**Item 8.01 Other Events.**

On March 12, 2006, Capital One Financial Corporation ( Capital One ) and North Fork Bancorporation, Inc. ( North Fork ) entered into a definitive Agreement and Plan of Merger (the Merger Agreement ), which sets forth the terms and conditions pursuant to which North Fork will merge into Capital One (the Merger ), with Capital One as the surviving corporation. The parties have also entered into reciprocal stock option agreements, pursuant to which each party has granted to the other party the option, under certain circumstances, to purchase up to 19.9% of such party's outstanding common shares. In connection with the Merger, Capital One and North Fork mailed to their respective stockholders a definitive joint proxy statement/prospectus on or about July 14, 2006 (the Proxy Statement/Prospectus ).

As described in the Proxy Statement/Prospectus, on March 15, 2006, a putative class action complaint was filed on behalf of the public stockholders of North Fork against North Fork and each of its directors in the Supreme Court of New York, New York County, entitled Lasker v. Kanas et al. (Index No. 06-103557). On March 16, 2006, a putative class action complaint was filed on behalf of the public stockholders of North Fork against North Fork and each of its directors in the Supreme Court of New York, Nassau County, entitled Showers v. Kanas et al. (Index No. 06-004624). Two further putative class actions on behalf of the public stockholders of North Fork were subsequently filed, one in the Supreme Court of New York, Nassau County, on March 21, 2006 (entitled New Jersey Building Laborers Pension & Annuity Funds v. Kanas et al., Index No. 06-004786), and another in the Supreme Court of New York, New York County, on April 12, 2006 (entitled Gold v. Kanas, et al., Index No. 06-105091). By an order of the Court dated May 22, 2006, the Showers action and the New Jersey Building action were consolidated in the Supreme Court, Nassau County, under the Index No. 06-004624 (the Nassau Action ). By an order of the Court dated May 31, 2006, the Lasker action and the Gold action were consolidated in the Supreme Court, New York County, under the Index No. 06-103557 (the New York Action ). The plaintiffs in the Nassau Action subsequently agreed to voluntarily dismiss the Nassau Action with prejudice and to join the New York Action.

On August 7, 2006, following settlement discussions between North Fork and the representatives of the putative plaintiff class of North Fork stockholders in the New York Action, the putative class representatives, the defendants (including North Fork) and Capital One entered into a memorandum of understanding (the MOU ) with regard to the settlement of the New York Action. The MOU states that the parties will enter into a settlement agreement providing for, among other things, (i) Capital One to irrevocably waive any right to receive any portion of the Total Profit (defined in the stock option agreement as the maximum amount of profit that Capital One may recognize in connection with the exercise of its option to acquire North Fork shares) to which it may become entitled to the extent such Total Profit exceeds \$630 million (notwithstanding the fact that the stock option agreement currently provides for a Total Profit of up to \$730 million); (ii) North Fork to issue a press release disclosing the settlement and to include certain disclosures in a Current Report on Form 8-K (and thereby incorporate such disclosures by reference into the Proxy Statement/Prospectus); (iii) North Fork to establish a

settlement fund within 10 days after execution of the MOU in an aggregate amount of \$20 million, out of which plaintiffs' attorneys fees, in an amount approved by the court, will be paid, with the remaining balance of the settlement fund to be allocated among members of a class, to be certified by the court, of holders of North Fork common stock as of the Effective Time (as defined in the Merger Agreement) on a pro rata basis in accordance with ownership of North Fork common stock by members of that class at the Effective Time; provided, that the pro rata share of any member of the class who has properly exercised dissenter's rights or opted out of the settlement fund will not be considered for purposes of calculating the total number of shares held by members of the class as of the Effective Time; (iv) an agreement to stipulate for certification of a non-opt-out class (subject to certain exceptions) of North Fork stockholders and to a dismissal with prejudice and a complete settlement and release of all claims of the plaintiffs and the proposed class against the defendants (including North Fork), Capital One and their respective related parties and representatives which have been or could have been asserted by plaintiffs and the proposed class against the defendants (including North Fork), Capital One, and their respective related parties and representatives relating to the Merger and the related transactions (including any claims that could have been asserted under state or federal law in any other court, including federal court); and (v) a complete release of claims that the defendants may have against the plaintiffs arising out of, relating to or in connection with the New York Action. The MOU provides that plaintiffs' counsel will apply to the court for an award of attorneys fees and costs in an amount equal to no more than 30% of the settlement fund and defendants agree not to oppose the application. Under the MOU, plaintiffs' attorneys fees and costs will be paid solely out of and not in addition to the settlement fund. The settlement contemplated by the MOU is subject to the execution by the parties of a definitive settlement agreement, the approval of that agreement by the Court and the consummation of the Merger.
