PROXY STATEMENT

GENERAL INFORMATION

Solicitation of Proxies

This Proxy Statement and the accompanying form of proxy (which were first sent or given to shareholders on or about April 17, 2006) are being furnished to shareholders of Ameris Bancorp (the Company) in connection with the solicitation of proxies by and on behalf of the Board of Directors of the Company (the Board) for use at the Annual Meeting of Shareholders (the Annual Meeting) to be held at the corporate offices of Ameris Bancorp, located at 24 Second Avenue, S.E., Moultrie, Georgia, on Tuesday, May 16, 2006, at 4:15 p.m., local time, and any adjournment or postponement thereof.

A proxy may be revoked at any time before the shares represented by it are voted at the Annual Meeting by delivering to the Corporate Secretary of the Company either a written revocation or a duly executed proxy bearing a later date or by voting in person at the Annual Meeting. All shares represented by a properly executed, unrevoked proxy will be voted on all matters presented at the Annual Meeting on which the shares are entitled to vote, unless the shareholder attends the Annual Meeting and votes in person. Proxies solicited will be voted in accordance with the instructions given on the enclosed form of proxy.

Only shareholders of record at the close of business on March 7, 2006 (the Record Date) are entitled to notice of, and to vote at, the Annual Meeting. On the Record Date, the Company had 12,951,718 shares of its common stock, \$1.00 par value per share (the Common Stock), outstanding and entitled to vote. All holders of Common Stock are entitled to cast one vote per share held as of the Record Date.

The cost of preparing and mailing proxy materials will be borne by the Company. The Company has retained Georgeson Shareholder Communications Inc. to assist the Company and the Board in the solicitation of proxies and in the distribution of proxies and accompanying materials to brokerage houses and institutions for an estimated fee of \$10,000 plus expenses. In addition to solicitation by mail, solicitations may be made by officers and other employees of the Company in person or by telephone or other means. Brokerage houses, custodians, nominees and fiduciaries will be reimbursed for the expense of sending proxy materials to the beneficial owners of Common Stock held of record on behalf of such persons.

Quorum and Vote Required

A quorum of the Company's shareholders is necessary to transact business at the Annual Meeting. The presence at the Annual Meeting, in person or by proxy, of shares of Common Stock representing a majority of the shares of Common Stock outstanding and entitled to vote as of the Record Date will constitute a quorum for transacting business at the Annual Meeting. Abstentions and broker non-votes, discussed below, count as present for establishing a quorum.

Table of Contents

Directors will be elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the Annual Meeting, meaning that the three Class III nominees receiving the most votes will be elected as Class III directors. Cumulative voting is not permitted. Approval of each of the other proposals requires the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting. If a quorum is not present at the Annual Meeting, then it is expected that the Annual Meeting will be adjourned or postponed to solicit additional proxies.

Under certain circumstances, brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned proxies to the brokers (so-called broker non-votes). In these cases, and in cases where the shareholder abstains from voting on a matter, those shares will be counted for the purpose of determining if a quorum is present, but will not be included in the vote totals with respect to those matters and, therefore, will have no effect on the vote. In addition, if a broker indicates on the proxy card that it does not have discretionary authority on other matters considered at the Annual Meeting, those shares will not be counted in determining the number of votes cast with respect to those matters. All votes will be tabulated by the inspector of elections for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Identifying and Evaluating Nominees

With respect to the nomination process, the Nominating Committee reviews the composition and size of the Board to insure that it has the proper expertise and independence; determines the criteria for the selection of Board members and Board committee members; plans for continuity on the Board as existing Board members retire or rotate off the Board; establishes criteria for qualifications as independent directors, consistent with applicable laws and listing standards; maintains a file of suitable candidates for consideration as nominees to the Board; reviews Board candidates recommended by shareholders in compliance with all director nomination procedures for shareholders; and recommends to the Board the slate of nominees of directors to be elected by the shareholders and any directors to be elected by the Board to fill vacancies.

The Nominating Committee has not established specific minimum age, education, years of business experience or specific types of skills for potential candidates, but, in general, expects qualified candidates will have ample experience and a proven record of business success and leadership. In general, the Nominating Committee requires that each Board candidate will have the highest personal and professional ethics, integrity and values and will consistently exercise sound and objective business judgment. In addition, it is anticipated that the Board as a whole will have individuals with significant appropriate senior management or other leadership experience, a long-term and strategic perspective and the ability to advance constructive debate.

While the Nominating Committee has authority to retain a search firm or consultants to assist in identifying director candidates, to date no such search firm or consultants have been engaged, and the Company has never received a proposed director candidate from a source outside of the Company. However, the Board would consider any director candidate proposed in good faith by a shareholder of the Company. To do so, a shareholder should send the director candidate's name, credentials, contact information and his or her consent to be considered as a candidate to the Corporate Secretary of the Company. The proposing shareholder should also include his or her contact information and a statement of his or her share ownership (how many shares owned and for how long). The Board will evaluate candidates based on their financial literacy, business acumen and experience, independence for purposes of compliance with SEC and Nasdaq rules and willingness, ability and availability for service. There are no differences in the manner in which the Nominating Committee evaluates a candidate that is recommended for nomination for membership on the Board by a shareholder.

Communication with the Board and its Committees

Any shareholder may communicate with the Board by directing correspondence to the Board, any of its committees, or one or more individual members, in care of the Corporate Secretary, Ameris Bancorp, 24 Second Avenue, S.E., Moultrie, Georgia 31768.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD

The Company's executive compensation program is administered by the Compensation Committee. The Compensation Committee is composed of Messrs. Fulp, Jeter, Kirbo and Wortman. No member of the Compensation Committee is a current or former employee of the Company or any subsidiary.

Compensation Philosophy and Policy. The fundamental objective of the Company's executive compensation program is to ensure that management is compensated in a way that advances both the short-and-long-term interests of shareholders while also ensuring that the Company is able to attract and retain qualified executives.

The Compensation Committee attempts to structure a compensation program for the Company that will reward its top executives with cash bonuses and periodic grants of long-term stock-based compensation, including stock options and restricted stock, while striving to maintain salaries at reasonably competitive levels. The Compensation Committee reviews the compensation of the Company's officers and performs such other duties as may be delegated to it by the Board. The Compensation Committee held 13 meetings during the year ended December 31, 2005.

In reviewing the compensation to be paid to the Company's executive officers during the year ended December 31, 2005, the Compensation Committee sought to ensure that the Company's executive officers were rewarded for long-term strategic management, for increasing the Company's value for its shareholders and for achieving internal goals.

The key components of executive officer compensation are salary, bonus and a mix of restricted stock grants and option grants, which may be subject to time-based or performance-based vesting requirements. Salary is generally based on factors such as an individual officer's level of responsibility, prior years' compensation, comparison to compensation of other officers in the Company and compensation provided at competitive companies and companies of similar size. Bonuses and long-term incentive compensation awards are intended to reward exceptional performance and are determined on the basis of such benchmarks as financial and operating performance. Stock-based compensation is also intended to increase management's interest in the Company's long-term success as measured by the market and book value of the Common Stock and is granted under various incentive plans to officers and directors of the Company and its subsidiaries.

The Company has entered into employment and compensation arrangements with certain of its executive officers which are described in the section of this Proxy Statement captioned "Executive Compensation."

Compensation of Chief Executive Officer. Mr. Hortman's compensation for 2005 was determined under the terms of his employment agreement and in accordance with the criteria described above. See "Employment and Compensation Arrangements." Mr. Hortman's bonus for 2005 was determined on the basis of the Company's satisfaction of certain pre-established financial performance targets.

Tax Deductibility Considerations. Certain provisions of the federal tax laws limit the deductibility of certain compensation for the chief executive officer and other executives to \$1.0 million in applicable remuneration in any year. This provision has had no effect on the Company since its enactment because no officer of the Company has received \$1.0 million in applicable remuneration in any year. If it appears that the threshold may be exceeded at some time in the future, the Company will take the necessary steps to conform its compensation to qualify for deductibility. Further, the compensation committee intends to give strong consideration to the deductibility of compensation in making its compensation decisions for executive officers in the future, balancing the goal of maintaining a compensation program which will enable the

Edgar Filing: Ameris Bancorp - Form DEF 14A

Company to attract and retain qualified executives while maximizing the creation of long-term shareholder value.

The Audit Committee may authorize any member of the Audit Committee to approve services by Mauldin & Jenkins in the event there is a need for such approval prior to the next full Audit Committee meeting. CERTAIN TRANSACTIONS

The Company and the Banks have engaged in, and in the future expect to engage in, banking transactions in the ordinary course of business with directors and officers of the Company and the Banks and their associates, including corporations, partnerships and other organizations in which such directors and officers have an interest. At December 31, 2005, certain executive officers and directors, and companies in which, as of such date, such executive officers and directors had a ten percent (10%) or more beneficial interest, were indebted to the Banks in the aggregate amount of approximately \$7.4 million. These loans were made on substantially the same terms (including interest rates, collateral and repayment terms) as those prevailing at the time for comparable transactions with others and, in the opinion of management, do not involve more than the normal risk of collectibility or present other unfavorable features.

Since November 1, 1991, the Company has leased a building from Mr. Hunnicutt, who currently serves as a director of American Banking Company, and Lynn Jones, who previously served as a director of American Banking Company, a wholly-owned subsidiary of the Company, until February, 2006, that is used as the Company's operations center in Moultrie, Georgia. On August 1, 2003, the Company renewed the lease, increasing the rent payments from \$5,667 per month to \$6,500 per month. Rent payments made under the extended lease, which expires on July 31, 2008, totaled \$ 78,000 for 2005.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors, executive officers and persons who own more than 10% of the Common Stock to file with the SEC initial reports of ownership and reports of changes in ownership of the Common Stock. They are also required to furnish the Company with copies of all Section 16(a) forms they file with the SEC.

Edgar Filing: Ameris Bancorp - Form DEF 14A

To the Company's knowledge, based solely on its review of the copies of such reports furnished to it and written representations that no other reports were required, during the fiscal year ended December 31, 2005, all of the Company's officers, directors and greater than 10% shareholders complied with all applicable Section 16(a) filing requirements, except that J. Raymond Fulp, Michael F. McDonald, Eugene M. Vereen, Jr. and Henry C. Wortman each filed one late Form 4 with respect to a transaction in shares of the Common Stock.

OTHER MATTERS

The Board does not contemplate bringing before the Annual Meeting any matter other than those specified in the accompanying Notice of Annual Meeting of Shareholders, nor does it have information that other matters will be presented at the Annual Meeting. If other matters come before the Annual Meeting, signed proxies will be voted upon such questions in accordance with the best judgment of the persons acting under the proxies.

ADDITIONAL INFORMATION

Shareholder Proposals

Any shareholder proposal intended to be presented at the Company's annual meeting of shareholders to be held in 2007 and to be included in the Company's proxy statement and form of proxy for that meeting must be in writing and must be received by the Company, directed to the attention of the Corporate Secretary, not later than November 12, 2006. Any such proposal must comply in all respects with the rules and regulations of the SEC.

Annual Report

A copy of the Company's Annual Report to Shareholders is enclosed with this Proxy Statement. The Annual Report to Shareholders is not deemed a part of the proxy soliciting material. The Company's Annual Report to the SEC on Form 10-K for the fiscal year ended December 31, 2005, was filed with the SEC on March 16, 2006. Upon receipt of a written request, the Company will, without charge, furnish any owner of its Common Stock a copy of its Annual Report to the SEC on Form 10-K for the fiscal year ended December 31, 2005, including financial statements and the footnotes thereto. Copies of exhibits to the Annual Report on Form 10-K are also available upon specific request and payment of a reasonable charge for reproduction. Such request should be directed to the Corporate Secretary of the Company at the address indicated on the first page of this Proxy Statement.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for shareholders and cost savings for companies. A number of brokers with account holders who are shareholders of the Company will be householding the Company's proxy materials. Once you have received notice from your broker that it will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker or notify us by sending a written request to Ameris Bancorp, 24 Second Avenue, S.E., Moultrie, Georgia, 31768, Attn: Corporate Secretary, or by calling 229-890-1111.
