technology Center for the year ended December 31, 2004 in conformity with accounting principles generally accepted in the United States of America.

**Notes to Statements of Revenue and Certain Expenses**

**For the three months ended March 31, 2005 (Unaudited)**

**and the year ended December 31, 2004**

**(1) Basis of Presentation**

The accompanying statements of revenue and certain expenses relate to the operations of the property known as Lakeside Technology Center (the Property). The Property is a technology center located in Chicago, Illinois.

The Property was owned by Lakeside Purchaser, LLC (Owner). A wholly-owned subsidiary of Digital Realty Trust, Inc. entered into an agreement with the Owner to purchase the Property for \$142,600,000. The purchase was completed on May 27, 2005.

The accompanying statement of revenue and certain expenses has been prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and, accordingly, is not representative of the actual results of operations of the Property for the three months ended March 31, 2005 and the year ended December 31, 2004 due to the exclusion of the following expenses and income items, which may not be comparable to the proposed future operations of the Property:

Depreciation and amortization;

Interest;

Federal and state income taxes; and

Other costs and income items not directly related to the proposed future operations of the Property.

Management fees

Management is not aware of any material factors relating to the Property other than those already described above that would cause the reported financial information not to be necessarily indicative of future operating results.

**(2) Summary of Significant Accounting Policies and Practices**

***(a) Revenue Recognition***

Rental revenue is recognized on a straight-line basis over the term of the respective leases.

The straight-line rent adjustment increased base rental revenue by approximately \$344,000 (unaudited) and \$1,546,000 for the three months ended March 31, 2005 and the year ended December 31, 2004, respectively.

***(b) Use of Estimates***

Management has made a number of estimates and assumptions relating to the reporting and disclosure of revenue and certain expenses during the reporting period to prepare the statement of revenue and certain expenses in conformity with accounting principles generally accepted in the United States of America. Actual results could differ from those estimates.

***(c) Unaudited Interim Information***

The statement of revenue and certain expenses for the three months ended March 31, 2005 is unaudited. In the opinion of management, such statement reflects all adjustments necessary for a fair presentation of the results of this interim period. All such adjustments are of a normal recurring nature.

**DIGITAL REALTY TRUST, INC.**
**Notes to Consolidated Balance Sheet (Continued)****March 31, 2004****(3) Minimum Future Lease Rentals**

The Property's leases are non-cancelable operating leases and generally provide for minimum rent and reimbursement of a portion of Property expenses, including property taxes, insurance, and rental property operating and maintenance expenses. Future minimum rentals to be received under the leases in effect as of December 31, 2004 are as follows (in thousands):

2005	20,576
2006	21,160
2007	22,033
2008	22,649
2009	23,281
Thereafter	121,879
	<hr/>
	\$ 231,578
	<hr/>

**(4) Tenant Concentrations**

The following tenants accounted for more than 10% of the Property's revenue for the year ended December 31, 2004 (in thousands):

<u>Tenant</u>	<u>Base rental revenue</u>
Equinix, Inc.	\$ 3,452
Verio, Inc.	2,947
Qwest Communications International	8,428

**DIGITAL REALTY TRUST, INC.**

**Pro Forma Condensed Consolidated Financial Statements**

**(unaudited)**

The unaudited pro forma condensed consolidated financial statements as of March 31, 2005 and for the three months ended March 31, 2005 and the year ended December 31, 2004 are presented as if the offering of series A preferred stock had occurred on March 31, 2005 for the pro forma condensed consolidated balance sheet and on January 1, 2004 for the pro forma condensed consolidated statements of operations. Additionally, the pro forma condensed consolidated statement of operations for the year ended December 31, 2004 is presented as if our initial public offering and the related formation and financing transactions had occurred on January 1, 2004. Furthermore, the pro forma condensed consolidated financial statements are presented as if the acquisitions of the properties acquired during 2004 and the properties acquired or expected to be acquired in 2005, along with related financing transactions had occurred on March 31, 2005 or in the case of the properties acquired through March 31, 2005, as of the actual acquisition date, for the pro forma condensed consolidated balance sheet and on January 1, 2004 for the pro forma condensed consolidated statements of operations. The pro forma purchase accounting adjustments are calculated pursuant to the same methodology described in note 2(e) of the consolidated and combined financial statements of the Company and the Digital Realty Predecessor included in our annual report on Form 10-K for the year ended December 31, 2004.

The pro forma condensed consolidated financial statements should be read in conjunction with the consolidated and combined historical financial statements of Digital Realty Trust, Inc. (the "Company") and the Digital Realty Predecessor (the "Predecessor"), including the notes thereto, included in our annual report on Form 10-K for the year ended December 31, 2004 and our quarterly report on Form 10-Q for the quarter ended March 31, 2005. The pro forma condensed consolidated financial statements do not purport to represent our financial position or the results of operations that would actually have occurred assuming the completion of the series A preferred stock offering, the initial public offering and the related formation transactions and the acquisitions of additional properties along with the related financing transactions all had occurred by March 31, 2005 or on the first day of the periods presented, nor do they purport to project our financial position or results of operations as of any future date or for any future period.

**2. Adjustments to Pro Forma Condensed Consolidated Statements of Operations**

The adjustments to the pro forma condensed consolidated statements of operations for the three months ended March 31, 2005, and the year ended December 31, 2004 are as follows:

- (AA) Reflects the Company's historical condensed consolidated statement of operations for the three months ended March 31, 2005 and the Company and Predecessor historical condensed consolidated and combined statements of operations for the year ended December 31, 2004. The real estate properties and interests therein contributed by the owner of the Predecessor to the operating partnership in exchange for common units in the operating partnership were recorded at the Predecessor's historical cost. Expenses such as depreciation and amortization to be recognized by the operating partnership related to the contributed interests are based on the Predecessor's historical cost of related assets.

The Company, as general partner, owns 40.46% of the common units of the operating partnership; however the Company controls the operating partnership. Accordingly, the Company consolidates the accounts of the operating partnership. See note (HH) for the pro forma adjustment to allocate 59.54% of the income (loss) of the operating partnership to the limited partners of the operating partnership.

## Edgar Filing: Digital Realty Trust, Inc. - Form 8-K/A

- (1) Pro forma interest expense for loans with variable interest rates is calculated using current LIBOR rates (3.33% for one-month LIBOR, 3.50% for three-month LIBOR and 3.66% for six-month LIBOR as of June 29, 2005).
- (2) Weighted average interest rate. The first note, in a principal amount of \$45.0 million, bears interest at a rate of LIBOR + 3.0% per annum and the second note, in a principal amount of \$1.3 million, bears interest at a rate of LIBOR + 7.0% per annum.
- (3) The Camperdown House mortgage is denominated in British pounds. The loan payable has been converted to U.S. dollars using the exchange rates of our foreign currency forward contract whereas current exchange rate has been used for the interest expense.
- (4) The interest rate on the Carrier Center mortgage loan is subject to a 2.50% LIBOR floor.
- (5) One of the Charlotte Internet Gateway properties is secured by a mortgage that will be assumed upon acquisition of the property.
- (6) The interest rate for the Lakeside Technology Center mortgage is the weighted average interest rate for the two notes for this mortgage loan.
- (7) The Univision Tower loan is also secured by a \$5.0 million letter of credit issued under our unsecured credit facility.
- (8) The interest rate under our unsecured credit facility equals either (i) LIBOR plus a margin of between 1.375% and 1.750% (which option we currently use) or (ii) the greater of (x) the base rate announced by the lender and (y) the federal funds rate, plus a margin of between 0.375% and 0.750%. In each case, the margin is based on our leverage ratio.
- (9) The Company has swap agreements to swap variable interest rates for fixed rates for a notional amount of principal totaling approximately \$239.6 million. The strike rates on the swap agreements range from 3.18% to 4.03%.
