Report of Independent Registered Public Accounting Firm

To United Rentals, Inc. Benefits and Retirement Committee

We have audited the accompanying statements of net assets available for benefits of United Rentals, Inc. Acquisition Plan as of December 31, 2006 and 2005, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plan's internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2006 and 2005, and the changes in its net assets available for benefits for the years then ended, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2006, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

United Rentals, Inc. Acquisition Plan

Notes to Financial Statements

December 31, 2006

**1. Plan Description**

The following description of the United Rentals, Inc. Acquisition Plan (the Plan ) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan s provisions.

**General**

The Plan is a defined contribution plan, which was established by United Rentals, Inc. (the Company or Plan Sponsor ) on April 1, 1999. An individual who was an employee of a prior employer acquired by the Company shall become a participant of the Plan on the date that their assets from the prior employer plan are transferred to the Plan. The purpose of this Plan is to hold participant accounts which accumulated during their employment with the acquired company. Participants do not contribute currently to the Plan, but instead make contributions to the United Rentals, Inc. 401(k) Investment Plan or the United Rentals, Inc. Acquisition Plan for Union Employees.

**Contributions**

A participant may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company may contribute a discretionary amount, if any, to the Plan determined annually by the Board of Directors of the Company. The Company did not make any discretionary contributions to the Plan in 2006 and 2005.

**Participant Accounts**

Each participant account is credited with the participant s share of the Company s discretionary contribution, if any, assets transferred to this Plan from the participant s prior employer plan, the participant s share of the net earnings or losses on the investments of the assets of the Plan, distributions from the participant s account, and any expenses or liabilities charged to the participant s account.

**Vesting**

Participants in the Plan are fully vested in their accounts upon the transfer of their assets from the prior employer plan into the Plan.

**1. Plan Description (continued)**

**Investment Options**

All of the Plan's investment options are fully participant directed. The Plan's custodian is T. Rowe Price Trust Company.

**Participant Loans**

Participants may borrow from their vested balances in the Plan, subject to certain restrictions and limitations set forth in the Plan document and the Internal Revenue Code. Loan terms range from one to five years for personal loans and up to a reasonable period of time as established by the Plan administrator for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. Interest rates on outstanding loans range from 5.50% to 10.50%. Principal and interest are paid ratably through payroll deductions.

**Distributions and Withdrawals**

Upon retirement, termination of employment, or proven hardship, a participant may make withdrawals from their account. Hardship withdrawals must be authorized by the Plan administrator and are subject to the requirements and limitations set forth in the Plan document, the Internal Revenue Code and the regulations thereunder.

**Administrative Expenses**

A portion of the Plan's administrative expenses are paid by the Company. All investment related expenses, and the balance of administrative expenses, are borne by the participants.

**Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of Employee Retirement Income Security Act of 1974.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The Plan's financial statements are prepared on the accrual basis of accounting.

**Investments and Income Recognition**

The Plan's investments are stated at fair value as of the last trading date for periods presented. The fair value for common stock and mutual fund investments was measured by quoted prices in an active market. The T. Rowe Price Equity Index Trust is an underlying trust of a T. Rowe Price Common Trust Fund. The Plan's accounting for the T. Rowe Price Equity Index Trust is based on the redemption value of the Plan's units of participation in the T. Rowe Price Common Trust Fund. The redemption value is based on the fair market value of the underlying investments, as determined by the Plan's custodian. Participant loans are valued at their outstanding principal balances, which approximate fair value.

Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**Use of Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**3. Income Tax Status**

The Plan has received a determination letter from the Internal Revenue Service dated April 20, 2004, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the Internal Revenue Service, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code, and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt. If it were necessary, however, the Company, as Plan Sponsor, has indicated that it would take the necessary steps to bring the Plan's operations into compliance with the Code.

**5. Contingencies**

In August 2004, the Company received notice from the Securities and Exchange Commission (the SEC) that it was conducting a non-public, fact-finding inquiry of the Company. The SEC inquiry appears to relate to a broad range of the Company's accounting practices and is not confined to a specific period. In March 2005, the Company's Board of Directors formed a Special Committee of independent directors to review matters related to the SEC inquiry. The Company's Board of Directors received and acted upon findings of the Special Committee in January 2006. The SEC inquiry, the actions that the Company took with respect to the Special Committee's findings, and actions that the Company took with respect to certain other accounting matters, including the restatement of previously issued consolidated financial statements for 2003 and 2002, are discussed in further detail in Notes 3 and 17 to the Company's consolidated financial statements included in its annual report on Form 10-K for 2005 (the 2005 Form 10-K) and also summarized in the Company's press release and related report on Form 8-K dated January 26, 2006. The SEC inquiry is ongoing and the Company is continuing to cooperate fully with the SEC. The U.S. Attorney's office for the District of Connecticut has also requested information from the Company informally and by subpoena about matters related to the SEC inquiry. The Company is also cooperating fully with this office.

Following the Company's announcement of the SEC inquiry, a number of purported class action lawsuits were filed against the Company. In addition, a number of alleged shareholders commenced actions by which they purported to sue derivatively on behalf of the Company. These matters are discussed in further detail in Note 17 to the Company's consolidated financial statements included in the 2005 Form 10-K. Following the Company's filing of the 2005 Form 10-K, amended complaints in certain of these actions have been filed that, among other things, add allegations relating to the conclusions of the Special Committee and the other matters disclosed in the 2005 Form 10-K, as well as, in the case of the class actions (which have been consolidated), expand the purported class period. Reference should be made to Note 5 to the Company's consolidated financial statements included in its quarterly report on Form 10-Q for the quarterly period ended March 31, 2007 for the most recent summary of the status of these matters.

At December 31, 2006 and December 31, 2005, the Plan had \$209,249 or 0.7% and \$295,126 or 1.0%, respectively, of its total investments in the United Rentals, Inc. Common Stock.

Notes to Financial Statements (continued)

**6. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**7. Subsequent Event**

In December 2006, the Company entered into a definitive agreement to sell its traffic control business to HTS Acquisition, Inc ( HTS ). The transaction closed in February 2007. HTS established a 401(k) plan for the traffic control employees and after the sale transaction closed, investments of approximately \$1.5 million were transferred out of the Plan.

In April 2007, the Company announced that its board of directors had authorized the commencement of a process to explore a broad range of strategic alternatives to maximize shareholder value, including a possible sale of the Company, and had retained financial advisors in this process. There can be no assurance that the exploration of alternatives will result in a transaction.
