Delivering the things that matter

Chief Executive Officer

September 9, 2015

Dear Fellow Employee:

I am writing to share some exciting news. Today, we announced that Con-way has entered into a definitive merger agreement under which XPO Logistics will acquire Con-way for \$3.0 billion. We believe that our combination with XPO is an exciting and positive development for Con-way—one that will not only deliver immediate and substantial cash value to our shareholders, but also provide greater opportunities for our employees and our customers. A copy of the joint press release is attached for your reference.

XPO is a top ten global provider of cutting-edge supply chain solutions to the most successful companies in the world. XPO provides high-value-add services for truck brokerage and transportation, last mile logistics, intermodal, contract logistics, ground and air expedite, drayage, global forwarding and managed transportation. XPO serves more than 30,000 customers with a highly integrated network of over 54,000 employees and 887 locations in 27 countries. You can learn more about XPO at [www.xpo.com](http://www.xpo.com).

### **Combining with an Industry Leader**

We're proud of Con-way's track record of growth—delivering value to our shareholders and customers, and providing great jobs and careers for our employees worldwide. I firmly believe this transaction will enable us to sustain and improve upon these accomplishments and represents the beginning of an exciting new chapter in what has been a storied 86-year history.

As a combined company, we'll serve an expanded customer base in North America, Europe and other parts of the world. Con-way and XPO will have annual revenue of approximately \$15 billion and scale of approximately 84,000 employees at 1,469 locations in 32 countries under the single global brand of XPO. The merger will grow XPO's global ground transportation network to approximately 19,000 owned tractors and 46,000 owned trailers, 10,000 trucks contracted through independent owner operators, and access to an additional 68,000 independent carriers.

Con-way's LTL trucking, full truckload and contract logistics services are complementary to XPO's supply chain offerings. For example, as a combined company, we'll build on XPO's European platform, which XPO recently acquired from Norbert Dentressangle.

### **Next Steps: Business as Usual**

I understand that you'll have many questions about this announcement and how it may impact you. As we proceed, we'll make every effort to answer your questions. For now, our focus is on delivering superior service and maintaining the efficient, consistent day-to-day operations that our customers value so highly.

2211 Old Earhart Road, Suite 100, Ann Arbor, MI 48105-2751 Phone: 734-757-1444 Fax: 734-757-1158

We expect the transaction to close in October 2015, subject to the satisfaction of customary conditions, including approvals from both regulators and Con-way shareholders. Until the close, we will continue to operate as independent companies. Put another way, until the transaction closes, it remains business as usual at Con-way. We're counting on you to continue to carry out your responsibilities and live up to our core values of safety, commitment, integrity and excellence.

There will be additional opportunities for Con-way employees as part of XPO—a larger, more diversified organization and a global leader in transportation and logistics. Together with XPO, we're establishing an integration team that will develop a detailed and thoughtful plan to make the post-closing integration as efficient as possible. From a communications perspective, your site manager will be holding meetings to share the information we have to date, and to field your questions. For our larger offices in Ann Arbor, Joplin, Portland, Aurora and North Richland Hills, local managers will be scheduling town hall meetings. I encourage you to attend if you can. In addition, attached is an initial list of Q&As that may address questions you have.

It's likely that this transaction will generate interest from the media and other third parties, and it's important for Con-way to continue to speak with one voice. If you receive any inquiries from the media or other questions from outside Con-way, please contact Gary Frantz at (734) 757-1558.

On behalf of the Con-way board and management team, we very much appreciate the ongoing hard work of you and all our dedicated employees. You are the backbone of our success and your contributions have led us to this transformational announcement. I hope you share my enthusiasm for this exciting announcement and this next chapter in our company's history.

Sincerely,

Douglas W. Stotlar  
President and

**Con-way Employee Q&A**

**1. What was announced today?**

Today, we announced that Con-way has entered into a definitive merger agreement with XPO Logistics that will combine our companies in an all cash transaction valued at approximately \$3.0 billion or \$47.60 per share of Con-way stock.

We believe a combination with XPO is an exciting and positive development for Con-way, one that not only delivers immediate and substantial cash value to our shareholders but also provides opportunities for our employees and benefits for our customers. The combined company will deliver a full suite of transportation and logistics services to our expanded customer bases around the world.

As a combined company, we will serve an expanded customer base in North America, Europe and other parts of the world.

Con-way and XPO will have annual revenue of approximately \$15 billion and scale of approximately 84,000 employees at 1,469 locations in 32 countries under the single global brand of XPO.

The merger will grow XPO's global ground transportation network to approximately 19,000 owned tractors and 46,000 owned trailers, 10,000 trucks contracted through independent owner operators, and access to an additional 68,000 independent carriers.

**2. Why are Con-way and XPO entering into this transaction?**

The transaction provides immediate and substantial cash value to our shareholders.

In addition to our belief that the transaction is in the best interest of our shareholders, we believe it will be beneficial for our employees and customers:

It is a great fit of two complementary companies that will take us to a whole new level in the marketplace.

Con-way's LTL trucking, full truckload and logistics services are complementary to XPO's supply chain offerings. Con-way also brings to the combined company an international footprint including a presence in Asia and operations in Europe, where we will build on XPO's European platform, which it recently acquired from Norbert Dentressangle.

With enhanced scale, capacity and capabilities, the combined company will be well positioned to compete and win in today's market.

### **3. Who is XPO Logistics?**

XPO is a top ten global provider of cutting-edge supply chain solutions to the most successful companies in the world, and one of the largest and fastest growing providers of transportation and logistics services in North America.

With 887 locations in 27 countries that serve over 30,000 customers, XPO is currently the largest provider of last-mile logistics for heavy goods in North America, the largest manager of expedite shipments, the second largest freight broker, the third largest provider of intermodal services and soon will be the second largest LTL provider as well.

2211 Old Earhart Road, Suite 100, Ann Arbor, MI 48105-2751 Phone: 734-757-1444 Fax: 734-757-1158

**4. What are the benefits of this transaction for employees?**

As part of a larger diversified organization, we expect there will be additional opportunities for Con-way employees.

**5. Will this announcement have an immediate effect on day-to-day operations at Con-way?**

No it remains business as usual at Con-way.

Until the close, Con-way and XPO will continue to operate as independent companies.

We are counting on you to continue to carry out your responsibilities and living up to our core values of safety, commitment, integrity and excellence.

**6. Will there be any changes to employee compensation, benefits and plans?**

Until the merger is completed, Con-way and XPO remain independent companies and there will be no changes to your existing compensation and benefits.

XPO has told us it recognizes the value of our employees. Like Con-way, XPO offers marketplace competitive salary and benefits.

More details with respect to future compensation and benefit matters will be determined and communicated to you as they are finalized.

**7. What will happen to Con-way stock in my 401(k)?**

All Con-way shareholders will have the right to tender their shares at a price of \$47.60 per share of Con-way stock.

What this means is that the Con-way shares you own within the Con-way 401(k) plan will be cashed out at \$47.60 per share at the time of closing.

Proceeds will be distributed to other funds within your 401(k).

**8. Will there be layoffs as a result of this transaction? Will reporting structures change?**

This combination is about growing the combined business beyond what either company could accomplish on its own.

As part of a larger diversified organization, we expect there will be additional opportunities for Con-way employees.

While we recognize that there may be duplications of roles and responsibilities, it is premature to speculate about how this will be addressed.

Together with XPO, we are establishing an integration team that will develop a detailed and thoughtful integration plan to make the post-closing integration as efficient as possible.

As always, we are committed to treating everyone at Con-way with dignity and respect, and we will keep employees informed as we move forward with the transition.

**9. Who will lead the combined company?**

XPO Logistics CEO, Brad Jacobs, will lead the combined company.

**10. What will happen to Con-way's facilities in Ann Arbor, Joplin, Portland, Aurora and North Richland Hills?**

Together with XPO, we are establishing an integration team that will develop a detailed and thoughtful integration plan to make the post-closing integration as efficient as possible.

There are no current plans to close any Con-way operations or physical locations. XPO expects to maintain our Ann Arbor, Joplin, Portland, Aurora and North Richland Hills locations.

2211 Old Earhart Road, Suite 100, Ann Arbor, MI 48105-2751 Phone: 734-757-1444 Fax: 734-757-1158

**11. Will we continue to operate under the Con-way brand?**

All businesses will be rebranded as XPO Logistics.

**12. What does this mean for customers?**

We will work to attempt to make this transaction virtually seamless for customers and not affect any ongoing or daily business.

XPO has confirmed for us that it shares Con-way's mission in maintaining high quality transportation and logistics services and the combined company will remain focused on delivering the superior service customers expect. This transaction will not deter from that focus.

**13. What should I say if my customers or vendors ask me about this?**

Reassure them that it is business as usual.

In the near term, nothing will change.

In addition to providing immediate and substantial cash value to our shareholders, we believe combining our two businesses will create a stronger provider of transportation and logistics solutions in the marketplace that should provide benefits for them and all our stakeholders.

**14. When will the transaction be completed?**

We expect the merger to close in October 2015, subject to the satisfaction of customary conditions and regulatory approvals.

## Con-way Call Center Script

### Instructions:

Con-way announced that it has entered into a definitive merger agreement with XPO Logistics. We anticipate that a number of current employees and retirees will have questions about what this transaction means in terms of compensation and benefits offerings.

If you receive a question about the transaction, please use the approved script and FAQ. Given the nature of the transaction and how early we are in the process, we will not be able to answer every question a caller has right now. There will also be some questions that we simply cannot answer.

It is very important that you **DO NOT DEVIATE** from the approved messages. If you receive a question that you are unsure how to answer, **DO NOT SPECULATE**. Write down the question and the caller's contact information, and let them know that you or someone will call them back. Please flag the question for your supervisor, who can assist with an appropriate response.

### *General Script if Asked About Transaction with XPO Logistics*

We appreciate your interest on this topic.

As you have seen, Con-way announced that it has entered into a definitive merger agreement with XPO Logistics to combine the two companies. We expect the transaction to close in October 2015, subject to the satisfaction of customary closing conditions and regulatory approvals, at which point we will become part of XPO, a top ten global provider of cutting-edge supply chain solutions to the most successful companies in the world.

Until then, Con-way and XPO remain independent companies and there will be no changes to your existing compensation and benefits. Until the transaction closes, it remains business as usual at Con-way.

As you can imagine, we are very early in this process and more details with respect to future compensation and benefit matters will be determined and communicated to you as they are finalized.

Once the transaction closes, there may be changes to benefits in order to bring our programs and offerings in-line with XPO's.

It's important to know that XPO has told us that it recognizes the value of its employees. As a leader in our industry, XPO offers marketplace competitive salary and benefits. While I cannot tell you if there will be any changes now, we will attempt to ensure that any modifications will be communicated well in advance.

Edgar Filing: Con-way Inc. - Form SC 14D9

Thank you again for your interest in this exciting and positive development is there anything else I can assist you with today?

**Frequently Asked Questions:**

**1. Who is XPO Logistics?**

XPO Logistics is a top ten global provider of cutting-edge supply chain solutions to the most successful companies in the world, and one of the largest and fastest growing providers of transportation and logistics services in North America. We believe this transaction, in addition to offering immediate and substantial cash value to our shareholders, is a great fit between two complementary companies that will take us to a whole new level in the marketplace.

**2. Will there be any changes to employee compensation, benefits and plans?**

Until the transaction is completed, Con-way and XPO Logistics remain independent companies and there will be no changes to your existing compensation and benefits.

XPO has told us that it recognizes the value of its employees. Like Con-way, XPO offers marketplace competitive salary and benefits.

Of course, it is early in this process and more details with respect to future compensation and benefit matters will be determined and communicated to you as they are finalized.

**3. What will happen to Con-way stock in my 401(k)?**

All Con-way shareholders will have the right to tender their shares at a price of \$47.60 per share of Con-way stock.

What this means is that the Con-way shares you own within the Con-way 401(k) plan will be cashed out at \$47.60 per share at the time of closing.

Proceeds will be distributed to other funds within your 401(k).

**4. Will there be layoffs as a result of this transaction? Will reporting structures change?**

This combination is about growing the combined business beyond what either company could accomplish on its own.

As part of a larger diversified organization, we expect there will be additional opportunities for Con-way employees.

While we recognize that there may be duplications of roles and responsibilities, it is too early to speculate about how this will be addressed.

Together with XPO, we are establishing an integration team that will work to develop a detailed and thoughtful integration plan to make the post-closing integration as efficient as possible.

As always, we are committed to treating everyone at Con-way with dignity and respect, and we will keep employees informed as we move forward with the transition.

**5. FOR CURRENT RETIREES: What happens to my retirement plan?**

This transaction is not expected to have an impact on the benefits in which you are currently vested.

**6. Additional questions:**

We appreciate your interest in that topic.

As you can imagine, it is early in this process and we do not have answers to every question at this time. If it is OK with you, I would be happy to check on that question for you and get back to you.

**Con-way Retiree QA**

**1. What was announced today?**

Today, we announced that Con-way has entered into a definitive merger agreement with XPO Logistics that will combine our companies in an all cash transaction valued at approximately \$3.0 billion or \$47.60 per share of Con-way stock.

We believe a combination with XPO is an exciting and positive development for Con-way, one that not only delivers immediate and substantial cash value to our shareholders but also provides opportunities for our employees and benefits for our customers. The combined company will deliver a full suite of transportation and logistics services to our expanded customer bases around the world.

As a combined company, we will serve an expanded customer base in North America, Europe and other parts of the world.

Con-way and XPO will have annual revenue of approximately \$15 billion and scale of approximately 84,000 employees at 1,469 locations in 32 countries under the single global brand of XPO.

The merger will grow XPO's global ground transportation network to approximately 19,000 owned tractors and 46,000 owned trailers, 10,000 trucks contracted through independent owner operators, and access to an additional 68,000 independent carriers.

**2. Who is XPO Logistics?**

XPO is a top ten global provider of cutting-edge supply chain solutions to the most successful companies in the world, and one of the largest and fastest growing providers of transportation and logistics services in North America.

With 887 locations in 27 countries that serve over 30,000 customers, XPO is currently the largest provider of last-mile logistics for heavy goods in North America, the largest manager of expedite shipments, the second largest freight broker, the third largest provider of intermodal services and soon will be the second largest LTL provider as well.

**3. Why is Con-way entering into this transaction?**

The transaction provides immediate and substantial cash value to our shareholders.

In addition to our belief that the transaction is in the best interest of our shareholders, we believe it will be beneficial for our employees and customers:

It is a great fit of two complementary companies that will take us to a whole new level in the marketplace.

Con-way's LTL trucking, full truckload and logistics services are complementary to XPO's supply chain offerings. Con-way also brings to the combined company an international footprint including a presence in Asia and operations in Europe, where we will build on XPO's European platform, which it recently acquired from Norbert Dentressangle.

With enhanced scale, capacity and capabilities, the combined company will be well positioned to compete and win in today's market.

2211 Old Earhart Road, Suite 100, Ann Arbor, MI 48105-2751 Phone: 734-757-1444 Fax: 734-757-1158

We want to assure you that the acquisition is not expected to have an impact on the benefits in which you are currently vested.

**5. When will the transaction be completed?**

We expect the transaction to close in October 2015, subject to satisfaction of customary closing conditions, including approvals from both regulators and Con-way shareholders.

Until the transaction is completed, Con-way and XPO Logistics are independent companies and it remains business as usual at Con-way.

**6. Who can I contact if I have more questions?**

We will continue to communicate developments regarding this combination through letters and other communications.

XPO serves more than 30,000 customers with a highly integrated network of over 54,000 employees and 887 locations in 27 countries. You can learn more about XPO at [www.xpo.com](http://www.xpo.com).

We believe this transaction is a great fit of two complementary companies that will take us to a whole new level in the marketplace. Together with XPO, we will be a stronger company, better suited to work with you to meet the needs of our customers.

We expect the transaction to close in October 2015, subject to the satisfaction of customary conditions and regulatory approvals. Until the closing, we will continue to operate as independent companies and remain focused on delivering the high level of service our customers have come to expect from us.

We expect the transition to be seamless for you. You should not see any significant change in the handling of your business, and your day-to-day business contact should remain the same. Of course, we will honor our contractual commitments.

We've attached a copy of the press release for your reference and will keep you updated throughout the process. As always, if you have any questions, please contact your current business partner.

We value our relationship and look forward to a productive new era of opportunities together as part of XPO Logistics.

Sincerely,

Douglas W. Stotlar  
President and
