State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR or the transition report or portion thereof could not be filed within the prescribed time period.

Ligand Pharmaceuticals Incorporated (the Company) has determined that it is unable to file its Quarterly Report on Form 10-Q for the quarter ended September 30, 2012 within the prescribed time period and is currently unable to estimate the exact date on which such filing will occur.

As discussed in the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on November 5, 2012, the Company is in the process of restating its financial statements for the year ended December 31, 2011, the quarters ended March 31, 2012 and March 31, 2011, June 30, 2012 and June 30, 2011 and September 30, 2011 as a result of the determination that errors were associated with formulas within a spreadsheet as well as agreements relating to Captisol-enabled® clopidogrel (licensed to The Medicines Company), in particular with respect to assumptions for the calculation of fair value of the contingent liability related to what the Company potentially owes Prism Pharmaceuticals (now Baxter International) and Cydex Contingent Value Right holders out of the total proceeds due from The Medicines Company.

Because the Company is in the process of restating its financial statements, the Company has not been able to complete its financial statements for the quarter ended September 30, 2012. The Company does not expect to file its Form 10-Q for the quarter ended September 30, 2012 until the restatement process has been completed.
