Item 1.01. Entry into a Material Definitive Agreement.

On September 4, 2017, Nasdaq, Inc. (Nasdaq) entered into an Agreement and Plan of Merger (the Merger Agreement) with eVestment, Inc. (eVestment), Echo Holding Company, a wholly owned subsidiary of Nasdaq (Merger Sub), and Insight Venture Partners, LLC (solely in its capacity as representative for eVestment s securityholders).

Pursuant to the Merger Agreement, Nasdaq will acquire eVestment through the merger (the Merger) of Merger Sub with and into eVestment, with eVestment surviving the merger as a wholly owned subsidiary of Nasdaq. The aggregate merger consideration that Nasdaq will pay in the Merger is \$705 million in cash, subject to adjustments for cash, debt, working capital and tax savings.

The closing of the Merger is subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, including the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. The requisite shareholder approval has been obtained by written consent of more than a majority of eVestment securityholders.

The Merger Agreement contains customary representations, warranties and covenants relating to the operation of eVestment s business between signing and closing.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of such document, a copy of which is filed with this Current Report on Form 8-K as Exhibit 2.1. The Merger Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about Nasdaq. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of the Merger Agreement as of the specific dates therein, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties thereto or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Nasdaq s public disclosures.

Item 8.01. Other Events.
