PROPOSAL 1

ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides that 75% (calculated to the nearest whole number, rounding a fractional number of five-tenths (.5) to the next highest whole number) of the members of the Board of Directors shall be elected by Class B Stockholders voting separately as a class.

Pursuant to the Company's Bylaws, the Board of Directors has fixed the number of Directors at six. Each Director elected at the Annual Meeting shall hold office until his respective successor has been elected and qualified, or until such individual's earlier resignation or removal. Vacancies may be filled by a majority vote of the remaining directors then in office.

The Board of Directors has selected the following person as nominee for election by the holders of Common Stock as a Director at the 2010 Annual Meeting of Stockholders:

To be elected by the holders of Common Stock:

Cort J. Dondero

The affirmative vote of Stockholders holding a plurality of the Company's issued and outstanding Common Stock in attendance at the meeting, either in person or by proxy, is required to approve this proposal. Abstentions and broker non-votes will have no effect.

The Board of Directors has selected the following persons as nominees for election by the holders of Class B Stock as Directors at the 2010 Annual Meeting of Stockholders:

David A. Air

E.J. Elliott

Marc G. Elliott

Randolph H. Fields

Edward A. Moses

The affirmative vote of Stockholders holding a plurality of the Company's issued and outstanding Class B Stock in attendance at the meeting, either in person or by proxy, is required to approve this proposal. Abstentions and broker non-votes will have no effect.

The Board of Directors recommends an affirmative vote for the above nominees.

It is the intention of the persons named in the accompanying form of proxy to nominate and, unless otherwise directed, vote such proxies for the election of the nominees named above as Directors. The Board of Directors knows of no reason why any nominee for Director would be unable to serve as a Director. If any nominee should for any reason become unable to serve, the shares represented by all valid proxies will be voted for the election of such other person as the Board of Directors may designate, or the Board of Directors may reduce the number of Directors to eliminate the vacancy.

Director Attendance at Meetings

During the fiscal year ended September 30, 2009, the Board of Directors held three meetings. All Directors attended each of the meetings.

Compensation Committee

The Compensation Committee endeavors to ensure that the compensation program for executive officers is effective in attracting and retaining key executives responsible for our success and in promoting our long-term interests and those of our stockholders. The committee, without applying any specific quantitative formulas, considers such factors as net income, earnings per share, duties and scope of responsibility, industry standards and comparable salaries, corporate growth, profits, goals and market share increases. The functions of the Compensation Committee include reviewing and establishing compensation plans for our executive officers and reviewing certain of our employee benefit and compensation programs. The key elements of determining compensation levels for our named executive officers (other than E.J. Elliott, our Chairman of the Board and Chief Executive Officer) are as follows:

Develop performance measures: consider appropriate performance measures and recommend performance levels that are used to determine annual and long-term awards.

Develop compensation guidelines: using publicly disclosed compensation information as the foundation, management develops compensation parameters for each executive position. These parameters are provided to the CEO as the basis for his recommendations regarding individual compensation actions.

The key member of management involved in the compensation process was E. J. Elliott. Mr. Elliott was not present during the Compensation Committee's deliberations regarding his compensation. The three members of the Compensation Committee are Randolph H. Fields, David A. Air, and Edward A. Moses. Currently, the Compensation Committee is comprised only of independent directors, as defined by NASDAQ rules. The Compensation Committee formally met three times during the fiscal year ended September 30, 2009. These meetings were attended by all members of the Compensation Committee. The Compensation Committee operates under a Charter adopted by the Board of Directors, a copy of which was included as appendix C in our proxy statement for the fiscal year-ended September 30, 2008.

Audit Committee

The Audit Committee's responsibilities include selecting our auditors and reviewing our audit plan, financial statements and internal accounting and audit procedures. The Audit Committee operates under a charter adopted by the Board of Directors, a copy of which is included in this Proxy Statement. During the fiscal year ended September 30, 2009, the Audit Committee had four meetings, which were attended by all members of the Audit Committee. The three members of the Audit Committee are David A. Air, Cort J. Dondero, and Edward A. Moses. Currently, the Audit Committee is comprised of all independent Directors as defined by NASDAQ rules. Mr. Dondero and Mr. Moses serve as the audit committee financial experts.

Nominating Committee

The three members of the Nominating Committee are E. J. Elliott, Marc G. Elliott and Randolph H. Fields. Although, Mr. Fields is considered independent by NASDAQ rules, Messrs. Elliott and Elliott are not. The Nominating Committee does not have a charter, but has developed guidelines. The Nominating Committee guidelines provide that it consider for director, candidates by stockholders or others, and believes that for smaller companies it is desirable and beneficial to recommend board candidates who possess a proven track record in heavy manufacturing operations, understand our overall business, and are able to make maximum contribution to guiding our affairs. Accordingly, the Nominating Committee reviews recommendations of its individual members and gives considerable weight to candidates with industry-related experience and expertise that will benefit the Company. Additionally, the Nominating Committee believes that persons selected must have a serious work ethic and an ability to work as a constructive member of a team for the benefit of the stockholders. The Nominating Committee met once during fiscal 2009, which was attended by all members of the Nominating Committee.

In addition to any other applicable requirements, if a stockholder desires to nominate a director for election at an annual meeting, such stockholder must (A) be a stockholder of record on both (1) the date such stockholder provides notice of such nomination to us and (2) the record date for the determination of stockholders entitled to vote at such annual meeting, and (B) have given timely notice in proper written form to our Secretary. If a stockholder is entitled to vote only for a specific class or category of directors at the annual meeting, such stockholder's right to nominate one or more persons for election as a director at the meeting shall be limited to such class or category of directors.

To be timely in connection with the annual meeting, a stockholder's notice shall be delivered to the Secretary at our principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting. As a result, with respect to the 2011 Annual Meeting, any notice given by a stockholder pursuant to the provisions of our Bylaws must be received no earlier than November 5, 2010 and no later than December 5, 2010, unless our Annual Meeting is advanced by more than 30 days or delayed by more than 60 days from March 5, 2010. If our 2011 Annual Meeting date is advanced by more than 30 days or delayed by more than 60 days from this year's meeting date, then notices must be received no earlier than the 120th day prior to the 2011 Annual Meeting and no later than the close of business on the later of the 90th day prior to the 2011 Annual Meeting or the 10th day following the date on which the meeting date is publicly announced.

In the event we call a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any stockholder entitled to vote for the election of such director(s) at such meeting (and satisfying the requirements set forth above) may nominate a person or persons (as the case may be) for election to such position(s) as are specified in our notice of such meeting, but only if the stockholder notice is delivered to the Secretary at our principal executive office no later than the close of business on the 10th day following the first day on which the date of the special meeting and either the names of all nominees proposed by the Board of Directors to be elected at such meeting or the number of directors to be elected shall have been publicly announced.

To be in proper written form, a stockholder's notice to the Secretary must set forth (A) as to each person whom the stockholder proposes to nominate for election as a director (1) the name, business address and residence address of the person, (2) the principal occupation or employment of the person, (3) the class or series and number of shares of our capital stock if any, which are owned beneficially or of record by the person and (4) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Securities Exchange Act of 1934, as amended (the Exchange Act), and the rules and regulations promulgated thereunder; and (B) as to the stockholder giving notice (1) the name and record address of such stockholder, (2) the class or series and number of shares of our capital stock which are owned beneficially or of record by such stockholder, (3) a description of all arrangements or understandings between such stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nominations(s) are to be made by such stockholder, (4) a representation that such stockholder intends to appear in person or by proxy at the annual meeting to nominate the person(s) named in its notice and (5) any other information relating to such stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Securities Exchange Act of 1934, as amended and the rules and regulations promulgated thereunder. Such notice must also be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, officers and certain stockholders to file with the Commission an initial statement of beneficial ownership and certain statements of changes in beneficial ownership of our equity. Based solely on our review of such forms received by us, we are unaware of any instances of noncompliance, or late compliance, with such filings during the fiscal year ended September 30, 2009.

Independent Directors

Our common stock is listed on the NASDAQ Global Market. NASDAQ requires that a majority of our directors be independent, as defined by NASDAQ's rules. Generally, a director does not qualify as an independent director if the director or a member of a director's immediate family has had in the past three years certain relationships or affiliations with us, our external or internal auditors, or other companies that do business with us. Our Board has affirmatively determined that a majority of its directors are independent directors under NASDAQ rules. Based on these standards, the Board determined that our independent directors include the following current directors and nominees for director: Randolph H. Fields, David A. Air, Edward A. Moses and Cort J. Dondero.

Independent Director Meetings in Executive Sessions

Our independent directors meet separately from the other directors in regularly scheduled executive sessions. Any independent director may call an executive session of independent directors at any time. The independent directors did meet three times in an executive session during the fiscal year ended September 30, 2009.

Stockholder Communications with Directors

Stockholders wishing to communicate with Directors should send their correspondence to the individual Director or Directors in care of the Chairman of the Board at 5201 N. Orange Blossom Trail, Orlando, Florida 32810. Our policy is to forward such communications to the addressees if the issues/subjects are material and relevant.

Director Attendance at Annual Meetings of Stockholders

We encourage all incumbent directors, as well as all nominees for election as director, to attend the Annual Meeting of Stockholders. All of our incumbent directors at the time of the Annual Meeting attended our Annual Meeting in 2009.

Code of Ethics

We have adopted a code of ethics that applies to our principal executive officer, principal accounting officer and persons performing similar functions. We will provide to any person without charge, upon written request, addressed to our corporate headquarters, attention Corporate Secretary, a copy of such code of ethics.

EXECUTIVE COMPENSATION

Compensation Committee Process and Procedures

The members of the Compensation Committee for the fiscal year ended September 30, 2009 (hereafter in the Executive Compensation section referenced as 2009) were David A. Air (Chairman), Randolph H. Fields, and Edward A. Moses. The Compensation Committee meets regularly as circumstances dictate, and agendas for the meetings are typically established with input from the Compensation Committee's Chairman and the Company's Chief Executive Officer (CEO). At times, our CEO attends portions of the meetings of the Compensation Committee. However, the Compensation Committee also conducts meetings regularly to consider, discuss and evaluate issues without the presence of any of our executive officers. Our CEO is never present during voting or deliberations with respect to his own compensation.

To assist the Compensation Committee in the design of effective compensation programs, policies and practices, including developing a mix of cash and equity compensation and annual and long-term compensation that promotes our compensation objectives, and that is competitive in the marketplace, the Compensation Committee may retain a compensation consultant from time to time subject to Board approval.

1997 Stock Option Plan

In July 1996, the Board of Directors, subject to the approval of our stockholders, adopted the Gencor Industries, Inc. 1997 Stock Option Plan (the 1997 Plan), which provided for the issuance of stock options to purchase an aggregate of up to 1,200,000 shares of our Common Stock, 1,200,000 shares of our Class B Stock and up to fifteen percent (15%) of the authorized common stock of any subsidiary. The 1997 Plan permitted the grant of options to our officers, directors and key employees. The 1997 Plan was approved by stockholders on April 11, 1997. As of September 30, 2009, there are no options available for future grants under the plan.

2009 Incentive Compensation Plan

On March 17, 2009 the stockholders of the Company approved the 2009 Incentive Compensation Plan (the 2009 Plan). The 2009 Plan provides that the total number of shares of Company stock that may be subject to the granting of awards under the 2009 Plan (Awards) at any time during the term of the 2009 Plan shall be equal to 800,000 shares of Common Stock and 160,000 shares of Class B stock. The foregoing limit shall be increased as provided for in the 2009 Plan. Persons eligible to receive Awards under the 2009 Plan include our employees, directors, consultants and other persons who provide services to the Company. The 2009 Plan imposes individual limitations on the amount of certain Awards in part to comply with IRS Code Section 162(m). The Awards can be in the form of stock options, restricted and deferred stock, performance awards and other stock base awards as provided for in the 2009 Plan. There have been no Awards made under the 2009 Plan.

Payments Upon a Change of Control

Under the terms of the 1997 Plan and the 2009 Plan, upon the occurrence of a change of control, as provided for in the individual plan, each option holder shall be entitled to receive, pursuant to an option exercise, such number and kind of securities as the option holder would have been entitled to had the option holder exercised the option prior to a change of control.

Assuming a change of control had occurred on September 30, 2009 and the Named Executive Officers listed in the table entitled "Outstanding Equity Awards in Fiscal Year 2009" exercised the full amount of their awards, the cash value of the accelerated awards for each of the Named Executive Officers would have been as follows:

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We lease vehicles from Marcar Leasing Corporation (Marcar), a corporation engaged in general leasing to the public of machinery as well as vehicles owned by members of E.J. Elliott's immediate family, including Marc G. Elliott. The terms of the leases are established based on the rates charged by independent leasing organizations and we believe them to be more favorable than those generally available from independent third parties. Leases between Marcar and us generally provide for equal monthly payments over either thirty-six months or forty-eight months. During fiscal 2009, we made lease payments to Marcar in the aggregate amount of approximately \$156,000.

Although we did not deem the following transaction to be a related person transaction, and therefore do not require disclosure, we note that Randolph H. Fields, one of our directors, is a stockholder of the law firm of Greenberg Traurig P.A., which serves as our primary legal counsel.

We recognize that related person transactions may raise questions among our stockholders as to whether the transactions are consistent with our best interests and our stockholders' best interests. We generally do not enter into or ratify a related person transaction unless our Board of Directors, acting through the Audit Committee or otherwise, determines that the related person transaction is in, or is not inconsistent with our best interests and our stockholders' best interests. Our procedures are currently not documented in writing.

**Charter of the
Audit Committee of
Gencor Industries, Inc.**

I. Organization

This charter governs the operations of the audit committee. The committee shall be appointed by the board of directors and shall comprise at least three directors, each of whom are independent of management and the Company. Members of the committee shall be considered independent if they have no relationship that may interfere with the exercise of their independence from management and the Company. All committee members shall be financially literate, (or shall become financially literate within a reasonable period of time after appointment to the committee) and at least one member shall have accounting or related financial management expertise.

II. Statement of Policy

The audit committee shall provide assistance to the board of directors in fulfilling their oversight responsibility to the shareholders, potential shareholders, the investment community, and others relating to the Company's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of the Company's financial statements, and the legal compliance and ethics programs as established by management and the board. In so doing, it is the responsibility of the committee to maintain free and open communication between the committee, independent auditors, the internal auditors and management of the Company. In discharging its oversight role, the committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and the power to retain outside counsel, or other experts for this purpose.

III. Responsibilities and Processes

The primary responsibility of the audit committee is to oversee the Company's financial reporting process on behalf of the board and report the results of their activities to the board. Management is responsible for preparing the Company's financial statements, and the independent auditors are responsible for auditing those financial statements. The committee in carrying out its responsibilities believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The committee should take the appropriate actions to set the overall corporate tone for quality financial reporting, sound business risk practices, and ethical behavior.

The following shall be the principal recurring processes of the audit committee in carrying out its oversight responsibilities. The processes are set forth as a guide with the understanding that the committee may supplement them as appropriate.

- A. The committee shall have a clear understanding with management and the independent auditors that the independent auditors are ultimately accountable to the board and the audit committee, as representatives of the Company's shareholders.
- B. The committee shall have the ultimate authority and responsibility to evaluate and, where appropriate, recommend the replacement of the independent auditors.
- C. The committee shall discuss with the internal auditors and the independent auditors the overall scope and plans for their respective audits including the adequacy of staffing and compensation.
- D. The committee shall discuss with management, the internal auditors, and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's system to monitor and manage business risk, and legal and ethical compliance

programs.

B-1

- E. The committee shall meet separately with the internal auditors and the independent auditors, with and without management present, to discuss the results of their examinations.

- F. The committee shall review the interim financial statements with management and the independent audits prior to the filing of the Company's Quarterly Report on Form 10-Q. Also, the committee shall discuss the results of the quarterly review and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards. The chair of the committee may represent the entire committee for the purposes of this review.

- G. The committee shall discuss with the auditors their independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board and shall consider the compatibility of nonaudit services with the auditors independence.

- H. The committee shall review with management and the independent auditors the financial statements to be included in the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the committee shall discuss the results of the annual audit and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.

- I. Annually, the committee shall review and recommend to the board the selection of the Company's independent auditors, subject to shareholders' approval.

IV. Meetings

The committee will meet at least four times a year, with authority to convene additional meetings, as circumstances require. All committee members are expected to attend each meeting, in person or via tele- or video-conference. The committee will invite members of management, auditors or others to attend meetings and provide pertinent information, as necessary. It will hold private meetings with auditors (see below) and executive sessions. Meeting agendas will be prepared and provided in advance to members, along with appropriate briefing materials. Minutes will be prepared.

A. Reporting Responsibilities

1. Regularly report to the board of directors about committee activities, issues and related recommendations

2. Provide an open avenue of communication between internal audit, the external auditors and the board of directors

3. Report annually to the shareholders, describing the committee's composition, responsibilities and how they were discharged, and any other information required by rule

4. Review any other reports the Company issues that relate to committee responsibilities

B. Other Responsibilities

1. Review and assess the adequacy of the committee charter annually, requesting board approval for proposed changes.

2. Institute and oversee special investigations as needed.
3. Confirm annually that all responsibilities outlined in this charter have been carried out.
4. Perform other activities related to this charter as requested by the board of directors.

With respect to the foregoing responsibilities and processes, the Committee recognizes that the Company's financial management, including its internal audit staff, as well as the independent auditors, have more time, knowledge, and more detailed information regarding the company than do Committee members. Consequently, in discharging its oversight responsibilities, the Committee will not provide or be deemed to provide any expertise or special assurance as to the Company's financial statements or any professional certification as to the independent auditors' work. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditors. Nor is it the duty of the Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditors, or to assure compliance with laws and regulations and the Company's internal policies and procedures.
