PROFIT FORECASTS

July 31, 2013

Dear Warner Chilcott Shareholder,

On May 20, 2013, Actavis, Inc. (Actavis) and Warner Chilcott Public Limited Company (Warner Chilcott) announced that they had entered into a definitive agreement pursuant to which Actavis Limited, a new holding company incorporated in Ireland that will be renamed Actavis plc (New Actavis), will acquire Warner Chilcott and Actavis (the Transaction). On July 31, 2013, New Actavis filed with the U.S. Securities and Exchange Commission (the SEC) Amendment No. 1 to its registration statement on Form S-4 in connection with the Transaction (the Form S-4), which was declared effective on July 31, 2013. The Form S-4 contains the definitive joint proxy statement of Actavis and Warner Chilcott, which also serves as the prospectus of New Actavis and has been filed with the SEC by each of Actavis, Warner Chilcott and New Actavis (the Joint Proxy Statement/Prospectus). The Joint Proxy Statement/Prospectus is included along with this letter.

As Warner Chilcott is an Irish-incorporated company, the Transaction is subject to the Irish Takeover Rules. In accordance with the Irish Takeover Rules, where Actavis or Warner Chilcott issues earnings guidance (known as a profit forecast under the Irish Takeover Rules), that profit forecast must be repeated in the proxy statement sent to Warner Chilcott shareholders and certain attestations to that profit forecast must also be provided.

As both Actavis and Warner Chilcott have previously publicly disclosed profit forecasts for the financial year ending December 31, 2013, those profit forecasts have been repeated in the Joint Proxy Statement/Prospectus on pages 297 and 299, respectively, and are also enclosed with this letter. In addition, enclosed with this letter are reports from:

Actavis reporting accountants, PricewaterhouseCoopers LLP, 300 Madison Avenue, New York, New York USA, confirming that the Actavis profit forecast has been properly compiled on the basis of the assumptions made by the directors of Actavis and the basis of accounting used is consistent with the accounting policies of Actavis Group, and Actavis financial advisers, Merrill Lynch, Pierce, Fenner & Smith Incorporated (BofA Merrill Lynch) and Greenhill & Co., LLC (Greenhill), confirming that they consider that the Actavis profit forecast has been made with due care and consideration; and

It is important to note that Actavis' goals and expectations are not predictions of actual performance. Actual results may differ materially from Actavis' current expectations depending upon a number of factors, risks and uncertainties affecting Actavis' business. These factors include, among others, the inherent uncertainty associated with financial projections; restructuring in connection with, and successful close of, Actavis' acquisition of Warner Chilcott (the Acquisition); subsequent integration of the Acquisition and the ability to recognize the anticipated synergies and benefits of the Acquisition; the receipt of required regulatory approvals for the Acquisition (including the approval of antitrust authorities necessary to complete the Acquisition); the anticipated size of the markets and continued demand for Actavis' and Warner Chilcott's products; the impact of competitive products and pricing; access to available financing (including financing for the Acquisition or refinancing of Actavis or Warner Chilcott debt) on a timely basis and on reasonable terms; maintaining a position in the Standard & Poor's 500; the risks of fluctuations in foreign currency exchange rates; the risks and uncertainties normally incident to the pharmaceutical industry, including product liability claims and the availability of product liability insurance on reasonable terms; the difficulty of predicting the timing or outcome of pending or future litigation or government investigations; periodic dependence on a small number of products for a material source of net revenue or income; variability of trade buying patterns; changes in generally accepted accounting principles; risks that the carrying values of assets may be negatively impacted by future events and circumstances; the

timing and success of product launches; the difficulty of predicting the timing or outcome of product development efforts and regulatory agency approvals or actions, if any; costs and efforts to defend or enforce intellectual property rights; difficulties or delays in manufacturing; the availability and pricing of third party sourced products and materials; successful compliance with governmental regulations applicable to Actavis and Warner Chilcott's manufacturers, facilities, products and/or businesses; changes in the laws and regulations affecting, among other things, pricing and reimbursement of pharmaceutical products; changes in tax laws or interpretations that could increase Actavis' consolidated tax liabilities; the loss of key senior management or scientific staff; and such other risks and uncertainties detailed in Actavis' periodic public filings with the SEC including but not limited to Actavis' Quarterly Reports on Form 10-Q for the quarters ended March 31, 2013 and June 30, 2013 and Actavis' Annual Report on Form 10-K for the year ended December 31, 2012 (as revised pursuant to Actavis' Current Report on Form 8-K dated as of June 17, 2013, which was filed with the SEC on June 18, 2013). Dear Sirs

Actavis, Inc.

(**Actavis**) in respect of non-GAAP net income, non-GAAP earnings per diluted share and Adjusted EBITDA of Actavis, Inc. and its subsidiaries (together, the **Actavis Group**) for the year ending 31 December, 2013 (the **Profit Forecast**) as set out in Actavis' second quarter earnings announcement dated 25 July 2013. The bases and assumptions upon which the Profit Forecast is based are set out in the appendix hereto.

This report is required by Rule 28.3(a) of the Irish Takeover Panel Act 1997, Takeover Rules, 2007 (as amended) (the **Rules**) and is given for the purpose of complying with that rule and for no other purpose.

Responsibilities

It is the responsibility of the directors of the Actavis (the **Directors**) to prepare the Profit Forecast in accordance with the requirements of Rules.

It is our responsibility to form an opinion as required by Rule 28.3(a) of the Rules as to the proper compilation of the Profit Forecast and to report that opinion to you.

Save for any responsibility which we may have to those persons to whom this report is expressly addressed and for any responsibility arising under Rule 28.3(a) of the Rules to any person as and to the extent there provided, to the fullest extent permitted by law we do not assume any responsibility and will not accept any liability to any other person for any loss suffered by any such other person as a result of, arising out of, or in connection with this report.

Basis of Preparation of the Profit Forecast

The Profit Forecast has been prepared on the basis stated in the appendix hereto and is based on the unaudited interim financial results for the 6 months ended 30 June 2013 and a forecast to 31 December 2013. The Profit Forecast is required to be presented on a basis consistent with the accounting policies of the Actavis Group.

Basis of Opinion

We conducted our work in accordance with the Standards for Investment Reporting issued by the Auditing Practices Board for use in the United Kingdom and Ireland. Our work included evaluating the basis on which the historical financial information included in the Profit Forecast has been prepared and considering whether the Profit Forecast has been accurately computed based upon the disclosed assumptions and the accounting policies of the Actavis Group. Whilst the assumptions upon which the Profit Forecast are based are solely the responsibility of the Directors, we considered whether anything came to our attention to indicate that any of the assumptions adopted by the Directors which, in our opinion, are necessary for a proper understanding of the Profit Forecast have not been disclosed or if any material assumption made by the Directors appears to us to be unrealistic.

We planned and performed our work so as to obtain the information and explanations we considered necessary in order to provide us with reasonable assurance that the Profit Forecast has been properly compiled on the basis stated.

Since the Profit Forecast and the assumptions on which it is based relate to the future and may therefore be affected by unforeseen events, we can express no opinion as to whether the actual results reported will correspond to those shown in the Profit Forecast and differences may be material.

Our work on the Profit Forecast does not constitute an audit. Our work has not been carried out in accordance with auditing standards generally accepted in the United States of America or auditing standards of the Public Company Accounting Oversight Board (United States) nor does it constitute an examination, compilation or review under those standards. Accordingly, it should not be relied upon as if it had been carried out in accordance with those standards and practices.

Opinion

In our opinion, the Profit Forecast has been properly compiled on the basis of the assumptions made by the Directors and the basis of accounting used is consistent with the accounting policies of the Actavis Group.

Yours faithfully

We report on the profit forecast comprising the statement by Warner Chilcott Public Limited Company (**Warner Chilcott**) in respect of GAAP Net Income, Adjusted Cash Net Income and Adjusted Cash Net Income per share for the year ending 31 December 2013 (the **Profit Forecast**) set out in Warner Chilcott's second quarter earnings announcement dated 24 July 2013. The bases and assumptions upon which the Profit Forecast is based are set out in the appendix hereto.

This report is required by Rule 28.3(a) of the Irish Takeover Panel Act 1997, Takeover Rules, 2007 (as amended) (the **Rules**) and is given for the purpose of complying with that rule and for no other purpose.

Accordingly, we assume no responsibility in respect of this report to Actavis, Inc. (the **Offeror**) or any other person connected to, or acting in concert with, the Offeror or to any other person who is seeking or may in future seek to acquire control of Warner Chilcott (an **Alternative Offeror**) or to any other person connected to or acting in concert with an Alternative Offeror.

Responsibilities

It is the responsibility of the directors of Warner Chilcott to prepare the Profit Forecast in accordance with the requirements of the Rules.

It is our responsibility to form an opinion as required by Rule 28.3(a) of the Rules as to the proper compilation of the Profit Forecast and to report that opinion to you.

Save for any responsibility which we may have to those persons to whom this report is expressly addressed and for any responsibility arising under Rule 28.3(a) of the Rules to any person as and to the extent therein provided, to the fullest extent permitted by law we do not assume any responsibility and will not accept any liability to any other person for any loss suffered by any such other person as a result of, arising out of, or

in connection with this report.

Basis of Preparation of the Profit Forecast

The Profit Forecast has been prepared on the basis stated in the appendix hereto and is based on the unaudited interim financial results for the 6 months ended 30 June 2013 and a forecast to 31 December 2013. The Profit Forecast is required to be presented on a basis consistent with the accounting policies of the Warner Chilcott Group.

Basis of Opinion

We conducted our work in accordance with the Standards for Investment Reporting issued by the Auditing Practices Board for use in the United Kingdom and Ireland. Our work included evaluating the basis on which the historical financial information included in the Profit Forecast has been prepared and considering whether the Profit Forecast has been accurately computed based upon the disclosed assumptions and the accounting policies of the Warner Chilcott Group. Whilst the assumptions upon which the Profit Forecast are based are solely the responsibility of the directors of Warner Chilcott, we considered whether anything came to our attention to indicate that any of the assumptions adopted by the directors of Warner Chilcott which, in our opinion, are necessary for a proper understanding of the Profit Forecast have not been disclosed or if any material assumption made by the directors of Warner Chilcott appears to us to be unrealistic.

We planned and performed our work so as to obtain the information and explanations we considered necessary in order to provide us with reasonable assurance that the Profit Forecast has been properly compiled on the basis stated.

Since the Profit Forecast and the assumptions on which it is based relate to the future and may therefore be affected by unforeseen events, we can express no opinion as to whether the actual results reported will correspond to those shown in the Profit Forecast and differences may be material.

Our work on the Profit Forecast does not constitute an audit. Our work has not been carried out in accordance with auditing standards generally accepted in the United States of America or auditing standards of the Public Company Accounting Oversight Board (United States) nor does it constitute an examination, compilation or review under those standards. Accordingly, it should not be relied upon as if it had been carried out in accordance with those standards.

Opinion

In our opinion, the Profit Forecast has been properly compiled on the basis of the assumptions made by the directors of Warner Chilcott and the basis of accounting used is consistent with the accounting policies of the Warner Chilcott Group.

Yours faithfully

PricewaterhouseCoopers
