The agenda for this year's Annual Meeting includes the proposed election of our two Class I directors for a term of three years and the ratification of our independent public accountants for the 2015 fiscal year. Details of the business to be conducted at the Annual Meeting are given in the attached Notice of Annual Meeting and Proxy Statement. At the Annual Meeting, stockholders will have an opportunity to comment and ask appropriate questions. You may also obtain more information about Mattersight from documents we have filed with the Securities and Exchange Commission.

Our Board of Directors recommends that you vote **FOR** the election of the two nominees to serve on our Board of Directors for a term of three years and **FOR** the ratification of the appointment of Grant Thornton LLP as our independent public accountants for the 2015 fiscal year. The nominees for director will be elected by a plurality of the votes cast at the Annual Meeting, meaning the nominees who receive the greatest number of votes will be elected as directors. The ratification of the appointment of Grant Thornton LLP as the Company's independent public accountants for the 2015 fiscal year must be approved by the affirmative vote of holders of a majority of shares of Mattersight Stock outstanding and entitled to vote as of the record date and present in person or represented by proxy at the Annual Meeting.

On behalf of our Board of Directors, we thank you for your continued support of Mattersight. We encourage you to read the accompanying Proxy Statement and vote promptly. To ensure that your shares are represented at the Annual Meeting, whether or not you plan to attend in person, we urge you to submit a proxy with your voting instructions by telephone, via the Internet, or by signing, dating, and mailing your proxy card in accordance with the instructions provided on it.

Sincerely,

QUESTIONS AND ANSWERS ABOUT THE 2015 ANNUAL MEETING

This Proxy Statement is being furnished to our stockholders as part of the solicitation of proxies by our Board of Directors for use at the Annual Meeting to be held at our offices at 200 S. Wacker Drive, Suite 820, Chicago, Illinois 60606 on Thursday, May 14, 2015, at 9:00 a.m. Central Time, or at any postponement or adjournment thereof. The proxy materials, together with a copy of Mattersight's 2014 Annual Report, are first being made available to our stockholders beginning on or about April 2, 2015.

The purpose of the Annual Meeting is for our stockholders to consider and vote upon the proposed election of our two Class I directors for a term of three years and the ratification of Mattersight's independent public accountants for the 2015 fiscal year. The following is intended to address questions you might have regarding the Annual Meeting.

How may I receive proxy materials?

We are pleased to be using the Securities and Exchange Commission's e-proxy rule that allows companies to furnish their proxy materials over the Internet instead of mailing printed copies of the proxy materials to each stockholder. As a result, we are mailing our stockholders a notice about the Internet availability of the proxy materials that contains instructions on how to access this Proxy Statement, the accompanying Notice of Annual Meeting, and our 2014 Annual Report online. If you received this notice, then you will not automatically receive a printed copy of the proxy materials in the mail. Instead, the notice instructs you on how to access and review all of the important information contained in the proxy materials and how you may submit your proxy. The notice also contains instructions on how stockholders may, if desired, request a printed copy of our proxy materials.

How does our Board of Directors recommend that our stockholders vote?

After careful consideration, our Board of Directors recommends that you vote **FOR** the election of our two Class I directors and **FOR** the ratification of the appointment of Grant Thornton LLP as our independent public accountants for the 2015 fiscal year.

Who is entitled to vote at the Annual Meeting?

Only holders of record of shares of Mattersight Common Stock, \$0.01 par value per share (Common Stock), and holders of record of shares of Mattersight 7% Series B Convertible Preferred Stock, \$0.01 par value per share (Series B Stock); together with the Common Stock, Mattersight Stock), at the close of business on March 19, 2015 (the Record Date) may vote at the Annual Meeting. On the Record Date, 24,364,567 shares of Mattersight Stock, comprising 22,716,382 shares of Common Stock and 1,648,185 shares of Series B Stock, were outstanding and entitled to be voted at the Annual Meeting. Each share of Mattersight Stock entitles the holder to one vote and both classes of Mattersight Stock will vote together as a single class on all matters presented for a vote at this meeting.

How many votes must be present to hold the Annual Meeting?

A quorum is necessary to hold a valid Annual Meeting. A quorum will be present at the Annual Meeting if the holders of a majority of the 24,364,567 shares of Mattersight Stock outstanding and entitled to vote generally in the election of directors on the Record Date are present, either in person or by proxy. Abstentions and broker-non-votes are counted for purposes of a quorum. Your shares are counted as present if you attend the meeting and vote in person or if you properly return a proxy over the Internet, by telephone, or by mail.

What is the difference between routine vs. non-routine matters?

The election of directors is considered to be a non-routine matter under applicable rules. Because a broker cannot vote without instructions on non-routine matters, there may be broker non-votes on this proposal. The ratification of the appointment of Grant Thornton LLP as our independent public accountants for the 2015 fiscal year is considered to be a routine matter under applicable rules. A broker may generally vote on routine matters, and therefore, there should be no broker non-votes in connection with this proposal.

Table of Contents

What vote is required to approve each of the proposals?

On all matters, each share has one vote. Our organizational documents do not provide for cumulative voting for directors. Therefore, the nominees for director will be elected by a plurality of the votes cast at the Annual Meeting, meaning the nominees who receive the greatest number of votes will be elected as directors. Neither broker non-votes nor abstentions are included in the tabulation of the voting results and, therefore, do not have the effect of votes **AGAINST** the election of directors. The ratification of the appointment of Grant Thornton LLP as the Company's independent public accountants for the 2015 fiscal year must be approved by the affirmative vote of holders of a majority of shares of Mattersight Stock outstanding and entitled to vote as of the Record Date and present in person or represented by proxy at the Annual Meeting. A failure to vote your shares of Mattersight Stock or a broker non-vote will have no effect on the outcome of the ratification of the appointment of Grant Thornton LLP as the Company's independent public accountants. An abstention will have the same effect as voting **AGAINST** the ratification of the appointment of Grant Thornton LLP as the Company's independent public accountants.

How do I vote or change my vote?

You may vote in person at the Annual Meeting or by proxy through the Internet, by telephone, or by mail. Likewise, you may revoke your proxy at any time before the voting at the Annual Meeting following proper procedure.

Voting in Person If you hold shares in your name as a stockholder of record and plan to attend the Annual Meeting and wish to vote in person, you will be given a ballot at the Annual Meeting or you may give us a signed proxy card before voting is closed. If you would like to attend the Annual Meeting, please bring proof of identification with you to the Annual Meeting. Even if you plan to attend the Annual Meeting, we strongly encourage you to submit a proxy for your shares in advance as described below, so your vote will be counted if you later decide not to attend. If your shares are held in street name, which means your shares are held of record by a broker, bank, or other nominee, and you wish to vote in person at the Annual Meeting, you must bring to the Annual Meeting a proxy from the record holder of the shares (your broker, bank, or nominee) authorizing you to vote at the Annual Meeting. To do this, you should contact your broker, bank, or nominee.

Voting by Proxy If you are a holder of record of Mattersight Stock (that is, you hold your stock in your own name) on the Record Date, you may submit a proxy with your voting instructions by any of the following methods:

Through the Internet: Go to the website www.proxyvote.com and follow the instructions included with the Notice of the Annual Meeting or, if applicable, on your proxy card, at any time before 11:59 p.m. Eastern Time on May 13, 2015. Instructions are also provided on the website.

By Telephone: Call 1-800-690-6903 on a touch-tone telephone from anywhere within the United States or Canada at any time before 11:59 p.m. Eastern Time on May 13, 2015, and follow the instructions included with the Notice of the Annual Meeting or, if applicable, on your proxy card. Instructions are also provided by recorded telephone message.

By Mail: You may also complete, sign, and mail your proxy card using the instructions provided on it.

If you choose to submit your proxy with voting instructions by telephone or through the Internet, you will be required to provide your assigned control number before your proxy will be accepted. This number is included either with the Notice of the Annual Meeting or, if applicable, on your proxy card. Once you have indicated how you want to vote in accordance with the instructions provided, you will receive a confirmation that your proxy has been successfully submitted.

Properly executed proxies that do not contain specific voting instructions will be voted **FOR** the election of our two Class I directors for a term of three years and **FOR** the ratification of the appointment of Grant Thornton LLP as our independent public accountants for the 2015 fiscal year.

Table of Contents

Revocation of Proxy Submitting a proxy on the enclosed form does not preclude a stockholder from voting in person at the Annual Meeting. You may revoke your proxy at any time before the voting at the Annual Meeting by any of the following methods:

voting again at a later date by telephone or through the Internet your latest voting instructions will be counted and your earlier instructions, using the same procedures, revoked;

submitting a new proxy that is properly signed with a later date;

sending a properly signed written notice of your revocation to Mattersight Corporation, 200 S. Wacker Drive, Suite 820, Chicago, Illinois 60606, Attention: Corporate Secretary; or

voting in person at the Annual Meeting. Attendance at the Annual Meeting will not itself revoke an earlier submitted proxy. If your shares are held in street name through a broker, bank, or other nominee, then you must contact your broker, bank, or nominee to revoke your proxy.

If my shares are held in street name by my broker, will my broker vote my shares for me?

If your shares of Mattersight Stock are held in street name, then you will receive instructions from your broker, bank, or other nominee that you must follow in order to have your shares voted. Your broker or nominee is permitted to use discretion to vote your shares on *routine matters* if you fail to provide instructions. Your broker or nominee is not permitted to vote your shares on *non-routine matters* without your instructions. Shares that are not permitted to be voted by your broker are called broker non-votes.

The election of directors is considered to be a *non-routine matter* under applicable rules. As a result, without your instruction, your broker will not be able to vote your shares on this matter, which will result in broker non-votes. Broker non-votes will not be counted and therefore will have no effect on this proposal. The ratification of the appointment of Grant Thornton LLP as our independent public accountants is considered to be a *routine matter* under applicable rules. Because brokers may generally vote on routine matters, there should be no broker non-votes in connection with this proposal.

How are proxies solicited?

This proxy solicitation is being made and paid for by Mattersight on behalf of its Board of Directors. Our directors, officers, and employees may solicit proxies by personal interview, mail, email, telephone, facsimile, or other means of communication, but they will not be paid additional remuneration for their efforts. We also request brokers and other fiduciaries to forward proxy solicitation material to the beneficial owners of shares of Mattersight Stock that the brokers and fiduciaries hold of record. Upon request, we will reimburse them for their reasonable out-of-pocket expenses for doing this.

What does it mean if I get more than one proxy card?

If your shares are registered differently and are in more than one account, then you might receive more than one proxy card. Please complete, sign, date, and return all of the proxy cards you receive regarding the Annual Meeting to ensure that all of your shares are voted.

When may a meeting be adjourned?

When any meeting is convened, the presiding officer, if directed by our Board of Directors, may adjourn or postpone the meeting if (i) no quorum is present for the transaction of business or (ii) our Board of Directors determines that adjournment is necessary or appropriate to enable the stockholders to consider fully information that our Board of Directors determines has not been made sufficiently or timely available to stockholders or otherwise to effectively exercise their voting rights. Any adjournment of the Annual Meeting for the purpose of soliciting additional proxies in order to achieve a quorum will allow our stockholders who have already sent in their proxies to revoke them at any time prior to their use at the Annual Meeting as adjourned or postponed.

Edgar Filing: Mattersight Corp - Form DEF 14A

Who may I contact regarding additional questions?

If you have more questions about any of the proposals on the Annual Meeting agenda, need assistance in submitting your proxy or voting your shares, or need additional copies of the Proxy Statement or the enclosed proxy card, you should contact Christine R. Carsen, Vice President, General Counsel, and Corporate Secretary, Mattersight Corporation, 200 S. Wacker Drive, Suite 820, Chicago, Illinois 60606 or call 877-235-6925.

PROPOSAL #1: ELECTION OF DIRECTORS

Our Board of Directors consists of three classes of directors, each of which is elected for a staggered three-year term, as follows:

Class I Term Expires at this Annual Meeting	Class II Term Expires at 2016 Annual Meeting	Class III Term Expires at 2017 Annual Meeting
Tench Coxe	Philip R. Dur	Kelly D. Conway
John T. Kohler	Henry J. Feinberg	David B. Mullen
	John C. Staley	Michael J. Murray

Each of the following individuals recommended by our Board of Directors is standing for election as a Class I director to serve a three-year term expiring at the 2018 annual meeting of stockholders and until his successor is duly elected and qualified, unless he resigns or is removed: Tench Coxe and John T. Kohler.

As described below under the caption *Selection of Director Nominees*, for the reasons described below, our Board of Directors has nominated each of the director nominees to stand for election at the Annual Meeting, based on the recommendation of the Nominating and Corporate Governance Committee of our Board of Directors (the Nominating and Corporate Governance Committee). If for any reason a nominee becomes unable or is unwilling to serve at the time of the meeting, then the persons named as proxies in the enclosed proxy card will have discretionary authority to vote for a substitute nominee selected by the Nominating and Corporate Governance Committee and approved by the Board of Directors. It is not anticipated that any of the nominees will be unavailable for election.

Vote Required for the Election of Directors

The nominees for director will be elected by a plurality of the votes cast at the Annual Meeting. This means that the nominees who receive the most affirmative votes of shares outstanding and entitled to vote as of the Record Date and present in person or represented by proxy at the Annual Meeting will be elected to serve as directors.

Director Qualifications

Our Board of Directors consists of eight directors, each of whom is well-qualified to serve on our Board of Directors and represent our stockholders' best interests. As described below under the caption *Selection of Director Nominees*, the Nominating and Corporate Governance Committee selects nominees with a view to establishing a Board of Directors that is comprised of members who:

have the highest professional and personal ethics, consistent with our values and standards;

are committed to enhancing stockholder value;

have sufficient time to carry out their duties;

provide insight and practical wisdom based on experience; and

are capable of representing the interests of all stockholders.

We believe that each of the director nominees brings these qualifications to our Board of Directors. Moreover, they provide a diversity of business experience and personal skills in technology, finance, marketing, financial reporting, and other areas that contribute to an effective Board of Directors, as well as public board experience, and knowledge of the technology industry and our business.

Recommendation of Our Board of Directors

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF OUR CLASS I DIRECTORS, TENCH COXE AND JOHN T. KOHLER

Table of Contents

BOARD LEADERSHIP AND CORPORATE GOVERNANCE

The business and affairs of Mattersight are managed under the direction of our Board of Directors. Our Board of Directors has responsibility for establishing broad corporate policies relating to the overall performance of Mattersight, rather than managing day-to-day operating details. Members of our Board of Directors stay informed of our business and operations by participating in quarterly board and committee meetings and through discussions with the Chief Executive Officer and other members of the executive management team.

Corporate Governance

Having been elected by our stockholders, it is the responsibility of our Board of Directors to govern the Company's business and affairs. Our Board of Directors approves the executive management team, acts as an advisor to executive management, and monitors the performance of executive management and the Company. Our Board of Directors reviews the Company's corporate strategy, financial objectives, and operating plans, and is responsible for overseeing risk management and internal compliance.

Board Independence

The listing standards of The NASDAQ Stock Market LLC (NASDAQ) require that each Board of Directors has a majority of independent directors. Therefore, with respect to each director, our Board of Directors has made a determination as to whether or not the director qualifies as independent. Under our independence determination procedure, no director may qualify as independent unless our Board of Directors affirmatively determines that (i) the director meets all of NASDAQ's independence standards and (ii) based on a review of all of the facts and circumstances of each non-management director's relationship with Mattersight, there is no business, commercial, or personal relationship that would impact the performance by the director of his board duties.

Our Board of Directors has determined that seven of the Company's eight directors—Messrs. Coxe, Dur, Feinberg, Kohler, Mullen, Murray, and Staley—are independent, constituting a majority of the board as required by NASDAQ rules. Mr. Conway is not independent because he is Mattersight's President and Chief Executive Officer.

Board Leadership Structure

Our Board of Directors is led by an independent Chairman, Mr. Coxe. Our Chief Executive Officer, Mr. Conway, is the only member of our Board of Directors who is not an independent director. Mattersight believes that this is the most appropriate structure for the Company in light of the differences between the roles of Chairman of the Board and Chief Executive Officer. The Chief Executive Officer is responsible for setting the strategic direction of the Company and for the day-to-day leadership and performance of the Company, whereas the Chairman of the Board provides guidance to the Chief Executive Officer. Furthermore, this structure enhances the accountability of the Chief Executive Officer to our Board of Directors and strengthens our board's independence from management. We have had this leadership structure since our inception.

Board Oversight of Risk

Our executive management team is responsible for day-to-day risk management activities for the Company. Our Board of Directors oversees these risk management activities, delegating its authority in this regard to the standing committees of the Board of Directors. The Audit Committee of our Board of Directors (the Audit Committee) is responsible for discussing with executive management policies with respect to financial risk and enterprise risk management. The Audit Committee also oversees the Company's corporate compliance programs, including Section 404 compliance. The Compensation Committee of our Board of Directors (the Compensation Committee) considers risks in connection with the design of compensation programs for our executives. The Nominating and Corporate Governance Committee reviews, at least annually, and monitors compliance with, our Corporate Governance Guidelines, Code of Ethical Business Conduct, and other corporate governance policies. In addition to each committee's risk management oversight, our Board of Directors and its committees regularly engage in discussions of the most significant risks that the Company is facing and how these risks are being managed.

The Company's General Counsel and Corporate Secretary reports directly to the Chief Executive Officer, thereby providing the Chief Executive Officer with additional visibility to the Company's risk profile. Our Board of Directors believes that the respective risk oversight functions served by the Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee, together with the efforts of the full board and the Chief Executive Officer in this regard, enable our Board of Directors to effectively oversee Mattersight's risk management activities.

Table of Contents

Board Meetings and Attendance

Our Board of Directors held four regularly-scheduled meetings and two special meetings during the fiscal year ended December 31, 2014. Each of our directors attended all of the meetings of the board and of the board committees on which he served with the exceptions of Messrs. Coxe and Mullen, who attended 87% and 92%, respectively. Our Board of Directors met in executive session four (4) times in 2014. Mattersight does not have a formal policy regarding board members' attendance at its annual stockholders' meetings, although attendance is encouraged. The 2014 Annual Meeting was attended by Messrs. Conway and Murray.

Selection of Director Nominees

Responsibility. The nominees for director for this year's Annual Meeting were nominated by the Board of Directors based on the recommendation of the Nominating and Corporate Governance Committee, under the terms of its charter. Specifically, under its charter, the Nominating and Corporate Governance Committee is responsible for: (i) reviewing the suitability and qualifications of, approving, and recommending to the Board of Directors those persons to be nominated for election to the board at each annual meeting of stockholders; (ii) identifying, approving, and recommending to the Board of Directors potential director candidates in the event of a vacancy on the Board of Directors or an increase in the size of the Board of Directors; and (iii) reviewing and making recommendations, at least annually, to the Board of Directors regarding the appropriate size, performance, composition, duties, and responsibilities of the Board of Directors and the other committees of the board.

Stockholder Nominees. The Nominating and Corporate Governance Committee will consider properly submitted stockholder nominations for candidates for membership on our Board of Directors as described below under the caption *Identifying and Evaluating Nominees for Directors*. Any stockholder nominations proposed for consideration by the Nominating and Corporate Governance Committee should include the nominee's name and qualification for board membership. In addition, nominations must be submitted within the timeframe and to the address specified under the caption *Submission of Stockholder Proposals for 2016* on page 33.

Identifying and Evaluating Nominees for Directors. In discharging its responsibilities to identify and nominate candidates for election to our Board of Directors, the Nominating and Corporate Governance Committee has not specified any minimum qualifications for serving on the board nor does it operate under a formal diversity policy. However, the Nominating and Corporate Governance Committee seeks to identify, evaluate, and approve candidates with a diversity of business experience and personal skills in technology, finance, marketing, financial reporting, and other areas that may be expected to contribute to an effective board. The Nominating and Corporate Governance Committee endeavors to ensure that our Board of Directors is comprised of individuals who have experience relevant to the needs of Mattersight and who have the highest professional and personal ethics, consistent with our values and standards. Candidates should be committed to enhancing stockholder value and should have sufficient time to carry out their duties. Each director must represent the interests of all stockholders.

The Nominating and Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. Candidates may come to the attention of the Nominating and Corporate Governance Committee through current board members, professional search firms (which may receive a fee), stockholders, or other persons. Such candidates are evaluated at regular or special meetings of our Board of Directors, and may be considered at any point during the year. As described above, the Nominating and Corporate Governance Committee will consider all properly submitted stockholder nominations for candidates for the board on the same basis as director-nominated candidates.

Board Committee Structure and Responsibilities

Our Board of Directors has three standing committees to assist it in the discharge of its responsibilities: an Audit Committee; a Compensation Committee; and a Nominating and Corporate Governance Committee. Each of these committees is described below.

Table of Contents

Audit Committee. The Audit Committee is directly responsible for the appointment, compensation, retention, and oversight of our public accountants (including resolution of disagreements between management and the public accountants regarding financial reporting) subject, if applicable, to stockholder ratification of the public accountants' appointment, for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services for us. The Audit Committee approves all audit engagement fees and terms and all non-audit engagements with the public accountants as required by applicable law and the requirements of NASDAQ. In connection with its duties, the Audit Committee regularly meets privately with our independent public accountants. The Audit Committee has adopted a policy for the receipt, retention, and treatment of complaints or concerns regarding accounting-related matters. See *Communications with the Board* on page 15. The Audit Committee operates under a written charter, the current version of which was adopted by our Board of Directors in November 2010. The Audit Committee reviews and reassesses the adequacy of its charter annually. The Audit Committee charter is available on our website, at www.Mattersight.com. A copy of the Audit Committee charter may also be obtained by sending a written request to the Corporate Secretary at Mattersight Corporation, 200 S. Wacker Drive, Suite 820, Chicago, Illinois 60606.

The Audit Committee, which met seven times during fiscal year 2014, currently has four members: Mr. Staley, who serves as Chairman, and Messrs. Murray, Mullen, and Kohler. Our Board of Directors has determined that each of Messrs. Kohler, Mullen, and Staley qualifies as an audit committee financial expert, as that term is defined in the SEC rules adopted pursuant to the Sarbanes-Oxley Act of 2002, and that Mr. Murray meets the financial literacy requirements of NASDAQ. Our Board of Directors has determined that, as required by NASDAQ rules, each of the members of our Audit Committee meets both the Security and Exchange Commission's independence requirements and NASDAQ's independence standards.

The *Report of the Audit Committee* appears later in this Proxy Statement on page 31.

Compensation Committee. The Compensation Committee, which met six times during fiscal year 2014, currently has four members: Mr. Kohler, who serves as Chairman, and Messrs. Coxe, Dur, and Feinberg. Our Board of Directors has determined that, as required by NASDAQ rules, each of the members of our Compensation Committee meets both the Security and Exchange Commission's independence requirements and NASDAQ's independence standards. The Compensation Committee administers the Mattersight Corporation 1999 Stock Incentive Plan, as amended and restated as of May 15, 2008 (the 1999 Plan), reviews and acts with respect to stock incentive and other employee benefit plans, approves or makes recommendations to our Board of Directors with respect to the salary and annual incentive compensation of, and equity awards for, our executive officers, and assesses the risk associated with our material incentive compensation programs. In administering the 1999 Plan, the Compensation Committee may delegate certain of its duties to one or more of our officers as permitted by law and to the extent otherwise consistent with the terms of the 1999 Plan. The Compensation Committee has not engaged a compensation consultant. Compensation for senior executives is determined by the Compensation Committee after analyzing the Company's performance against its established goals and the performance of the applicable executive, based on the recommendations of our Chief Executive Officer (except with respect to his own compensation). The Compensation Committee operates under a written charter, which was adopted by our Board of Directors in February 2011. The Compensation Committee reviews and reassesses the adequacy of its charter annually. The Compensation Committee charter is available on our website, at www.Mattersight.com. A copy of the Compensation Committee charter may also be obtained by sending a written request to the Corporate Secretary at Mattersight Corporation, 200 S. Wacker Drive, Suite 820, Chicago, Illinois 60606.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee, which met three times in 2014, currently has three members: Mr. Murray, who serves as Chairman, and Messrs. Coxe and Dur. Our Board of Directors has determined that, as required by NASDAQ rules, each of the members of our Nominating and Corporate Governance Committee meets both the Security and Exchange Commission's independence requirements and NASDAQ's independence standards. The Nominating and Corporate Governance Committee is directly responsible for considering, reporting, and making recommendations to our Board of Directors on matters relating to the selection and qualification of directors and candidates nominated to serve as directors, as well as other matters relating to the duties of the Board of Directors, the operation of the Board of Directors, and corporate governance. The Nominating and Corporate Governance Committee operates under a written charter, which was adopted by our Board of Directors in February 2012. The Nominating and Corporate Governance Committee reviews and reassesses the adequacy of its charter annually. The Nominating and Corporate Governance Committee charter is available on our website, at www.Mattersight.com. A copy of the Nominating and Corporate Governance Committee charter may also be obtained by sending a written request to the Corporate Secretary at Mattersight Corporation, 200 S. Wacker Drive, Suite 820, Chicago, Illinois 60606.

Wacker Drive, Suite 820, Chicago, Illinois 60606. The Corporate Secretary will forward any communications as directed by the stockholder. Mattersight maintains a separate, internal system for the receipt of confidential communications from employees.

Code of Ethics

Mattersight has adopted a Code of Ethical Business Conduct, which sets the standard for ethics and compliance for all of its employees, officers, and directors. The Code of Ethical Business Conduct was amended in May 2012. The Code of Ethical Business Conduct is available on Mattersight's website, at www.Mattersight.com. A copy of the Code of Ethical Business Conduct may also be obtained by sending a written request to the Corporate Secretary at Mattersight Corporation, 200 S. Wacker Drive, Suite 820, Chicago, Illinois 60606.

Transactions with Related Persons

Mattersight's Code of Ethical Business Conduct requires that all business transactions be at arms' length, negotiated in good faith, and based on merit alone. All Mattersight employees and directors are expected to observe high ethical standards in the performance of their duties and to observe all laws and regulations governing their business transactions and practices. If a situation arises that would constitute a related-party transaction as defined in applicable rules promulgated by the SEC, then the independent directors will review the propriety of, and approve or disapprove, such transaction.

Other than the cash and equity compensation arrangements of our directors and executive officers discussed herein, in 2014 there were no related-party transactions, as defined in the applicable rules promulgated by the SEC.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires Mattersight's directors and executive officers, as well as any persons who beneficially own more than 10% of our Common Stock, to file with the SEC initial reports and reports of changes in beneficial ownership of such stock. Persons subject to Section 16 are required by SEC regulations to furnish Mattersight with copies of all Section 16(a) reports that they file.

Based on its review of copies of such reports filed through or furnished to Mattersight and on written representations from certain reporting persons that no other reports were required, Mattersight believes that all required Section 16(a) reports filed during or for fiscal year 2014 with respect to persons who were subject to Section 16(a) reporting obligations during such period were filed on a timely basis. Based on its review of copies of such reports filed through or furnished to Mattersight and on written representations from certain reporting persons that no other reports were required, Mattersight believes that all required Section 16(a) reports filed during or for fiscal year 2014 with respect to persons who were subject to Section 16(a) reporting obligations during such period were filed on a timely basis, except that the sale by Ms. Carsen of 1,055 shares of Common Stock on August 20, 2014 were reported late on a Form 4 filed with the SEC on August 25, 2014.

DIRECTOR COMPENSATION

Meeting Attendance Fees

As approved by the Compensation Committee, during Mattersight's fiscal year ended December 31, 2014, each Non-Employee Director received a fixed annual fee, the amount of which was calculated for each director based on the following assumptions:

\$1,500 per board meeting (assuming four per year) plus an additional \$500 per meeting for the Chairman of the Board;

\$2,000 per Audit Committee meeting (assuming eight per year) plus an additional \$500 per meeting for the Audit Committee chairman;

\$2,000 per Compensation Committee meeting (assuming four per year) plus an additional \$500 per meeting for the Compensation Committee chairman; and

\$2,000 per Nominating and Corporate Governance Committee meeting (assuming three per year) plus an additional \$500 per meeting for the Nominating and Corporate Governance Committee chairman.

The Company also reimburses directors for their travel-related expenses incurred in attending meetings of the Board of Directors and its committees; however, Mattersight has adopted the practice of holding meetings of the Board of Directors and its committees by video and telephone conference, thereby minimizing reimbursements for these expenses.

Initial Grant and Annual Grants

In addition to meeting fees, Non-Employee Directors are eligible to receive automatic grants of stock options under the 1999 Plan. As amended in November 2012, the 1999 Plan provides for each Non-Employee Director to receive: (i) an option to purchase 50,000 shares of Common Stock upon commencement of service as a director (an Initial Grant); and (ii) an option to purchase 10,000 shares of Common Stock on the day after each annual meeting of stockholders during which such service continues (an Annual Grant). Stock options granted to Non-Employee Directors have an exercise price per share equal to the fair market value of a share of Common Stock on the grant date and a maximum term of ten years. Each Initial Grant vests ratably over a period of 48 months from the end of the month following the grant date. Historically, each Annual Grant vested over a period of 48 months, commencing with a vesting of 25% on the May 31st of the year of the grant date and 6.25% on each quarterly vesting date thereafter. Commencing in 2015, as approved by the Compensation Committee, the Annual Grant will vest over a period of 12 months, commencing with a vesting of 25% on the May 31st of the year of the grant date and 25% on each quarterly vesting date thereafter.

In addition to the Initial Grant and the Annual Grant, at its February 2009 meeting, as ratified by unanimous written consent, the Board of Directors agreed to grant each of the then-current Non-Employee Directors an option to purchase 50,000 shares of Common Stock under the 1999 Plan. These stock options, which are fully vested, have an exercise price per share equal to the fair market value of a share of Common Stock on the grant date, which was February 18, 2009, and a maximum term of ten years. Furthermore, by unanimous written consent effective September 11, 2014, each of the Company's Board of Directors received 10,000 shares of restricted Common Stock, of which 25% vested on November 30, 2014 and the remaining balance will vest over the following three quarters. Commencing in 2015, in addition to the Annual Grant, each Non-Employee Director will receive 10,000 shares of restricted Common Stock annually, on the day after the Company's annual stockholders' meeting, which will vest over a period of 12 months, commencing with a vesting of 25% on the May 31st of the year of the grant date and 25% on each quarterly vesting date thereafter.

Table of Contents**2014 Equity Awards and Incentive Compensation**

In February 2015, the following equity awards to the Named Executive Officers were approved by the Compensation Committee:

Name	Restricted Stock Award
Kelly D. Conway	100,000 shares
Christopher J. Danson	36,232 shares
Richard Dresden	21,739 shares

The Compensation Committee, based on the recommendation of Mr. Conway (other than with respect to his own award), approved the equity awards for each Named Executive Officer, based upon a subjective assessment that such levels reflected the experience, responsibility, and performance levels of the officers and were sufficient to retain the officers. The grants of restricted stock awarded to the Named Executive Officers will vest 50% on February 28, 2017, with the remainder vesting on an equal quarterly basis over eight quarters, with all vesting subject to continued employment.

In February 2015, the following incentive compensation awards to the Named Executive Officers were approved by the Compensation Committee in respect of 2014 performance:

Name	Incentive Compensation
Kelly D. Conway	\$219,000
Christopher J. Danson	\$219,000
Richard Dresden	\$153,463

The Compensation Committee approved the payment of the incentive compensation awards to the Named Executive Officers (with the exception of Mr. Dresden, whose award is commissions-based, as described below), 50% in cash and 50% in the form of a grant of shares of Common Stock, which vested in full on February 28, 2015. These incentive awards were based on two factors: (i) the target bonus amount of the Named Executive Officer, as established in his employment agreement or as otherwise established by Mr. Conway and approved by the Compensation Committee and (ii) the Compensation Committee's assessment of the performance by the Company against established performance goals for 2014. The actual amount of each such award was determined by (a) assigning a percentage of each individual's target bonus amount to each of the assigned performance goals, to derive a dollar amount associated with the goal, (b) multiplying the dollar amount associated with each performance goal by the approved payout percentage, which was determined based on the percentage attainment of the goal, to derive the actual dollar amount associated with such performance goal, and (c) calculating the total bonus by adding together each of the amounts derived pursuant to the preceding clause.

Mr. Conway's target incentive compensation for 2014 was \$300,000. In March 2015, the Compensation Committee approved an adjustment to Mr. Conway's target incentive compensation so that, commencing in 2015, it would be equal to 100% of his then-current annual salary. As a result of the increase of Mr. Conway's base salary to \$350,000 for 2015, as described below, his target incentive compensation for 2015 will likewise be increased to \$350,000.

Mr. Danson's target incentive compensation for 2014 was \$300,000. The Compensation Committee did not make any adjustments to Mr. Danson's target incentive compensation for 2015, which will remain at \$300,000.

As the Executive Vice President of Sales, Mr. Dresden's incentive compensation is based not on the Company performance measures described above, but rather is based on commissions on ACV Bookings. Upon joining the Company in February 2014, Mr. Dresden's target incentive compensation for 2014 was \$250,000, which was based on the payment of commissions on \$0 - \$20 million in ACV Bookings at a rate of 1.25%. In November 2014, the Compensation Committee approved an increase to his target incentive compensation for 2014 to \$275,000, which was based on an increase to the commissions percentage applicable to ACV Bookings from \$0 - \$20 million from 1.25% to 1.375%. Additionally, in November 2014, the Compensation Committee approved a special one-time incentive payment of \$25,000 if the Company achieved \$5 million in ACV Bookings in the fourth quarter of 2014; this incentive payment was earned, and was paid in 2015. In February 2015, the Compensation Committee increased Mr. Dresden's target incentive compensation for 2015 to \$325,000.

Employment Agreements

Mattersight has entered into employment agreements with each of the Named Executive Officers. The material terms of such agreements are summarized in the following paragraphs.

Employment Agreement with Mr. Conway

Under his executive employment agreement, Mr. Conway's annual base salary is set at \$300,000, subject to annual review and discretionary adjustment. At a special meeting of the Compensation Committee held in November 2013, Mr. Conway's base salary was increased commencing January 1, 2014 to \$330,000. In February 2015, the Compensation Committee increased Mr. Conway's base salary to \$350,000. In addition to base salary, he is eligible to participate in our other compensation programs, including annual bonus, equity incentive awards, and other employee benefit programs. Mr. Conway's agreement does not specify a term of employment and states that he is an employee at will. His employment agreement provides that we may terminate his employment at any time, with or without Cause (as defined in the agreement), and that Mr. Conway may terminate his employment with or without Good Reason (as defined in the agreement).

The severance and other benefits payable upon termination of Mr. Conway's employment by us without Cause, by Mr. Conway for Good Reason, in connection with a Change in Control, or upon Mr. Conway's death or Disability (as defined in the agreement) are described under the caption *Severance and Change in Control Benefits*, beginning on page 27.

Table of Contents**Employment Agreements with Other Named Executive Officers**

Mattersight has entered into executive employment agreements with its other Named Executive Officers, which provide for a base salary and eligibility to receive incentive compensation in the form of an annual performance bonus (with respect to Mr. Danson) or sales commissions (with respect to Mr. Dresden), as well as establishing a target amount for their respective annual incentive compensation. Mr. Danson's base salary for 2014 was \$300,000. The Compensation Committee did not make any adjustments to Mr. Danson's base salary for 2015, which will remain at \$300,000. Upon joining the Company in February 2014, Mr. Dresden's base salary was \$250,000. In November 2014, the Compensation Committee approved an increase in Mr. Dresden's base salary for 2015 and the remainder of 2014 to \$275,000. The executive employment agreements also include certain customary non-competition, non-solicitation, and proprietary information and invention provisions.

The executive employment agreements do not specify a term of employment and state that each of these Named Executive Officers is an employee at will. Each of these agreements provides that we may terminate the Named Executive Officer's employment at any time, with or without Cause (as defined in each agreement), and that the Named Executive Officer may terminate his employment with or without Good Reason (as defined in each agreement).

The severance and other benefits payable upon termination of employment of each of the Named Executive Officers other than Mr. Conway by us without Cause, by the Named Executive Officer for Good Reason, or upon the Named Executive Officer's death or Disability are described under the caption *Severance and Change in Control Benefits*, beginning on page 27.

SEVERANCE AND CHANGE IN CONTROL BENEFITS

We are obligated under the terms of their respective executive employment agreements to make severance payments to our Named Executive Officers only in the event that we terminate their employment without Cause or in the event a Named Executive Officer resigns with Good Reason, except Mr. Conway is also entitled to accelerated vesting of shares of restricted stock and stock options in the event of a Change in Control, whether or not he incurs a termination in connection therewith. In the event we are obligated under the terms of the relevant agreement to make a severance payment, no payments are due unless the Named Executive Officer executes a general release.

Summary of Severance and Change in Control Benefits

Under his executive employment agreement, Mr. Conway is entitled to severance in the event that we terminate his employment without Cause or Mr. Conway terminates his employment with Good Reason, as follows: (i) the amount of \$1,200,000, payable in a lump sum, (ii) continuation of health insurance benefits for a period of 18 months or until such time as Mr. Conway qualifies for health insurance benefits through a new employer, whichever occurs first, and (iii) accelerated vesting of the shares of restricted stock and stock options that would have vested if he were employed for an additional period of 24 months. In the event of his death or Disability, Mr. Conway is entitled to (a) the amount of \$800,000, payable in a lump sum, (b) the cost of continuing health insurance benefits for a period of 12 months, and (c) vesting of all then unvested shares of restricted stock and stock options, with such options being exercisable for a period of one year. Under Mr. Danson's executive employment agreement, he is entitled to severance in the event that we terminate his employment without Cause or he terminates his employment with Good Reason, as follows: (i) an amount equal to 100% of his then-current base salary, payable in a lump sum, (ii) an additional amount equal to 100% of the average of the bonus he was paid in the year preceding his termination and the target bonus for the then-current year, payable in a lump sum, (iii) continuation of health insurance benefits for a period of 12 months or until such time as he qualifies for health insurance benefits through a new employer, whichever occurs first, and (iv) accelerated vesting of the shares of restricted stock and stock options that would have vested if he were employed for an additional 12 months. In the event of Mr. Danson's death or Disability, he is entitled to (a) an amount equal to 100% of his then-current base salary, payable in a lump sum, (b) an additional amount equal to 100% of the average of the bonus he was paid in the year preceding his termination and the target bonus for the then-current year, payable in a lump sum, (c) the cost of continuing health insurance benefits for a period of 12 months, and (d) vesting of all then unvested shares of restricted stock and stock options, with such options being exercisable for a period of one year.

Under Mr. Dresden's executive employment agreement, he is entitled to severance in the event that we terminate his employment without Cause or he terminates his employment with Good Reason, as follows: (i) an amount equal to 50% of his then-current base salary, payable in a lump sum, (ii) an additional amount equal to 50% of his then-current annual target commission, payable in a lump sum, (iii) continuation of health insurance benefits for a period of 6 months or until such time as he qualifies for health insurance benefits through a new employer, whichever occurs first, and (iv) accelerated vesting of the shares of restricted stock and stock options that would have vested if he were employed for an additional 6 months; provided that, if Mr. Dresden's employment is terminated without Cause or he terminates his employment for Good Reason within 6 months following a Change of Control, then he shall be entitled to accelerated vesting of the shares of restricted stock and stock options that would have vested if he were employed for an additional 12 months. In the event of Mr. Dresden's death or Disability, he is entitled to (a) an amount equal to 100% of his then-current base salary, payable in a lump sum, (b) an additional amount equal to 100% of the average of the bonus he was paid in the year preceding his termination and the target bonus for the then-current year, payable in a lump sum, (c) the cost of continuing health insurance benefits for a period of 12 months, and (d) vesting of all then unvested shares of restricted stock and stock options, with such options being exercisable for a period of one year.

Relevant Definitions

The following terms, which are relevant to the foregoing discussion, are defined in the Named Executive Officers' employment agreements as follows:

Cause. A termination for Cause occurs if Mattersight terminates the employment of a Named Executive Officer for any of the following reasons:

- (i) conviction, including a plea of guilty or no contest, of any felony or any crime involving moral turpitude or dishonesty;

Table of Contents

- (ii) fraud upon Mattersight (or an affiliate), embezzlement, or misappropriation of corporate funds;
- (iii) willful acts of dishonesty materially harmful to Mattersight;
- (iv) activities materially harmful to Mattersight's reputation;
- (v) the executive's willful misconduct, willful refusal to perform his duties, or substantial willful disregard of his duties provided that Mattersight first provides the executive with written notice of such conduct and thirty (30) days to cure such conduct, if such conduct is reasonably susceptible to cure; or
- (vi) material breach of the employment agreement or any other agreement with or policy of Mattersight, causing material harm to Mattersight, or breach of any statutory duty or common law duty owed to Mattersight.

Good Reason. Under the employment agreements for all Named Executive Officers, an executive generally may terminate his employment for Good Reason if any of the following conditions occur:

- (i) the executive's base salary or target bonus is reduced below the amount set forth in his agreement, unless such reduction is proportionately applied to the three most highly paid executives (excluding the executive);
- (ii) the executive is involuntarily relocated to any location outside of the metropolitan area in which his primary office is located;
- (iii) a material diminution in the executive's position (including offices, titles, and reporting relationships), authority, duties, or responsibilities;
- (iv) Mattersight materially breaches the terms of the agreement; or
- (v) Mattersight fails to assign the agreement to a successor upon a Change in Control.

Mr. Conway's agreement provides that the failure of our Board of Directors to nominate Mr. Conway as a director constitutes Good Reason. His agreement also provides that a Change in Control, in and of itself, will not constitute Good Reason unless it results in a significant diminution of his position as described in clause (iv) above.

The other Named Executive Officers' agreements provide that the definition of Good Reason does not include the diminution of responsibilities if such diminution of responsibilities is in the ordinary course of either: (a) Mattersight becoming, pursuant to a Change in Control, part of a larger organization in which the executive directly reports to the chief executive officer of such organization; or (b) Mattersight becoming, pursuant to a Change in Control, either a subsidiary or equivalent separate functional business unit of a larger business organization.

Change in Control. Under the executive employment agreements for all Named Executive Officers, a Change in Control means:

- (i) the acquisition by any individual, entity, or group of beneficial ownership of 25% or more of Mattersight's outstanding Common Stock or voting securities;

Edgar Filing: Mattersight Corp - Form DEF 14A

- (ii) a change in the identity of a majority of the members of our Board of Directors from those who constituted the board at the time Mattersight was spun off from TSC (the Incumbent Board), counting any new director whose election was approved by a majority of the members of the Incumbent Board as a member of the Incumbent Board;
- (iii) the consummation of a reorganization, merger or consolidation involving Mattersight or a sale or other disposition of all or substantially all of Mattersight's assets, other than in a transaction following which the beneficial owners of more than 60% of the outstanding Common Stock and voting securities prior to the transaction beneficially own 60% or more of the outstanding Common Stock and voting securities of the surviving or acquiring entity, in substantially the same relative proportion before and after the transaction; or
- (iv) the consummation of a plan of complete dissolution or liquidation of Mattersight.

Table of Contents

For each of the executive employment agreements, the definition of Change in Control derives from the 1999 Plan.

Disability. Under the executive employment agreement for Mr. Conway, *Disability* means a permanent disability rendering him unable to perform his duties for 90 consecutive days or 180 days in any 12-month period, which determination shall be made after the period of disability, unless an earlier determination can be made, by an independent physician appointed by our Board of Directors. Under the executive employment agreement for the other Named Executive Officers, *Disability* has the meaning provided under the terms of the Company's then-current long-term disability program or, if no such program is then in effect, the same meaning as provided under Mr. Conway's agreement.

Non-Competition

For a period of one year following a termination for any reason, the Named Executive Officer cannot, for himself or as an agent, partner, or employee of any person, firm, or corporation:

- (i) with respect to Mr. Conway, without the prior written consent of our Board of Directors, engage in the practice of providing consulting or related services for any Mattersight client or prospect to or for whom he directly or indirectly performed or provided consulting or related services, or with whom he had personal contact, or prospect to whom he submitted (or assisted or participated in any way in the submission of) a proposal, during the two year period preceding termination of his employment with Mattersight;
- (ii) with respect to Mr. Danson, without the prior written consent of the chief executive officer or his designee, perform services of the type performed by him during his employment with Mattersight, or any services substantially similar thereto, for any Mattersight client or prospective client to or for whom the executive directly or indirectly performed services, or prospect to whom he submitted (or assisted or participated in any way in the submission of) a proposal, during his prior two years of employment with Mattersight, in any country in which Mattersight has performed services or sold products during the preceding three years; and
- (iii) with respect to Mr. Dresden, without the prior written consent of the chief executive officer or his designee, (a) engage in, become financially interested in, be employed by, or have any business connection with any other person, corporation, firm, partnership, or other entity whatsoever known by him to compete directly with the Company, anywhere throughout the world, in any line of business engaged in (or planned to be engaged in) by the Company or (b) perform services of the type performed by him during his employment with Mattersight, or any services substantially similar thereto, for any Mattersight client or prospective client to or for whom the executive directly or indirectly performed services, or prospect to whom he submitted (or assisted or participated in any way in the submission of) a proposal, during his prior two years of employment with Mattersight, in any country in which Mattersight has performed services or sold products during the preceding three years.

Non-Solicitation

While employed by Mattersight and during the one year period immediately following termination of employment for any reason, the executive cannot (i) induce or assist in the inducement of any employee away from Mattersight's employ or from the faithful discharge of such employee's contractual and fiduciary obligations to serve Mattersight's interests with undivided loyalty or (ii) directly or indirectly, on behalf of the executive or any other person or entity, solicit any person, firm, company, corporation, or other entity to whom the executive was first introduced by Mattersight and is, becomes, or is known to be, an actual or potential client or customer of Mattersight, to become a client and/or customer of the executive or of any person or entity other than Mattersight.

Pre-Approval Policy

The Audit Committee pre-approves all audit and permissible non-audit services provided to Mattersight by Grant Thornton. Pre-approval generally is provided at a regular meeting of the Audit Committee, covers a period of at least two years, and is, at a minimum, reviewed annually. Any pre-approval is detailed as to the particular service or category of services covered and is generally subject to a specific budget. The independent auditors and management periodically report to the Audit Committee regarding the extent of services provided by Grant Thornton in accordance with this pre-approval and the fees for the services performed to-date. The Audit Committee, or its Chairman, may also pre-approve other particular services on a case-by-case basis. All services provided to Mattersight by Grant Thornton during 2014 and 2013 were pre-approved by the Audit Committee in accordance with this policy. Specifically, the Audit Committee pre-approved Grant Thornton s provision of audit services for 2014 and 2013.

Our Board of Directors does not know of any further business to be presented at the Annual Meeting. SUBMISSION OF STOCKHOLDER PROPOSALS FOR 2016

Deadline for Inclusion in Proxy Statement

Any stockholder proposal to be considered by Mattersight for inclusion in the Proxy Statement and form of proxy for next year's annual meeting of stockholders must be received by Mattersight's Corporate Secretary at its principal executive offices, 200 S. Wacker Drive, Suite 820, Chicago, Illinois 60606, no later than December 9, 2015 and must otherwise satisfy the requirements of applicable SEC rules.

Deadline for Notice of Other Stockholder Proposals/Director Nominations

Stockholder proposals that are not intended for inclusion in a proxy statement for an annual meeting, but that stockholders intend to introduce at an annual meeting, as well as proposed stockholder nominations for the election of directors at an annual meeting, must each comply with the advance notice procedures set forth in Mattersight's By-Laws in order to be brought properly before that annual stockholders' meeting. In addition, with respect to any such stockholder proposals, Mattersight may utilize discretionary authority conferred by proxy in voting thereon if, among other matters, the stockholder proponent does not give timely notice of the matter to Mattersight in accordance with such By-Law procedures. In general, written notice of such a stockholder proposal or a director nomination must be delivered to Mattersight's Corporate Secretary not less than 75 days or more than 100 days prior to the anniversary date of the preceding annual meeting of stockholders. With regard to next year's annual meeting of stockholders, the written notice must be received no earlier than February 4, 2016 and no later than February 29, 2016.

In addition to timing requirements, the advance notice provisions of the By-Laws contain informational content requirements that must also be met. A copy of the By-Law provisions governing these timing procedures and content requirements may be obtained by writing to the Corporate Secretary of Mattersight at the address specified on the first page of this Proxy Statement.

If the presiding officer at the annual meeting of stockholders determines that business, or a nomination, was not brought before the meeting in accordance with the By-Law provisions, then such business will not be transacted or such defective nomination will not be accepted.

ADDITIONAL INFORMATION

The cost of soliciting proxies will be borne by Mattersight. In addition to soliciting proxies through the mail, certain employees of Mattersight may solicit proxies in person, by facsimile, or by telephone, without additional compensation. As is customary, Mattersight will, upon request, reimburse brokers, banks, custodians, and other nominee holders of record for their out-of-pocket expenses of forwarding proxy materials to the beneficial owners of Mattersight shares.

The SEC's rules permit Mattersight to deliver a single set of proxy materials to one address shared by two or more of its stockholders. This delivery method is referred to as "householding" and can result in significant cost savings. To take advantage of this opportunity, Mattersight may deliver only one set of proxy materials to multiple stockholders who share an address. Mattersight agrees to deliver promptly, upon written or oral request, a separate copy of the proxy materials to any stockholder at the shared address to which a single copy of these documents was delivered. If you prefer to receive separate copies of the proxy materials, or if you currently are a stockholder who shares an address with another stockholder and would like to receive only one copy of future proxy materials for your household, please contact Christine R. Carsen, Vice President, General Counsel and Corporate Secretary, Mattersight Corporation, 200 W. Wacker Drive, Suite 820, Chicago, Illinois 60606 or call 877-235-6925.

Your vote is important. Please submit your proxy with voting instructions by telephone or through the Internet by following the instructions provided as soon as possible or complete the enclosed proxy card with your voting instructions and mail it in the enclosed postage-paid envelope.
