Yes No

If Yes is marked, indicate below the file under assigned to the registrant in connection with Rule 12g3-2(b):

iGATE Computer Systems Limited Announces Intention To Delist From the NYSE

MUMBAI, India: September 7, 2012 iGATE Computer Systems Limited (f/k/a Patni Computer Systems Limited) (the Company), a wholly owned subsidiary of iGATE Corporation, the first integrated technology and operation company providing Business Outcomes based solutions, today publicly announced its intention to apply for the voluntarily delisting of its American Depositary Shares (ADSs) from the New York Stock Exchange (the NYSE) on September 28, 2012. On August 31, 2012, a notice announcing the delisting of the ADSs from the NYSE was distributed to holders of ADSs as required by a deposit agreement dated December 7, 2005 by and between the Company and The Bank of New York Mellon, as Depositary. On September 18, 2012, the Company intends to file a Form 25 with the U.S. Securities and Exchange Commission (the Commission) and it is expected that the last day of trading on the NYSE will be Friday, September 28, 2012. Then, the ADSs will transition to level one status and will be tradable on the U.S. over-the-counter market beginning on Monday, October 1, 2012.

Since listing its ADSs on the NYSE in 2005, the Company has complied with the disclosure requirements of U.S. securities laws and regulations and made efforts to enhance voluntary disclosures to assist U.S. shareholders and investors deepen their understanding of the Company. Meanwhile, on May 11, 2011, iGATE Corporation through its subsidiaries (iGATE) completed the acquisition of approximately 83% of the outstanding shares in the Company and on March 14, 2012 commenced a delisting offer in India to (a) acquire all the remaining issued and outstanding equity shares, par value of Rs. 2 (the Shares or the Common Stock) of its majority-owned subsidiary, the Company and (b) delist the shares from the Bombay Stock Exchange Ltd and the National Stock Exchange of India Limited (clauses (a) and (b), collectively, the Delisting Offer). In connection with the Delisting Offer, the Company opened a subsequent offering period through May 27, 2013, pursuant to which holders of ADSs can tender the shares underlying their ADSs at the price of Rs. 520 per share. This press release does not constitute an offer to purchase shares or ADSs in the Company. Holders wishing to tender their shares during the subsequent offering period should consult with the Schedule TO on file with the Commission.

As of September 07, 2012, iGATE and its subsidiaries owned over 97% of the outstanding equity of the Company and publicly held ADSs constituted less than 1% of the outstanding equity in the Company.

Against this backdrop, the Company believes that the costs and expenses associated with the continued listing on the NYSE are not economically justified, taking into account the fact that the volume of the Company's ADSs which trade on the NYSE accounts for only a small fraction of the Company's total outstanding equity. Therefore, the Company decided to apply for voluntary delisting of its ADSs from the NYSE and for deregistration of its ADSs under the Exchange Act to eliminate the associated costs and expenses and thereby promote profitability.

Dear iGATE Computer Systems Limited ADS holder.

Notice of intention to delist from the New York Stock Exchange

iGATE Computer Systems Limited (the Company) has announced that it intends to delist its American Depositary Shares (the ADSs) from the New York Stock Exchange (NYSE) and trade on the over-the-counter (OTC) market.

As a holder of ADSs, you will continue to retain your shareholding in the Company

The ADSs' last day of trading on the NYSE is expected to be September 28, 2012 and the delisting is expected to become effective on September 28, 2012.

The delisting will reduce administration costs and complexity associated with the NYSE listing. The Company will retain an ADS programme in the US, on the OTC market to enable investors to trade the ADSs. Trading on the OTC market is expected to commence on October 1, 2012.

The Company also intends to permanently deregister and terminate its reporting obligations under the Securities Exchange Act of 1934 in the event that it meets the criteria for deregistration.

Your shareholding in the Company will not change, nor will you be required to sell your shares. In the future, if you wish to buy or sell shares you will be able to do so via the OTC market. The delisting will not affect how your dividends are paid or reinvested through the Global Buy Direct program.

If you have any questions, or would like any further information, please contact

your stockbroker, appropriately authorized financial advisor, solicitor, accountant and/or other professional advisor
Yours sincerely

For iGATE Computer Systems Limited

/s/ Rajesh Ramdas
