**PROXY STATEMENT**

**Annual Meeting of Stockholders**

**May 28, 2009**

This proxy statement is furnished in connection with the solicitation by and on behalf of the board of directors of Nexstar Broadcasting Group, Inc. ( " Board of Directors " ), a Delaware corporation ( " Nexstar " or the " Company " ), of proxies for use at Nexstar ' s Annual Meeting of Stockholders to be held, pursuant to the accompanying Notice of Annual Meeting, on Thursday, May 28, 2009 at 9:00 a.m., Central Daylight Time, and at any adjournment or adjournments thereof (the " Annual Meeting " ). Actions will be taken at the Annual Meeting to (1) elect a Board of Directors to serve until the next Annual Meeting of Stockholders; (2) ratify the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2009, and (3) transact any other business which may properly come before the meeting.

Shares of Nexstar common stock, par value \$0.01, ( " Common Stock " ), represented by a properly executed proxy that is received by Nexstar prior to the Annual Meeting, will, unless revoked, be voted as directed in the proxy. If a proxy is signed and returned, but does not specify how the shares represented by the proxy are to be voted, the proxy will be voted (i) **FOR** the election of the nominees named therein, (ii) **FOR** PricewaterhouseCoopers LLP as Nexstar ' s independent registered public accounting firm in 2009, (iii) in such manner as the persons named in your proxy card shall decide on any other matters that may properly come before the Annual Meeting.

This Proxy Statement, the accompanying notice and the enclosed proxy card are first being mailed to stockholders on or about May 6, 2009.

Nexstar ' s principal mailing address is 5215 N. O Connor Blvd., Suite 1400, Irving, TX 75039.

**ANNUAL REPORT AND INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Nexstar ' s Annual Report to Stockholders for the fiscal year ended December 31, 2008, including Nexstar ' s financial statements and management ' s assessment of the effectiveness of internal controls and PricewaterhouseCoopers LLP ' s report on the financial statements is being mailed with this proxy statement to each of Nexstar ' s stockholders of record on April 24, 2009. Exhibits will be provided at no charge to any stockholder upon written request to Nexstar Broadcasting Group, Inc., attention: Matt Devine, Chief Financial Officer. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting where they will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

**VOTING SECURITIES**

Stockholders of record on April 24, 2009 may vote at the Annual Meeting. On that date, there were 15,013,839 shares of Class A Common Stock, 13,411,588 shares of Class B Common Stock and no shares of Class C Common Stock outstanding. Holders of our Class A Common Stock and our Class B Common Stock will generally vote together as a single class on all matters submitted to a vote of our stockholders. The holders of Class A Common Stock are entitled to one vote per share and the holders of Class B Common Stock are entitled to 10 votes per share. Holders of our Class C Common Stock have no voting rights. If a quorum is

present at the Annual Meeting, the directors will be elected by a plurality of the votes cast at the Annual Meeting by the holders of shares entitled to vote. Votes may be cast in favor of a nominee for director or withheld. Votes that are withheld or broker non-votes will have no effect on the outcome of the election of directors. (Broker non-votes occur when brokers or nominees holding stock in street name indicate on proxies that they do not have discretionary authority to vote the shares on a particular matter.)

Stockholders of record may vote their proxies by signing, dating and returning the enclosed Proxy Card. If no instructions are indicated, the shares represented by such proxy will be voted according to the recommendations of our Board of Directors. Each proxy that is properly received by Nexstar prior to the Annual Meeting will, unless revoked, be voted in accordance with the instructions given on such proxy. Any stockholder giving a proxy prior to the Annual Meeting has the power to revoke it at any time before it is exercised by a written revocation received by the Secretary of Nexstar or by executing and returning a proxy bearing a later date. Any stockholder of record attending the Annual Meeting may vote in person, whether or not a proxy has been previously given, but the mere presence of a stockholder at the Annual Meeting will not constitute revocation of a previously given proxy. In addition, stockholders whose shares of Common Stock are not registered in their own name will need to obtain a legal proxy from the record holder of such shares to vote in person at the Annual Meeting.

**VOTE NECESSARY TO APPROVE PROPOSALS**

**Proposal 1: Election of Directors**

The election of directors requires a plurality of the votes cast, and votes may be cast in favor of the nominees or withheld. A plurality means that the nominee receiving the most votes for election to a director position is elected to that position. Votes that are withheld and broker non-votes will be excluded entirely from the vote to elect directors and have no effect.

**Proposal 2: Ratification of the Selection of Independent Registered Public Accounting Firm**

The ratification of the selection of our independent registered public accounting firm requires the affirmative vote of a majority of the votes cast at the meeting. Votes may be cast for or against such ratification. Stockholders may also abstain from voting. Abstentions will count in the tabulations of votes cast on this proposal, while broker non-votes are not counted as votes cast or shares voting on such matter and will have no effect on the voting on such matter.

**PROPOSAL 2   RATIFICATION OF THE SELECTION OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Subject to ratification by the stockholders, the Audit Committee of our Board of Directors has selected the firm of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2009. PricewaterhouseCoopers LLP has served as our independent registered public accounting firm since 1997. ## CORPORATE GOVERNANCE

### **Committees of the Board of Directors**

The Board of Directors currently has the following three standing committees: the Compensation Committee, the Audit Committee and the Nominating and Corporate Governance Committee.

#### ***Compensation Committee***

The Compensation Committee consists of Messrs. Grossman, Armstrong and Yudkoff. The Compensation Committee met three times during 2008.

The Compensation Committee makes all decisions about the compensation of the Chief Executive Officer and also has the authority to review and approve the compensation for the Company's other executive officers. The primary objectives of the Compensation Committee in determining total compensation (both salary and incentives) of the Company's executive officers, including the Chief Executive Officer, are (i) to enable the Company to attract and retain highly qualified executives by providing total compensation opportunities with a combination of elements which are at or above competitive opportunities, (ii) to tie executive compensation to the Company's general performance and specific attainment of long-term strategic goals, and (iii) to provide a long-term incentive for future performance that aligns stockholder interests and executive rewards.

The purpose of the Compensation Committee is to establish compensation policies for Directors and executive officers of Nexstar, approve employment agreements with executive officers of Nexstar, administer Nexstar's stock option plans and approve grants under the plans and make recommendations regarding any other incentive compensation or equity-based plans. The Compensation Committee operates under a written charter adopted by the Board of Directors in January 2004. A copy of such charter is available through our web site at [www.nexstar.tv](http://www.nexstar.tv). For more information regarding the Compensation Committee, please refer to the Compensation Committee Report in this Proxy Statement.

#### ***Audit Committee***

The Audit Committee consists of Messrs. Armstrong and Pompadur and Ms. McNabb. The Audit Committee met nine times during 2008. The purpose of the Audit Committee is to oversee the quality and integrity of Nexstar's accounting, internal auditing and financial reporting practices, to perform such other duties as may be required by the Board of Directors, and to oversee Nexstar's relationship with its independent registered public accounting firm. The members of the Audit Committee are independent as that term is defined in the NASDAQ Stock Market Marketplace rules. The Board of Directors has determined that Mr. Armstrong, who served as Chair of the Audit Committee in 2008, is an audit committee financial expert in accordance with the applicable rules and regulations of the Securities and Exchange Commission. Effective for 2009, the Board has appointed Ms. McNabb as Chair of the Audit Committee and has determined that she is an audit committee financial expert. The Audit Committee operates under a written charter adopted by the Board of Directors in January 2004. A copy of such charter is available through our web site at [www.nexstar.tv](http://www.nexstar.tv). For more information regarding the Audit Committee, please refer to the Audit Committee Report in this Proxy Statement.

#### ***Nominating and Corporate Governance Committee***

The Nominating and Corporate Governance Committee consists of Messrs. Armstrong, Donovan and Pompadur. The Nominating and Corporate Governance Committee did not meet during 2008. The members of the committee are independent as defined in the marketplace rules which govern NASDAQ Stock Market. The purpose of the Nominating and Corporate Governance Committee is to identify individuals qualified to serve on Nexstar's Board of Directors, recommend persons to be nominated by the Board of Directors for election as directors at the annual meeting of stockholders, recommend nominees for any committee of the Board of Directors, develop and recommend to the Board of Directors a set of corporate governance principles applicable to Nexstar and to oversee the evaluation of the Board of Directors and its committees. The Nominating and

Corporate Governance Committee operates under a written charter adopted by the Board of Directors in January 2004. A copy of such charter is available through our web site at [www.nexstar.tv](http://www.nexstar.tv). Our Nominating and Corporate Governance Committee will consider nominees for the Board of Directors (see Stockholder Proposals for the 2010 Annual Meeting under Other Information in this Proxy Statement).

#### **Additional Information Concerning the Board of Directors**

During 2008, the full Board of Directors met three times. During 2008, each director attended at least 75% of the meetings of the Board of Directors and committees of the Board of Directors on which they serve, except for Messrs. Battaglia, Stone and Donovan who each attended two of the three full board meetings or 67%.

Because fewer than ten non-management stockholders attended our 2008 Annual Meeting of Stockholders in person, the Board of Directors has not adopted a formal policy with regard to director attendance at the annual meeting of stockholders. Mr. Sook attended the 2008 Annual Meeting of Stockholders.

The Board of Directors has not adopted a nominating policy to be used for identifying and evaluating nominees for director, including director candidates recommended by stockholders, and has not established any specific minimum qualifications that director nominees must possess. Instead, the Nominating and Corporate Governance Committee plans to determine the qualifications and skills required to fill a vacancy to complement the existing qualifications and skills, as a vacancy arises in the Board of Directors. However, if it is determined that a nominating policy would be beneficial to Nexstar, the Board of Directors may in the future adopt a nominating policy.

Nexstar is a controlled company in accordance with rules and regulations of the NASDAQ Stock Market, because ABRY Partners, LLC, through its affiliated funds, controls a majority of the outstanding voting stock. As a result, we are not required to maintain a majority of independent directors on our Board of Directors or to have the compensation of our executive officers and the nomination of directors be determined by independent directors.

#### **Code of Ethics**

The Board of Directors adopted a Code of Ethics that applies to our Chief Executive Officer, Chief Financial Officer, the other executive officers and directors, and persons performing similar functions. The purpose of the Code of Ethics is to promote honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships, to promote full, fair, accurate, timely and understandable disclosure in periodic reports required to be filed by Nexstar Broadcasting Group, Inc. and its subsidiaries, and to promote compliance with all applicable rules and regulations that apply to Nexstar Broadcasting Group, Inc. and its subsidiaries and their respective officers and directors. The Code of Ethics was attached as an exhibit to Nexstar's Annual Report for the year ended December 31, 2003 on Form 10-K filed with the Securities and Exchange Commission on February 27, 2004.

#### **Compensation Committee Interlocks and Insider Participation**

None of our directors or executive officers served, and we anticipate that no member of our Board of Directors or executive officers will serve, as a member of the board of directors or compensation committee of any other company that has one or more executive officers serving as a member of our Board of Directors.

## COMPENSATION OF DIRECTORS

### Overview of Compensation and Procedures

Nexstar employees do not receive compensation for services as directors, and ABRY nominees have historically agreed that they would not receive compensation for their Nexstar Board services including for 2009. Accordingly, Messrs. Sook, Battaglia, Brooks, Grossman, Stone and Yudkoff serve on the Board of Directors without additional compensation. Messrs. Donovan, Armstrong and Pompadur and Ms. McNabb each received an annual retainer of \$15,000 for 2008, plus \$1,500 for each in-person meeting that they attended and \$750 for each telephonic meeting that they attended of the Board of Directors or committee thereof of which they are a member. Effective March 2009, Ms. McNabb was appointed Chair of the Audit Committee. Upon Ms. McNabb's appointment, the Board of Directors passed a resolution that beginning with 2009, the annual retainer for Ms. McNabb will be increased to \$25,000. In addition, members of the Board of Directors are reimbursed for expenses they incur in attending meetings. There were no awards of stock options to any director during 2008.

Directors hold office until the next meeting of the stockholders of Nexstar for the election of directors and until their successors are elected and qualified. There are no family relationships among directors or executive officers of Nexstar.

In connection therewith, Ms. McNabb received a payment on behalf of w2wlink.com for approximately \$8,000 in 2008 which amount is not included in the table. **SECTION 16(a) BENEFICIAL OWNERSHIP**

**REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and persons who beneficially own more than ten percent of a registered class of our equity securities to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of such equity securities of Nexstar. Executive officers, directors and greater than ten percent beneficial owners are required to furnish Nexstar with copies of all Section 16(a) forms they file.

Based on our records and review of the copies of Section 16(a) reports furnished to us during the fiscal year ended December 31, 2008, we believe all Section 16(a) filing requirements applicable to Nexstar's executive officers, directors and greater than ten percent beneficial owners were timely satisfied, except as described below:

On November 17, 2008, Erik Brooks purchased Class A Common Stock. Due to an inadvertent administrative error, his Form 4 filing was late.

Effective July 14, 2008, Todd Porch was hired as Senior Vice President, eMedia and was granted stock options. Due to an inadvertent administrative error, his Form 3 filing was late.

**COMPENSATION COMMITTEE REPORT**

The Compensation Committee of the Board of Directors (the "Compensation Committee") establishes compensation policies for the directors and executive officers of the Company, approves employment agreements with executive officers of the Company, administers the Company's stock option plans and approves grants under the stock option plans and makes recommendations regarding any other incentive compensation or equity-based plans.

In performing its oversight responsibilities of the design and functioning of the Company's executive and director compensation program, the Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis for the year ended December 31, 2008 with the management of the Company. Based on this review and discussion, the Compensation Committee has recommended to the Company's Board of Directors that the Compensation Discussion and Analysis be included in the Company's Proxy Statement for the 2009 Annual Meeting of Stockholders.

## COMPENSATION DISCUSSION AND ANALYSIS

### Introduction

In this Compensation Discussion and Analysis ( CD&A ), we provide a detailed discussion and analysis of our compensation program and policies and the critical factors that are considered in making compensation decisions.

Throughout this Proxy Statement, the individuals who served as the Company's Chief Executive Officer and Chief Financial Officer during fiscal 2008, along with the other three most highly-compensated executive officers, are collectively referred to as the Named Executive Officers.

### Overview and Role of Compensation Committee

The Compensation Committee of the Board of Directors (the Compensation Committee) establishes compensation policies for the directors and executive officers of Nexstar, including the Named Executive Officers. The Compensation Committee approves the employment agreements with the executive officers of Nexstar, administers Nexstar's stock option plans, approves grants under such plans and makes recommendations regarding other incentive compensation or equity-based plans provided to the Named Executive Officers and other executive officers.

### Compensation Philosophy and Objectives

The Company's executive compensation program has been developed to incorporate a compensation philosophy consistent with the following primary objectives:

Attract and retain talented and highly qualified executives in the competitive television broadcasting industry by providing a total compensation package that includes a combination of elements which are at or above competitive opportunities;

Tie executive compensation, both annual and long-term elements, to the Company's overall performance and specific attainment of long-term strategic goals;

Provide executives with long-term incentive for future performance that aligns with stockholder interests and maximizes stockholders value over the long-term; and

Set executive compensation at responsible levels to promote fairness and equity among all employees within our organization.

### Defining the Market Benchmarking

We have not engaged a compensation consultant to review our policies and procedures concerning executive compensation. Our Chief Executive Officer conducts an annual benchmark review of the aggregate level of our executive compensation, as well as the mix of elements within our executive compensation program. This benchmarking review encompasses analyzing proxy information of approximately 15 multi-media companies that have a broadcast component ( peer group ), as disclosed in their most recent proxy information filing with the Securities and Exchange Commission. The peer group is primarily comprised of the companies in the table below:

Acme  
Belo Corp  
CBS CL B  
Fisher  
Gannett

Gray  
Hearst-Argyle  
Journal Communications  
LIN TV  
Meredith

News Corp  
Scripps  
Sinclair  
Washington Post  
Young

This review provides a foundation for ensuring that our executive compensation levels remain competitive in relation to this peer group and is generally refreshed prior to the hiring or replacement of an executive officer or when an existing officer's employment contract is renewed. One of the primary objectives of the Company's executive compensation program is to provide compensation near the median market pay level based on our benchmarking review of peer group companies, when warranted by Company results and individual contribution. We believe that such benchmarking is useful because we recognize that our compensation practices must be competitive in the television broadcasting industry. By targeting Named Executive Officer compensation to the compensation practices of the Company's peer group, the Company enhances its ability to attract and retain talented and highly qualified executives, which is fundamental to the Company's growth and delivery of value to its stockholders. In addition, peer group information is one of the many factors we consider in assessing the reasonableness of compensation of our Named Executive Officers.

## Elements of Compensation

The principal elements of the Company's executive compensation consist of the following:

Base Salary

Annual Cash Bonuses

Stock Options

Other Stock-Based Compensation

Perquisites and Other Compensation

Health Benefits

Severance Benefits and Change in Control Provisions

### **Base Salary**

The annual base salary of the Company's Named Executive Officers is established by individual employment agreements (see "Employment Agreements" in this Proxy Statement). The purpose of the base salary is to provide each Named Executive Officer with a set amount of cash compensation that is not variable in nature and that is generally competitive with market practices. The base salary is established based on the scope of the executive's responsibilities, taking into account competitive market compensation paid by peer group companies for similar positions. Generally, we target the executives' base salaries near the median market pay level of our benchmarking review of peer group companies. Under each employment agreement, base salaries are increased on an annual basis. Annual salary increases for the Named Executive Officers are generally consistent, on a percentage basis, with those received by non-executive employees. See the "Employment Agreements" section of this Proxy Statement for a discussion of any changes to the employment agreements of Named Executive Officers in 2008 and the effect they had on base salaries.

### **Annual Cash Bonuses**

Under the terms of their employment agreements, each Named Executive Officer is eligible to earn a targeted annual cash bonus up to an amount equal to a specified percentage of such executive's salary. For the Chief Executive Officer, Chief Financial Officer and the two Co-Chief Operating Officers, their annual cash bonus is targeted to be approximately 50% of their annual base salary. For the Controller, the target annual cash bonus is 20% of annual base salary. The overall performance of the Company determines what percentage, if any, of the target bonus will be paid out, with net revenues and EBITDA as the primary performance measures. If the Company attains the annually budgeted amounts for net revenue and EBITDA, then it is likely that 100% of the targeted bonus will be paid. However, the Chief Executive Officer, with the approval of the Compensation Committee, may increase the annual bonus paid to our other Named Executive Officers, and the Compensation

Committee may increase the annual bonus paid to our Chief Executive Officer. Likewise, if the Company does not achieve its performance benchmarks, then an amount less than the full bonus may be paid. However, the Company does not utilize defined formulas to determine what percentage of the target bonuses will be paid to its executive officers, including its Named Executive Officers. Ultimately, the payment of cash bonuses is made on a discretionary basis and is determined based on an evaluation of each executive's individual contribution to the overall performance of the Company.

Historically, when determining the amount of bonus and incentive compensation to be paid to executive officers, the Compensation Committee reviews and considers the following information:

Evaluations of each of the Named Executive Officers, as well as feedback from the full Board of Directors, regarding each Named Executive Officer's performance;

The Chief Executive Officer's review and evaluation of each of the other Named Executive Officers, addressing individual performance and the results of operations of the business areas and departments for which such executive had responsibility, which the Compensation Committee discusses with the Chief Executive Officer;

The financial performance of the Company, including (i) the stock price of the Company and (ii) revenue growth of the Company; and

Total proposed compensation, as well as each element of proposed compensation, taking into account the recommendations of the Chief Executive Officer.

For 2008, no performance bonuses were paid to any of the Named Executive Officers (see the "Employment Agreements" section of this Proxy Statement for discussion of the signing bonus paid to Perry Sook, our Chief Executive Officer). The decision by the Compensation Committee to not pay any performance bonuses for 2008 was primarily due to the economic slowdown and the resulting negative impact on television advertising spending, which caused the Company to miss its performance targets and an overall sensitivity to the current recession. For fiscal years 2006 and 2007, evaluations of the Named Executive Officers occurred during the first quarter of 2007 and the first quarter of 2008, respectively.

#### ***Stock Options and Other Stock-Based Compensation***

The Company believes that the granting of stock options is the most appropriate form of long-term compensation since it provides incentive to promote the long-term success of the Company in line with stockholders' interest. The Company's stock option plans are intended to motivate and reward the executive officers and to retain their continued services while providing long-term incentive opportunities including the participation in the long-term appreciation of our common stock value.

The number of stock options awarded to an executive officer during a given year is discretionary and is determined by the Compensation Committee, based on the contribution of the individual to the Company's attainment of annual goals, including net revenue and EBITDA. Just as with cash bonuses, there is no defined formula for how many options will be awarded to a Named Executive Officer.

In 2008, no options were granted primarily due to the Company not achieving its performance targets and the decrease in the value of the Company's common stock and the desire by the Compensation Committee to conserve the number of shares available under our equity plans for future issuances. During 2006 and 2007, the granting of stock options to the Named Executive Officers occurred during December of each year. The Compensation Committee awards stock options to the four non-CEO Named Executive Officers based on the recommendation of the Chief Executive Officer, who evaluates their performance in meeting the goals established at the beginning of each year. The Compensation Committee awards stock options to the Chief Executive Officer primarily based on the overall performance of the Company.

The Company currently maintains two equity compensation plans (collectively, the Equity Plans ), which provide for the granting of stock options, stock appreciation rights, restricted stock and performance awards. Awards made under the Company s Equity Plans have consisted almost exclusively of the granting of non-qualified stock options. With certain limited exceptions, stock option awards vest 20% per year over a five-year period, dependent on continued employment. The exercise price of stock options may not be less than the market price of the Company s Class A Common Stock on the date of grant. Stock option awards must be exercised within ten years of the date of grant of the option, subject to earlier expiration upon termination of the individual s employment. The provisions of the Equity Plans limit the number of options that may be granted to any one individual in a calendar year to 10% of the total number of options authorized under each plan.

#### ***Perquisites and Other Compensation***

All other compensation for the Named Executive Officers includes automobile allowances paid by the Company, the value of the personal use of an automobile and group life insurance paid by the Company. In 2007 and 2006, the Company made 401(k) matching contributions. In 2008, the Company suspended its matching contributions.

#### ***Health Benefits***

All full-time employees, including our Named Executive Officers, may participate in our health benefit program, including medical, dental and vision care coverage, disability insurance and life insurance.

#### ***Severance Benefits and Change in Control Provisions***

All of our Named Executive Officers have entered into employment agreements with us. These employment agreements, among other things, provide for severance compensation to be paid to the executives if they are terminated upon a change of control of the Company, or for reasons other than cause or if they resign for good reason, as defined in the agreement (see Payments Upon a Termination Change in Control ).

#### ***Determination of 2008, 2007 and 2006 Compensation***

The Compensation Committee reviewed compensation levels for the Named Executive Officers for 2006 through 2008 and considered various factors, including the executive s job performance, the compensation level of competitive jobs and the financial performance of the Company. For the executive officers other than the Chief Executive Officer, the Compensation Committee considers the recommendations of the Chief Executive Officer. The Compensation Committee approves the primary components of compensation for each Named Executive Officer, including any annual cash bonus and grant of stock options.

## EMPLOYMENT AGREEMENTS

The Company currently has an employment agreement in place with each of its Named Executive Officers. The following is summarized information related to the base salary, annual cash bonus and severance compensation and termination provisions contained in the employment agreement of each Named Executive Officer.

### *Perry A. Sook*

Mr. Sook is employed as President and Chief Executive Officer under an employment agreement with us. The term of the agreement expires on December 31, 2011 and automatically renews for successive one-year periods unless either party notifies the other of its intention not to renew the agreement. Under the agreement, Mr. Sook's base salary was \$750,000 in 2008 and is \$900,000 in 2009, \$950,000 in 2010 and \$1,000,000 in 2011. Mr. Sook's employment agreement was renewed on November 13, 2008. Under the new agreement, Mr. Sook received an increase in base salary for 2009 and beyond primarily because of his increased responsibility for overseeing the maintenance and renewal of retransmission consent agreements and the ongoing development of on-line media sales and other sources of revenue. Mr. Sook received a \$350,000 signing bonus for renewing his contract. The bonus was given both as a reward for Mr. Sook's early success in renegotiating various retransmission consent agreements in 2008 and as an incentive for his continued employment with Nexstar. The signing bonus is repayable to the Company on a pro-rata basis if Mr. Sook voluntarily resigns or retires prior to December 31, 2011.

### *Matthew E. Devine*

Effective January 23, 2006, Mr. Devine became Chief Financial Officer and Executive Vice President under an employment agreement with us. # POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Each of our Named Executive Officers has entered into an employment agreement with the Company (see Employment Agreements in this Proxy Statement). Included in each employment agreement are provisions regarding termination of employment, including a change in control of the Company. The circumstances that would result in the payment of severance compensation and other benefits under the employment agreements are identical for each of the Named Executive Officers.

As defined in the employment agreements, there are three different circumstances that would result in the payment of severance compensation, each as defined in the employment agreements, as follows: (1) change in control of the Company; (2) termination by the Company for reasons other than cause; and (3) resignation by the Named Executive Officer with good reason.

In the event of termination for any of the above reasons, as defined in the employment agreements, each Named Executive Officer is eligible to receive his base salary for a period of one year (except for Mr. Sook who would receive two years base salary plus target bonus) and is eligible to receive continued coverage under the Company's healthcare insurance plan in accordance with the continuation requirements of COBRA for one year with premiums paid by Nexstar.

The following table sets forth potential payments to our Named Executive Officers under their employment agreements, for various circumstances involving the termination of employment of our Named Executive Officers or change in control of the Company, assuming a December 31, 2008 termination date.

### **AUDIT COMMITTEE REPORT**

The financial statements of Nexstar Broadcasting Group, Inc. are prepared by management, which is responsible for their objectivity and integrity. The Audit Committee has reviewed and discussed with management the audited financial statements and management's assessment of the effectiveness of internal controls of the Company for the year ended December 31, 2008.

The Audit Committee has discussed with PricewaterhouseCoopers LLP, the independent registered public accounting firm who audited the Company's December 31, 2008 financial statements and the matters required to be discussed in Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended and as adopted by the Public Company Accounting Oversight Board (the PCAOB) in Rule 3200T. Additionally, the Audit Committee has received the written disclosures and the letter from PricewaterhouseCoopers LLP required by applicable requirements of the PCAOB regarding communications with the Audit Committee concerning independence and has discussed with them their independence from the Company and its management. Finally, the Audit Committee has considered whether the provision of non-audit services to the Company by PricewaterhouseCoopers LLP is compatible with their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements and management's assessment of the effectiveness of internal controls be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008 for filing with the Securities and Exchange Commission.

Respectfully submitted,

Geoff Armstrong, Chair

I. Martin Pompadur

Lisbeth McNabb

**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FEES AND OTHER MATTERS**

In addition to having retained PricewaterhouseCoopers LLP to audit the financial statements of Nexstar Broadcasting Group, Inc. and its direct and indirect subsidiaries (including Nexstar, collectively, Nexstar Entities) for the fiscal year ended December 31, 2008 and 2007, and review the financial statements included in each of Nexstar Entity's Quarterly Reports on Form 10-Q during such fiscal years, Nexstar Broadcasting Group, Inc. retained PricewaterhouseCoopers LLP to provide due diligence services, audit certain acquired stations and give advice on tax compliance matters. The aggregate fees, including expenses, billed for professional services incurred by Nexstar Broadcasting Group, Inc. and rendered by PricewaterhouseCoopers LLP in fiscal years 2008 and 2007 for these various services were:

Type of Fees	Fiscal Year Ended	
	December 31,	December 31,
	2008	2007
Audit Fees <sup>(1)</sup>	\$ 1,396,101	\$ 1,295,837
Audit Related Fees <sup>(2)</sup>		40,297
Tax Fees <sup>(3)</sup>	153,292	203,451
All Other Fees <sup>(4)</sup>	101,132	2,000
<b>Total</b>	<b>\$ 1,650,525</b>	<b>\$ 1,541,585</b>

- (1) Audit Fees are fees billed by PricewaterhouseCoopers LLP for professional services for the audit of our consolidated financial statements included in our Annual Report on Form 10-K and review of our financial statements included in our Quarterly Reports on Form 10-Q, or for services that are normally provided by the auditors in connection with statutory and regulatory filings or engagements.
- (2) Audit Related Fees are fees billed by PricewaterhouseCoopers LLP for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements.
- (3) Tax Fees are fees billed by PricewaterhouseCoopers LLP for tax compliance, tax advice and tax planning.
- (4) All Other Fees are fees billed by PricewaterhouseCoopers LLP for any professional services not included in the first three categories.
- The Audit Committee has established policies and procedures for the approval and pre-approval of audit services and permitted non-audit services. Commencing with the 2003 audit fees, the Audit Committee pre-approves all services relating to PricewaterhouseCoopers LLP. All other audit related tax, and other fees will be approved by the Audit Committee prospectively.

**CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS**

Our Board of Directors has not adopted a written policy or procedure for the review, approval and ratification of related party transactions, as the Audit Committee Charter already requires the Audit Committee to review all relationships and transactions in which the Company and our employees, directors and officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. Based on all the relevant facts and circumstances, our Audit Committee will decide whether the related-party transaction is appropriate and will approve only those transactions that are in the best interests of the Company.

All employees sign a conflict of interest statement annually, and we require our directors and executive officers to complete annually a directors and officers questionnaire which requires disclosure of any related-party transactions. As required under SEC rules, transactions that are determined to be directly or indirectly material to the Company or a related person are disclosed in our periodic filings as appropriate.

Nexstar is party to a retransmission consent agreement, dated as of December 31, 2008 (the Retransmission Consent Agreement), with an affiliate of Atlantic Broadband Finance, LLC (Atlantic Broadband), a national cable systems operator. FCC rules require Nexstar to enter into either a retransmission consent or must carry agreement with every cable company that operates in any of its markets. Atlantic Broadband operates in the

Hagerstown, MD; Erie, PA; Altoona, PA and Wilkes-Barre, PA markets. Accordingly, pursuant to FCC rules, Nexstar entered into the Retransmission Consent Agreements. The Company estimates that revenue from the Retransmission Consent Agreement with Atlantic Broadband for fiscal 2008 was approximately \$20,000. For fiscal 2009, the Company estimates that the Retransmission Consent Agreement will result in revenue of approximately \$750,000.

Affiliates of ABRY Broadcast Partners, LLC, the Company's largest stockholder, hold a controlling equity stake in Atlantic Broadband. Five of our directors, Messrs. Battaglia, Brooks, Grossman, Stone and Yudkoff, hold positions at ABRY. Messrs. Battaglia and Stone are Principals of ABRY; Mr. Brooks serves as Partner; and Messrs. Grossman and Yudkoff each serve as Managing Partner of ABRY. Mr. Yudkoff also serves as President of ABRY.
