**Item 7.01 Regulation FD Disclosure.**

As previously announced on October 10, 2013, Darling International Inc., a Delaware corporation (the *Company*), intends to amend and restate its existing credit agreement by entering into a second amended and restated credit agreement with JPMorgan Chase Bank, N.A. as administrative agent, and the other lenders and agents party thereto in connection with the financing of the *Company*'s proposed acquisition of the ingredients division of VION Holding N.V., a limited liability company incorporated in the Netherlands (as previously announced on October 7, 2013). In connection with such efforts, the *Company* expects to make a presentation to prospective lenders on December 4, 2013. Certain of the lender presentation slides are furnished as Exhibit 99.1 to this Current Report on Form 8-K. Completion of the acquisition remains subject to approvals by regulatory authorities and other customary closing conditions. The *Company* anticipates that the acquisition will be completed in January 2014. There can be no assurance that the contemplated financing or the acquisition will be completed.

The information contained in the lenders' presentation is summary information that is intended to be considered in the context of the *Company*'s filings with the Securities and Exchange Commission (SEC) and other public disclosures. The *Company* undertakes no duty or obligation to publicly update or revise the information provided in this Current Report on Form 8-K, which is current only as of the date hereof and may change hereafter.

The lenders' presentation contains certain non-GAAP financial measures, as that term is defined by the rules and regulations of the SEC, in addition to containing results that are determined in accordance with accounting principles generally accepted in the United States of America (GAAP). The non-GAAP financial measures used in the presentation should not be considered in isolation of, as a substitute for, or superior to, financial information prepared in accordance with GAAP. The information in the lenders' presentation, including the non-GAAP financial measures, should be read in conjunction with the *Company*'s financial statements and other information filed with or furnished to the SEC.

Additionally, the lenders' presentation contains forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of future results or performance. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, as discussed further in the lender presentation.
