**Item 1.01. Entry into a Material Definitive Agreement.** <sup>1</sup>

Agreement and Plan of Merger

On February 24, 2012, Access Plans, Inc., an Oklahoma corporation ( "Access Plans" ), entered into an Agreement and Plan of Merger (the "Merger Agreement" ) with Affinity Insurance Services, Inc., a Pennsylvania corporation and wholly-owned subsidiary of Aon Corporation ( "Affinity" ), Atlas Acquisition Corp., an Oklahoma corporation and wholly-owned subsidiary of Affinity ( "Merger Sub" ), and Mark R. Kidd, as representative of the shareholders of Access Plans. The Merger Agreement provides, among other things, that, upon the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub will merge with and into Access Plans, with Access Plans surviving as a wholly-owned subsidiary of Affinity (the "Merger" ).

Subject to the terms and conditions of the Merger Agreement, which has been approved and adopted by the boards of directors of each of Access Plans, Affinity and Merger Sub, at the effective time of the Merger (the "Effective Time" ), each share of common stock, par value \$0.0001 per share, of Access Plans ( "Access Plans Common Stock" ) outstanding immediately prior to the Effective Time will be converted into the right to receive the Per Share Merger Consideration (as defined in the Merger Agreement). The Per Share Merger Consideration will be calculated based on the Net Cash Amount (as defined in the Merger Agreement) of Access Plans as of the Effective Time. As of the date of this report, 19,927,204 shares of Access Plans Common Stock are issued and outstanding and there are outstanding stock option awards exercisable for 1,876,884 shares of Access Plans Common Stock. Assuming no change in the number of issued and outstanding shares of Access Plans Common Stock and option awards, and assuming a Net Cash Amount of \$15.0 million as of the Effective Time, the Per Share Merger Consideration is estimated to be \$3.30.

Prior to the Closing, Access Plans is entitled to pay a dividend (the "Special Dividend" ) of up to \$0.10 per share of common stock if, following the payment of such dividend, Access Plans has a Net Cash Amount of not less than \$15,025,000. As of December 31, 2011, Access Plans had cash and cash equivalents of approximately \$14.6 million.

In connection with the Merger, each outstanding Access Plans stock option award, whether vested or unvested, will be cancelled at the Effective Time and will be converted into the Per Share Merger Consideration, reduced by the exercise price of the option award, plus the per share Special Dividend. Options with exercise prices greater than or equal to such amount will be cancelled without any payment being made in respect thereof.

The closing of the Merger is subject to certain conditions, including, among others, (i) no court order prohibiting the transactions contemplated by the Merger Agreement, (ii) the absence of any Material Adverse Effect (as defined in the Merger Agreement) on Access Plans, (iii) no exercise of appraisal rights by more than 3% of the shares of Access Plans Common Stock, and (iv) subject to materiality exceptions, the accuracy of the representations and warranties made by Affinity and Merger Sub, on the one hand, and Access Plans, on the other hand, and compliance by Affinity, Merger Sub, and Access Plans with their respective obligations under the Merger Agreement.

Each of Affinity and Access Plans has made representations and warranties in the Merger Agreement. Access Plans has agreed to certain covenants and agreements, including, among others, (i) to conduct its business in the ordinary course of business during the period between the execution of the Merger Agreement and the closing of the Merger and (ii) not to solicit alternate transactions, subject to certain exceptions for Access Plans to respond to unsolicited proposals in order to permit Access Plans' board of directors to comply with its fiduciary duties.

<sup>1</sup> Certain items in this Form 8-K will need to be revised if shareholder approval has not been obtained prior to filing.

The Merger Agreement contains specified termination rights for both Affinity and Access Plans. If the Merger Agreement is terminated under certain specified circumstances, Access Plans must pay Affinity a termination fee of up to \$2.8 million and/or reimburse Affinity its out-of-pocket costs and expenses of up to \$750,000.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby contained in this Item 1.01 does not purport to be a complete description and is qualified in its entirety by reference to the terms and conditions of the Merger Agreement, a copy of which is attached as Exhibit 2.1 and incorporated herein by reference.

The Merger Agreement has been included in this communication to provide investors and shareholders with information regarding its terms. It is not intended to provide any other factual information about Access Plans. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors and Access Plans shareholders. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Access Plans, Affinity or Merger Sub or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Access Plans' public disclosures.
