Item 7.01. Regulation FD Disclosure

On December 5, 2011, ION Geophysical Corporation (the "Company") issued a press release announcing that it has scheduled a conference call to discuss its three to five year market and business outlook, including 2012 highlights. The call will be broadcast live over the Internet and is scheduled for Friday, December 9, at 10:00 a.m. Eastern Time (9:00 a.m. Central). The information for accessing the conference call is included in the press release. A copy of the press release is furnished as Exhibit 99.1 hereto.

The information contained in Item 7.01 and Exhibit 99.1 (i) is not to be considered "filed" under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and (ii) shall not be incorporated by reference into any previous or future filings made by or to be made by the Company with the Securities and Exchange Commission ("SEC") under the Securities Act of 1933, as amended, or the Exchange Act.

The information contained in this report and Exhibit 99.1, and any oral or written statements made during or in connection with the conference call referenced in this report, may contain certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Exchange Act. These forward-looking statements may include statements concerning forecasts of future revenues, growth rates, margins, expenses, commodity prices, economic and market conditions and other statements that are not statements of historical fact. Actual results may vary materially from those described in the forward-looking statements. All forward-looking statements will reflect numerous assumptions and involve a number of risks and uncertainties. These risks and uncertainties include risks associated with the timing and development of the Company's products and services and market acceptance of the Company's new and revised product offerings; risks associated with economic downturns and volatile credit environments; risks associated with the performance of the Company's INOVA Geophysical Equipment Limited joint venture; risks associated with the Company's level of indebtedness and compliance with debt covenants, including compliance by its guarantors; risks of audit adjustments and other modifications to the Company's financial statements not currently foreseen; risks associated with competitors' product offerings and pricing pressures resulting therefrom; risks that sources of capital may not prove adequate; risks related to collection of receivables; risks associated with pending and future litigation; and risks related to technological and marketplace changes affecting the Company's product line. Additional risk factors, which could affect actual results, are disclosed by the Company from time to time in its filings with the Securities and Exchange Commission, including its Annual Reports on Form 10-K and its Quarterly Reports on Form 10-Q.
