PROPOSALS TO STOCKHOLDERS

I. ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides that 75% (calculated to the nearest whole number, rounding a fractional number of five-tenths (.5) to the next highest whole number) of the members of the Board shall be elected by Class B Stockholders voting separately as a class. The Company anticipates that the Class B Directors will be elected by the holders of Class B Stock.

Pursuant to the Company's Bylaws the Board of Directors has fixed the number of Directors at five. Each Director elected at the Annual Meeting shall hold office until his respective successor has been elected and qualified, or until such individual's earlier resignation or removal. Vacancies may be filled by a majority vote of the remaining directors then in office. Mr. Charles E. Newman and Mr. James H. Stollenwerk resigned during 2003. Messrs David A. Air and Russell R. Lee, III were elected unanimously by the remaining directors to fill those respective vacancies.

The Board of Directors has selected the following person as nominee for election by the holders of Common Stock as a Director at the 2005 Annual Meeting of Stockholders:

To be elected by the holders of Common Stock:

Russell R. Lee, III

The affirmative vote of Stockholders holding a plurality of the Company's issued and outstanding Common Stock in attendance at the meeting, either in person or by proxy, is required to approve this proposal. Abstentions and broker non-votes will have no effect.

The Board of Directors has selected the following persons as nominees for election by the holders of Class B Stock as Directors at the 2005 Annual Meeting of Stockholders:

David A. Air

E.J. Elliott

John E. Elliott

Randolph H. Fields

The affirmative vote of Stockholders holding a plurality of the Company's issued and outstanding Class B Stock in attendance at the meeting, either in person or by proxy, is required to approve this proposal. Abstentions and broker non-votes will have no effect.

The Board of Directors recommends an affirmative vote for the above nominees.

It is the intention of the persons named in the accompanying form of proxy to nominate and, unless otherwise directed, vote such proxies for the election of the nominees named above as Directors. The Board of Directors knows of no reason why any nominee for Director would be unable to serve as a Director. If any nominee should for any reason become unable to serve, the shares represented by all valid proxies will be voted for the election of such other person as the Board of Directors may designate, or the Board of Directors may reduce the number of Directors to eliminate the vacancy.

Meetings of the Board of Directors and Certain Committees of the Board

During the fiscal year ended September 30, 2004, the Board of Directors of the Company held 4 meetings. All Directors attended the meetings.

The Compensation Committee endeavors to ensure that the compensation program for executive officers of the Company is effective in attracting and retaining key executives responsible for the success of the Company and in promoting its long-term interests and those of its stockholders. The committee, without applying any specific quantitative formulas, considers such factors as net income, earnings per share, duties and scope of responsibility, industry standards and comparable salaries for the geographic area, corporate growth, profits, goals and market share increases. The functions of the Compensation Committee include establishment of compensation plans for Gencor's executive officers and administration of certain of Gencor's employee benefit and compensation programs. The Compensation Committee did not formally meet in 2004 and has met formally three times during fiscal 2005.

The Audit Committee's responsibilities include selecting the Company's auditors and reviewing the Company's audit plan, financial statements and internal accounting and audit procedures. The Audit Committee Charter was adopted by the Board of Directors and a copy is included in the Proxy Statement dated January 21, 2003. During the fiscal year ended September 30, 2004, the Audit Committee had three meetings which were attended by all members. From June 2, 2003 to January 16, 2004 the Audit Committee functions were assumed by the Board of Directors. On January 16, 2004 the Board of Directors elected two new replacement directors, Mr. David A. Air and Mr. Russell R. Lee, III. On January 16, 2004 the Audit Committee was reestablished with Messrs. Air and Lee and Randolph H. Fields as its three members. Messrs. Air and Lee are considered independent by NASDAQ rules; Mr. Fields may be considered independent by NASDAQ rules but is a shareholder in the Company's primary outside law firm. Mr. Lee has served as the audit committee financial expert since his appointment to that committee.

At present the three members of the Nominating Committee are E.J. Elliott, John Elliott and Randolph H. Fields. The Nominating Committee of the Company does not have a charter, but has developed guidelines. The Nominating Committee guidelines provide that it consider for director candidates by stockholders or others, and believes that for smaller companies it is desirable and beneficial to recommend board candidates who possess a proven track record in heavy manufacturing operations, understand the company's overall business, and are able to make maximum contribution to guiding the Company's affairs. Accordingly, the Nominating Committee reviews recommendations of its individual members and gives considerable weight to candidates with industry-related experience and expertise that will benefit the Company. Additionally, the Nominating Committee believes that persons selected must have a serious work ethic and an ability to work as a constructive member of a team for the benefit of the stockholders. The Nominating Committee met on an informal basis during board meeting recesses in 2004.

If a stockholder wishes to suggest a candidate for consideration by the nominating committee as a nominee for board membership at an annual meeting, the name of that candidate, along with supporting information below, should be submitted to John E. Elliott at the Company's address shown in the appended Notice of Annual Meeting no later than April 26, 2006 in order to assure time for meaningful consideration by the nominating committee. The submission should include a current resume and curriculum vitae of the candidate and a statement describing the candidate's qualifications and contact information for personal and professional references. The submission should also include the name and address of the stockholder who is submitting the nominee, the number of shares which are owned of record or beneficially by the submitting stockholder and a description of all arrangements or understandings between the submitting stockholder and the candidate.

Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's directors, officers and certain stockholders to file with the Commission an initial statement of beneficial ownership and certain statements of changes in beneficial ownership of equity securities of the Company. Based solely on its review of such forms received by it, the Company is unaware of any instances of noncompliance, or late compliance, with such filings during the fiscal year ended September 30, 2004, by its officers or directors.

Directors Fees

Directors' fees are paid by the Company to non-employee directors at the rate of \$1,000 per month, plus \$1,000 per meeting attended. Total fees paid in fiscal 2004 were \$51,000.

Communications

Stockholders wishing to communicate with Directors should send their correspondence to the Director or Directors concerned in care of the Chief Executive Officer of the Company at the address shown in the Notice of Annual Meeting. The Company's policy is to forward such communications to the addressees, if the materials are material and relevant.

REPORT OF THE COMPENSATION COMMITTEE

The following Report of the Compensation Committee shall not be deemed to be soliciting material or to be filed with the Commission or subject to Regulation 14A or 14C of the Securities and Exchange Commission (the Commission or SEC) or the liabilities of Section 18 of the Exchange Act. Such Report shall not be deemed incorporated by reference into any filing under the Exchange Act or the Securities Act of 1933, as amended, notwithstanding any general incorporation by reference of this Proxy Statement into any other document.

General

During fiscal year 2004 the Compensation Committee (the Committee) of the Board of Directors consisted of David A. Air and Randolph H. Fields, each of whom serves as non-employee directors of the Company. In 2005, Russell R. Lee, III joined the Committee also as a non-employee director of the Company. The Compensation Committee administers the Company's executive compensation program, monitors corporate performance and its relationship to compensation for executive officers, and makes appropriate recommendations concerning matters of executive compensation.

Compensation Philosophy

One of the major objectives of the Committee was to develop and implement a compensation program designed to attract, motivate, reward and retain the broad-based management talent required to achieve the Company's business objectives. The Committee believed that offering a competitive base salary and certain incentives designed to encourage achievement of the Company's objectives were the two major components of its compensation philosophy.

Base Salary

The Company's salary levels for executive officers are intended to be consistent with competitive pay practices of similar sized companies within the industry. In determining executive officers' salaries, the Committee considered such factors as the level of responsibility, competitive trends, the financial performance and resources of the Company. An individual's experience level, overall job performance, prior service and job knowledge were also important considerations. Base salaries were increased for one executive officer during fiscal 2004 to maintain a competitive compensation level for that position.

Incentives

Incentives consist of stock options and, to a lesser extent, cash awards. The Committee believes that the compensation program should provide employees with an opportunity to increase their ownership and potential for financial gain from increases in the Company's stock price. This approach closely aligns the interests of Stockholders, executives and employees. Therefore, executives and other employees are eligible to receive stock options, giving them the right to purchase shares of the Company's Common Stock at a specified price in the future. The grant of options is based primarily on a key employee's potential contribution to the Company's growth and profitability, as measured by the market value of the Company's Common Stock. The granting of cash awards is discretionary and is not dependent on any one factor.
