PROPOSAL
BY THE BOARD OF DIRECTORS
TO THE
EXTRAORDINARY GENERAL MEETING OF STOCKHOLDERS
TO BE HELD ON
APRIL 30, 2015

Dear Stockholders:

The Board of Directors of Companhia Energética de Minas Gerais (Cemig)

whereas:

- a) in its management of the Company and in the exercise of the right to vote in the wholly-owned subsidiaries, subsidiaries, affiliated companies and consortia, the Board of Directors and the Executive Board are required at all times faithfully to comply with certain targets, as stated in Clause 11, § 7, of the Company's by-laws:

to keep the Company's consolidated indebtedness less than or equal to 2 (two) times the Company's Ebitda (profit before interest, taxes, depreciation and amortization); and

to keep Consolidated (Net debt) / (Net debt + Stockholders' equity) within an upper limit of 40%;

to limit the consolidated amount of funds allocated to capital investment and acquisition of any assets in each business year to the equivalent of 40% of Ebitda (profit before interest, taxes, depreciation and amortization);

- b) under Clause 11, § 9 of the by-laws, targets for indicators may be exceeded for reasons related to temporarily prevailing conditions, upon prior justification by grounds and specific approval by the Board of Directors, up to the following limits:

Edgar Filing: ENERGY CO OF MINAS GERAIS - Form 6-K

Consolidated indebtedness less than or equal to 2.5 times Ebitda (profit before interest, taxes, depreciation and amortization); and

Consolidated (Net debt) / (Net debt + Stockholders equity): maximum of 50%;

- c) above these limits, including the case of limitation of (Consolidated funds allocated to capital investment and acquisition of any assets) to 40% of Ebitda (profit before interest, taxes, depreciation and amortization), the targets may be exceeded upon prior justification with grounds and specific approval by the stockholders in a General Meeting of Stockholders;
- d) in 2014, the Company took opportunities that arose for expansion of its activities and invested approximately R\$ 4.3 billion, principally through Cemig Geração e Transmissão S.A., among which the subscription of capital totaling R\$ 1.5 billion in Renova Energia S.A. was of special importance;
- e) to finance this volume of investments and the expenses budget, and with, among other reasons, the increase in the cost of electricity purchased, the Company increased its indebtedness by approximately R\$ 4.1 billion, to R\$ 13.5 billion at the end of 2014;

Av. Barbacena 1200 Santo Agostinho 30190-131 Belo Horizonte, MG Brazil Tel.: +55 31 3506-5024 Fax +55 31 3506-5025

This text is a translation, provided for information only. The original text in Portuguese is the legally valid version.

- f) in relation to 2014, the Board of Directors decided to ratify exceeding of the limit for the consolidated debt ratio represented by $(\text{Net debt} / (\text{Net debt} + \text{Stockholders' equity}))$ specified in Subclause b of § 7 of Clause 11, limited to 43%, as per Board Spending Decision (CRCA) 021/2014, of March 28, 2014;
 - g) further, in relation to 2014, the Board of Directors authorized exceeding of the limit contained in Subclause b of § 7 of Clause 7 of Article 11 of the Company's bylaws, limited to 45.7%, as per Board Spending Decision (CRCA) 099/2014, of November 10, 2014;
 - h) in 2014, the consolidated ratio of $\text{Net debt} / (\text{Net debt} + \text{Stockholders' equity})$ was 50.75%, and thus above the percentage contained in the said CRCA 021/2014;
 - i) it is thus the competency of the Extraordinary General Meeting of Stockholders to decide on exceeding of the consolidated debt ratio $(\text{Net Debt} / (\text{Net debt} + \text{Stockholders' equity}))$, since in 2014 it was above 50%;
- do now propose to you as follows:***

Ratification of the limit contained in Subclause b of Paragraph 7 of Article 11 of the by-laws being exceeded in 2014, with a consolidated debt ratio, calculated as $\text{Net debt} / (\text{Net debt} + \text{Stockholders' equity})$ of 50.75%.

As can be seen, the objective of this proposal is to meet legitimate interests of the stockholders and of the Company, and as a result it is the hope of the Board of Directors that it will be approved by the Stockholders.

PROPOSAL
BY THE BOARD OF DIRECTORS
TO THE
EXTRAORDINARY GENERAL MEETING OF STOCKHOLDERS
TO BE HELD ON
APRIL 30, 2015

Dear Stockholders:

The Board of Directors of Companhia Energética de Minas Gerais (Cemig)

whereas:

- a) in its management of the Company and in the exercise of the right to vote in the wholly-owned subsidiaries, subsidiaries, affiliated companies and consortia, the Board of Directors and the Executive Board are required at all times faithfully to comply with certain targets, as stated in Clause 11, § 7, of the Company's by-laws:

to keep the Company's consolidated indebtedness less than or equal to 2 (two) times the Company's Ebitda (profit before interest, taxes, depreciation and amortization); and

to keep Consolidated (Net debt) / (Net debt + Stockholders' equity) within an upper limit of 40%;

to limit the consolidated amount of funds allocated to capital investment and acquisition of any assets in each business year to the equivalent of 40% of Ebitda (profit before interest, taxes, depreciation and amortization);

- b)

under Clause 11, § 9 of the by-laws, targets for indicators may be exceeded for reasons related to temporarily prevailing conditions, upon prior justification by grounds and specific approval by the Board of Directors, up to the following limits:

Consolidated indebtedness less than or equal to 2.5 times Ebitda (profit before interest, taxes, depreciation and amortization); and

Consolidated (Net debt) / (Net debt + Stockholders equity): maximum of 50%;

- c) above these limits, including the case of limitation of (Consolidated funds allocated to capital investment and acquisition of any assets) to 40% of Ebitda (profit before interest, taxes, depreciation and amortization), the targets may be exceeded upon prior justification with grounds and specific approval by the stockholders in a General Meeting of Stockholders;
- d) in 2014, the Company took opportunities that arose for expansion of its activities and invested approximately R\$ 4.3 billion, principally through Cemig Geração e Transmissão S.A., among which the subscription of capital totaling R\$ 1.5 billion in Renova Energia S.A. was of special importance;
- e) to finance this volume of investments and the expenses budget, and with, among other reasons, the increase in the cost of electricity purchased, the Company increased its indebtedness by approximately R\$ 4.1 billion, to R\$ 13.5 billion at the end of 2014;
- f) in relation to 2014, the Board of Directors decided to ratify exceeding of the limit for the consolidated debt ratio represented by (Net debt / (Net debt + Stockholders equity)) specified in Subclause b of § 7 of Clause 11, limited to 43%, as per Board Spending Decision (CRCA) 021/2014, of March 28, 2014;

Av. Barbacena 1200 Santo Agostinho 30190-131 Belo Horizonte, MG Brazil Tel.: +55 31 3506-5024 Fax +55 31 3506-5025

This text is a translation, provided for information only. The original text in Portuguese is the legally valid version.

- g) further, in relation to 2014, the Board of Directors authorized exceeding of the limit contained in Subclause b of § 7 of Clause 7 of Article 11 of the Company's bylaws, limited to 45.7%, as per Board Spending Decision (CRCA) 099/2014, of November 10, 2014;
- h) in 2014, the consolidated ratio of Net debt / (Net debt + Stockholders' equity) was 50.75%, and thus above the percentage contained in the said CRCA 021/2014;
- i) it is thus the competency of the Extraordinary General Meeting of Stockholders to decide on exceeding of the consolidated debt ratio (Net Debt / (Net debt + Stockholders' equity)), since in 2014 it was above 50%;
now proposes to you as follows:

Ratification of the limit contained in Subclause b of Paragraph 7 of Article 11 of the by-laws being exceeded in 2014, with a consolidated debt ratio, calculated as Net debt / (Net debt + Stockholders' equity) of 50.75%.

As can be seen, the objective of this proposal is to meet legitimate interests of the stockholders and of the Company, and as a result it is the hope of the Board of Directors that it will be approved by the Stockholders.

PROPOSAL
BY THE BOARD OF DIRECTORS
TO THE
ORDINARY AND EXTRAORDINARY GENERAL MEETINGS OF STOCKHOLDERS
TO BE HELD, CONCURRENTLY, BY
APRIL 30, 2015

Dear Stockholders:

The Board of Directors of Companhia Energética de Minas Gerais - Cemig

whereas:

- a) Article 192 of Law 6404 of December 15, 1976, as amended, and Clauses 27 to 31 of the by-laws, govern the holding of an annual meeting;
- b) the Financial Statements for 2014 present net profit of R\$ 3,136,639,000, and a balance of retained earnings of R\$ 70,508,000 arising from realization of the Stockholders' equity valuation reserve;
- c) it is the competency of the Board of Directors to make a proposal to the Annual General Meeting for allocation of the Company's net profit;
- d) Paragraph 4 of Article 202 of Law 6404/1976 specifies, in relation to the dividend specified in the by-laws, that it shall not be obligatory in a business year in which the Company's management bodies inform the Annual Ordinary General Meeting of Stockholders that it would be incompatible with the company's financial situation. The Audit Board, if constituted, must give an opinion on this information and, in a listed company, its managers must submit a statement to the CVM within five days from the General Meeting of Stockholders, justifying the information transmitted to the General Meeting of Stockholders ;

- e) Paragraph 5 of Article 202 of Law 6404/1976 specifies that profits that are, under Paragraph 4 of this Article, not distributed, shall be held and reported in a special Reserve and, if not absorbed by losses in subsequent business years, must be paid as a dividend as soon as the company's financial situation permits ;
- f) the forecasts of cash flow for 2015 indicate the limitation of the Company's funds in terms of payment in 2015 of the minimum obligatory dividends for 2014 specified in the by-laws;
- g) CVM Decision 207/1996 establishes that Interest on Equity paid or credited may only be imputed against the minimum obligatory dividend at its value net of withholding income tax;
- h) there is urgency in meeting the cash needs of Cemig Distribuição S.A. to honor its operational commitments in the short term, arising, principally, from the following factors:

Av. Barbacena 1200 Santo Agostinho 30190-131 Belo Horizonte, MG Brazil Tel.: +55 31 3506-5024 Fax +55 31 3506-5025

- (I) non-transfer by Centrais Elétricas Brasileiras S.A. (Eletrobras) of the support payment for subsidies given on electricity invoices;
 - (II) the significant increase in 2015 in the quota charge for the Energy Development Account (*Conta de Desenvolvimento Energético*, or CDE), set by the regulator, Aneel (*Agência Nacional de Energia Elétrica*);
 - (III) the increase in the cost of purchase of electricity due to the exposure of Cemig D in the wholesale Electricity Trading Chamber (CCEE);
- i) there is not enough time for the Company to raise funds in the financial market through a debt instrument, for settlement of the obligations specified in the budget;
 - j) the most practical alternative for additional entry of funds into Cemig D, for settlement of its obligations specified in the budget, is an increase in its share capital through issuance of nominal common shares without par value, to be subscribed in their entirety by Cemig;
 - k) the issue price is R\$ 1.0297 per share, calculated by dividing Stockholders' equity on September 30, 2014 (R\$ 2,329,263,000) by the number of existing shares (2,261,997,787);
 - l) the share capital may be increased by, among other means, decision of an Extraordinary General Meeting of Stockholders called and held to decide on a change to the by-laws, under Article 166 of Law 6404/1976;
 - m) it is the function of the Board of Directors of Cemig D to call a General Meeting of Stockholders of that company, as specified in Subclause f of Article 12 of its by-laws;
 - n) it is the function of the Board of Directors of Cemig:
 - i) to authorize the exercise of the right of first refusal and of making stockholders' agreements or voting agreements in wholly-owned subsidiaries, subsidiaries, affiliated companies and in the consortia in which the Company participates, except in the case of the wholly-owned subsidiaries Cemig Distribuição S.A. and Cemig Geração e Transmissão S.A., for which the competency to decide on

these matters resides with the General Meeting of Stockholders, and

- ii) to approve declarations of vote in the General Meetings of Stockholders, and orientations of vote in the meetings of the boards of directors, of the wholly-owned subsidiaries, subsidiaries, affiliated companies and of the consortia in which this company participates, when they involve ownership in the share capital of other companies or consortia, and such decisions must, in any event and not only in matters relating to ownership of an interest in the capital of other companies or consortia, obey the provisions of these by-laws, the Long-Term Strategic Plan, and the Multi-Year Strategic Implementation Plan, as specified, respectively, in subclauses e and p of Article 17 of the by-laws of Cemig.
- o) under Article 163, III of Law 6404/1976, the Audit Board should give opinion on any proposals by the management bodies that are submitted to the General Meeting of Stockholders in relation to change of the share capital;
- p) it is not possible to wait for a General Meeting of Stockholders of Cemig D to be held, since it is essential that Cemig should immediately transfer to Cemig D the R\$ 100,000,000.00 (one hundred million Reais), by means of Advance against Future Capital Increase (AFAC);

q) under Article 17, Subclause e of the by-laws it is the competency of the Board of Directors, upon proposal by the Executive Board, to decide on constitution of any obligation in the name of the Company the value of which individually or jointly is equal to or greater than R\$ 14,000,000.00 (fourteen million Reais), including injections of funds into wholly-owned subsidiaries, subsidiaries or affiliated companies or consortia in which it participates;

and to R\$ 17,355,065.94 (seventeen million three hundred fifty five thousand sixty five Reais ninety four centavos) in accordance with Circular DPR-H-01/2015 of January 5, 2015;

s) the matter relating to the increase of the share capital of Cemig D has been analyzed by the company's Legal Department;

t) Clause 21, Paragraph 4, Subclause g of the by-laws of Cemig states:

Cláus~~2~~1

... §4 The following decisions shall require a decision by the Executive Board:

... (g) approval, upon proposal by the Chief Executive Officer, prepared jointly with the Chief Officer for Business Development and Corporate Control of Subsidiaries and Affiliates and the Chief Officer for Finance, Investor Relations and Financial Control of Holdings, of the statements of vote in the General Meetings of the wholly-owned and other subsidiaries, affiliated companies and in the consortia in which the Company participates, except in the case of the wholly-owned subsidiaries Cemig Distribuição S.A. and Cemig Geração e Transmissão S.A., for which the competency to decide on these matters shall be that of the General Meeting of Stockholders, and decisions must obey the provisions of these Bylaws, the decisions of the Board of Directors, the Long-term Strategic Plan and the Multi-year Strategic Implementation Plan; ; and

The Chair stated that under §1 of Subclause b of Clause 28 of the by-laws, 50% of the Net profit is to be distributed as minimum obligatory dividend to the Company's stockholders, subject to the other provisions of the by-laws and the applicable legislation, but that the proposal by the Board of Directors, approved, states that, of the Net profit for 2014, in the amount of R\$ 3,136,639,000, the amount of R\$ 797,317,000 shall be allocated for payment of dividends, corresponding to 25% of the Net profit of the year.

He pointed out that payment of the dividends specified in the by-laws would not be compatible with the present financial situation of the Company, due mainly to the low level of water in the electricity reservoirs, which could lead to a significant reduction in the energy available for sale by the hydroelectric plants of the Cemig Group in 2015, affecting the Company's revenues and cash position. He further said that a lower rate of growth of economic activity is expected in Brazil in 2015, and that, due to the significant increases in electricity tariffs in the first quarter of the current year, it is not yet possible to measure the effects in relation to the levels of default by the consumer clients of companies in the Cemig Group: that these factors, in isolation or combined, may impact the Company's cash position, as a result of the increase in expenses or reduction in revenues, and could adversely affect liquidity, increase the cost of raising funds and the level of Cemig's indebtedness.

This being so, the Chair continued, Management has stated in its Proposal to these Meetings that it believes it to be more prudent at the present moment not to allocate a part of the minimum obligatory dividend as calculated for payment in the 2015 business year, corresponding to 25% of the Net profit for the business year 2014, until a fuller analysis is possible of the Brazilian macroeconomic scenario and the outlook for the electricity sector this year and its effects on the Company's cash flow.

The amounts not distributed as obligatory dividends, corresponding to 25% of the Net profit for the business year 2014, in the amount of R\$ 797,316,00, he said, will be held in Stockholders' equity in the Reserve for Obligatory Dividends not distributed, to be paid as soon as the financial situation so permits, under Paragraph 5 of Article 202 of Law 6404/1976.

Continuing with the agenda, the Chair informed the meeting that the period of office of the members of the Audit Board ended with this present meeting, and that a new election should thus be held for that Board, with a period of office of (one) year, that is to say, up to the Ordinary General Meeting of Stockholders to be held in 2016. The Chair said that this election would be carried out with separate voting, in the case of candidates indicated by holders of preferred shares and by minority stockholders of common shares.

The Chair thus placed the election of the sitting and substitute members of the Audit Board in debate.

The floor was then requested, as holders of preferred shares, by the **stockholders represented by Mr. Luís Gustavo Frantz and Ms. Bethsaida de Oliveira Pena**, and by the stockholder **Norges Bank**, represented by Ms. Talita Car Vidotto, who put forward the following names for membership of the Audit Board:

Brazilian, married, company manager, domiciled in Rio de Janeiro, RJ, at Rua Professor Hermes Lima 735/302, Recreio dos Bandeirantes, CEP 22795-065, bearer of Identity Card 2027107-7, issued by CRA-RJ, and of CPF 006124137-72; and

The nominations of the representative of the stockholder **The State of Minas Gerais** were put to debate, and to the vote, and approved by a majority of votes.

The Members of the Audit Board elected declared in advance that they are not subject to any prohibition on exercise of commercial activity, and assumed a solemn undertaking to become aware of, obey and comply with the principles, ethical values and rules established by the Code of Professional Conduct of Companhia Energética de Minas Gerais Cemig, and the Code of Ethical Conduct of Government Workers and Senior Administration of the State of Minas Gerais.

Continuing the proceedings, the Chair stated that due to their being a vacancy on the Board of Directors of Cemig, due to the resignations of the Board Member Ricardo Coutinho de Sena, as per a letter in the Company's possession, a new member of the Board of Directors should be appointed.

Independently of the current period of office of the members of the Board of Directors having been begun through adoption of the multiple vote, he said, the stockholder **AGC Energia S.A.** has requested, as per a letter in the Company's possession, that this process of election should be maintained. The Chair pointed out that it will be necessary first, in view of Clause 12 of the by-laws, to proceed to election of the sitting member and his respective substitute member put forward by representatives of the holders of the preferred shares, and only then to apply the instrument of Multiple Vote to fill the remaining vacancies on the Board of Directors. Asking for the floor, and having in mind the decision of the CVM (the Brazilian Securities Commission) in response to Consultation on Regulation No. 3649/2002, the stockholder **Alexandre de Queiroz Rodrigues** asked whether any of the minority stockholders present had any interest in dismissing any of the present members of the Board of Directors, that had been elected by separate vote in the Extraordinary General Meeting of Stockholders held on April 30, 2014.

Since no view was put forward to this effect, the Chair proposed that Mr.

Guy Maria Villela Paschoal Brazilian, widower, engineer, resident and domiciled at Belo Horizonte, Minas Gerais, at Rua Jornalista Djalma Andrade 210, Belvedere, CEP 30320-540, bearer of Identity Card M-616, issued by the Public Safety Department of the State of Minas Gerais, and of CPF 000798806-06;

both to serve the remainder of the present term of office, that is to say until the Annual General Meeting of 2016. The Chair, with the consent of the majority of the representatives of the holders of preferred shares, ratified the decision that the members referred to above should remain on the Board of Directors of Cemig.

He then stated that it was the attribution of this meeting to elect the other sitting and substitute members of the Board of Directors, to serve the same period of 2 years, begun on April 30, 2014, that is to say until the Annual General Meeting to be held in 2016; and that 26,464,843 shares were necessary for the election of each member of the Board of Directors.

The Chair then further stated that, to complete the Board of Directors, the stockholder **FIA Dinâmica Energia** could put forward 1 (one) sitting member and the corresponding substitute member; the stockholder **AGC Energia S.A.** could put forward 5 (five) sitting members and their respective substitute members; and the stockholder **The State of Minas Gerais** could put forward 8 (eight) sitting members and their respective substitute members.

The representative of the stockholder **FIA Dinâmica Energia** then asked for the floor, and proposed election of the following persons to the Board of Directors:

The Chair further stated that, as a result of the change in the composition of the Board of Directors of Cemig, and under § 1 of Clause 11 and the head paragraph of Clause 12 of the by-laws of Cemig, and § 1 of Clause 8° of the by-laws of Cemig Distribuição S.A. (Cemig D) and of Cemig Geração e Transmissão S.A. (Cemig GT) there is a need for change in the composition of the Boards of Directors of the wholly-owned subsidiaries Cemig D and Cemig GT, since the structure and composition of the Boards of Directors of those Companies must be identical to those of Cemig.

Continuing with the agenda, the Chair placed in debate the remuneration of the Company's Managers and members of its Audit Board. Asking for the floor, the representative of the Stockholder **The State of Minas Gerais** asked the Chair to put the following proposal before the stockholders for consideration:

- 3 To establish that the monthly remuneration of each substitute member of the Board of Directors excluding any sitting or substitute members that hold a post of Chief Officer, and subject to the condition relating to payment of the *jeton* referred to in Item 4 below shall be equivalent to 80% (twenty per cent) of the average received by a sitting member of the Board of Directors, that is to say shall be R\$ 6,163.39 (six thousand one hundred sixty three Reais and thirty nine centavos).
- 4 To establish that the sitting and substitute members of the Board of Directors should receive 50% (fifty per cent) of the monthly remuneration stipulated, the rest being divided into *jetons* paid to the sitting or substitute member present at meetings. - 7 To establish that sitting and substitute Members of the Board of Directors and of the Audit Board who are resident in municipalities other than that of the Company's head office shall be reimbursed such expenses on accommodation and travel (within Brazil) as are necessary for their attendance at the meetings of those Boards or for carrying out their functions or when invited by the CEO to a meeting at the Company, and shall also receive, as cost support for travel, the equivalent of 10% (ten per cent) of the total monthly remuneration of a Member of the Board of Directors.

The Chair then stated that the publications by Cemig specified in Law 6404 of December 15, 1976, as amended, will be made in the newspapers *Minas Gerais*, the official publication of the Powers of the State, and the newspaper *O Tempo*, without prejudice to possible publication in other newspapers.

The meeting being opened to the floor, the stockholder **Rubens Antônio França** requested recording of a vote of confidence in the Company's new management and in all the stockholders; and that the possibility should be studied of creating three thousand new jobs so as to re-establish the proportion between the number of employees and the number of consumers that was the case in the 1980s.

The meeting remaining open to the floor, and since no-one else wished to speak, the Chair ordered the session suspended for the time necessary for the writing of the minutes. The session being reopened, the Chair, after putting the said minutes to debate and to the vote and verifying that they had been approved and signed, closed the meeting.

For the record, I, Anamaria Pugedo Frade Barros, Secretary, wrote these minutes and sign them together with all those present.

**13. NOTICE TO STOCKHOLDERS PART OF DIVIDENDS FOR 2014 RETAINED IN STOCKHOLDERS
EQUITY**

46

COMPANHIA ENERGÉTICA DE MINAS GERAIS - CEMIG
LISTED COMPANY - CNPJ 17.155.730/0001-64 - NIRE 31300040127

NOTICE TO STOCKHOLDERS

Part of dividends for 2014 retained in Stockholders' equity

The by-laws of Cemig specify, in §1 of Subclause b of Clause 28, a payment of 50% of the Net profit to be distributed as minimum obligatory dividend to the Company's stockholders, subject to the other provisions of the by-laws and the applicable legislation.

The General Meeting of Stockholders held on April 30, 2015 approved a proposal by the Board of Directors that, of the Net profit for 2014, which totals R\$ 3,136,639,000, the amount of R\$ 797,317,000, which is equal to 25% of the Net profit for 2014, should be paid in dividends.

In the proposal by the Board of Directors, it was noted that the payment of dividends specified in the by-laws, of 50% of the Net profit for the business year, would not be compatible with the present financial situation of the Company, due mainly to the low level of water in the electricity reservoirs, which could lead to a significant reduction in the energy available for sale by the Company's hydroelectric plants in 2015, affecting the Company's revenues and cash position.

It was also stated to the meeting that a lower rate of growth of economic activity is expected in Brazil in 2015, and that having in mind also the significant increases in electricity tariffs in the first quarter of the current year, it is not yet possible to measure the effects in relation to levels of default; and that these factors, in isolation or combined, may impact the Company's cash position, as a result of the increase in expenses or reduction in revenues. These situations could also adversely affect liquidity, and/or increase the cost of raising finance and/or the level of indebtedness.

This being so, Management stated in its Proposal that it believes it to be more prudent, at the present moment, not to allocate a part of the minimum obligatory dividend, as calculated, for payment in the 2015 business year, until a fuller analysis can be made of the Brazilian macroeconomic scenario and the outlook for the electricity sector this year and its effects on the Company's cash flow.

The amounts not distributed as obligatory dividends, corresponding to 25% of the Net profit for the business year 2014, in the amount of R\$ 797,316,000, will be held in Stockholders' equity in the Reserve for Obligatory Dividends not distributed, to be paid as soon as the financial situation so permits, in accordance with Paragraph 5 of Article 202 of Law 6404/1976.
