**Notice Concerning the Amendment of Dividend Forecast for the Fiscal Year Ending March 31, 2015**

NTT DOCOMO, INC. (the Company) hereby announces that on October 31, 2014 the Board of Directors resolved to amend the Company's forecast of dividend per share for the fiscal year ending March 31, 2015, as detailed below.

1. Reason for the amendment

Believing that providing adequate returns to shareholders is one of the most important issues in corporate management, the Company strives to pay dividends based on the principle of stable dividend payments. Although the Company expects that operating income for this fiscal year will decrease, because the Company believes there are certain prospects for a large-scale share repurchase, and taking into account a full range of factors, including the Company's financial condition, the Company has decided to increase its year-end dividends for the fiscal year ending March 31, 2015 from the original forecast of 30 yen per share to 35 yen per share (an increase of 5 yen), increasing the Company's forecast of the total annual dividend to 65 yen per share.

2. Detail of the amendment

	Annual Dividends		
	End of second quarter	Year-end	Total
Fiscal Year Ending March 31, 2015 (Forecasts as of April 25, 2014)		30 yen per share	60 yen per share
Fiscal Year Ending March 31, 2015 (Revised forecast)		35 yen per share	65 yen per share
Fiscal Year Ending March 31, 2015 (Results)	30 yen per share		
Fiscal Year Ending March 31, 2014 (Results)	30 yen per share	30 yen per share	60 yen per share
