Safe Harbor for Forward-Looking Statements

Information in this current report regarding the Company's forecasts, business outlook, expectations and beliefs are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 that involve risks and uncertainties. All forward-looking statements included in this current report, including expectations about the timing, form and content of the Company's 2013 Form 10-K, 2014 Form 10-Qs and other SEC filings, are based upon information available to the Company as of the date of this current report, which may change, and we assume no obligation to update any such forward-looking statements. These statements are not guarantees of future performance and actual results could differ materially from our current expectations. Factors that could cause or contribute to such differences include the ongoing restatement review by management and the Company's outside auditors; the impact of the accounting errors and adjustments on the Company's prior and future financial statements; the identification of additional errors or adjustments not known to the Company as of the date hereof; the impact of the internal investigation, restatement and delayed SEC report filings on the Company's business, including its customers, suppliers, counterparties, and under the Company's debt instruments; the extent of any material weakness or significant deficiencies in the Company's internal control over financial reporting; and other risks and uncertainties of the Company's business detailed from time to time in the Company's filings with the SEC, including our Form 10-K filed on February 22, 2013 and subsequent registration statements, amendments or other reports that we may file from time to time with the SEC and/or make available on our website (without regard to any financial information described therein to the extent it relates to the restatement periods). The Company assumes no obligation and does not intend to update the forward-looking statements provided, whether as a result of new information, future events or otherwise.
