PROXY STATEMENT FOR THE SPECIAL MEETING OF
ANCHOR BANCORP, INC. SHAREHOLDERS
and
PROSPECTUS OF
OLD NATIONAL BANCORP
MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

The boards of directors of Anchor Bancorp, Inc. (Anchor) and Old National Bancorp (Old National) have unanimously approved an Agreement and Plan of Merger (the Merger Agreement), pursuant to which Anchor will merge with and into Old National (the Merger). If the Merger Agreement is approved by the shareholders of Anchor and all other closing conditions are satisfied, each shareholder of Anchor will be entitled to receive 1.350 shares of Old National common stock (the Exchange Ratio) and \$2.625 in cash (the Cash Consideration) for each share of Anchor common stock owned before the Merger, subject to certain adjustments as described in the Merger Agreement (collectively, the Merger Consideration). The Anchor board of directors unanimously determined that the Merger on the terms set forth in the Merger Agreement is in the best interests of Anchor and the Anchor shareholders.

The Merger value will fluctuate with the market price of Old National common stock and will not be known at the time Anchor shareholders vote on the Merger. Based on the \$16.45 closing price of Old National s common stock on the NASDAQ Global Select Market on August 7, 2017, the date of execution of the Merger Agreement, the Exchange Ratio represented approximately \$22.21 in value for each share of Anchor common stock, in addition to the \$2.625 in cash per share. Based on the \$17.60 closing price of Old National s common stock on September 25, 2017, the Exchange Ratio represented approximately \$23.76 in value for each share of Anchor common stock, in addition to the \$2.625 in cash per share. Based on the Exchange Ratio and the number of shares of Anchor common stock outstanding and issuable at the effective time of the Merger as of September 25, 2017, the number of shares of Old National common stock issuable in the Merger would be up to 16,598,583 shares and the amount of cash to be paid to Anchor shareholders would be up to approximately \$32,275,000, reflecting an aggregate transaction value as of September 25, 2017 of up to approximately \$324,410,000. **We urge you to obtain current market quotations for Old National (trading symbol ONB).**

The Merger is conditioned upon, among other things, the approval of the Merger Agreement by the Anchor shareholders. This document is a proxy statement that the Anchor board of directors is using to solicit proxies for use at a special meeting of shareholders to be held on October 30, 2017. At the meeting, the Anchor shareholders will be asked to (1) approve the Merger Agreement, (2) adjourn the meeting if necessary to solicit additional proxies, and (3) transact such other business as may properly be brought before the meeting or any adjournment or postponement thereof.

This document is also a prospectus relating to Old National's issuance of up to 16,598,583 shares of Old National common stock in connection with the completion of the Merger.

For a discussion of certain risk factors relating to the Merger, see the section entitled Risk Factors beginning on page 15.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of the securities to be issued under this proxy statement and prospectus or determined if this proxy statement and prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

The securities to be issued in connection with completion of the Merger are not savings or deposit accounts or other obligations of any bank or nonbank subsidiary of any of the parties, and they are not insured by the Federal Deposit Insurance Corporation, the Deposit Insurance Fund or any other governmental agency.

Edgar Filing: OLD NATIONAL BANCORP /IN/ - Form 424B3

This proxy statement and prospectus is dated September 28, 2017, and it is first being mailed to Anchor shareholders on or about September 29, 2017.

To the Shareholders of Anchor Bancorp, Inc.:

We will hold a special meeting of the shareholders of Anchor Bancorp, Inc. (Anchor) on October 30, 2017, at 3:30 p.m., Central Time, at Southview Country Club, 239 Mendota Road East, West St. Paul, Minnesota 55118, to consider and vote upon:

1. *Merger Proposal.* A proposal to approve the Merger Agreement pursuant to which Anchor will merge with and into Old National.

3. *Other Matters.* Such other matters as may properly come before the special meeting or any adjournment of the special meeting. The Anchor board of directors is not aware of any such other matters as of the date of this proxy statement and prospectus.

The enclosed proxy statement and prospectus describes the Merger Agreement and the proposed Merger in detail and includes, as **Annex A**, the complete text of the Merger Agreement. We urge you to read these materials for a description of the Merger Agreement and the proposed Merger. **In particular, you should carefully read the section entitled Risk Factors beginning on page 15 of the enclosed proxy statement and prospectus for a discussion of certain risk factors relating to the Merger.**

The board of directors of Anchor unanimously recommends that shareholders vote (1) FOR approval of the Merger Agreement and (2) FOR approval of the Adjournment Proposal. The board of directors of Anchor fixed the close of business on September 25, 2017, as the record date for determining the shareholders entitled to notice of, and to vote at, the special meeting and any adjournments or postponements of the special meeting.

YOUR VOTE IS IMPORTANT. The Merger Agreement must be approved by the affirmative vote of the holders of at least a majority of the voting power of all outstanding shares of Anchor stock entitled to vote. If you do not return your proxy or do not vote in person at the special meeting, the effect will be the same as a vote against the Merger Agreement. Whether or not you plan to attend the special meeting in person, we urge you to date, sign and return promptly the enclosed proxy in the accompanying envelope. You may revoke your proxy at any time before the special meeting by sending a written notice of revocation, submitting a new proxy or by attending the special meeting and voting in person.

Under Minnesota law, if the Merger is completed, Anchor shareholders of record who do not vote to approve the Merger Agreement, and otherwise comply with the applicable provisions of Minnesota law pertaining to objecting shareholders, will be entitled to exercise dissenters' rights and obtain payment in cash for the fair value of their shares of Anchor stock by following the procedures set forth in detail in this proxy statement and prospectus. A copy of the sections of the Minnesota Business Corporation Act pertaining to dissenters' rights are included as **Annex C** to this proxy statement and prospectus.

QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE SPECIAL MEETING

Q: What am I voting on?

A: You are being asked to vote to approve the Merger Agreement, pursuant to which Anchor will merge with and into Old National. Old National would be the surviving entity in the Merger, and Anchor would no longer be a separate company.

Additionally, you are being asked to vote to approve the Adjournment Proposal.

Q: What will I receive in the Merger?

A: If the Merger is completed, each share of Anchor common stock will be converted into the right to receive, as set forth in the Merger Agreement, 1.350 shares of Old National common stock (the Exchange Ratio), subject to adjustment as summarized below, and \$2.625 in cash (the Cash Consideration) (collectively, the Merger Consideration). If the Anchor Consolidated Shareholders Equity (as defined in the Merger Agreement) is less than \$179,000,000 as of the end of the month prior to the effective time of the Merger, the Exchange Ratio will be decreased as provided in the Merger Agreement.

In addition, if the Average Old National Closing Price is less than \$15.00 per share, Anchor will have the right to terminate the Merger Agreement unless Old National elects to increase the Cash Consideration pursuant to the formula described in the section entitled The Merger Agreement Merger Consideration. The Average Old National Closing Price shall mean the volume-weighted average of the per share closing prices of a share of Old National common stock as quoted on the NASDAQ Global Select Market during the 10 trading days preceding the fifth calendar day preceding the effective time of the Merger.

The Merger Agreement requires Anchor to take action prior to the closing to redeem at par all of the issued and outstanding shares of the Voting Preferred Stock and the Class A1 Preferred Stock of Anchor, and as a result, holders of those two classes of stock will not receive the Merger Consideration.

Q: Will the Exchange Ratio adjust based on the trading price of Old National common stock prior to closing?

A: No. The Exchange Ratio is fixed and will not increase or decrease solely due to changes in the trading price of Old National common stock prior to the closing of the Merger. The Exchange Ratio is subject to adjustment as described above.

Q: What is the value of the per share Merger Consideration?

A: Because the Exchange Ratio is fixed, the per share value of the Merger Consideration for Anchor shareholders will fluctuate as the market price of Old National common stock fluctuates before the completion of the Merger. This price will not be known at the time of the Anchor special meeting and may be more or less than the current price of Old National common stock or the price of Old National common stock at the time of the special meeting. Based on the \$16.45 closing stock price of Old National common stock on the NASDAQ Global Select Market on August 7, 2017, the trading day immediately preceding the public announcement date of the Merger, the value of the per share Merger Consideration for Anchor shareholders would be approximately \$24.84. Based on the \$17.60 closing stock price of Old National common stock on the NASDAQ Global Select Market on September 25, 2017, the latest practicable date before the date of this proxy statement and prospectus, the value of the per share Merger Consideration for Anchor shareholders would be approximately \$26.39. We urge you to obtain current market quotations for shares of Old

National common stock.

Table of Contents

Q: When will shareholders receive their share of the Merger Consideration?

A: Promptly after the closing of the Merger, Old National will mail to each holder of Anchor common stock a letter of transmittal with a form providing instructions for the exchange of shares for the Merger Consideration. Upon Old National's receipt of a properly completed and executed exchange form, Old National will issue to each holder of Anchor common stock a statement of ownership of book-entry shares representing that number of shares of Old National common stock (including fractional shares) that each holder of Anchor common stock has the right to receive and a check in the amount of such holder's share of the Cash Consideration and dividends or distributions which such holder shall be entitled to receive.

Q: Why do Anchor and Old National want to engage in the Merger?

A: Anchor believes that the Merger will provide its shareholders with substantial benefits, and Old National believes that the Merger will further its strategic growth plans. To review the reasons for the Merger in more detail, see Proposal 1 The Merger Anchor's Reasons for the Merger and Recommendation of the Board of Directors beginning on page 30 and Proposal 1 The Merger Old National's Reasons for the Merger beginning on page 33.

Q: What risks should I consider before I vote on the Merger Agreement?

A: You should review Risk Factors beginning on page 15.

Q: Will Old National shareholders receive any shares or cash as a result of the Merger?

A: No. Old National shareholders will continue to own the same number of Old National shares they owned before the effective time of the Merger.

Q: Who is entitled to vote on each of the matters to be considered at the special meeting?

A: Shareholders of record of Anchor's common stock, Class A1 Preferred Stock and Voting Preferred Stock at the close of business on September 25, 2017, the record date for the meeting, are entitled to vote on each of the proposals at the special meeting, together as a single class. At the close of business on the record date, there were 11,651,228 shares of common stock, 65,313 shares of Class A1 Preferred Stock and 2,150,000 shares of Voting Preferred Stock outstanding and entitled to vote at the meeting.

Q: How many votes may I cast?

A: Each share of Anchor common stock is entitled to one vote on each proposal at the special meeting. Each share of Anchor's Class A1 Preferred Stock or Voting Preferred Stock is entitled to four votes on each proposal at the special meeting. The proxy card included with this proxy statement indicates the number of shares owned by an account attributable to you.

Q: What vote is required to approve each proposal at the Anchor special meeting and what happens if I do not return a proxy or otherwise do not vote?

A: Approval of the Merger Agreement requires the affirmative vote of the holders of at least a majority of the voting power of the 20,512,480 votes entitled to be cast by the shareholders of Anchor common stock, Class A1 Preferred Stock and Voting Preferred Stock outstanding on the record date, voting together as a single class.

Because the required vote of Anchor shareholders on the Merger Agreement is based upon the number of outstanding shares of Anchor stock entitled to vote rather than upon the number of shares actually voted, a failure to vote and abstentions will have the same practical effect as a vote AGAINST approval of the Merger Agreement.

Table of Contents

In connection with the execution of the Merger Agreement, certain entities affiliated with Carl W. Jones, the Chairman of the Board and Chief Executive Officer of Anchor, and his family, executed voting agreements pursuant to which they agreed to vote their shares entitled to vote in favor of the Merger Agreement. As of the record date, these shareholders beneficially owned 8,286,020 common shares, or approximately 71.1% of the outstanding shares of Anchor common stock, 2,150,000 shares of Voting Preferred Stock, 100% of the outstanding shares of the Voting Preferred Stock, and 64,813 shares of Class A1 Preferred Stock, or approximately 99.2% of the outstanding shares of the Class A1 Preferred Stock, collectively representing 84% of the votes of the outstanding shares of Anchor voting together as a single class. Accordingly, Anchor expects that the Merger Agreement will be approved at the special meeting.

Approval of the Adjournment Proposal requires the affirmative vote of a majority of the voting power of the shares present in person or by proxy at the special meeting and entitled to vote. A failure to vote will have no effect on this proposal, but abstentions will have the same practical effect as a vote **AGAINST** approval of the Adjournment Proposal.

If you properly complete and sign your proxy but do not indicate how your shares of Anchor stock should be voted on a proposal, the shares of Anchor stock represented by your proxy will be voted as the Anchor board of directors recommends and therefore, **FOR** approval of the Merger Agreement, and **FOR** approval of the Adjournment Proposal.

Q: Am I entitled to exercise dissenters' rights instead of receiving the per share Merger Consideration for my shares of Anchor common stock?

A: Anchor shareholders are entitled to dissenters' rights under Sections 302A.471 and 302A.473 of the Minnesota Business Corporation Act (the **MBCA**) provided they follow the procedures and satisfy the conditions set forth in Sections 302A.471 and 302A.473 of the **MBCA**. For more information regarding dissenters' rights, see the section entitled **Dissenters' Rights of Anchor Shareholders** beginning on page 62 of this proxy statement and prospectus.

In addition, a copy of Sections 302A.471 and 302A.473 of the **MBCA** are attached as **Annex C** to this proxy statement and prospectus. Failure to strictly comply with Sections 302A.471 and 302A.473 of the **MBCA** may result in your waiver of, or inability to, exercise dissenters' rights.

Q: What do I need to do now?

A: After reading this proxy statement and prospectus, you may vote in one of two ways: (1) by mail (by completing and signing the proxy that accompanies this proxy statement and prospectus); or (2) in person (by either delivering the completed proxy or by casting a ballot if attending the special meeting). In the event that you choose not to exercise your vote in person, you should mail your signed proxy in the accompanying pre-addressed, postage-paid envelope as soon as possible so that your shares can be voted at the October 30, 2017, Anchor special meeting.

Q: Can I change my vote after I have mailed my signed proxy?

A: Yes. You can change your vote at any time before your proxy is voted at the special meeting. You can do this in one of three ways. First, you can send a written notice stating that you revoke your proxy. Second, you can complete and submit a new proxy, dated at a date later than your most recent proxy. Third, you can attend the special meeting and vote in person. Your attendance at the special meeting will not, however, by itself revoke your proxy.

Q: What constitutes a quorum?

A: The holders of a majority of the outstanding shares of Anchor stock entitled to vote as of the record date must be present in person or by proxy at the special meeting to constitute a quorum. In determining whether a quorum is present, shareholders who abstain will be treated as present for determining the presence or absence of a quorum.

Table of Contents

Q: What happens if the Merger is not completed?

A: Anchor and Old National expect to complete the Merger in the first quarter of 2018. However, neither Anchor nor Old National can assure you of when or if the Merger will be completed. Anchor and Old National must first obtain the approval of Anchor shareholders for the Merger, as well as obtain necessary regulatory approvals and satisfy certain other standard closing conditions. If the Merger is not completed, Anchor shareholders will not receive any consideration for their shares and will continue to be Anchor shareholders. Each of Anchor and Old National will remain independent companies. Under certain circumstances, Anchor may be required to pay Old National a fee with respect to the termination of the Merger Agreement, as described under [The Merger Agreement Termination Fee](#).

Q: When is the Merger expected to be completed?

A: We are working to complete the Merger as quickly as possible. We must obtain the necessary regulatory approvals and the approval of the Merger Agreement by Anchor shareholders at the special meeting. We currently expect to complete the Merger early in the first quarter of 2018.

Q: What are the tax consequences of the Merger to me?

A: The Merger is intended to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, as amended (the [Code](#)). Anchor shareholders generally will not recognize gain or loss on shares of the Old National common stock received pursuant to the Merger, and their basis in and holding periods for shares of the Old National common stock received may vary among shares if blocks of Anchor common stock were acquired at different times or for different prices.

Anchor shareholders generally will recognize gain (but not loss) in an amount equal to the lesser of (i) the holder's gain realized (i.e., the excess, if any, of the sum of the amount of cash and the fair market value of shares of the Old National common stock received over the holder's adjusted tax basis in his, hers or its shares of Anchor common stock surrendered) or (ii) the amount of cash received pursuant to the Merger.

As a condition to the closing, each of Anchor and Old National must receive an opinion from Krieg DeVault LLP to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the [Code](#). See [United States Federal Income Tax Consequences](#) beginning on page 78 for a more complete discussion of the United States federal income tax consequences of the Merger. Your tax consequences will depend on your personal situation. You should consult your tax advisor for a full understanding of the tax consequences of the Merger to you.

Old National shall pay the Options Settlement Amount in shares of Old National common stock valued at the Average Old National Closing Price. Old National shall pay the Anchor Stock Option holders the Options Settlement Amount, less such amounts as are required to be withheld or deducted under the Code or any provision of state, local or foreign tax law with respect to the making of such payment, on or as soon as reasonably practicable after the closing date of the Merger, but in any event within five business days following the closing date of the Merger.

As of the record date, there were options to purchase 126,710 shares of Anchor common stock at an average exercise price of \$12.76 per share.

Recommendation of Anchor Board of Directors; Anchor's Reasons for the Merger (page 30)

The Anchor board of directors unanimously determined that the Merger on the terms set forth in the Merger Agreement is in the best interests of Anchor and the Anchor shareholders. The Anchor board of directors unanimously recommends that Anchor shareholders vote FOR approval of the Merger Agreement. In reaching its determination, the Anchor board of directors considered a number of factors, which are described in the section entitled Proposal 1 The Merger Anchor's Reasons for the Merger and Recommendation of the Board of Directors beginning on page 30. Because of the wide variety of factors considered, the Anchor board of directors did not believe it practicable, nor did it attempt, to quantify or otherwise assign relative weight to the specific factors it considered in reaching its decision.

The Anchor board of directors also unanimously recommends that you vote FOR approval of the Adjournment Proposal.

Dissenters' Rights of Anchor Shareholders (page 62)

Anchor shareholders of record have dissenters' rights under the MBCA in connection with the Merger.

Anchor shareholders who do not vote in favor of the approval of the Merger Agreement and who otherwise comply with applicable provisions of Sections 302A.471 and 302A.473 of the MBCA will be entitled to exercise dissenters' rights thereunder. Any shares of Anchor common stock held by an Anchor shareholder as of the record date who has not voted in favor of the approval of the Merger Agreement and who has demanded appraisal for such shares in accordance with the MBCA will not be converted into a right to receive the Merger Consideration, unless such Anchor shareholder fails to perfect, withdraws or otherwise loses such shareholder's dissenters' rights under the MBCA. If, after the consummation of the Merger, such holder of Anchor common stock fails to perfect, withdraws or otherwise loses his, her or its dissenters' rights, each such share will be treated as if it had been converted as of the consummation of the Merger into a right to receive the Merger Consideration. The relevant provisions of the MBCA are included as **Annex C** to this proxy statement and prospectus.

You are encouraged to read these provisions carefully and in their entirety. Due to the complexity of the procedures for exercising your dissenters' rights, Anchor shareholders who are considering exercising such rights are encouraged to seek the advice of legal counsel.

Failure to strictly comply with these provisions will result in the loss of dissenters' rights. See the section entitled Dissenters' Rights of Anchor Shareholders beginning on page 62 of this proxy statement and prospectus and the text of Sections 302A.471 and 302A.473 of the MBCA reproduced in their entirety as **Annex C** to this proxy statement and prospectus for additional information.

Voting Agreements (page 60)

In connection with the execution of the Merger Agreement, certain entities affiliated with Carl W. Jones and his family, executed voting agreements pursuant to which they agreed to vote their shares entitled to vote in favor of the Merger Agreement. As of the record date, these shareholders beneficially owned 8,286,020 common shares, or approximately 71.1% of the outstanding shares of Anchor common stock, 2,150,000 shares of Voting Preferred Stock, 100% of the outstanding shares of the Voting Preferred Stock, and 64,813 shares of Class A1 Preferred Stock, or approximately 99.2% of the outstanding shares of the Class A1 Preferred Stock, collectively representing 84% of the votes of the outstanding shares of Anchor voting together as a single class. Accordingly, Anchor expects that the Merger Agreement will be approved at the special meeting.

Lock-Up Agreement (page 60)

Carl W. Jones and Christopher W. Jones executed a lock-up agreement on behalf of an affiliated entity which beneficially owned as of the record date 8,286,020 common shares, or approximately 71.1% of the outstanding shares of Anchor common stock, pursuant to which such shareholder agreed not to sell or enter into any transaction to dispose of shares of Old National common stock it receives in the Merger, or publicly disclose an intention to effect any such transaction, for a period of 90 days after the effective time of the Merger. At the effective time of the Merger, Old National expects that this shareholder will receive approximately 11 million shares of Old National common stock or approximately 7.2% of the outstanding shares of Old National common stock after giving effect to the shares of Old National common stock issued in the Merger.

Opinion of Anchor's Financial Advisor (page 34)

In connection with the Merger, the Anchor board of directors received an oral and a written opinion, dated August 7, 2017, from Anchor's financial advisor, Sandler O'Neill & Partners, L.P. (Sandler O'Neill), to the effect that, as of the date of the opinion and based on and subject to the various factors, assumptions and limitations described in the opinion, the Merger Consideration described in the Merger Agreement was fair, from a financial point of view, to the holders of Anchor common stock. The full text of Sandler O'Neill's written opinion, which sets forth, among other things, the assumptions made, procedures followed, matters considered and qualifications and limitations on the review undertaken by Sandler O'Neill in rendering its opinion, is attached to this document as **Annex B**. You should read the opinion carefully and in its entirety. The opinion of Sandler O'Neill is directed to the Anchor board of directors, is directed only to the fairness, from a financial point of view, of the Merger Consideration to the holders of Anchor common stock in the Merger as of the date of the opinion, does not address any other aspect of the transactions contemplated by the Merger Agreement and does not constitute a recommendation to any Anchor shareholder as to how to vote at the Anchor special meeting or any other matter relating to the proposed Merger.

Regulatory Approvals (page 60)

Under the terms of the Merger Agreement, the Merger cannot be completed until Old National receives necessary regulatory approvals, which include the approval of the Office of the Comptroller of the Currency (the OCC) and the approval or waiver of the Board of Governors of the Federal Reserve System (the Federal Reserve Board). Old National has filed an application with the OCC for approval and the Federal Reserve Board has approved Old National's waiver request.

Termination (page 57)

Also, either party may decide, without the consent of the other party, to terminate the Merger Agreement under specified circumstances, including (i) if

Table of Contents

the Merger is not consummated by June 30, 2018 (but only if the party who is terminating the Merger Agreement did not breach the Merger Agreement in a way that caused the Merger to fail to occur on or before June 30, 2018), (ii) if any governmental entity has issued a final and nonappealable order or taken any other action permanently enjoining, restraining or otherwise prohibiting the consummation of the Merger or (iii) if the Anchor shareholders do not approve the Merger Agreement at the Anchor special meeting. In addition, either party may terminate the Merger Agreement if there is a breach of the Merger Agreement by the other party that would cause the failure of conditions to the terminating party's obligation to close, unless the breach is capable of being cured and is cured by the earlier of June 30, 2018 or the date that is 20 days following written notice of the breach.

Old National has the right to terminate the Merger Agreement if the Anchor board (i) fails to recommend in this proxy statement and prospectus that the Anchor shareholders approve the Merger Agreement, or withdraws, modifies or qualifies such recommendation in a manner adverse to Old National, or resolves to do so, or fails to reaffirm such recommendation within five business days after Old National requests in writing that such action be taken, (ii) recommends or endorses an acquisition proposal or (iii) breaches certain obligations, including with respect to the non-solicitation of acquisition proposals or calling a meeting of its shareholders and recommending that they approve the Merger Agreement.

Old National has the right to terminate the Merger Agreement if the after-tax cost of all remedial or other corrective actions and measures required by applicable environmental laws and regulations to be taken with respect to Anchor's real property is estimated to exceed, in the aggregate, \$3,000,000.

Anchor has the right to terminate the Merger Agreement if the Average Old National Closing Price is below \$15.00 per share. Old National has the right to prevent Anchor's termination by agreeing to increase the Cash Consideration pursuant to the formula set forth in the section entitled "The Merger Agreement - Merger Consideration". Anchor also has the right to terminate the Merger Agreement to pursue an alternative transaction that its board of directors has determined, in exercising its fiduciary duties, is superior to the Merger.

Termination Fee (page 59)

Anchor is required to pay Old National a \$11,400,000 termination fee in connection with the termination of the transactions contemplated by the Merger Agreement under certain circumstances, including circumstances involving alternative acquisition proposals with respect to Anchor, changes in the recommendation of the Anchor board, and certain breaches of the Merger Agreement by Anchor, and if the Merger Agreement is terminated due to Anchor failing to obtain the requisite shareholder vote at the duly convened Anchor meeting of shareholders or at any adjournment thereof at which a vote on the approval of the Merger Agreement was taken.

Interests of Certain Directors and Executive Officers of Anchor in the Merger That are Different From Yours (page 65)

You should be aware that some of Anchor's directors and executive officers may have interests in the Merger that are different from, or in addition to, their interests as shareholders. The Anchor board of directors was aware of these interests and took them into account in approving the Merger Agreement.

Additionally, Old National is obligated under the Merger Agreement to provide continuing indemnification to the officers and directors of Anchor and Anchor Bank for a period of six years following the Merger and to provide such directors and officers with directors' and officers' liability insurance for a period of three years following the Merger.

Accounting Treatment of the Merger (page 61)

The Merger will be accounted for as a purchase transaction in accordance with United States generally accepted accounting principles.

Rights of Shareholders After the Merger (page 67)

When the Merger is completed, Anchor shareholders who receive stock, whose rights are currently governed by the Anchor articles of incorporation and bylaws, will become Old National shareholders, and their rights then will be governed by Old National's articles of incorporation and by-laws. Old National is organized under Indiana law and Anchor is organized under Minnesota law. To review the differences in the rights of shareholders under each company's governing documents, see [Comparison of the Rights of Shareholders](#) beginning on page 67.

United States Federal Income Tax Consequences of the Merger (page 78)

Old National and Anchor intend the Merger to qualify as a reorganization for United States federal income tax purposes. If the Merger so qualifies, Anchor shareholders will not recognize any gain or loss for United States federal income tax purposes on the exchange of Anchor shares for Old National shares in the Merger. Anchor shareholders will recognize gain (but not loss) or, in certain circumstances, dividend income in an amount equal to the lesser of (A) the amount of cash received in the Merger, and (B) the excess, if any, of (1) the sum of the amount of cash and the fair market value of shares of the Old National common stock received in the Merger over (2) the Anchor shareholder's aggregate tax basis in the Anchor common stock surrendered in exchange for Old National common stock.

To review the tax consequences of the Merger to Anchor shareholders in greater detail, please see the section [United States Federal Income Tax Consequences](#) beginning on page 78.

Comparative Per Share Data

The following table shows information about Old National's and Anchor's book value per share, cash dividends per share, and diluted earnings per share, and similar information as if the Merger had occurred on the date indicated, all of which is referred to as pro forma information. In presenting the comparative pro forma information for certain time periods, it has been assumed that Old National and Anchor had been merged throughout those periods along with certain other assumptions.

Table of Contents

The information listed as Pro Forma Equivalent Anchor Share was obtained by multiplying the Pro Forma Combined amounts by a fixed Exchange Ratio of 1.350. This information is presented to reflect the fact that Anchor shareholders will receive shares of Old National common stock for each share of Anchor common stock exchanged in the Merger. It is also anticipated that the combined company will derive financial benefits from the Merger that include reduced operating expenses and the opportunity to earn more revenue. The pro forma information, while helpful in illustrating the financial characteristics of the merged company under one set of assumptions, does not reflect these benefits and, accordingly, does not attempt to predict or suggest future results. Further, the pro forma information below excludes one-time expenses related to the Merger. The pro forma information also does not necessarily reflect what the historical results of the combined company would have been had the companies been combined during these periods.

RISK FACTORS

In addition to the other information contained in or incorporated by reference into this proxy statement and prospectus (See [Where You Can Find More Information](#)), including the risk factors included in Old National's Annual Report on Form 10-K for the year ended December 31, 2016, you should consider carefully the risk factors described below in deciding how to vote for the proposals presented in this proxy statement and prospectus. You should keep these risk factors in mind when you read forward-looking statements in this document and in the documents incorporated by reference into this document. Please refer to the section of this proxy statement and prospectus titled [Caution About Forward-Looking Statements](#).

Anchor shareholders cannot be certain of the value of the Merger Consideration they will receive, because the market price of Old National common stock will fluctuate and the Exchange Ratio is subject to adjustment.

Upon completion of the Merger, each share of Anchor common stock will be converted into the Merger Consideration, which consists of approximately 90% of Old National common stock and 10% cash. Although the Cash Consideration is fixed, the Exchange Ratio is subject to downward adjustment, as set forth in the Merger Agreement and described in this proxy statement and prospectus in the event that Anchor's Consolidated Shareholders Equity is less than \$179,000,000. See [The Merger Agreement - Merger Consideration](#) for a more complete discussion of the Merger Consideration to be paid in the Merger.

Additionally, the market value of the Merger Consideration may vary from the closing price of Old National common stock on the date the Merger was announced, on the date that this document was mailed to Anchor shareholders, on the date of the special meeting of the Anchor shareholders and on the date the Merger is completed and thereafter. Any change in the Exchange Ratio or the market price of Old National common stock prior to completion of the Merger will affect the amount of and the market value of the Merger Consideration that Anchor shareholders will receive upon completion of the Merger. Accordingly, at the time of the special meeting, Anchor shareholders will not know or be able to calculate with certainty the amount or the market value of the Merger Consideration they would receive upon completion of the Merger. Stock price changes may result from a variety of factors, including general market and economic conditions, changes in business, operations and prospects, and regulatory considerations. Many of these factors are beyond Old National's or Anchor's control. You should obtain current market quotations for shares of Old National common stock and for shares of Anchor common stock before you vote.

The Merger Agreement may be terminated in accordance with its terms, and the Merger may not be completed, which could have a negative impact on Anchor.

The Merger Agreement is subject to a number of conditions which must be fulfilled, or in certain cases, waived by Old National or Anchor, as applicable, in order to close the Merger. Those conditions include: Anchor shareholder approval, regulatory approvals, the continued accuracy of certain representations and warranties by both parties and the performance by both parties of certain covenants and agreements. In particular, Old National is not obligated to close the Merger if Anchor's Consolidated Shareholders' Equity, as of the end of the month prior to the effective time of the Merger, is not at least \$174,000,000, disregarding any transaction costs.

In addition, certain circumstances exist where Anchor may choose to terminate the Merger Agreement, including a decline in Old National's share price to below a certain threshold set forth in the Merger Agreement. See [The Merger Agreement - Merger Consideration](#) for a more complete discussion of the Merger Consideration to be paid in the Merger and [The Merger Agreement - Termination](#) for a more complete discussion of the circumstances under which the Merger Agreement could be terminated. There can be no assurance that the conditions to closing the Merger will be fulfilled or that the Merger will be completed.

If the Merger Agreement is terminated, there may be various consequences to Anchor, including:

Anchor's business may have been adversely impacted by the failure to pursue other beneficial opportunities due to the focus of management on the Merger, without realizing any of the anticipated benefits of completing the Merger;

Table of Contents

Anchor may have incurred substantial expenses in connection with the Merger, without realizing any of the anticipated benefits of completing the Merger;

Anchor may experience negative reactions from its customers, vendors and employees; and

The reputation of Anchor may be tarnished by the process undertaken with Old National, which may adversely impact its future operations.

If the Merger Agreement is terminated and the Anchor board of directors seeks another merger or business combination, under certain circumstances, Anchor may be required to pay Old National a termination fee of \$11,400,000. Anchor shareholders cannot be certain that Anchor would be able to find a party willing to pay an equivalent or more attractive price than the price Old National has agreed to pay in the Merger.

Anchor shareholders will have a reduced ownership and voting interest after the Merger and will exercise less influence over management.

The Anchor shareholders currently have the right to vote in the election of the Anchor board of directors and on other matters affecting Anchor. When the Merger occurs, each Anchor shareholder will become a shareholder of Old National with a percentage ownership of the combined organization that is much smaller than the shareholder's percentage ownership of Anchor. Because of this, the Anchor shareholders will have less influence on the management and policies of Old National than they now have on the management and policies of Anchor.

Old National may be unable to successfully integrate Anchor Bank's operations and retain Anchor Bank's employees.

Anchor Bank will be merged with and into Old National Bank effective simultaneously with the consummation of the Merger. The difficulties of merging the operations of Anchor Bank with Old National Bank include:

integrating personnel with diverse business backgrounds;

combining different corporate cultures; and

retaining key employees.

The process of integrating operations could cause an interruption of, or loss of momentum in, the activities of Old National, Old National Bank or Anchor Bank, and the loss of key personnel. The integration of Anchor Bank with Old National Bank will require the experience and expertise of certain key employees of Anchor Bank who are expected to be retained by Old National. However, there can be no assurances that Old National will be successful in retaining these employees for the time period necessary to successfully integrate Anchor Bank into Old National Bank. The diversion of management's attention and any delays or difficulties encountered in connection with the merger and integration of Anchor Bank into Old National Bank could have an adverse effect on the business and results of operations of Old National or Old National Bank.

The termination fee and the restrictions on solicitation contained in the Merger Agreement may discourage other companies from trying to acquire Anchor.

Until the completion of the Merger, with some exceptions, Anchor is prohibited from soliciting, initiating, encouraging, or participating in any discussion of, or otherwise considering, any inquiries or proposals that may lead to an acquisition proposal, such as a merger or other business combination transaction, with any person or entity other than Old National. In addition, Anchor has agreed to pay a termination fee of \$11,400,000 to Old National if (i) Old National terminates the Merger Agreement because the Anchor board changes its recommendation, enters into an agreement for an alternative transaction or fails to reaffirm its recommendation within five business days of Old National requesting it do so, (ii) either party terminates the Merger Agreement because the Merger has not occurred before June 30, 2018, and prior to the termination, an acquisition proposal was made known, and within 12 months after termination Anchor enters into a definitive agreement with respect

Table of Contents

to an acquisition proposal, (iii) either party terminates the Merger Agreement because the approval of the Anchor shareholders has not been obtained and within 12 months after termination Anchor enters into a definitive agreement with respect to an acquisition proposal, or (iv) Anchor terminates the Merger Agreement to pursue an alternative transaction that its board of directors has determined, in exercising its fiduciary duties, is superior to the Merger. For more information regarding the termination fee, see the section entitled "The Merger Agreement – Termination Fee" beginning on page 59 of this proxy statement and prospectus. These provisions could discourage other companies from trying to acquire Anchor even though such other companies might be willing to offer greater value to the Anchor shareholders than Old National has offered in the Merger Agreement. The payment of the termination fee also could have a material adverse effect on Anchor's financial condition.

Certain of Anchor's executive officers and directors have interests that are different from, or in addition to, the interests of the Anchor shareholders generally.

Certain of Anchor's executive officers and directors have interests in the Merger that are in addition to, or different from, the interests of the Anchor shareholders. The Anchor board of directors was aware of these interests when it approved the Merger Agreement. For a more detailed discussion of these interests, see "Interests of Certain Directors and Officers of Anchor in the Merger" beginning on page 65.

The fairness opinion obtained by Anchor will not reflect changes in the relative values of Old National and Anchor between the time the opinion was obtained and the effective time of the Merger.

The fairness opinion of Sandler O'Neill was dated as of August 7, 2017. Anchor does not intend to obtain any update of the Sandler O'Neill fairness opinion. Changes in the operations and prospects of Old National and Anchor, general market and economic conditions, and other factors both within and outside of Old National's and Anchor's control may alter the relative value of the companies. Therefore, the Sandler O'Neill opinion does not address the fairness of the Merger Consideration as of the date of this proxy statement and prospectus, the date of the special meeting or at the time the Merger will be completed.

The Merger may fail to qualify as a reorganization for federal tax purposes, resulting in your recognition of taxable gain or loss in respect of your Anchor shares and Anchor may be subject to significant tax liability at the corporate level.

Anchor intends the Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code. Although the Internal Revenue Service (IRS) will not provide a ruling on the matter, Old National and Anchor will, as a condition to closing, each obtain an opinion from Krieg DeVault that the Merger will constitute a reorganization for federal tax purposes. This opinion does not bind the IRS or prevent the IRS from adopting a contrary position. If the Merger fails to qualify as a reorganization, you generally would recognize gain or loss, as applicable, on each share of Anchor common stock surrendered in an amount equal to the difference between your adjusted tax basis in that share and the fair market value of the Merger Consideration received in exchange for that share upon completion of the Merger. Furthermore, if the Merger fails to qualify as a reorganization, Old National, as successor to Anchor, may incur a significant tax liability resulting from a taxable sale of Anchor's assets for United States federal income tax purposes.

The shares of Old National common stock to be received by Anchor shareholders as a result of the Merger will have different rights from the shares of Anchor common stock.

The rights associated with Anchor common stock are different from the rights associated with Old National common stock. See the section of this proxy statement and prospectus entitled "Comparison of the Rights of Shareholders"

beginning on page 67 for a discussion of the different rights associated with Old National common stock.

Table of Contents

Each party is subject to business uncertainties and contractual restrictions while the Merger is pending, which could adversely affect each party's business and operations.

In connection with the pendency of the Merger, it is possible that some customers and other persons with whom Old National or Anchor has a business relationship may delay or defer certain business decisions or might seek to terminate, change or renegotiate their relationships with Old National or Anchor, as the case may be, as a result of the Merger, which could negatively affect Old National's or Anchor's respective revenues, earnings and cash flows, as well as the market price of Old National common stock or the value of Anchor common stock, regardless of whether the Merger is completed.

Under the terms of the Merger Agreement, Anchor is subject to certain restrictions on the conduct of its business prior to completing the Merger, which may adversely affect its ability to execute certain of its business strategies, including the ability in certain cases to enter into or amend contracts, acquire or dispose of assets, incur indebtedness or incur capital expenditures. Such limitations could negatively affect Anchor's businesses and operations prior to the completion of the Merger.

PROPOSAL 1 THE MERGER

Background of the Merger

Anchor's board of directors and executive officers regularly review and discuss Anchor's business strategy, performance, prospects and operations in the context of the economic environment in Minnesota and the United States, developments in the regulation of financial institutions and the competitive landscape. This strategic review process has been guided over the years by the interests of the Jones family, which collectively controls approximately 84% of the voting power of Anchor's shareholders.

In 1967, Winton Jones purchased the North Shore State Bank, which following a series of additional bank acquisitions, eventually became Anchor Bank. Anchor was formed in 1981, as the holding company for the bank subsidiaries. In 1995, Anchor operated with five bank charters under the name Anchor Bank, and in 2009, the charters were consolidated and called Anchor Bank, N.A. In 2015, Anchor acquired Voyager Bank—its first acquisition in two decades—and in 2017, the bank celebrated its 50th anniversary.

The Jones family has controlled Anchor since its formation, and to this day remains active in overseeing its operation. Over the years, Winton's children assumed positions in management and the board of directors of Anchor. Carl Jones assumed the role of Chairman and Chief Executive Officer in 2003, Christopher Jones served as a director of Anchor from 2000-2009 and then again from 2015 to the present, and Helen Jones has served as a director since 2009. In recent years, the Jones family has increased its focus on succession planning and seeking additional liquidity in its investment in Anchor.

At the beginning of 2016, and continuing in early 2017, Anchor's strategic review was focused on the capital condition of Anchor, including the capital that would be required to continue to grow the organization organically and through additional acquisitions. The Capital Committee of the board of directors of Anchor (the Committee) is tasked with evaluating the capital needs of Anchor and advising the full board of directors on capital matters and the general strategy of Anchor. The Committee consists of three members of the Jones family—Carl Jones, Christopher Jones and Helen Jones—and two non-family members, Richard McMahon and Ken Bezdicek. As the capital exploration process evolved, and at the direction of the Jones family, the Committee's role expanded to consider, among other things, possible strategic alternatives available to Anchor, such as potential acquisitions or business combinations involving other financial institutions. Anchor management and members of the Committee also met periodically with investment banking firms with experience in capital raising activities and business combinations in the financial services industry in the Midwest, including Sandler O'Neill, to discuss various alternatives Anchor might consider, including continuing on a standalone basis, seeking acquisition targets or pursuing a sale to another institution.

Early in 2017, the strategic direction of Anchor began to crystalize and take shape. On January 26, 2017, the Committee met to review various capital raising matters, including a four-year projection of Anchor's capital needs. After determining that there was a likelihood that additional capital would be needed in 2017, the Committee established a Capital Task Force (the CTF), consisting of Carl Jones, Jeffrey Hawkins, President, Dennis Nisler, Chief Financial Officer, and Margaret Murphy, Chief Credit Officer, and authorized the CTF to explore alternative methods of raising capital, including private placements and public offerings of stock and other securities. The Committee instructed the CTF to present options to the Committee at its next meeting.

On April 5, 2017, the CTF invited Sandler O'Neill and Barack Ferrazzano Kirschbaum & Nagelberg LLP (BFKN), Anchor's outside legal advisor, to make presentations to the Committee on various capital raising options. The CTF specifically requested that the advisors review the opportunities available to Anchor in the public capital markets. The joint presentation of the advisors addressed:

The current state of the community bank operating environment, capital markets and M&A market;

Sandler O'Neill's and BFKN's views of Anchor's franchise;

The current state of the initial public offering market for privately held community banks;

Table of Contents

Potential valuation levels, based on current market conditions, for a possible initial public offering of Anchor common stock;

Potential benefits and challenges of a possible initial public offering of Anchor common stock; and

The process involved in undertaking a possible initial public offering, including pre-offering preparation, marketing and post-offering life as a public company.

During the meeting, the Committee discussed a number of different strategic pathways for Anchor, including remaining independent and executing Anchor's existing business strategy, pursuing a more accelerated growth plan as a private company, pursuing a more accelerated growth plan as a public company, including through possible acquisitions of other depositories, and exploring a sale of Anchor. The Committee discussed with Anchor's advisors the potential challenges involved in pursuing an initial public offering. Those challenges included, among others:

The substantial cost and time commitment involved in an initial public offering;

The potential risk of diverting management attention and resources from the operation of Anchor's business and towards the completion of an initial public offering;

Uncertainties regarding the state of the public markets at such future time as an initial public offering could be expected to close;

The risk that such a transaction may not be completed or completed at a lower price than expected;

The addition of burdensome and costly ongoing regulatory and disclosure requirements; and

A loss of some of the control over the organization by the Jones family.

At the conclusion of the meeting, the Committee asked the CTF to further explore the initial public offering process and report back to the Committee at its next meeting. The Committee also approved a \$5 million private common stock capital raise to provide additional capital to satisfy Anchor's short-term capital needs.

On April 19, 2017, the Committee met again with Sandler O'Neill. The CTF reported to the Committee that it had met with Sandler O'Neill after the April 5, 2017 Committee meeting and asked Sandler O'Neill to make an additional presentation to the Committee regarding the exploration of strategic alternatives, including a possible business combination, to provide additional resources to support continued growth, drive shareholder value and provide liquidity to Anchor and its shareholders. Sandler O'Neill's presentation included discussion regarding the following topics:

The status of the merger market for depository institutions in general, and, more specifically, in the Midwest and Minneapolis MSA;

The market's expected view of the Anchor franchise in relation to a potential sale;

A summary of a broad universe of potential acquirors for Anchor, and a more detailed description of a focused group of more likely potential acquirors for Anchor, including a discussion of both desires to pursue a potential acquisition and capacities to deliver attractive financial valuations for those more likely potential acquirors;

Potential valuation considerations for the Anchor franchise based on type of merger consideration possibly offered to Anchor shareholders; and

A discussion of the merger process, including options regarding the breadth of the potential universe of acquirors, timing of a merger process, and confidentiality considerations.

At this meeting, the Committee began exploring the possibility of entering into a strategic transaction with a merger partner, as an alternative to remaining independent or raising capital for acquisitions. In addition to the

Table of Contents

challenges related specifically to an initial public offering and capital raising issues generally, the Committee discussed other headwinds to Anchor's continued success as a stand-alone entity, including the increased regulatory burden imposed on banks since the financial crisis, factors limiting earnings expansion and the intense competition and ongoing consolidation in the industry. The Committee also acknowledged the desire expressed by the Jones family for additional liquidity. At the conclusion of the meeting, the Committee reached a consensus to continue to explore Anchor's different capital raising options, but given the challenges involved in pursuing an initial public offering, the Committee also authorized the CTF to work with Sandler O'Neill to identify potential merger partners. The Committee requested that the CTF provide its recommendation at the next meeting.

The Committee discussed and agreed upon the following desired characteristics of a potential merger partner:

A minimum of \$10 billion in assets in order to provide adequate liquidity to Anchor's shareholders, but less than \$50 billion in assets in order to provide continuity for Anchor's community bank business model;

Attractive financial attributes with regard to valuation of the potential merger partner's public shares, including dividend levels approximating or exceeding the current level of Anchor's dividends;

A financial institution that is headquartered outside of the Minneapolis / St. Paul metropolitan area; and

A partner that is interested in retaining a high percentage of Anchor's current employees.

The Committee also decided to delay the private capital raise of \$5 million until after a decision had been made on the main strategic direction of Anchor.

On May 17, 2017, at a special meeting of the Committee, the CTF reported that it had completed extensive research on various strategic alternatives available to provide Anchor with sources of needed capital to support growth and expansion. Based on its numerous discussions with Anchor's financial and legal advisors, the CTF determined that it would be in the best interests of Anchor and its shareholders for Anchor to pursue a sale to or a merger with a larger publicly traded financial institution. At this meeting, the Chairman of the Committee reported that the Committee had received input and direction from each of the five children of Winton Jones to take action necessary to effectuate this recommendation of the CTF. The Committee authorized management to take all necessary actions to pursue a strategic combination transaction with another financial institution, including the engagement of Sandler O'Neill to serve as financial advisor for Anchor and to identify possible candidates for such a partnership. On May 18, 2017, Anchor entered into an engagement letter with Sandler O'Neill.

Over the next month, representatives of Sandler O'Neill worked with Anchor management to identify parties that might be interested in a partnership with Anchor. Representatives of Sandler O'Neill presented to management a list of five potential merger candidates, including Old National, as the most likely to be interested and most capable of offering to Anchor an attractive proposal, based on the desired characteristics of a potential merger partner described by the Committee. Four of those five potential partners entered into confidentiality agreements and received access to a virtual data room with certain limited due diligence information about Anchor, with one of the potential merger partners declining to explore a potential transaction based on their limited interest in the Minneapolis / St. Paul metropolitan area. Between May 23, 2017 and June 13, 2017, each of the four potential partners had access to the materials in the virtual data room, and each potential partner held preliminary due diligence meetings and/or

conference calls with members of the CTF. On June 6, 2017, based on input from Anchor management, representatives Sandler O Neill distributed to the four potential partners a bid request letter with detailed instructions for submitting a bid to acquire Anchor. In the letter, Sandler O Neill set a deadline of June 13, 2017, for the submission of non-binding indications of interest, and Anchor received indications of interest from three of the initial four potential merger partners on that date. Copies of the indications of interest were distributed to members of the Committee in advance of its June 16, 2017 meeting. Representatives of Sandler O Neill also prepared and distributed to the Committee in advance of its meeting a detailed summary of the indications of interest received.

Table of Contents

On June 16, 2017, the Committee met to review the indications of interest and to continue its consideration of Anchor's strategic options. At the meeting, representatives of Sandler O'Neill gave a presentation to the Committee, which included a review of the discussions held between Anchor management and possible business combination partners, a summary of the bid proposals received earlier in the week, an analysis of Anchor's prospects as a stand-alone enterprise and profiles of the possible business combination partners. The presentation included an assessment of the willingness and capacity to pay and estimated transaction values for each bid. BFKN discussed the fiduciary and legal obligations applicable to directors when considering a sale or merger of Anchor and how those duties applied in the current process. Following the legal presentation, the Committee engaged in a comprehensive discussion of the three potential partners and the perceived relative advantages and disadvantages of each one. The Committee noted that two of the bids were materially higher than the third and concluded that it would focus on the two higher bids. The financial value of the two higher bids was very similar, and the Committee determined that both candidates would satisfy the four main characteristics previously discussed and approved by the Committee for a desired transaction partner. Old National's initial bid provided for the merger of Anchor into Old National and the payment of merger consideration equal to a total of \$311.1 million (based on a closing stock price of \$17.50 on June 9, 2017) consisting of 80% Old National stock and 20% cash. The Committee discussed the possible paths available to take going forward and decided initially to continue discussions with the two financial institutions that had submitted the highest bids. As a next step, and as an initial action in the reverse due diligence process, the Committee requested that members of Anchor management visit with the management teams of these two possible merger partners at their respective office locations. It was noted that this would give management an understanding of the best next possible step to recommend to the Committee. The Committee voted to continue into the next phase of the process with the two highest bidders, including Old National. The Committee requested that Sandler O'Neill and management terminate discussions with the third and lowest bidder.

Members of Anchor management met with the two management teams of the remaining bidders on June 19, 2017. On June 21, 2017, at the request of the Committee, members of management reported back to the Committee the results of their discussions. Anchor management reported that it believed that one of the two bidders, Old National, maintained a culture and system of values that was very comparable to those of Anchor. Anchor's management was highly complementary of Old National's management team and concluded that it would be the best fit for Anchor and its employees when compared with the other potential partner. At the meeting, representatives of Sandler O'Neill presented possible steps for the next phase in the process. Representatives of Sandler O'Neill discussed with the Committee the potential benefits and disadvantages of moving forward with one potential partner versus two. BFKN again discussed the fiduciary duties of directors in considering such a transaction, with a focus on how those duties can be satisfied in a situation that involves a shift from a broader bidding process to bilateral negotiations with one party. The Committee discussed the advantages of pursuing a transaction with Old National as a partner, including the attractive dividend payable on its stock, its superior liquidity in its public trading market when compared with the other bidder and the belief that its culture would be a better fit for Anchor. Sandler O'Neill recommended that, if the Committee preferred Old National as a transaction partner, Anchor request from Old National an increase in the proposed purchase price and pricing collars or a walkaway right to protect Anchor from a material decline in the price of Old National's stock. After extensive discussion, the Committee concluded that, Old National was the most desirable merger partner, and the Committee authorized management, in consultation with Sandler O'Neill, to negotiate the indication of interest with Old National and, if an acceptable indication of interest was submitted by Old National, to negotiate exclusively with Old National to produce a mutually acceptable form of merger agreement to be considered by the full board of directors of Anchor for adoption at a later meeting.

Between June 21, 2017 and June 26, 2017, representatives of Sandler O'Neill and Anchor management negotiated the terms of Old National's indication of interest. On June 26, 2017, Old National delivered a revised indication of interest that included a higher purchase price of \$318.2 million in total (based on a 10-day volume weighted average price of \$17.27 as of June 20, 2017), which valued Anchor at \$26.08 per share of common stock, compared to an initial bid of

approximately \$25.50 per share, consisting of 80% Old National stock and 20% cash. The exchange ratio for the stock consideration would be fixed at 1.51. The revised proposal also

included a single-trigger walkaway right that Anchor could use to terminate the Merger Agreement if the average common stock closing price of Old National's stock during the 10 trading days ending on the fifth business day prior to the closing date of the Merger is below \$15.00 per share. This revised indication of interest was subject to the completion by Old National of additional due diligence on Anchor. Anchor management reviewed the revised indication of interest and requested a small number of clarifying changes unrelated to the proposed purchase price, and on June 27, 2017, Old National delivered a further revised version of the indication of interest that satisfied all of Anchor management's requests. Based on the further revised indication of interest, Anchor management decided to accept the indication of interest and move forward with Old National. At management's request, representatives of Sandler O'Neill informed Old National that Anchor had determined to proceed with it to negotiate a definitive merger agreement and informed the other bidder that it had determined not to discuss anything further at that time.

From June 28, 2017 to July 17, 2017, Old National conducted due diligence on Anchor, including a review of additional materials uploaded to a virtual data room and interviews of Anchor management. Old National's review included a detailed credit review of Anchor's loan portfolio. Anchor and Sandler O'Neill requested that Old National confirm its proposal, including specifically the purchase price, by July 17, 2017, following the completion of its due diligence review. During this period, Old National's counsel began preparing an initial draft of the Merger Agreement. On July 17, 2017, Old National communicated to Anchor a slightly revised proposal based on the results of its due diligence review of Anchor. The proposal changed from the indication of interest dated June 27, 2017, in two substantive ways—first, the exchange ratio for the stock consideration was lowered from 1.51 to 1.49, based on Old National's belief that Anchor's transaction costs would exceed Old National's original estimate. Second, Old National decreased the amount of cash being paid in the transaction from 20% to 10% of the total consideration.

On July 20, 2017, the Committee met to review the revised proposal from Old National. Representatives of Sandler O'Neill reviewed for the Committee the changes that Old National requested to its previous proposal, which primarily related to the proposed purchase price. The revised proposal reduced the amount of cash in the deal from 20% to 10% of total consideration, and the exchange ratio was lowered slightly from 1.51 to 1.49. The Committee authorized Anchor management and representatives of Sandler O'Neill to respond to Old National by agreeing to the new split of stock and cash and a revised exchange ratio of 1.50 in exchange for an increase in the amount of Cash Consideration to a fixed amount of \$2.625 per Anchor share, which amount would value Anchor on an all cash basis at \$26.25 per share in the aggregate, above the high end of the range of prices proposed by the other high bidder. In these revised deal terms, the fixed Exchange Ratio for the stock component of the consideration would be 1.35, which is equal to 90% multiplied by the 1.50 exchange ratio, plus the fixed cash amount of \$2.625 per Anchor share. These pricing terms reflect the final terms that the parties agreed to in the Merger Agreement. Following the meeting, representatives of Sandler O'Neill contacted Old National's financial advisor and representatives of Old National's management team, and on July 20, 2017, Old National agreed to Anchor's counterproposal.

On July 21, 2017, Old National distributed to Anchor an initial draft of the Merger Agreement. Between July 21, 2017, and August 7, 2017, Anchor and Old National and their respective representatives and advisors negotiated the terms of the Merger Agreement. During this time, the parties and their legal advisors exchanged a number of drafts of the Merger Agreement and its exhibits, and worked toward finalizing the terms of the transaction. Also during this period, each party prepared, distributed and finalized a set of disclosure schedules listing certain supplemental information and exceptions to the representations and warranties contained in the Merger Agreement.

On July 25, 2017, Anchor presented Old National with a reverse due diligence list requesting information about Old National and its financial condition and operations. Old National populated a virtual data room with the requested documents, and Anchor and its advisors reviewed the documentation while continuing to negotiate the terms of the Merger Agreement. In addition, Anchor and its advisors reviewed information about Old National that was publicly available, including reports and other materials filed with the SEC. On August 2,

2017, Anchor management and Anchor's advisors hosted a conference call that was attended by several officers of Old National to ask questions in order to supplement Anchor's due diligence review of Old National. BFKN prepared a summary, dated August 3, 2017, of the reverse due diligence review process of Anchor and its advisors.

On July 26, 2017, the full Anchor board of directors held a special meeting to discuss the proposed transaction. At the meeting, the Anchor board received a full report from Anchor management and the members of the Committee on the strategic process to date, including the identification of potential merger partners, the bidding process, management's meetings with the two highest bidders identified by the process and the decision to select one of the bidders, Old National, with which to negotiate a transaction, the due diligence reviews and the ongoing negotiation of the Merger Agreement. Representatives of Sandler O'Neill gave the board a presentation on the following topics:

The current state of the community banking industry and the M&A market;

The bidding process, including the approach taken in identifying likely transaction partners;

An analysis of the value of Anchor as a stand-alone entity, based on information provided by Anchor;

Financial analysis and summary of key terms of Old National's proposal;

A comparison of the proposal to values received in comparable transactions; and

A company profile and business and financial information about Old National.

At the meeting, BFKN discussed in detail with the Anchor board the fiduciary and legal obligations applicable to directors when considering a sale or merger of Anchor.

On August 2, 2017, Anchor management distributed to the Anchor board of directors a substantially final, negotiated version of the Merger Agreement. Between August 2, 2017 and August 7, 2017, Anchor and Old National negotiated one final change to the terms of the Merger Agreement—Old National would permit Anchor to increase the cash dividends payable to its common shareholders by \$1.0 million in total, payable in the third or fourth quarter of 2017. The Merger Agreement was revised to reflect that final change and prepared for execution.

On August 7, 2017, the Anchor board of directors held a special meeting to review and consider approving the Merger Agreement. All directors were present in person and participated in the meeting. The following agenda items occurred at the meeting:

BFKN discussed again the fiduciary obligations of the Anchor directors in considering a sale or merger of Anchor, and BFKN answered director questions on the topic.

BFKN provided a comprehensive review of the proposed Merger Agreement and updated the board on the one substantive change to the draft dated August 2, 2017. Various provisions of the Merger Agreement were discussed and director questions regarding the Merger Agreement were asked and answered.

Sandler O Neill presented its financial analysis, which included a review of the marketing process conducted, a review of the fairness opinion process, a summary of the terms of the proposed Merger, including the Merger Consideration, valuation multiples of the Merger Consideration compared to comparable transactions, pro forma analyses and transaction analyses.

Sandler O Neill delivered its oral opinion, which was subsequently confirmed in writing, to the effect that, as of August 7, 2017, and based on certain assumptions, limitations and qualifications, the Merger Consideration was fair to the common shareholders of Anchor from a financial point of view.

The Anchor board engaged in a detailed and extensive discussion of the Merger Agreement, the financial analyses and the fairness opinion. The Anchor board considered the analyses of Sandler O Neill regarding the

valuation of Anchor as a stand-alone entity and discussed the attributes of Old National's common stock, including its recent market performance, its dividend payout ratio, its trading volume and its relative valuation compared to its peers. The Anchor board also discussed Old National's commitment to community banking and its ethical business culture and philosophy. Following extensive discussion and questions and answers, including consideration of the factors described under Anchor's Reasons for the Merger and Recommendation of the Board of Directors, the Anchor board of directors unanimously determined that the Merger Agreement and the transactions contemplated thereby, including the Merger, were in the best interests of Anchor and its shareholders and authorized Anchor's management to execute and deliver the Merger Agreement.

Following the Anchor board meeting, on August 7, 2017, Anchor and Old National executed and delivered the Merger Agreement and a respective set of disclosure schedules. On that same date, certain of the shareholders of Anchor executed and delivered to Old National voting agreements and lock-up agreements, as required by the Merger Agreement. On August 8, 2017, before the U.S. financial markets opened, Anchor and Old National issued a joint press release announcing the execution of the Merger Agreement and the terms of the Merger. Throughout the process, the Jones family, through its representation in management and on Anchor's board of directors, provided feedback and support in favor of the proposed transaction with Old National.

Anchor's Reasons for the Merger and Recommendation of the Board of Directors

After careful consideration, at a meeting held on August 7, 2017, the Anchor board of directors unanimously determined that the Merger Agreement, including the Merger and the other transactions contemplated thereby, is in the best interests of Anchor and its shareholders and approved the Merger Agreement.

In reaching its decision to approve the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement and recommend that its shareholders vote **FOR** the Merger Agreement, the Anchor board of directors consulted with Anchor management, as well as its independent financial and legal advisors, and considered a number of factors, including the following material factors:

the board's review of the risks and prospects of remaining independent, including the challenges of the current financial, operating and regulatory climate, the increasing costs associated with banking regulation and Anchor's need to raise capital to continue to grow or acquire;

the desirable attributes of Old National as a transaction partner, which satisfied the characteristics agreed upon by the Committee, including:

a minimum of \$10 billion in assets in order to provide adequate liquidity to Anchor's shareholders, but less than \$50 billion in assets in order to provide continuity for Anchor's community bank business model;

attractive financial attributes with regard to valuation of the potential merger partner's public shares, including dividend levels approximating or exceeding the current level of Anchor's dividends;

a financial institution that is headquartered outside of the Minneapolis / St. Paul metropolitan area; and

a partner that is interested in retaining a high percentage of Anchor's current employees;

the purchase price to be paid by Old National, which based on the 10-day trailing volume weighted average price per share of Old National's common stock as of August 4, 2017, of \$16.42, was equal to 190.2% of Anchor's tangible book value and 18.2x of Anchor's earnings for the 12-month period ending on June 30, 2017;

the financial analyses of Sandler O'Neill and its written opinion, dated as of August 7, 2017, delivered to the Anchor board of directors to the effect that, as of that date, and subject to and based on the various assumptions, considerations, qualifications and limitations set forth in the opinion, the Merger Consideration was fair, from a financial point of view, to Anchor's common shareholders;

Old National's current annual cash dividend of \$0.52 per share, which is equivalent to \$0.80 per share on the Anchor shares of common stock exchanged for Old National shares, compared to Anchor's current annual dividend of \$0.49 per share;

the support of the Jones family of the decision to enter into the Merger Agreement, which was demonstrated by the execution of the voting agreements and lock-up agreement;

the shared values, common cultures and commitments of Anchor and Old National to serving their clients and communities;

the naming of Old National as one of the World's Most Ethical Companies for six years in a row, one of only two U.S. institutions in the banking category to receive such an honor;

its knowledge of Anchor's business, operations, financial condition, asset quality, earnings, loan portfolio, capital and prospects both as an independent organization, and as a part of a combined company with Old National;

its understanding of Old National's business, operations, regulatory and financial condition, asset quality, earnings, capital and prospects taking into account presentations by Anchor management of its due diligence review of Old National and information furnished by Sandler O'Neill;

its belief that the Merger will result in a stronger commercial banking franchise with a diversified revenue stream, strong capital ratios, a well-balanced loan portfolio and an attractive funding base that has the potential to deliver a higher value to Anchor's shareholders as compared to continuing to operate as a stand-alone entity;

the expanded possibilities, including organic growth and future acquisitions, that would be available to the combined company, given its larger size, asset base, capital, market capitalization and footprint;

the anticipated pro forma impact of the Merger on Old National, including potential synergies, and the expected impact on financial metrics such as earnings and tangible common equity per share, as well as on regulatory capital levels;

the stock component of the Merger Consideration, which offers Anchor shareholders the opportunity to participate as shareholders of Old National in the future performance of the combined company;

the cash component of the Merger Consideration, which offers Anchor shareholders the opportunity to realize cash for the value of a portion of their shares with immediate certainty of value;

the historical performance of each of Anchor's common stock and Old National's common stock;

the fact that upon completion of the Merger, Anchor shareholders will own approximately 10.9% of the outstanding shares of the combined company (based on the 10-day trailing volume weighted average price per share of Old National's common stock as of August 4, 2017, of \$16.42);

the active trading market in Old National common stock that would give Anchor shareholders greater liquidity for their investment if they desire to sell their shares of Old National received upon completion of the Merger;

recent conditions and activity in the M&A market providing a window of opportunity for a merger of Anchor that would deliver accelerated and enhanced shareholder value, as compared to organic growth;

the benefits to Anchor and its customers of operating as a larger organization, including enhancements in products and services, higher lending limits and greater financial resources;

the increasing importance of operational scale and financial resources in maintaining efficiency and remaining competitive over the long-term and in being able to capitalize on technological developments that significantly impact industry competitive conditions;

the expected social and economic impact of the Merger on the constituencies served by Anchor, including its borrowers, customers, depositors, employees and communities;

the effects of the Merger on Anchor employees, including the prospects for continued employment in a larger organization and various benefits agreed to be provided to Anchor employees;

the board's understanding of the current and prospective environment in which Anchor and Old National operate, including national and local economic conditions, the interest rate environment, increasing operating costs resulting from regulatory initiatives and compliance mandates and the competitive effects of the continuing consolidation in the banking industry;

the ability of Old National to complete the Merger from a financial and regulatory perspective, as demonstrated by Old National's ability to successfully complete numerous previous merger transactions;

the board's understanding that the Merger will qualify as a reorganization under Section 368(a) of the Internal Revenue Code, providing favorable tax consequences to Anchor's shareholders in the Merger; and

the board's review with its independent legal advisor, BFKN, of the material terms of the Merger Agreement, including the board's ability, under certain circumstances, to change its recommendation to Anchor's shareholders and to consider and pursue a better unsolicited acquisition proposal, subject to the potential payment by Anchor of a termination fee to Old National, which the board of directors concluded was reasonable in the context of termination fees in comparable transactions and in light of the overall terms of the Merger Agreement, as well as the nature of the covenants, representations and warranties and termination provisions in the Merger Agreement.

The Anchor board of directors also considered a number of potential risks and uncertainties associated with the Merger in connection with its deliberation of the proposed transaction, including, without limitation, the following:

the risk that the consideration to be paid to Anchor shareholders could be adversely affected by a decrease in the trading price of Old National common stock during the pendency of the Merger;

the potential risk of diverting management attention and resources from the operation of Anchor's business and towards the completion of the Merger;

the restrictions on the conduct of Anchor's business prior to the completion of the Merger, which are customary for merger agreements involving financial institutions, but which, subject to specific exceptions, could delay or prevent Anchor from undertaking business opportunities that may arise or any other action it would otherwise take with respect to the operations of Anchor absent the pending Merger;

the potential risks associated with achieving anticipated cost synergies and savings and successfully integrating Anchor's business, operations and workforce with those of Old National;

the fact that the interests of certain of Anchor's directors and executive officers may be different from, or in addition to, the interests of Anchor's other shareholders as described under the heading "Interests of Certain Directors and Executive Officers of Anchor in the Merger";

that there can be no assurances that all conditions to the parties' obligations to complete the Merger Agreement will be satisfied, including the risk that necessary regulatory approvals or the Anchor shareholder approval might not be obtained and, as a result, the Merger may not be completed;

the risk of potential employee attrition or adverse effects on business and customer relationships as a result of the pending Merger;

the fact that Anchor would be prohibited from affirmatively soliciting acquisition proposals after execution of the Merger Agreement, and Anchor would be obligated to pay to Old National a termination fee if the Merger Agreement is terminated under certain circumstances, which may

Table of Contents

discourage other parties potentially interested in a strategic transaction with Anchor from pursuing such a transaction; and

the possibility of litigation challenging the Merger.

The foregoing discussion of the information and factors considered by the Anchor board of directors is not intended to be exhaustive, but includes the material factors considered by the Anchor board of directors. In reaching its decision to approve the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, the Anchor board of directors did not quantify or assign any relative weights to the factors considered, and individual directors may have given different weights to different factors. The Anchor board of directors considered all these factors as a whole, including discussions with, and questioning of Anchor's management and Anchor's independent financial and legal advisors, and overall considered the factors to be favorable to, and to support, its determination.

The board of directors of Anchor unanimously recommends that you vote FOR approval of the Merger Agreement and the transactions contemplated therein and FOR approval to adjourn the special meeting to permit further solicitation in the event that an insufficient number of votes are cast to approve the Merger Agreement and the transactions contemplated therein. Anchor shareholders should be aware that Anchor's directors and executive officers have interests in the Merger that are different from, or in addition to, those of other Anchor shareholders. The Anchor board of directors was aware of and considered these interests, among other matters, in evaluating and negotiating the Merger Agreement, and in recommending that the Merger proposal be approved by the shareholders of Anchor. See *Interests of Certain Directors and Executive Officers of Anchor in the Merger*.

This summary of the reasoning of Anchor's board of directors and other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed under the heading *Caution About Forward-Looking Statements*.

Old National's Reasons For the Merger

Old National's board of directors concluded that the Merger Agreement is in the best interests of Old National and its shareholders. In deciding to approve the Merger Agreement, Old National's board of directors considered a number of factors, including, without limitation, the following:

Anchor Bank's presence in the Twin Cities which Old National believes offer it robust commercial and industrial lending and retail client growth and opportunities to cross sell many of Old National's existing products and services;

Anchor represents one of few significant entry opportunities into Minnesota's most attractive banking market;

Anchor's business philosophies and operating cultures are compatible with Old National's; and

Old National's management's review of the business, operating efficiencies and cost savings, earnings, and financial condition, including capital levels and asset quality, of Anchor and Anchor Bank.

Effects of the Merger

The respective boards of directors of Old National and Anchor believe that, over the long-term, the Merger will be beneficial to Old National shareholders, including the current shareholders of Anchor who will become Old National shareholders if the Merger is completed. The Old National board of directors believes that one of the potential benefits of the Merger is the cost savings that may be realized by combining the two companies and integrating Anchor Bank as a banking subsidiary of Old National, which savings are expected to enhance Old National's earnings.

Table of Contents

Old National expects to reduce expenses by combining accounting, data processing, retail and lending support, and other administrative functions after completion of the Merger, which will enable Old National to achieve economies of scale in these areas. Promptly following the completion of the Merger, which is expected to occur early in the first quarter of 2018, Old National plans to begin the process of eliminating redundant functions and eliminating duplicative expenses.

The amount of any cost savings Old National may realize in 2018 and beyond will depend upon how quickly and efficiently Old National is able to implement the processes outlined above.

Old National has based these assumptions on its present assessment of where savings could be realized based upon the present independent operations of the two companies. Actual savings in some or all of these areas could be higher or lower than is currently expected.

Old National also believes that the Merger will be beneficial to the customers of Anchor as a result of the additional products and services offered by Old National and its subsidiaries and because of the increased lending capability.

Opinion of Financial Advisor to Anchor

By letter dated May 18, 2017, the Capital Committee of the Anchor board of directors engaged Sandler O'Neill to act as its financial advisor in connection with a possible merger involving Anchor. Sandler O'Neill is a nationally recognized investment banking firm whose principal business specialty is financial institutions. In the ordinary course of its investment banking business, Sandler O'Neill is regularly engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions.

Sandler O'Neill acted as financial advisor to the Anchor board of directors in connection with the proposed merger with Old National and participated in certain of the negotiations leading to the execution of the Merger Agreement. At the August 7, 2017 meeting of the Anchor board of directors, Sandler O'Neill delivered to the Anchor board of directors its oral opinion, which was subsequently confirmed in writing, to the effect that, as of such date, the Merger Consideration was fair to the holders of Anchor common stock from a financial point of view. **The full text of Sandler O'Neill's fairness opinion (the Opinion) is attached hereto as Annex B. The Opinion outlines the procedures followed, assumptions made, matters considered and qualifications and limitations on the review undertaken by Sandler O'Neill in rendering its Opinion. The description of Sandler O'Neill's Opinion set forth below is qualified in its entirety by reference to the Opinion. Anchor's shareholders are urged to read the entire Opinion carefully in connection with their consideration of the proposed merger.**

Sandler O'Neill's Opinion speaks only as of the date of the Opinion. The Opinion was directed to Anchor's board of directors and is directed only to the fairness of the Merger Consideration to the holders of Anchor common stock from a financial point of view. It does not address the underlying business decision of Anchor to engage in the Merger, the relative merits of the Merger as compared to any other alternative business strategies that might exist for Anchor, the effect of any other transaction in which Anchor might engage or any other aspect of the Merger, and is not a recommendation to any Anchor shareholder as to how such shareholder should vote at the special shareholder meeting with respect to the Merger or any other matter. Sandler O'Neill did not express any opinion as to the fairness of the amount or nature of the compensation to be received in the Merger by Anchor's officers, directors, or employees, or class of such persons, if any, relative to the Merger Consideration to be received by Anchor's common shareholders. Sandler O'Neill's opinion was approved by Sandler O'Neill's fairness opinion committee.

In connection with rendering its Opinion, Sandler O'Neill reviewed and considered, among other things:

a draft of the Merger Agreement, dated as of August 7, 2017;

In performing its review, Sandler O'Neill relied upon, without independent verification, the accuracy and completeness of all of the financial and other information that was available to Sandler O'Neill from public sources, that was provided to Sandler O'Neill by Anchor and Old National or that was otherwise reviewed by Sandler O'Neill and Sandler O'Neill assumed such accuracy and completeness for purposes of preparing its Opinion. Sandler O'Neill further relied on the assurances of the respective managements of Anchor and Old National that they were not aware of any facts or circumstances that would have made any of such information inaccurate or misleading in any material respect. Sandler O'Neill did not make an independent evaluation or appraisal of the specific assets, the collateral securing assets or the liabilities (contingent or otherwise) of Anchor or Old National or any of their respective subsidiaries. Sandler O'Neill did not make an independent evaluation of the adequacy of the allowance for loan losses of Anchor, Old National or the combined entity after the Merger and Sandler O'Neill did not review any individual credit files relating to Anchor or Old National. Sandler O'Neill assumed, with Anchor's consent, that the respective allowances for loan losses for both Anchor and Old National were adequate to cover such losses and that they would be adequate on a pro forma basis for the combined entity.

In preparing its analyses, Sandler O'Neill used internal financial projections for Anchor for the years ending December 31, 2017 through December 31, 2021, as provided by the senior management of Anchor. In addition, Sandler O'Neill used publicly available consensus mean analyst earnings per share estimates for Old National for the years ending December 31, 2017 through December 31, 2019, as well as an estimated long-term earnings per share growth rate for the years thereafter and estimated cash dividends per share of Old National common stock for the years ending December 31, 2017 through December 31, 2021, as provided by the senior management of Old National. Sandler O'Neill also received and used in its pro forma analysis certain assumptions relating to transaction costs, purchase accounting adjustments, cost savings and anticipated regulatory and compliance costs, as well as the redemption of Anchor's currently outstanding perpetual preferred and trust preferred securities and the repayment of Anchor's holding company term note following the closing of the Merger, as provided by the senior management of Old National. With respect to the foregoing information, the respective senior managements of Anchor and Old National confirmed to Sandler O'Neill that such information reflected (or, in the case of the publicly available consensus mean analyst earnings per share estimates referred to above, were consistent with) the best currently available projections, estimates and judgments of those respective managements of the future financial performance of Anchor and Old National, respectively, and the other matters covered thereby, and Sandler O'Neill assumed that the financial performance reflected in such information would be achieved. Sandler O'Neill expressed no opinion as to such information, or the assumptions on which such information was based. Sandler O'Neill also assumed that there were no material changes in the respective assets, financial condition, results of operations, business or prospects of Anchor or Old National since the date of the most recent financial data made available to Sandler O'Neill. Sandler O'Neill also assumed in all respects material to its analysis that Anchor and Old National would remain as going concerns for all periods relevant to Sandler O'Neill's analyses.

Sandler O'Neill also assumed, with Anchor's consent, that (i) each of the parties to the Merger Agreement would comply in all material respects with all material terms of the Merger Agreement and all related agreements, that all of the representations and warranties contained in such agreements were true and correct in all material respects, that each of the parties to such agreements would perform in all material respects all of the covenants required to be performed by such party under the agreements and that the conditions precedent in such agreements were not waived, (ii) in the course of obtaining the necessary regulatory or third party approvals, consents and releases with respect to the Merger, no material delay, limitation, restriction or condition would be imposed that would have an adverse effect on Anchor, Old National or the Merger, and (iii) the Merger and any related transaction would be consummated in accordance with the terms of the Merger Agreement without any waiver, modification or amendment of any material term, condition or agreement thereof and in compliance with all applicable laws and other requirements. With Anchor's consent, Sandler O'Neill relied upon the advice Anchor received from its legal, accounting and tax advisors as to all legal, accounting and tax matters relating to the Merger and the other transactions contemplated in connection therewith. Sandler O'Neill expressed no opinion as to any such matters.

Sandler O'Neill's Opinion was necessarily based on financial, economic, regulatory, market and other conditions as in effect on, and the information made available to Sandler O'Neill as of, the date of its Opinion. Events occurring after the date thereof could materially affect Sandler O'Neill's views. Sandler O'Neill has not undertaken to update, revise, reaffirm or withdraw its Opinion or otherwise comment upon events occurring after the date thereof. Sandler O'Neill expressed no opinion as to the market values of Anchor common stock at any time or what the market value of Old National's common stock will be once it is actually received by the holders of Anchor common stock.

In rendering its Opinion, Sandler O'Neill performed a variety of financial analyses. The following is a summary of the material analyses performed by Sandler O'Neill, but is not a complete description of all the analyses underlying Sandler O'Neill's Opinion. The summary includes information presented in tabular format. **In order to fully understand the financial analyses, these tables must be read together with the accompanying text. The tables alone do not constitute a complete description of the financial analyses.** The preparation of a fairness opinion is a

and relevant methods of financial analysis and the application of those methods to the particular circumstances. In arriving at its Opinion, Sandler O'Neill did not attribute any particular weight to any analysis or factor that it considered. Rather, Sandler O'Neill made qualitative judgments as to the significance and relevance of each analysis and factor. Sandler O'Neill did not form an opinion as to whether any individual analysis or factor (positive or negative) considered in isolation supported or failed to support its Opinion, rather, Sandler O'Neill made its determination as to the fairness of the Merger Consideration on the basis of its experience and professional judgment after considering the results of all its analyses taken as a whole. The process, therefore, is not necessarily susceptible to a partial analysis or summary description. Sandler O'Neill believes that its analyses must be considered as a whole and that selecting portions of the factors and analyses to be considered without considering all factors and analyses, or attempting to ascribe relative weights to some or all of such factors and analyses, could create an incomplete view of the evaluation process underlying its Opinion. Also, no company included in Sandler O'Neill's comparative analyses described below is identical to Anchor or Old National and no transaction is identical to the Merger. Accordingly, an analysis of comparable companies or transactions involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and other factors that could affect the public trading values or merger transaction values, as the case may be, of Anchor, Old National and the companies to which they are being compared.

In performing its analyses, Sandler O'Neill also made numerous assumptions with respect to industry performance, business and economic conditions and various other matters, many of which cannot be predicted and are beyond the control of Anchor, Old National and Sandler O'Neill. The analyses performed by Sandler O'Neill are not necessarily indicative of actual values or future results, both of which may be significantly more or less favorable than suggested by such analyses. Sandler O'Neill prepared its analyses solely for purposes of rendering its Opinion and provided such analyses to Anchor's board of directors at the meeting held on August 7, 2017. Estimates on the values of companies do not purport to be appraisals or necessarily reflect the prices at which companies or their securities may actually be sold. Such estimates are inherently subject to uncertainty and actual values may be materially different. The analyses and Opinion of Sandler O'Neill were among a number of factors taken into consideration by Anchor's board of directors in making its determination to approve the Merger Agreement and the transactions contemplated by the Merger Agreement (including the Merger) and the analyses described below should not be viewed as determinative of the decision of Anchor's board of directors or management with respect to the fairness of the Merger. The type and amount of consideration payable in the Merger were determined through negotiation between Anchor and Old National.

Summary of Proposed Merger Consideration and Implied Transaction Metrics. Sandler O'Neill reviewed the financial terms of the proposed merger. Pursuant to the terms of the Merger Agreement, upon the effective time of the Merger, holders of Anchor common stock are entitled to receive, in exchange for each share of Anchor common stock, subject to certain adjustments set forth in the Merger Agreement, consideration equal to (i) 1.350 shares of Old National common stock, and (ii) \$2.625 in cash, equating to an implied deal price per share of \$24.79 based on Old National's volume-weighted average closing price for the ten trading days ended on August 4, 2017, or \$16.42. Sandler O'Neill calculated an aggregate implied transaction value of approximately \$302.7 million, based upon 11,626,074 Anchor common shares outstanding, an additional 500,000 common shares from the conversion of the Series II Convertible Preferred Stock, and the vesting of 170,222 outstanding Anchor stock options with a weighted average strike price of \$12.83.

Net Present Value Analysis. Sandler O'Neill performed an analysis that estimated the net present value per share of Anchor's common stock assuming Anchor performed in accordance with internal projections for Anchor for the years ending December 31, 2017 through December 31, 2021, as provided by the senior management of Anchor. To approximate the terminal value of a share of Anchor common stock at December 31, 2021, Sandler O'Neill applied price to earnings multiples of 15.0x to 20.0x and multiples of tangible book value ranging from 155% to 230%. The terminal values were then discounted to present values using discount rates ranging from 10.0% to 15.0%, which were selected to reflect different assumptions regarding potential desired rates of return of holders of Anchor common stock.

As illustrated in the following tables, the analysis indicates an imputed range of values per share of Anchor common stock of \$17.80 to \$28.02 when applying multiples of earnings per share and \$16.89 to \$29.29 when applying multiples of tangible book value per share.

The terminal values were then discounted to present values using different discount rates ranging from 8.0% to 13.0%, which were chosen to reflect different assumptions regarding required rates of return of holders of Old National common stock.

As illustrated in the following tables, the analysis indicates an imputed range of values per share of Old National common stock of \$13.64 to \$21.08 when applying multiples of earnings per share and \$14.20 to \$21.45 when applying multiples of tangible book value per share.

In connection with its analyses, Sandler O'Neill considered and discussed with the Anchor board of directors how the net present value analyses would be affected by changes in the underlying assumptions. Sandler O'Neill noted that the net present value analysis is a widely used valuation methodology, but the results of such methodology are highly dependent upon the numerous assumptions that must be made, and the results thereof are not necessarily indicative of actual values or future results.

Note: Transaction multiples assume holders of Anchor common stock are entitled to receive, in exchange for each share of Anchor common stock, subject to certain adjustments set forth in the merger agreement, consideration equal to (i) 1.350 shares of Old National common stock, and (ii) \$2.625 in cash, equating to an implied deal price per share of \$24.79 based on Old National's volume-weighted average closing price for the ten trading days ended on August 4, 2017, or \$16.42.

Pro Forma Merger Analysis. Sandler O'Neill analyzed certain potential pro forma effects of the Merger, based on the following information and assumptions: (i) the Merger closes in the fourth calendar quarter of 2017; (ii) approximately 89.5% of outstanding Anchor common shares are converted into the right to receive Old National common stock utilizing a fixed exchange ratio of 1.35 multiplied by Old National's volume-weighted average closing price for the ten trading days ending at or near the time of closing; (iii) approximately 10.5% of outstanding Anchor common shares are converted into the right to receive the cash consideration of \$2.625; (iv) all outstanding Anchor options are exchanged for Old National common stock based on the differential between the purchase price per share and the strike price of each stock option.

Sandler O'Neill also incorporated the following assumptions, as provided by the senior management of Old National (unless otherwise noted): (a) certain internal financial projections for Anchor for the years ending December 31, 2017 through December 31, 2021, as provided by senior management of Anchor; (b) publicly available consensus mean

analyst earnings per share estimates for Old National for the years ending December 31, 2017 through December 31, 2019, as well as an estimated long-term earnings per share growth rate for the years thereafter and estimated cash dividends per share of Old National common stock for the years ending December 31, 2017 through December 31, 2021, as provided by the senior management of Old National; (c) transaction expenses; (d) purchase accounting adjustments; (e) cost savings; (f) anticipated regulatory and compliance costs; and (g) the redemption of Anchor's currently outstanding perpetual preferred and trust preferred securities and the repayment of Anchor's holding company term note following the closing of the Merger. The analysis indicated that the Merger (excluding transaction expenses) could be accretive to Old National's earnings per share in 2018 and could be dilutive to Old National's tangible book value per share at the closing of the Merger.

Sandler O'Neill's Relationship. Sandler O'Neill is acting as financial advisor to the board of directors of Anchor in connection with the Merger. Anchor has agreed to pay Sandler O'Neill a transaction fee in connection with the Merger in an amount equal to 1.15% of the aggregate purchase price which fee at the time of announcement of the Merger was approximately \$3.5 million. A significant portion of Sander O'Neill's fee is contingent upon the closing of the Merger. In addition, Sandler O'Neill received a fee associated with the delivery of its Opinion, which fairness opinion fee will be credited in full towards the portion of the transaction fee due to Sandler O'Neill at the closing of the Merger. Anchor has also agreed to reimburse Sandler O'Neill for certain of its reasonable out-of-pocket expenses and to indemnify Sandler O'Neill and its affiliates and their respective partners, directors, officers, employees and agents against certain liabilities arising out of its engagement. Sandler O'Neill did not provide any other investment banking services to Anchor in the two years preceding the date of its opinion. As Sandler O'Neill previously advised the Anchor board of directors, in the two years preceding the date of Sander O'Neill's Opinion, Sandler O'Neill provided certain investment banking services to, and received fees of approximately \$1.5 million from, Old National. Sandler O'Neill acted as financial advisor to the board of directors of Old National in connection with the sale of Old National's subsidiary, ONB Insurance Group, Inc., to Prime Risk Partners Inc., which transaction closed in May 2016. Sandler O'Neill may provide investment banking services to Old National in the future. In addition, in the ordinary course of its business as a broker-dealer, Sandler O'Neill may purchase securities from and sell securities to Old National and its affiliates. Sandler O'Neill may also actively trade the equity and debt securities Old National or its affiliates for its own account and for the accounts of its customers.

THE MERGER AGREEMENT

Structure of the Merger

Subject to the terms and conditions of the Merger Agreement, at the completion of the Merger, Anchor will merge with and into Old National, with Old National as the surviving corporation. The separate existence of Anchor will terminate as a consequence of the Merger. Old National common stock will continue to be listed on the NASDAQ Global Select Market under the symbol ONB. Simultaneous with the Merger, Anchor Bank will be merged with and into Old National Bank, a wholly-owned subsidiary of Old National.

Under the Merger Agreement, the officers and directors of Old National serving at the effective time of the Merger will continue to serve as the officers and directors of Old National after the Merger is consummated.

Merger Consideration

If the Merger is completed, your shares of Anchor common stock will be converted into the right to receive 1.350 shares of Old National common stock, subject to adjustment as summarized below and \$2.625 in cash. The Exchange Ratio will be adjusted downward if as of the end of the month prior to the effective time of the Merger the Anchor Consolidated Shareholders' Equity is less than \$179,000,000, the Exchange Ratio shall be decreased to a quotient determined by dividing the Adjusted Stock Purchase Price by the total number of shares of Anchor common stock outstanding, and further dividing that number by the Average Old National Closing Price. For purposes of the computation, the Adjusted Stock Purchase Price shall be equal to (x) the Purchase Price, less (y) the difference between \$179,000,000 and the Anchor Consolidated Shareholders' Equity as of the end of the month prior to the effective time of the Merger. The Purchase Price shall be the Average Old National Closing Price multiplied by the total number of shares of Old National common stock to be issued as though the Exchange Ratio was not adjusted. The Anchor Consolidated Shareholders' Equity shall be the consolidated shareholders' equity of Anchor, less the net accumulated other comprehensive income/(loss) as of the end of the month prior to the effective time of the Merger, determined in accordance with GAAP, and to which shall be added the following (which amounts shall also be calculated in accordance with GAAP):

any accruals, reserves or charges resulting from expenses of the Merger and other transactions contemplated by the Merger Agreement;

charges related to the planned termination of Anchor's pension plan;

any accruals, reserves or charges taken by Anchor at the request of Old National; and

a part of the quarterly dividend paid by Anchor to holders of Anchor common stock equal to \$0.0862 times the number of shares of Anchor common stock outstanding as of the record date for such dividend.

If the Merger closed as of September 25, 2017 there would have been no adjustment to the Merger Consideration based upon the Anchor Consolidated Shareholders' Equity. The Exchange Ratio remains subject to change, however, based upon the Anchor Consolidated Shareholders' Equity (computed in accordance with the terms of the Merger Agreement) as of the end of the month before the closing of the Merger.

Additionally, Anchor may terminate the Merger Agreement if the Average Old National Closing Price is less than \$15.00 per share. If Anchor elects to exercise its termination right as described above, it must give prompt written notice thereof to Old National. During the five-business day period commencing with its receipt of such notice, Old National shall have the option to increase the Cash Consideration per share by an amount equal to the difference between (A) \$22.875 per share, and (B) the sum of (1) the Exchange Ratio multiplied by the Average Old National Closing Price plus (2) \$2.625 per share. If Old National elects, it shall give, within such five-business day period, written notice to Anchor of such election and the revised Cash Consideration, whereupon no termination shall be deemed to have occurred and the Merger Agreement shall remain in full force and effect in accordance with its terms (except that the Cash Consideration shall have been so modified).

Treatment of Options to Acquire Shares of Anchor Common Stock

Each option to purchase Anchor common stock granted under the Anchor Stock Option Plans whether vested or unvested, that is outstanding immediately prior to the effective time of the Merger, will be fully vested at the effective time of the Merger and will be converted into the right at the effective time of the Merger to receive the Options Settlement Amount, subject to any consents required from holders of Anchor stock options or necessary amendments to the applicable Anchor Stock Option Plan or award agreements. Old National shall pay the Options Settlement Amount in shares of Old National common stock valued at the Average Old National Closing Price. Old National shall pay the Anchor Stock Option holders the Options Settlement Amount, less such amounts as are required to be withheld or deducted under the Code or any provision of state, local or foreign tax law with respect to the making of such payment, on or as soon as reasonably practicable after the closing date of the Merger, but in any event within five business days following the closing date of the Merger.

As of the record date, there were options to purchase 126,710 shares of Anchor common stock at an average exercise price of \$12.76 per share.

Exchange and Payment Procedures

At and after the effective time of the Merger, each share of Anchor common stock will represent only the right to receive the Merger Consideration in accordance with the terms of the Merger Agreement. Old National will reserve a sufficient number of shares of Old National common stock to be issued as part of the Merger Consideration. As soon as practicable after the effective time of the Merger, but in no event more than five business days thereafter, Old National will mail a letter of transmittal to each holder of record of Anchor common stock with a form providing detailed instructions and requesting usual and customary information (the Exchange Form) necessary to effect the issuance of shares of Old National common stock in exchange for shares of Anchor common stock.

Old National will provide a written notice of ownership of uncertificated shares to each former Anchor registered shareholder setting forth the number of shares of Old National common stock that each holder of Anchor common stock has received in the Merger and a check in the amount of cash that such holder has the right to receive to be delivered to such shareholder upon receipt by Old National of a properly completed and executed Exchange Form. No interest will be paid on any Merger Consideration that any such holder shall be entitled to receive.

The stock transfer books of Anchor will be closed immediately at the effective time of the Merger and after the effective time there will be no transfers on the stock transfer records of Anchor of any shares of Anchor common stock. Old National will be entitled to rely on Anchor's stock transfer books to establish the identity of those persons entitled to receive the Merger Consideration.

Dividends and Distributions

Until Old National receives the Exchange Form, any dividends or other distributions declared after the effective time of the Merger with respect to Old National common shares into which shares of Anchor common stock may have been converted will accrue but will not be paid. When Old National receives the Exchange Form, Old National will pay any unpaid dividends or other distributions, without interest.

Acquisition Proposals by Third Parties

Until the Merger is completed or the Merger Agreement is terminated, Anchor has agreed that it, and its officers, directors and representatives, and those of each Anchor subsidiary, will not:

solicit, initiate or knowingly encourage or facilitate, any inquiries, offers or proposals to acquire Anchor; or

initiate, participate in or knowingly encourage any discussions or negotiations or otherwise knowingly cooperate regarding an offer or proposal to acquire Anchor.

Anchor may, however, furnish information regarding Anchor to, or enter into and engage in discussion with, any person or entity in response to a bona fide unsolicited written proposal by the person or entity relating to an acquisition proposal, or change or withhold its recommendation to Anchor's shareholders regarding the Merger if:

Anchor's board of directors (after consultation with its financial advisors and outside legal counsel) determines in good faith that such proposal may be or could be superior to the Merger for Anchor's shareholders and the failure to consider such proposal would likely result in a breach of the fiduciary duties of Anchor's board of directors;

Anchor provides any information to Old National that it intends to provide to a third party; and

Anchor notifies Old National that it is prepared to change or withhold its recommendation to Anchor's shareholders in response to a superior proposal, and provides Old National with the most current version of any proposed written agreement or letter of intent relating to the superior proposal, and Old National fails, within five days, to make a proposal that would, in the reasonable good faith judgment of the Anchor board of directors (after consultation with financial advisors and outside legal counsel) cause the offer that previously constituted a superior proposal to no longer constitute a superior proposal.

For purposes of the Merger Agreement, the term "superior proposal" means any acquisition proposal relating to Anchor or Anchor Bank, or to which Anchor or Anchor Bank may become a party, that the Anchor board of directors determines in good faith (after having received the advice of its financial advisors) to be (i) more favorable to the shareholders of Anchor, including but not limited to, from a financial point of view, than the Merger (taking into account all the terms and conditions of the proposal and the Merger Agreement, including the \$11,400,000 termination fee) and (ii) reasonably capable of being completed without undue delay.

Conditions to the Merger

The obligations of Old National and Anchor to consummate the Merger are subject to the satisfaction or waiver, on or before the completion of the Merger, of a number of conditions, including:

the Merger Agreement must receive the approval of Anchor's shareholders;

the representations and warranties made by the parties in the Merger Agreement must be true, accurate and correct in all material respects as of the effective time of the Merger unless the inaccuracies do not or will not have a Material Adverse Effect (as defined below) on the party making the representations and warranties. For purposes of the Merger Agreement, Material Adverse Effect is defined to mean any effect which is material and adverse to the results of operations, properties, assets, liabilities, conditions (financial or otherwise), value or business of Anchor and its subsidiaries, taken as a whole, or Old National and its subsidiaries, taken as a whole, or which would materially impair the ability of Anchor or Old National to perform its obligations under the Merger Agreement or otherwise materially threaten or impede the consummation of the Merger and the other transactions contemplated by the Merger Agreement; provided, however, that a Material Adverse Effect shall not include the impact of: (a) changes in banking and similar laws of general applicability to banks or their holding companies or

interpretations thereof by courts or governmental authorities, (b) changes in generally accepted accounting principles or regulatory accounting requirements applicable to banks or their holding companies generally, (c) effects of any action or omission taken pursuant to the Merger Agreement or by Anchor with the prior written consent of Old National, (d) changes resulting from expenses (such as legal, accounting and investment bankers' fees) incurred in connection with the Merger Agreement or the transactions contemplated therein, (e) the impact of the announcement of the Merger Agreement and the transactions contemplated thereby, and compliance with the Merger Agreement on the business, financial condition or results of operations of Anchor and its subsidiaries or Old National and its subsidiaries, and (f) the occurrence of any military or terrorist attack within the United States or any of its possessions or offices; provided that, in no event shall a change in the trading price of shares of Old National common stock, by itself, be considered to constitute a Material Adverse Effect on Old National and its subsidiaries, taken as a whole (the foregoing proviso does not however prevent or otherwise affect a determination that any effect underlying such decline has resulted in a Material Adverse Effect); and provided further, that without regard to any other provision of the Merger Agreement, a Material Adverse Effect shall be deemed to have occurred in the event of the imposition of a formal regulatory enforcement action against Anchor or Anchor Bank following the date of the Merger Agreement;

Old National shall have registered its shares of Old National common stock to be issued to shareholders of Anchor in the Merger with the SEC, and all state securities and blue sky approvals, authorizations and exemptions required to offer and sell such shares shall have been received, the Registration Statement on Form S-4, of which this proxy statement and prospectus is a part, shall have been declared effective by the SEC and no stop order suspending the effectiveness of the Registration Statement has been issued or threatened;

all regulatory approvals required to consummate the transactions contemplated by the Merger Agreement shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof shall have expired, and no such approvals shall contain any conditions, restrictions or requirements which the Old National board of directors reasonably determines in good faith would have a Material Adverse Effect on Anchor or on Old National to such a degree that Old National would not have entered into the Merger Agreement had such conditions, restrictions or requirements been known; and

none of Old National, Anchor, or any Old National subsidiaries or any Anchor subsidiaries, shall be subject to any statute, rule, regulation, injunction, order or decree which prohibits, prevents or makes illegal completion of the Merger, and no material claim, litigation or proceeding shall have been initiated or threatened relating to the Merger Agreement or the Merger.

The obligation of Old National to consummate the Merger also is subject to the fulfillment of other conditions, including:

Anchor and Anchor Bank must have performed, in all material respects, all of their covenants and agreements as required by the Merger Agreement at or prior to the effective time of the Merger;

Old National must have received from Anchor at the closing of the Merger all the items, documents, and other closing deliveries of Anchor, in form and content reasonably satisfactory to Old National, required by the Merger Agreement;

Old National must have received an opinion from Krieg DeVault that the Merger constitutes a tax free reorganization for purposes of Section 368 of the Code;

Old National must have received a letter of tax advice, in a form satisfactory to Old National and at its expense, from an outside, independent certified public accounting firm to be mutually selected by Old National and Anchor to the effect that any amounts that are paid by Anchor before the effective time of the Merger, or required under Anchor's employee benefit plans or the Merger Agreement to be paid at

or after the effective time, to persons who are disqualified individuals under Section 280G of the Code with respect to Anchor, Anchor subsidiaries, or their successors, and that otherwise should be allowable as deductions for federal income tax purposes, should not be disallowed as deductions for such purposes by reason of Section 280G of the Code;

the Old National common stock to be issued to Anchor shareholders must have been approved for listing on the NASDAQ Global Select Market, subject to official notice of issuance;

as of the end of the month prior to the effective time, the Anchor Consolidated Shareholders Equity (as adjusted under the Merger Agreement) shall be at least \$174,000,000; and

Holders of record of no more than 10% of the total issued and outstanding shares of Anchor common stock shall have perfected, or continue to have a right to exercise dissenters rights under the MBCA with respect to their shares of Anchor common stock by virtue of the Merger.

The obligation of Anchor to consummate the Merger also is subject to the fulfillment of other conditions, including:

Old National must have performed, in all material respects, all of its covenants and agreements as required by the Merger Agreement at or prior to the effective time of the Merger;

Anchor must have received from Old National at the closing of the Merger all the items, documents, and other closing deliveries of Old National, in form and content reasonably satisfactory to Anchor, required by the Merger Agreement;

the shares of Old National common stock to be issued as part of the Merger must have been approved for listing on the NASDAQ Global Select Market, subject to official notice of issuance; and

Anchor must have received an opinion from Krieg DeVault that the Merger constitutes a tax-free reorganization for purposes of Section 368 of the Code, as amended.

Expenses

Except as otherwise provided in the Merger Agreement, Anchor and Old National will be responsible for their respective expenses incidental to the Merger.

Employee Benefit Matters

The Merger Agreement requires Old National to make available to the officers and employees of Anchor and any Anchor subsidiary who continue as employees of Anchor, any Anchor subsidiary, Old National, or any Old National subsidiary substantially the same employee benefits, including severance, on substantially the same terms and conditions as Old National offers to similarly situated officers and employees. Anchor and Anchor Bank employees will receive full credit, after the Merger, for all prior service with Anchor, Voyager Bank, Anchor subsidiaries or their

predecessors for purposes of any applicable eligibility and vesting service requirements under any of Old National's employee benefit plans. Anchor and Anchor Bank employees who become employees of Old National or any of its subsidiaries will become eligible to participate in Old National's employee benefit plans as soon as reasonably practicable after the effective time of the Merger, or if later, as of the termination of the corresponding Anchor benefit plan.

Termination

Subject to conditions and circumstances described in the Merger Agreement, either Old National or Anchor may terminate the Merger Agreement if, among other things, any of the following occur:

Anchor shareholders do not approve the Merger Agreement at the Anchor special meeting;

Table of Contents

any governmental authority shall have issued an order, decree, judgment or injunction that permanently restrains, enjoins or otherwise prohibits or makes illegal the consummation of the Merger, and such order shall have become final and non-appealable, or if any consent or approval of a governmental authority whose consent or approval is required to consummate the Merger has been denied;

the Merger has not been consummated by June 30, 2018 (provided the terminating party is not then in willful breach of the Merger Agreement); or

the respective boards of directors of Old National and Anchor mutually agree to terminate the Merger Agreement.

Additionally, Old National may terminate the Merger Agreement at any time prior to the effective time of the Merger if any of the following occur:

any event shall have occurred which is not capable of being cured prior to June 30, 2018 and would result in a condition to the Merger not being satisfied;

Anchor breaches or fails to perform any of its representations, warranties or covenants contained in the Merger Agreement which breach or failure to perform would give rise to the failure of a condition to the Merger, and such condition is not capable of being cured by June 30, 2018, or has not been cured by Anchor within 20 business days after Anchor's receipt of written notice of such breach from Old National;

there has been a Material Adverse Effect on Anchor on a consolidated basis as of the effective time, as compared to that in existence as of August 7, 2017;

Old National elects to exercise its right of termination pursuant to the Merger Agreement regarding certain environmental matters (see Environmental Inspections);

Anchor's board of directors shall fail to include its recommendation to approve the Merger in the proxy statement and prospectus related to Anchor's special shareholders meeting;

Anchor's board of directors, after receiving an acquisition proposal from a third party, has withdrawn, modified or changed its approval or recommendation of the Merger Agreement and approved or recommended an acquisition proposal with a third party;

Anchor shall have entered into, or publicly announced its intention to enter into, a definitive agreement, agreement in principle or letter of intent with respect to an acquisition proposal;

if the Anchor board of directors fails to publicly reaffirm its recommendation of the Merger Agreement, the Merger or the other transactions contemplated by the Merger Agreement within five business days of a written request by Old National to provide such reaffirmation; or

a quorum could not be convened at the meeting of the shareholders of Anchor or at a reconvened meeting held at any time prior to June 30, 2018.

Anchor may terminate the Merger Agreement at any time prior to the effective time of the Merger if any of the following occur:

any event shall have occurred which is not capable of being cured prior to June 30, 2018 and would result in a condition to the Merger not being satisfied;

Old National breaches or fails to perform any of its representations, warranties or covenants contained in the Merger Agreement which breach or failure to perform would give rise to the failure of a condition to the Merger, and such condition is not capable of being cured by June 30, 2018, or has not been cured by Old National within 20 business days after Old National's receipt of written notice of such breach from Anchor;

there has been a Material Adverse Effect on Old National on a consolidated basis as of the effective time, as compared to that in existence as of August 7, 2017;

Table of Contents

if, prior to Anchor's special shareholder meeting, (i) Anchor has received a superior proposal, and in accordance with the Merger Agreement, has entered into an acquisition agreement with respect to the superior proposal, or (ii) if Anchor's board of directors determines in good faith, after consultation with Anchor's outside legal counsel and financial advisors, that the failure of Anchor's board of directors to effect an adverse recommendation change would be reasonably likely to result in a breach of its fiduciary duties to the shareholders of Anchor under applicable law; or

the Average Old National Closing Price is less than \$15.00 per share.

If Anchor elects to exercise its termination right as described immediately above, it must give prompt written notice thereof to Old National. During the five-business day period commencing with its receipt of such notice, Old National shall have the option to increase the Cash Consideration per share by an amount equal to the difference between (A) \$22.875 per share, and (B) the sum of (1) the Exchange Ratio multiplied by the Average Old National Closing Price plus (2) \$2.625 per share. If Old National elects, it shall give, within such five-business day period, written notice to Anchor of such election and the revised Cash Consideration, whereupon no termination shall be deemed to have occurred and the Merger Agreement shall remain in full force and effect in accordance with its terms (except that the Cash Consideration shall have been so modified).

Under certain circumstances described in the Merger Agreement, a \$11,400,000 termination fee may be payable by Anchor to Old National if the Merger Agreement is terminated and the Merger is not consummated. See "The Merger Agreement - Termination Fee."

Termination Fee

Anchor shall pay Old National a \$11,400,000 termination fee if the Merger Agreement is terminated for any of the following reasons:

if Old National terminates the Merger Agreement because Anchor's board of directors fails to include its recommendation to approve the Merger in the proxy statement and prospectus delivered to shareholders or has withdrawn, modified or changed its approval or recommendation of the Merger Agreement or approves or publicly recommends an acquisition proposal with a third party, or Anchor has entered into or publicly announced an intention to enter into another acquisition proposal;

if the Anchor board of directors fails to publicly reaffirm its recommendation of the Merger Agreement, the Merger or the other transactions contemplated in the Merger Agreement within five business days of a written request by Old National to provide such reaffirmation;

if either party terminates the Merger Agreement because it is not approved by the requisite vote of the shareholders of Anchor at the meeting called for such purpose or by Old National because a quorum could not be convened at Anchor's shareholder meeting called to approve the Merger and, prior to the date that is 12 months after such termination Anchor or any Anchor subsidiary enters into any acquisition agreement with a third party or an acquisition proposal is consummated; or

if either party terminates the Merger Agreement because the consummation of the Merger has not occurred by June 30, 2018 and (A) prior to the date of such termination an acquisition proposal was made by a third party and (B) prior to the date that is 12 months after such termination, Anchor or any Anchor subsidiary enters into any acquisition agreement or any acquisition proposal is consummated;

if Anchor terminates the Merger Agreement because prior to Anchor's special shareholder meeting, (i) Anchor has received a superior proposal, and in accordance with the Merger Agreement, has entered into an acquisition agreement with respect to the superior proposal, or (ii) because Anchor's board of directors determines in good faith, after consultation with Anchor's outside legal counsel and financial advisors, that the failure of Anchor's board of directors to effect an adverse recommendation change would be reasonably likely to result in a breach of its fiduciary duties to the shareholders of Anchor under applicable law.

Management and Operations After the Merger

Old National's officers and directors serving at the effective time of the Merger shall continue to serve as Old National's officers and directors until such time as their successors have been duly elected and qualified or until their earlier resignation, death, or removal from office. Old National's articles of incorporation and by-laws in existence as of the effective time of the Merger shall remain Old National's articles of incorporation and by-laws following the effective time, until such articles of incorporation and by-laws are further amended as provided by applicable law.

Environmental Inspections

Under the Merger Agreement, Old National has the right to terminate the Merger Agreement and not consummate the transaction if any of the real estate owned by Anchor or any Anchor subsidiary is determined, after proper investigation, to be contaminated and the cost to remediate such contamination would be estimated in good faith to exceed \$3.0 million.

Effective Time of Merger

Unless otherwise mutually agreed to by the parties, the effective time of the Merger is expected to occur on the first calendar day of the month following the date in which the closing of the Merger occurs. The parties currently anticipate closing the Merger early in the first quarter of 2018.

Regulatory Approvals for the Merger

Under the terms of the Merger Agreement, the Merger cannot be completed until Old National receives necessary regulatory approvals, which include the approval of the OCC and the approval or waiver of the Federal Reserve Board. Old National has filed an application with the OCC for approval and the Federal Reserve Board has approved Old National's waiver request. Old National cannot be certain when such approval or waiver will be obtained or if they will be obtained.

Voting Agreements

In connection with the execution of the Merger Agreement, certain entities affiliated with Carl W. Jones and his family, executed voting agreements pursuant to which they agreed to vote their shares entitled to vote in favor of the Merger Agreement. As of the record date, these shareholders beneficially owned 8,286,020 common shares, or approximately 71.1% of the outstanding shares of Anchor common stock, 2,150,000 shares of Voting Preferred Stock, 100% of the outstanding shares of the Voting Preferred Stock, and 64,813 shares of Class A1 Preferred Stock, or approximately 99.2% of the outstanding shares of the Class A1 Preferred Stock, collectively representing 84% of the votes of the outstanding shares of Anchor voting together as a single class. Accordingly, Anchor expects that the Merger Agreement will be approved at the special meeting.

Lock-Up Agreement

Carl W. Jones and Christopher W. Jones executed a lock-up agreement on behalf of an affiliated entity which beneficially owned as of the record date 8,286,020 common shares, or approximately 71.1% of the outstanding shares of Anchor common stock, pursuant to which such shareholder agreed not to sell or enter into any transaction to dispose of shares of Old National common stock it receives in the Merger, or publicly disclose an intention to effect any such transaction, for a period of 90 days after the effective time of the Merger. At the effective time of the Merger, Old National expects that this shareholder will receive approximately 11 million shares of Old National

common stock or approximately 7.2% of the outstanding shares of Old National common stock after giving effect to the shares of Old National common stock issued in the Merger.

Accounting Treatment of the Merger

Old National will account for the Merger under the purchase method of accounting in accordance with generally accepted accounting principles. Using the purchase method of accounting, the assets (including identified intangible assets) and liabilities of Anchor will be recorded by Old National at their respective fair values at the time of the completion of the Merger. The excess of Old National's purchase price over the net fair value of the tangible and identified intangible assets acquired less liabilities assumed, will be recorded as goodwill.

NASDAQ Global Select Market Listing

Old National common stock currently is listed on the NASDAQ Global Select Market under the symbol ONB. The shares to be issued to the Anchor shareholders in the Merger will be eligible for trading on the NASDAQ Global Select Market.

Dissenters' Rights

Dissenters' rights are statutory rights that, if available under law, enable shareholders to dissent from an extraordinary transaction, such as a merger, and to demand that the corporation pay the fair value for their shares as determined by a court in a judicial proceeding instead of receiving the consideration offered to shareholders in connection with the extraordinary transaction. The shareholders of Anchor have dissenters' rights under Section 302A.471 of the MBCA.

Table of Contents

DISSENTERS RIGHTS OF ANCHOR SHAREHOLDERS

Section 302A.471 of the MBCA entitles any Anchor shareholder who does not vote in favor of the proposal to approve the Merger Agreement to file a notice of intent to demand the fair value of his, her or its Anchor shares. Any Anchor shareholder contemplating an attempt to assert and exercise dissenters rights in connection with the Merger should review carefully the provisions of Sections 302A.471 and 302A.473 of the MBCA (copies of which are provided in **Annex C**), particularly the specific procedural steps required to perfect such rights. **DISSENTERS RIGHTS ARE LOST IF THE PROCEDURAL REQUIREMENTS OF SECTION 302A.473 OF THE MBCA ARE NOT FULLY SATISFIED.**

Set forth below (to be read in conjunction with the full text of Section 302A.473 of the MBCA appearing in **Annex C**) is a brief description of the procedures relating to the exercise of dissenters rights applicable to the proposed Merger. The following description does not purport to be a complete statement of the provisions of Section 302A.473 of the MBCA and is qualified in its entirety by reference thereto.

Under Section 302A.471, Subd. 3(b) of the MBCA, only persons who are either: (i) an Anchor shareholder of record as of the record date or (ii) a beneficial owner of Anchor shares as of the record date are entitled to exercise dissenters rights.

Under Section 302A.473, Subd. 3 of the MBCA, an Anchor shareholder who wishes to exercise dissenters rights, which we refer to as a dissenter, must file a written notice of intent to demand the fair value of the Anchor shares owned by the dissenter, which we refer to as a fair value notice, with Anchor (at 1600 Utica Avenue South, Suite 400, St. Louis Park, Minnesota 55416, Attn: Megan Edwards) before the shareholder vote on the proposal to approve the Merger Agreement. Under Section 302A.471, Subd. 2 of the MBCA, beneficial owners of Anchor shares who desire to exercise statutory dissenters rights must obtain a signed, written consent of the holder of record of the shares held on behalf of such beneficial owner that memorializes the holder of record's assent to the beneficial owner's exercise of dissenters rights, which we refer to as a record holder consent. The beneficial owner must submit the record holder consent to Anchor in addition to his, her or its fair value notice, in each case prior to the shareholder vote on the proposed Merger.

IN ADDITION, THE ANCHOR SHAREHOLDER MUST NOT VOTE HIS, HER OR ITS SHARES IN FAVOR OF THE PROPOSAL TO APPROVE THE MERGER AGREEMENT. A VOTE AGAINST THE PROPOSED MERGER DOES NOT IN ITSELF CONSTITUTE A FAIR VALUE NOTICE AND A FAILURE TO VOTE DOES NOT AFFECT THE VALIDITY OF A TIMELY FAIR VALUE NOTICE. HOWEVER, THE SUBMISSION OF A PROPERLY SIGNED, BLANK PROXY WILL CONSTITUTE A VOTE IN FAVOR OF APPROVING THE MERGER AGREEMENT AND A WAIVER OF STATUTORY DISSENTERS RIGHTS.

If the proposal to approve the Merger Agreement is approved by Anchor shareholders, then Anchor must, pursuant to Section 302A.473, Subd. 4 of the MBCA, send a procedural notice to each dissenter who did not vote in favor of the proposal to approve the Merger Agreement and who timely submitted his, her or its fair value notice (and, if applicable, record holder consent), which we refer to as the procedural notice. Pursuant to Section 302A.473, Subd. 4 of the MBCA, the procedural notice must contain certain required information, including, without limitation, the address to which a dissenter must send a demand for payment in order to obtain payment for such shares and the date by which they must be received. In order to receive the fair value of his, her or its Anchor shares under Section 302A.473 of the MBCA, a dissenter must demand payment within 30 days after Anchor sends its procedural notice to dissenters. Under Minnesota law, notice by mail is given by a corporation when deposited in the United States mail with sufficient postage affixed.

AN ANCHOR SHAREHOLDER WHO FAILS TO MAKE A DEMAND FOR PAYMENT AS REQUIRED BY SECTION 302A.473, SUBD. 4, OF THE MBCA LOSES THE RIGHT TO RECEIVE THE FAIR VALUE OF HIS, HER OR ITS ANCHOR SHARES UNDER SUCH SECTION

Table of Contents**NOTWITHSTANDING THE TIMELY FILING OF NOTICE OF INTENT TO DEMAND PAYMENT UNDER SECTION 302A.473, SUBD. 3. OF THE MBCA PRIOR TO THE SHAREHOLDER VOTE ON THE PROPOSED MERGER.**

Except as provided below, if a demand for payment is duly made by a dissenter with Anchor as required by the procedural notice, then after Anchor's receipt of such demand or the effective date of the Merger, whichever is later, Anchor must pay the dissenter an amount which Anchor estimates to be the fair value of the dissenter's Anchor shares, with interest, if any. For the purpose of a dissenter's appraisal rights under Sections 302A.471 and 302A.473 of the MBCA, fair value means the value of the Anchor shares immediately before the effective date of such Merger. **IT IS POSSIBLE THAT THE FAIR VALUE OF ANCHOR SHARES AS DETERMINED PURSUANT TO DISSENTERS' RIGHTS PROCEDURES MAY BE DETERMINED TO BE LESS THAN THE VALUE OF THE MERGER CONSIDERATION.** Additionally, interest means interest commencing five days after the effective date of such Merger until the date of payment, calculated at the rate provided in Minnesota Statutes Section 549.09, Subd. 1, Paragraph (c), clause (1), which is currently 4%. If a dissenter believes the payment received from Anchor is less than the fair value of the Anchor shares, with interest, if any, such dissenter must give written notice to Anchor of his, her or its own estimate of the fair value of the Anchor shares, with interest, if any, within 30 days after the date Anchor remits its estimate of fair value to such dissenter by mail, which we refer to as the counter demand. The dissenter's counter demand must demand payment of the difference between his, her or its estimate and the amount remitted by Anchor. If such dissenter fails to give written notice of such estimate to Anchor, or fails to demand payment of the difference, within the 30-day time period, such dissenter is entitled only to the amount remitted by Anchor.

Anchor may withhold the remittance described in the preceding paragraph with respect to a dissenter demanding payment who was not the holder of record of Anchor shares as of August 8, 2017—the date of the first public announcement of the proposed Merger—or who is asserting dissenters' rights on behalf of a person who was not a beneficial owner of Anchor shares on such date.

If Anchor and a dissenter (including both dissenters who held Anchor shares on or prior to August 8, 2017, which was the date the Merger was first publicly announced, and dissenters who purchased Anchor shares after such date who have complied with their respective demand requirements) do not settle the dissenter's demand within 60 days after Anchor receives the dissenter's estimate of the fair value of his, her or its Anchor shares, then Anchor must file a petition in a court of competent jurisdiction in the county in which the registered office of Anchor is located, requesting that the court determine the statutory fair value of stock with interest, if any. All dissenters whose demands are not settled within the applicable 60-day settlement period must be made parties to this proceeding.

The court will then determine whether each dissenter in question has fully complied with the provisions of Section 302A.473 of the MBCA, and for all dissenters who have fully complied and not forfeited statutory dissenters' rights, will determine the fair value of the Anchor shares, taking into account any and all factors the court finds relevant (including, without limitation, the recommendation of any appraisers which may have been appointed by the court), computed by any method that the court, in its discretion, sees fit to use, whether or not used by Anchor or a dissenter. The fair value of the Anchor shares as determined by the court will be binding on all dissenters. However, under the statute, dissenters will not be liable to Anchor for the amount, if any, by which payments previously remitted to the dissenters exceed the fair value of such Anchor shares determined by a court, with interest. The costs and expenses of such a court proceeding will be assessed against Anchor, except that the court may assess part or all of those costs and expenses against a dissenter whose action in demanding payment is found to be arbitrary, vexatious or not in good faith.

Under Section 302A.471, Subd. 2 of the MBCA, an Anchor shareholder may not assert dissenters' rights with respect to less than all of the shares of stock registered in such shareholder's name, unless the shareholder dissents with respect to all shares beneficially owned by another person and discloses the name and address of such other person.

Table of Contents

Under Section 302A.471, Subd. 4 of the MBCA, an Anchor shareholder has no right at law or in equity to have the Merger Agreement set aside or rescinded, except if approval or consummation of such Merger Agreement is fraudulent with respect to such shareholder or Anchor.

In view of the complexity of Section 302A.471 and Section 302A.473 of the MBCA, Anchor shareholders who may wish to pursue dissenters' rights should consult their legal and financial advisors.

INTERESTS OF CERTAIN DIRECTORS AND EXECUTIVE OFFICERS OF ANCHOR IN THE MERGER

When considering the recommendation of the Anchor board of directors, you should be aware that some of the directors and executive officers of Anchor have interests that are different from, or in potential conflict with, your interests. The Anchor board of directors was aware of these interests when it approved the Merger Agreement. Except as described below, to the knowledge of Anchor, the directors and executive officers of Anchor do not have any material interest in the Merger apart from their interests as shareholders of Anchor.

Treatment of Options to Acquire Shares of Anchor Common Stock

Each option to purchase Anchor common stock granted under the Anchor Stock Option Plans whether vested or unvested, that is outstanding immediately prior to the effective time of the Merger, will be fully vested at the effective time of the Merger and will be converted into the right at the effective time of the Merger to receive the Options Settlement Amount, subject to any consents required from holders of Anchor stock options or necessary amendments to the applicable Anchor Stock Option Plan or award agreements. Old National shall pay the Options Settlement Amount in shares of Old National common stock valued at the Average Old National Closing Price. Old National shall pay the Anchor Stock Option holders the Options Settlement Amount, less such amounts as are required to be withheld or deducted under the Code or any provision of state, local or foreign tax law with respect to the making of such payment, on or as soon as reasonably practicable after the closing date of the Merger, but in any event within five business days following the closing date of the Merger.

The executive officers and directors of Anchor hold options to purchase 33,376 shares of Anchor common stock as of the record date at an average exercise price of \$9.47 per share.

Deferred Compensation Agreement

As of the effective time of the Merger, Old National shall assume and continue to administer and effectuate the Deferred Compensation Agreement between Anchor Bank and Carl Jones dated as of January 1, 2013, according to its existing terms. As of August 31, 2017, Mr. Jones had an accrued benefit of \$526,400.

Anchor Supplemental Executive Retirement Plan and the Directors Stock Purchase Plan

Anchor shall terminate the Anchor Bank Supplemental Executive Retirement Plan and the 2001 Directors Stock Purchase Plan. Accrued benefits under the plans will be distributed as soon as administratively feasible following the closing date of the Merger in accordance with the requirements of each of the plans and applicable law. As of September 25, 2017, Margaret Murphy would be entitled to benefits estimated at \$137,180 under the Anchor Bank Supplemental Executive Retirement Plan. With the exception of Carl Jones and Jeffrey Hawkins, all of Anchor's directors participate in the Directors Stock Purchase Plan. Under this plan, no benefits are payable to any director, but each director participant is eligible to purchase up to 4,000 shares of Anchor common stock annually, at a purchase price equal to the most recent quarter end purchase price of Anchor common stock. As of September 25, 2017, Thomas Farnham was eligible to purchase up to 1,908 shares and Craig Kalscheur was eligible to purchase up to 4,000 shares.

Anchor Incentive and Bonus Plans

Immediately on or prior to the effective time of the Merger, Anchor shall, subject to the effective time of the Merger, terminate all its and its subsidiaries' incentive and bonus plans, and the accrued benefits as of the closing date of the Merger based on performance metrics shall be paid by Anchor as provided in such plans and in a lump sum on or

prior to the effective time of the Merger. The following is a list of (i) each executive officer of Anchor that participates in Anchor's incentive and bonus plans and (ii) the estimated accrued payouts each officer is entitled to:

Jeffrey Hawkins \$97,500

Dennis Nisler \$79,159

Existing Change in Control Agreements

In June 2017, Anchor Bank entered into Change in Control Agreements (each, a "CIC Agreement") with the following executive officers: Carl Jones, Jeffrey Hawkins, Dennis Nisler and Margaret Murphy which provide for severance payments of 200% of the executive's base compensation payable in equal monthly amounts over 24 months (subject to limitations under Section 280G and Section 409A of the Code) and continuation of health and welfare benefits, in the event of a qualifying termination of the executive's employment as defined under the CIC Agreement within six months before or 24 months following a change in control of Anchor or Anchor Bank. The CIC Agreements include confidentiality obligations and restrictions on solicitation of Anchor customers and employees during and for 18 months following employment. Pursuant to the terms of the Merger Agreement, Old National will assume the CIC Agreements at the effective time of the Merger.

Offers of Employment

Old National Bank has made offers of at will employment to Mr. Hawkins and Ms. Murphy which provide for annual base and short-term cash incentive compensation of approximately \$450,000 for Mr. Hawkins and annual base compensation of \$232,000 for Ms. Murphy, as well as short-term incentive compensation opportunities for Ms. Murphy. As an incentive for Mr. Hawkins and Ms. Murphy to continue their employment with Old National Bank following the effective time of the Merger, Old National Bank has agreed to make estimated payments to Mr. Hawkins and Ms. Murphy of approximately \$845,000 and \$602,000, respectively, which reflect amounts calculated under the terms of their CIC Agreements. Mr. Hawkins' payment is proposed to be paid in a lump sum or over a to be agreed specified period of time and Ms. Murphy's payment is proposed to be paid in a lump sum upon completion of the systems integration, each subject to compliance with Section 409A of the Code. In connection with the payment of the estimated amounts described above, Mr. Hawkins and Ms. Murphy would be required to enter into agreements with Old National Bank with substantially comparable restrictive covenant provisions as those in their CIC Agreements. Mr. Hawkins and Ms. Murphy have not yet accepted their offers.

Indemnification and Insurance of Directors and Officers

Old National has agreed that all rights to indemnification and exculpation from liabilities for acts or omissions occurring prior to the effective time of the Merger existing in favor of current or former directors and officers of Anchor and Anchor Bank as provided in the articles of incorporation or bylaws of Anchor and any existing indemnification agreements or arrangements disclosed to Old National shall survive the Merger and shall continue in full force and effect in accordance with their terms to the extent permitted by law, and shall not be amended, repealed or otherwise modified for a period of six years after the effective time of the Merger in any manner that would adversely affect the rights thereunder of such individuals for acts or omissions occurring or alleged to occur at or prior to the effective time of the Merger.

In addition, Old National has agreed to cause Anchor's and Anchor Bank's directors and officers to be covered for a period of three years after the effective time of the Merger by Anchor's existing directors' and officers' liability insurance policy (or a substitute policy obtained by Old National having the same coverages and amounts and terms and conditions that are not less advantageous to such directors and officers) with respect to acts or omissions occurring before the effective time of the Merger; provided that Old National shall not be required to spend more than 300% of the last annual premium paid by Anchor for such insurance. If the cost of insurance exceeds such limit, Old

National will use its reasonable efforts to obtain as much comparable coverage as possible.

Under the Merger Agreement, Anchor shareholders will exchange their shares of Anchor common stock for shares of Old National common stock and cash. Anchor is organized under the laws of the State of Minnesota, and the rights of Anchor shareholders are governed by the applicable laws of the State of Minnesota, including the MBCA, and the Anchor Amended and Restated Articles of Incorporation (the Anchor Articles) and Amended and Restated Bylaws (the Anchor Bylaws). In addition, as Old National common stock is listed on the NASDAQ Global Select Market, Old National s corporate governance is subject to compliance with the NASDAQ Corporate Governance Rules. Upon consummation of the Merger, the Anchor shareholders will become Old National shareholders, and the Old National Articles, the Old National By-Laws, the IBCL and the rules and regulations applying to public companies will govern their rights as Old National shareholders.

Number, Classification and Qualifications of Directors

The Old National By-Laws provide that the board of directors shall be comprised of 15 members. All directors of Old National are elected for terms expiring at the next annual meeting of the shareholders and until their respective successors have been duly elected and qualified or such director's earlier resignation, death or removal. Any vacancy occurring on the board of directors, whether resulting from an increase in the number of directors or otherwise, may be filled by the affirmative vote of not less than a majority of the remaining directors then in office, even though such directors remaining in office may constitute less than a quorum of the board of directors.

The Anchor Bylaws provide that the board of directors shall consist of at least the number of directors necessary to result in a specific composition designated in the Bylaws but determined by the shareholders. Directors hold office until the next regular meeting of shareholders and until such director's successor is duly elected and qualified, or until such director's earlier death, resignation or removal. Any vacancy occurring on the board due to death, resignation, removal or disqualification of an existing director may be filled by the affirmative vote of a majority of the remaining directors, even if less than a quorum, but a vacancy due to an increase in the size of the board may be filled by the affirmative vote of a majority of the directors serving at the time of the increase acting with a quorum.

The Old National Articles provide that directors need not be shareholders of Old National. The Old National By-Laws provide that a director shall not qualify to serve as such effective as of the end of the term during which he or she becomes 75 years of age. The Old National By-Laws further provide that the board of directors may establish other qualifications for directors in its Corporate Governance Guidelines in effect from time to time.

Election of Directors

Old National's directors are elected by a plurality of the votes cast by the shares entitled to vote at a meeting at which a quorum is present. Old National's board of directors has adopted a corporate governance policy regarding director elections that is contained in Old National's Corporate Governance Guidelines. The policy provides that in any uncontested election, any nominee for director who receives a greater number of votes withheld for his or her election than votes for such election will tender his or her resignation as a director promptly following the certification

without participation by any director so tendering his or her resignation, will consider the resignation offer and recommend to the board of directors whether to accept it. The board of directors, without participation by any director so tendering his or her resignation, will act on the Corporate Governance and Nominating Committee's recommendation no later than 90 days following the date of the annual meeting of shareholders at which the election occurred. If the board of directors decides to accept the director's resignation, the Corporate Governance and Nominating Committee will recommend to the board of directors whether to fill the resulting vacancy or to reduce the size of the board. Old National will promptly disclose the decision of its board of directors and the reasons for the decision in a broadly disseminated press release that will also be filed with the SEC on a Form 8-K.

Removal of Directors

Under the IBCL, directors may be removed in any manner provided in the corporation's articles of incorporation. In addition, the shareholders or directors may remove one or more directors with or without cause, unless the articles of incorporation provide otherwise. The Old National By-Laws provide that any director or the entire board of directors (exclusive of directors who may be elected by the holders of one or more series of preferred stock) may be removed, with or without cause, only by (i) the affirmative vote of the holders of not less than two-thirds (2/3) of the outstanding shares of Old National common stock at a meeting of shareholders called expressly for the purpose of removing one or more directors, or (ii) the affirmative vote of not less than two-thirds (2/3) of the actual number of directors elected and qualified and then in office.

The MBCA provides that any director or the entire board of directors may generally be removed with or without cause by a majority shareholder vote. Anchor's Bylaws provide that any director or all directors or a class of directors, may be removed from office at any time, with or without cause, by a vote of the holders of a majority of the shares entitled to elect them, and the board may remove any director that the board named to fill a vacancy by an affirmative vote of the remaining directors if the shareholders have not elected directors since the appointment to fill the vacancy.

Transactions Involving Directors

The Old National Articles allow directors to have an interest in a contract or transaction with Old National, if the interest is disclosed to or known by the board of directors, and the board authorizes, approves or ratifies the contract or transaction by a majority vote of those present, with the interested director to be counted in determining the existence of a quorum, but not in calculating a majority to approve the transaction. In addition, the IBCL allows a director to have a direct or indirect interest in a transaction with Old National if any of the following circumstances have been established:

Under the MBCA, a contract or transaction between a corporation and one or more of its directors, or a corporation and an organization in or of which one or more of the corporation's directors are directors, officers, or legal representatives or have a material financial interest, is not void or voidable solely by reason of the conflict, provided that the contract or transaction is fair and reasonable at the time it is authorized, it is ratified by two-thirds of the corporation's disinterested shareholders (or by the unanimous affirmative vote of the holders of all

(i) the transaction was fair to Old National; (ii) the material facts of the transaction and the director's interest were disclosed or known to the board of directors or a committee of the board and the board of directors or committee authorized, approved or ratified the transaction; or (iii) the material facts of the transaction and the director's interest were disclosed or known to the shareholders entitled to vote and they authorized, approved or ratified the transaction. A transaction is authorized, approved or ratified under clause (ii) above if it received the affirmative vote of the majority of the directors on the board or the committee who had no interest in the transaction, but a transaction may not be authorized, approved or ratified by a single director. For purposes of the shareholder vote to authorize, approve or ratify a transaction under clause (iii) above, shares owned by or voted under the control of the interested director may be counted in the vote.

However, if the contract or transaction is authorized by the board, under the MBCA, the interested director may not be counted in determining the presence of a quorum and may not vote.

Director Liability

Pursuant to the IBCL, an Old National director will not be liable to Old National shareholders for any action or failure to act in his or her capacity as director, unless the director has breached or failed to perform his or her duties as a director in good faith, with the care an ordinarily prudent person in a like position would exercise under similar circumstances and in a manner the director reasonably believes to be in the best interests of the corporation, and the breach or failure to perform these duties constitutes willful misconduct or recklessness.

Pursuant to the MBCA and the Anchor Articles, a director will not be personally liable to Anchor or its shareholders for monetary damages for breach of fiduciary duty, except for (i) any breach of the director's duty of loyalty to Anchor or its shareholders, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 302A.559 of the MBCA, which relates to illegal distributions or Section 80A.76 of the Minnesota statutes, which relates to violations of Minnesota securities laws, (iv) any transaction from which the director derives an improper personal benefit, or (v) for any act or omission occurring prior to the effective date of the personal liability of directors provision of the Anchor Articles. The Anchor Articles provides that no amendment to or repeal of the personal liability of directors provision of the Anchor Articles shall apply to or have any effect on the liability or alleged liability of any director of Anchor for or with respect to any acts or omissions of such director occurring prior to such amendment.

case of conduct in the individual's official capacity with the corporation, that the individual's conduct was in the best interests of the corporation, and in all other cases, that the individual's conduct was at least not opposed to the corporation's best interests, and (iii) in the case of any criminal proceeding, the individual either had reasonable cause to believe that the individual's conduct was lawful, or the individual had no reasonable cause to believe that the individual's conduct was unlawful.

Unless limited by its articles of incorporation, a corporation must indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director was a party because the director is or was a director of the corporation against reasonable expenses incurred by the director in defense of the proceeding. In addition, unless limited by its articles of incorporation, an officer of a corporation, whether or not a director, is entitled to mandatory indemnification to the same extent as a director, and a corporation may also indemnify and advance expenses to an officer, employee or agent to the same extent as to a director.

The Old National Articles and Old National By-Laws provide that every person who is or was a director, officer or employee of Old National or any other corporation for which he or she is or was serving in any capacity at the request of Old National shall be indemnified by Old National against any and all liability and expense that may be incurred by him or her in connection with, resulting from, or arising out of any claim, action, suit or proceeding, provided that the person is wholly successful with respect to the claim, action, suit or proceeding, or acted in good faith in what he reasonably believed to be in or not opposed to the best interests of Old National or any other corporation for which he or she is or was serving in any capacity at the request of Old National. Old National will also indemnify each director, officer and employee acting in such capacity in connection with criminal proceedings provided the director, officer or employee had no reasonable cause to believe that his or her conduct was unlawful. The indemnification by Old National extends to attorney fees, disbursements, judgments, fines, penalties or settlements. Old National may also advance expenses or undertake the

official capacity of the person (Covered Person), against penalties, judgments, fines, settlements and reasonable expenses (including attorneys' fees and disbursements) incurred by the Covered Person in connection with such proceeding, if with respect to the acts or omissions of the Covered Person complained of in the proceeding, such Covered Person (i) has not been indemnified by another organization or employee benefit plan; (ii) acted in good faith; (iii) received no improper personal benefit, and, in the case of a director, disclosed any material financial interest; (iv) had no reason to believe the conduct was unlawful in the case of a criminal proceeding; and (v) reasonably believed that the conduct was in (or not opposed to) Anchor's best interests.

Under the Anchor Articles, subject to the limitations of applicable federal banking laws and regulations, Anchor shall pay or reimburse reasonable expenses (including attorneys' fees and disbursements) incurred by a Covered Person in advance of the final disposition of the proceeding, if Anchor receives, in writing, (i) an affirmation by Covered Person of the Covered Person's good faith belief that the Covered Person meets the criteria for indemnification set forth in the MBCA; and (ii) an undertaking by the Covered Person to repay such amount if it is ultimately determined that the Covered Person did not meet the criteria for indemnification set forth in the MBCA; and Anchor determines that the facts, as then known to those making the determination, do not preclude indemnification.

Under the Anchor Bylaws, subject to the limitations of applicable federal banking laws and regulations, Anchor may purchase insurance on behalf of any person who is or was a director, officer, employee or agent of Anchor, or is or was serving at the request of Anchor as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against liability asserted against him or her and incurred by such person in any such capacity or arising out of such person's status as such, whether or not Anchor would have the power to indemnify such

Table of Contents

In order for a director, officer or employee to be entitled to indemnification, the person must be wholly successful with respect to such claim or either the board of directors of Old National acting by a quorum consisting of directors who are not parties to, or who have been wholly successful with respect to such claim, action, suit or proceeding, or independent legal counsel must determine that the director, officer or employee has met the standards of conduct required by the Old National Articles.

The IBCL permits Old National to purchase insurance on behalf of its directors, officers, employees and agents against liabilities arising out of their positions with Old National, whether or not such liabilities would be within the above indemnification provisions. Pursuant to this authority, Old National maintains such insurance for the directors, officers and employees of Old National and any subsidiary of Old National.

Advance Notice Requirements for Presentation of Business and Nominations of Directors at Annual Meetings of Shareholders

The Old National By-Laws provide that nominations for the election of directors may be made only by the board of directors following the recommendation of the Old National Corporate Governance and Nominating Committee. The Committee will consider candidates for election suggested by shareholders, subject to the suggestions having been made in compliance with the requirements set forth in Article IV, Section 9 of the Old National By-Laws.

Additionally, shareholders may submit proposals for business to be considered at Old National's annual meeting of shareholders, and include those proposals in Old National's proxy statement and form of proxy delivered to shareholders, in accordance with the requirements of Rule 14a-8 of Regulation 14A promulgated under the Securities Exchange Act of 1934.

The Anchor Bylaws provide that for nominations for the election of directors to be properly brought before an annual meeting of shareholders by a shareholder, the shareholder must comply with the notice procedures set forth in Article II, Section 12 of the Anchor Bylaws. The notice must contain the name(s) and address(es) of the proposing shareholder, and the classes and number of shares of capital stock of Anchor held by the proposing shareholder, and (i) the name, age, business, and residence address of the candidate for election as director; (ii) the principal occupation or employment of the candidate; and (iii) the class and number of shares of Anchor beneficially owned by the candidate.

Additionally, shareholders may submit proposals for business to be considered at Anchor's annual meeting of shareholders if the Shareholder complies with the notice requirements set forth in Article II, Section 12 of the Anchor Bylaws. The notice must contain the name(s) and address(es) of the proposing shareholder, and the classes and number of shares of capital stock of the corporation held by the proposing shareholder, and

a brief description of the business desired to be brought before the meeting and the material interest of the proposing shareholder in such proposal.

Table of Contents**Special Meetings of Shareholders**

The Old National By-Laws provide that special meetings of shareholders may be called by the board of directors, the Chairman of the Board, the Chief Executive Officer or the President of Old National, and shall be called by the Chairman of the Board, the Chief Executive Officer, the President or the Secretary at the written request of a majority of the members of the board of directors or upon delivery to Old National's Secretary of a signed and dated written demand for a special meeting from the holders of at least 25% of all the votes entitled to be cast on any issue proposed to be considered at the proposed special meeting.

The Anchor Bylaws provide that special meetings of shareholders may be called by the chief executive officer, chairman of the board, the president, two or more directors, or one or more shareholders holding at least 10% of the voting power of all shares entitled to vote, except that for any meeting for the purpose of considering any action related to a business combination, including an action to change or otherwise affect the composition of the board for such purpose, must be called by 25% or more of the voting power of all shares entitled to vote. Only business within the purpose or purposes described in the notice or executed waiver of notice may be conducted at a special meeting of the shareholders.

Shareholder Action Without a Meeting

The Old National Articles provide that any action required or permitted to be taken at any meeting of the shareholders may be taken without a meeting if a consent in writing setting forth the action is signed by all the shareholders entitled to vote with respect to it, and the consent is filed with the minutes of the proceedings of the shareholders.

The Anchor Bylaws provide that any action required or permitted to be taken at any annual or special meeting of shareholders may be taken without a meeting by written action signed, or consented to by authenticated electronic communication, by all of the shareholders entitled to vote on the action.

Amendment of Articles of Incorporation and By-laws

The IBCL generally requires the approval of at least a majority of a quorum of shareholders present at a shareholders' meeting (and, in certain cases, a majority of all shares held by any voting group entitled to vote) for amendments to an Indiana corporation's articles of incorporation. However, the IBCL permits a corporation in its articles of incorporation to specify a higher shareholder vote requirement for certain amendments. Certain provisions of the Old National Articles may only be altered, amended or repealed by the affirmative vote of the holders of not less than 80% of the outstanding shares of Old National common stock, given at a meeting of shareholders duly called for that purpose, upon a proposal adopted and recommended by the vote of two-thirds (2/3) of the entire board of directors of Old National. These provisions include Article VIII, Section 11 (relating to the approval of certain business combinations), Article VIII, Section 12 (relating to the board's consideration of certain non-financial factors in the evaluation of business combinations) and Article VIII, Section 13 (relating to limitations on further purchases of shares by shareholders who own 15% or more of Old

Under the MBCA, amendments to the Articles may be proposed by any holder or holders of 3% or more of the voting power of the shares that must then be submitted for shareholder vote at the next regular or special meeting of the shareholders.

Anchor's Bylaws provide that unless otherwise provided by the Articles, the Bylaws, or the MBCA, the shareholders may adopt, amend, or repeal Bylaws, and, subject to the rights of shareholders under and any limitations imposed by the MBCA, the Board may adopt, amend, or repeal Bylaws.

The Old National Articles and the Old National By-Laws provide that the Old National By-Laws may only be altered, amended or repealed by a majority vote of the total number of directors of Old National.

Business Combination Restrictions and Other Shareholder Limitations

Business Combinations

The Old National Articles require the affirmative vote of not less than 80% of the outstanding shares of Old National common stock to approve certain business combinations, including a merger or consolidation of Old National with or into any other corporation, which are not approved and recommended by the vote of two-thirds (2/3) of the entire board of directors of Old National. All other business combinations require the affirmative vote of a majority of the outstanding shares of Old National common stock. This provision of the Old National Articles may not be altered, amended or repealed except by the affirmative vote of the holders of not less than 80% of the outstanding shares of Old National common stock, given at a meeting of shareholders duly called for that purpose, upon a proposal adopted and recommended by the vote of two-thirds (2/3) of the entire board of directors of Old National.

In taking or declining to take any action or in making any recommendation to a corporation's shareholders with respect to any matter, the IBCL provides that directors of Indiana corporations, in their discretion, may consider both the short-term and long-term interests of the corporation, taking into account and weighing, as the directors deem appropriate, the effects of such action or inaction on the corporation's shareholders and other constituencies as well as certain interests described in the IBCL and any other factors the directors consider relevant. The Old National Articles require the board of directors, in connection with exercising its business judgment in determining what is in the best interests of Old National and its shareholders when evaluating a business combination or a tender or exchange offer, consider factors in addition to the adequacy of the financial consideration, such as the following factors and any other factors it deems relevant: the social and economic effects of the transaction on Old National and its

Business Combinations

The MBCA contains a business combination provision which is intended to discourage takeovers in which the acquiring shareholder incurs substantial debt to finance the acquisition, eliminates the remaining shareholders equity, and then disposes of the corporation's assets to pay off the acquisition financing. The Anchor Articles expressly provide that Anchor shall not be subject to the provisions of Section 302A.673.

subsidiaries, depositors, loan and other customers, creditors and other elements of the communities in which Old National and its subsidiaries operate or are located; the business and financial condition and earning prospects of the acquiring person or entity, including,

but not limited to, debt service and other existing or likely financial obligations of the acquiring person or entity, and the possible effect of such conditions upon Old National and its subsidiaries and the other elements of the communities in which Old National and its subsidiaries operate or are located; and the competence, experience and integrity of the acquiring person or entity and its management. This provision of the Old National Articles may not be altered, amended or repealed except by the affirmative vote of the holders of not less than 80% of the outstanding shares of Old National common stock, given at a meeting of shareholders duly called for that purpose, on a proposal adopted and recommended by the vote of two-thirds (2/3) of the entire board of directors of Old National.

The inclusion of the foregoing requirement in the Old National Articles, as well as the flexibility provided to directors under the IBCL to consider non-financial factors and other interests in connection with the evaluation of a business combination transaction, may place the Old National board of directors in a stronger position to oppose a business combination transaction if the board concludes that the transaction would not be in the best interests of Old National and its shareholders, even if the price offered in connection with the proposed business combination is significantly greater than the then market price of Old National's common stock. Accordingly, it may be more difficult for an acquirer to gain control of Old National in a transaction not approved by its boards of directors.

Under the business combinations provision of the IBCL, any shareholder who acquires a 10%-or-greater ownership position in an Indiana corporation with a class of voting shares registered under Section 12 of the Securities Exchange Act of 1934 (and that has not opted-out of this provision) is prohibited for a period of five years from completing a business combination (generally a merger, significant asset sale or disposition or significant issuance of additional shares) with the corporation unless, prior to the acquisition of such 10% interest, the board of directors of the corporation approved either the acquisition of such interest or the proposed business combination. If such board approval is not obtained, then five years after a 10% shareholder has become such, a business combination with the 10% shareholder is permitted if all provisions of the

articles of incorporation of the corporation are complied with and either a majority of disinterested shareholders approves the transaction or all shareholders receive a price per share determined in accordance with the fair price criteria of the business combinations provision of the IBCL.

Table of Contents

An Indiana corporation may elect to remove itself from the protection provided by the Indiana business combinations provision, but such an election remains ineffective for 18 months and does not apply to a combination with a shareholder who acquired a 10% ownership position prior to the election. Old National has not elected to remove itself from the protections of this provision.

Control Share Acquisitions

The IBCL includes a control share acquisition provision. Under the control share acquisition provision, unless otherwise provided in the corporation's articles of incorporation or by-laws, if a shareholder acquires shares of the corporation's voting stock (referred to as control shares) within one of several specified ranges (one-fifth or more but less than one-third, one-third or more but less than a majority, or a majority or more), approval of a majority of the disinterested shareholders must be obtained before the acquiring shareholder may vote the control shares. Under certain circumstances, including in the event that shareholder approval is not obtained, the shares held by the acquirer may be redeemed by the corporation at the fair value of the shares as determined by the control share acquisition provision. Old National is subject to the control share acquisition provision. The control share acquisition provision does not apply to a plan of merger or share exchange if the corporation complies with the applicable merger provisions and is a party to the plan of merger or plan of share exchange.

Limitations on Significant Shareholders

The Old National Articles provide that shareholders who acquire 15% of the outstanding Old National common stock and who seek to acquire, directly or indirectly, additional shares of common stock in connection with a tender or exchange offer, open market purchase or business combination must offer and pay for such additional shares a consideration that is at least equal to the highest percent over market value paid to acquire Old National common stock then held by such person. Any purchases of shares in

Control Share Acquisitions

The MBCA contains a control share acquisition provision which generally limits the voting rights of a person acquiring a substantial percentage of a corporation's voting shares, unless a majority of disinterested voting shareholders approve full voting rights for the acquiring person. The Anchor Articles expressly provide that Anchor shall not be subject to the control share acquisition provision, found in Section 302A.671 of the MBCA.

Limitations on Significant Shareholders

Neither the Anchor Articles nor the Anchor Bylaws contain limitations on significant shareholders.

violation of this provision are null and void. This provision of the Old National Articles may not be altered, amended or repealed except by the affirmative vote of the holders of not less than 80% of the outstanding shares of Old National common stock, given at a meeting of shareholders duly called for that purpose, upon a proposal adopted and recommended by the vote of two-thirds (2/3) of the entire board of directors of Old National.

Appraisal and Dissenters' Rights

Under the IBCL, shareholders who dissent from a merger or similar transaction can exercise dissenters' rights except (i) with respect to shares of any class or series of stock that are covered securities under Section 18(b)(1)(A) or (B) of the Securities Act of 1933, or (ii) if they were not entitled to vote on the merger. As a result, shareholders of Old National will not be afforded dissenters' rights as long as the Old National common stock continues to be listed on a national securities exchange.

Under the MBCA, shareholders are entitled to dissent and obtain payment of fair value of the shareholder's shares in the event of (i) an amendment to the articles of incorporation that materially and adversely affects rights or preferences of the dissenter's shares, unless otherwise provided in the articles of incorporation; (ii) a sale, lease, transfer or other disposition of property and assets of the corporation that requires shareholder approval; (iii) a plan of merger; (iv) a plan of exchange where the corporation's shares will be acquired by the acquiring organization; (v) a plan of conversion that is adopted and becomes effective; (vi) an amendment to the articles of incorporation in connection with a class or series that reduces the number of shares of the class or series owned by the shareholder to a fraction of a share if the corporation exercises its right to repurchase the fractional share so created; or (vii) any other corporate action taken pursuant to a shareholder vote if the articles of incorporation, bylaws, or a resolution of the board of directors provide that shareholders are entitled to dissent and obtain payment.

an individual that is a United States citizen or resident alien;

a corporation, or other entity taxable as a corporation for United States federal income tax purposes, created or organized under the laws of the United States or any state therein or the District of Columbia;

a trust if (1) it is subject to the primary supervision of a court within the United States and one or more United States persons have the authority to control all substantial decisions of the trust, or (2) it was in existence on August 20, 1996 and has a valid election in effect under applicable Treasury Regulations to be treated as a United States person; or

an estate, the income of which is subject to United States federal income taxation regardless of its source.

If a partnership (including an entity treated as a partnership for United States federal income tax purposes) holds Anchor common stock, the tax treatment of a partner in the partnership will generally depend on the status of such partner and the activities of the partnership. Partners in a partnership holding Anchor common stock should consult their tax advisors.

Old National and Anchor intend the Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code. The obligations of Old National and Anchor to consummate the Merger are

Table of Contents

conditioned upon the receipt of an opinion from Krieg DeVault to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code.

In the opinion of Krieg DeVault, the Merger will be treated as a transaction that qualifies as a reorganization within the meaning of Section 368(a) of the code, with the tax consequences described below. This opinion was and will be based on facts, assumptions and representations set forth or referred to in the opinions and those made by Old National and Anchor, as well as certain covenants, procedures and undertakings by Old National and Anchor including the assumption that the Merger will be completed in the manner described in the Merger Agreement and this proxy statement and prospectus.

Exchange of Anchor Common Stock for Old National Common Stock and Cash. Anchor shareholders will exchange all of their Anchor common stock for a combination of Old National common stock and cash in the Merger. Accordingly, shareholders will generally recognize gain (but not loss) in an amount equal to the lesser of (i) the amount of cash received in the Merger; and (ii) the holder's gain realized (i.e., the excess, if any, of (a) the sum of the amount of cash and the fair market value of the shares of the Old National common stock received in the Merger above (b) the Anchor shareholder's aggregate tax basis in its shares of Anchor common stock surrendered in such exchange.

Any gain recognized upon receipt of a combination of stock and cash will be capital gain unless the Anchor shareholder's receipt of cash has the effect of a distribution of a dividend, in which case the gain will be treated as ordinary income to the extent of the holder's ratable share of Anchor's accumulated earnings and profits, as calculated for United States federal income tax purposes. For purposes of determining whether an Anchor shareholder's receipt of cash has the effect of a distribution of a dividend, the Anchor shareholder will be treated as if such holder first exchanged all of such holder's Anchor common stock solely in exchange for shares of Old National common stock and then Old National immediately redeemed a portion of that stock for the cash that the holder actually received in the Merger (referred to herein as the "deemed redemption"). Receipt of cash will generally not have the effect of a dividend to the Anchor shareholder if such receipt is, with respect to the Anchor shareholder, not essentially equivalent to a dividend or substantially disproportionate with respect to a holder. The deemed redemption generally will be substantially disproportionate with respect to an Anchor shareholder if the percentage of the outstanding Old National common stock that the holder actually and constructively owns immediately after the deemed redemption is less than 80% of the percentage of the outstanding Old National common stock that the holder is deemed actually and constructively to have owned immediately before the deemed redemption (and after the deemed redemption the holder actually or constructively owns less than 50% of the voting power of the outstanding Old National common stock). In order for the deemed redemption to be not essentially equivalent to a dividend, the deemed redemption must result in a meaningful reduction in the shareholder's deemed percentage stock ownership of Old National following the Merger. The determination generally requires, based on the facts and circumstances, a comparison of the percentage of the outstanding stock of Old National the shareholder is considered to have owned immediately before the deemed redemption to the percentage of the outstanding stock of Old National the shareholder owns immediately after the deemed redemption. The IRS has indicated in rulings that any reduction in the interest of a minority shareholder that owns a small number of shares in a publicly and widely held corporation and that exercises no control over corporate affairs would result in capital gain (as opposed to dividend) treatment.

For purposes of applying the foregoing tests, a shareholder will be deemed to own the stock the shareholder actually owns and the stock the shareholder constructively owns under the attribution rules of Section 318 of the Code. Under Section 318 of the Code, a shareholder will be deemed to own the shares of stock owned by certain family members, by certain estates and trusts of which the shareholder is a beneficiary, and by certain affiliated entities, as well as shares of stock subject to an option actually or constructively owned by the shareholder or such other persons. If, after applying these tests, the deemed redemption results in a capital gain, the capital gain will be long-term if the Anchor

shareholder's holding period for its Anchor common stock is more than one year as of the effective time of the Merger. If, after applying these tests, the deemed redemption results in the gain recognized by an Anchor shareholder being classified as a dividend, such dividend will be treated as either

Table of Contents

ordinary income or qualified dividend income. Qualified dividend income is generally afforded favorable tax treatment. U.S. Holders should consult their tax advisors regarding the manner and the extent to which the aforementioned rules apply in their particular circumstances.

Any gain treated as qualified dividend income will be taxable to individual Anchor shareholders at the long-term capital gains rate, provided that the shareholder held the shares giving rise to such income for more than 60 days during the 121 day period beginning 60 days before the closing date. The determination as to whether an Anchor shareholder will recognize a capital gain or dividend income as a result of such holder's exchange of Anchor common stock for a combination of Old National common stock and cash in the Merger is complex and is determined on a shareholder-by-shareholder basis. Accordingly, each Anchor shareholder is urged to consult such shareholder's own tax advisor with respect to this determination.

An Anchor shareholder's aggregate tax basis in the Old National common stock received in the Merger will be equal to the shareholder's aggregate tax basis in such shareholder's Anchor common stock surrendered, decreased by the amount of cash received and increased by the amount of any gain recognized (regardless of whether such gain is classified as capital gain or as dividend income as discussed above). An Anchor shareholder's holding period for Old National common stock received in the Merger will include the holding period of the Anchor common stock surrendered in the Merger.

Backup Withholding and Information Reporting. Payments of cash to a holder of Anchor common stock may, under certain circumstances, be subject to information reporting and backup withholding at a rate of 28% of the cash payable to the holder, unless the holder provides proof of an applicable exemption or furnishes such holder's taxpayer identification number, and otherwise complies with all applicable requirements of the backup withholding rules. Any amounts withheld from payments to a holder under the backup withholding rules do not constitute a payment of an additional tax, but will be allowed as a refund or credit against the holder's United States federal income tax liability, provided the required information is timely furnished to the Internal Revenue Service.

A U.S. Holder of Anchor common stock, as a result of having received Old National common stock in the Merger, will be required to retain records pertaining to the Merger. In addition, each U.S. Holder of Anchor common stock who is a significant holder will be required to file a statement with such holder's U.S. federal income tax return in accordance with Treasury Regulations section 1.368-3(b) setting forth such holder's basis in the Anchor common stock surrendered and the fair market value of the Old National common stock and cash received in the Merger. A significant holder is a holder of Anchor common stock who, immediately before the Merger, owned at least 5% of the vote or value of the outstanding stock of Anchor or securities of Anchor with a basis for federal income taxes of at least \$1 million.

The preceding discussion is intended only as a summary of United States federal income tax consequences of the Merger. It is not a complete analysis or discussion of all potential tax effects that may impact you. Thus, Anchor shareholders should consult their own tax advisors as to the specific tax consequences to them that result from the Merger, including tax return reporting requirements, the implications and effect of federal, state, local, and other applicable tax laws and the effect of any proposed or prospective changes in the tax laws.

PROPOSAL 2 ADJOURNMENT OF THE SPECIAL MEETING

The shareholders of Anchor are being asked to approve a proposal to adjourn or postpone the special meeting to permit further solicitation of proxies in the event that an insufficient number of shares is present in person or by proxy to approve the Merger Agreement.

Under the MBCA and the Anchor Articles, the affirmative vote of the holders of at least a majority of the voting power of all outstanding shares of Anchor stock entitled to vote is required to approve the Merger Agreement. It is rare for a company to achieve 100% (or even 90%) shareholder participation at an annual or special meeting of shareholders, and only holders of a majority of the outstanding shares of voting stock of Anchor are required to be represented at the special meeting, in person or by proxy, for a quorum to be present. In the event that shareholder participation at the special meeting is lower than expected, Anchor would like the flexibility to postpone or adjourn the meeting in order to attempt to secure broader shareholder participation. If Anchor desires to adjourn the special meeting, Anchor will request a motion that the special meeting be adjourned, and delay the vote on the proposal to approve the Merger Agreement until the special meeting is reconvened. If Anchor adjourns the special meeting for 120 days or less and announces at the special meeting the date, time and location at which the special meeting will be reconvened, Anchor will not set a new record date or issue any other notice.

Any adjournment will permit Anchor to solicit additional proxies and will permit a greater expression of the views of Anchor shareholders with respect to the Merger. Such an adjournment would be disadvantageous to shareholders who are against the proposal to approve the Merger Agreement because an adjournment will give Anchor additional time to solicit favorable votes and increase the chances of approving that proposal. Anchor has no reason to believe that an adjournment of the special meeting will be necessary at this time.

The Anchor board of directors unanimously recommends that Anchor shareholders vote FOR approval of the Adjournment Proposal.

AGREEMENT AND PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER (this Agreement) is dated to be effective as of the 7th day of August, 2017, by and between **OLD NATIONAL BANCORP**, an Indiana corporation (ONB), and **ANCHOR BANCORP, INC.**, a Minnesota corporation (Anchor).

W I T N E S S E T H:

WHEREAS, ONB is an Indiana corporation registered as a financial holding company under the federal Bank Holding Company Act of 1956, as amended (the BHC Act), with its principal office located in Evansville, Vanderburgh County, Indiana; and

WHEREAS, Anchor is a Minnesota corporation registered as a bank holding company under the BHC Act, with its principal office located in St. Louis Park, Hennepin County, Minnesota; and

WHEREAS, ONB and Anchor seek to affiliate through a corporate reorganization whereby Anchor will merge with and into ONB, and thereafter, Anchor Bank, National Association (Bank), a national banking association and wholly-owned subsidiary of Anchor, will be merged with and into Old National Bank, a national banking association and wholly-owned subsidiary of ONB; and

WHEREAS, the Boards of Directors of each of the parties hereto have determined that it is in the best interests of their respective corporations and their respective shareholders to consummate the merger provided for herein and have approved this Agreement, authorized its execution and designated this Agreement a plan of reorganization and a plan of merger; and

WHEREAS, certain shareholders have each agreed to execute and deliver to ONB voting agreements substantially in the form attached hereto as Exhibit 5.17.

NOW, THEREFORE, in consideration of the foregoing premises, the representations, warranties, covenants and agreements herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby make this Agreement and prescribe the terms and conditions of the merger of Anchor with and into ONB, and the mode of carrying such merger into effect as follows:

ARTICLE I.

THE MERGER

1.01 The Merger.

(a) General Description. Upon the terms and subject to the conditions of this Agreement, at the Effective Time (as defined in Article IX hereof), Anchor shall merge with and into and under the Articles of Incorporation of ONB (the Merger). ONB shall survive the Merger (sometimes hereinafter referred to as the Surviving Corporation) and shall continue its corporate existence under the laws of the State of Indiana pursuant to the provisions of and with the effect provided in the Indiana Business Corporation Law, as amended.

(b) Name, Officers and Directors. The name of the Surviving Corporation shall be Old National Bancorp. Its principal office shall be located at One Main Street, Evansville, Vanderburgh County, Indiana. The officers of ONB serving at the Effective Time shall continue to serve as the officers of the Surviving

A-1

Corporation, until such time as their successors shall have been duly elected and have qualified or until their earlier resignation, death or removal from office. The directors of the Surviving Corporation following the Effective Time shall be those individuals serving as directors of ONB at the Effective Time until such time as their successors have been duly elected and have qualified or until their earlier resignation, death or removal as a director.

(c) Articles of Incorporation and By-Laws. The Articles of Incorporation and By-Laws of ONB in existence at the Effective Time shall remain the Articles of Incorporation and By-Laws of the Surviving Corporation following the Effective Time, until such Articles of Incorporation and By-Laws shall be further amended as provided by applicable law.

(d) Effect of the Merger. At the Effective Time, the title to all assets, real estate and other property owned by Anchor shall vest in Surviving Corporation as set forth in Indiana Code Section 23-1-40-6, as amended, without reversion or impairment. At the Effective Time, all liabilities of Anchor shall be assumed by Surviving Corporation as set forth in Indiana Code Section 23-1-40-6, as amended.

(e) Integration. At the Effective Time and subject to the terms and conditions of this Agreement, the parties hereto currently intend to effectuate, or cause to be effectuated, the Merger, pursuant to Articles of Merger, substantially in the form attached hereto as Exhibit 1.01(e)(i), and a Plan of Merger, substantially in the form attached hereto as Exhibit 1.01(e)(ii). The parties agree to cooperate and to take all reasonable actions prior to or following the Effective Time, including executing all requisite documentation, as may be reasonably necessary to effect the Merger.

1.02 Reservation of Right to Revise Structure. At ONB's election, the Merger may alternatively be structured so that (a) Anchor is merged with and into any other direct or indirect wholly-owned subsidiary of ONB or (b) any direct or indirect wholly-owned subsidiary of ONB is merged with and into Anchor; provided, however, that no such change shall (x) alter or change the amount or kind of the Merger Consideration (as hereinafter defined) or the treatment of the holders of common stock, \$0.10 par value per share, of Anchor (Anchor Common Stock) or options to purchase Anchor Common Stock, (y) prevent the parties from obtaining the opinions of counsel referred to in Sections 7.01(i) and 7.02(h) or otherwise cause the transaction to fail to qualify for the tax treatment described in Section 1.03, or (z) materially impede or delay consummation of the transactions contemplated by this Agreement. In the event of such an election, the parties agree to execute an appropriate amendment to this Agreement (to the extent such amendment only changes the method of effecting the business combination and does not substantively affect this Agreement or the rights and obligations of the parties or their respective shareholders) in order to reflect such election.

1.03 Tax Free Reorganization. ONB and Anchor intend for the Merger to qualify as a reorganization within the meaning of Section 368(a) and related sections of the Internal Revenue Code of 1986, as amended (the Code), and that this Agreement constitute a plan of reorganization for purposes of Sections 354 and 361 of the Code, and agree to cooperate and to take such actions as may be reasonably necessary to assure such result.

1.04 Absence of Control. Subject to any specific provisions of the Agreement, it is the intent of the parties to this Agreement that neither ONB nor Anchor by reason of this Agreement shall be deemed (until consummation of the transactions contemplated here) to control, directly or indirectly, the other party or any of its respective Subsidiaries (as such term is defined below) and shall not exercise or be deemed to exercise, directly or indirectly, a controlling influence over the management or policies of such other party or any of its respective Subsidiaries.

1.05 Bank Merger. Anchor and ONB agree to take all action necessary and appropriate, including entering into a plan of merger (the Bank Merger Agreement) substantially in the form attached hereto as Exhibit 1.05, to cause Bank to merge with and into Old National Bank (the Bank Merger) in accordance with the applicable laws and regulations effective simultaneous with the consummation of the Merger. At the effective time of the

Bank Merger, the separate corporate existence of Bank will terminate. Old National Bank will be the surviving bank and will continue its corporate existence under applicable law. The articles of association of Old National Bank, as then in effect, will be the articles of association of the surviving bank, and the By-Laws of Old National Bank, as then in effect, will be the By-Laws of the surviving bank.

1.06 Dissenters Rights. The holders of Anchor Common Stock, Voting Preferred Stock and Class A1 Preferred Stock (Anchor Stock) are entitled to dissenters rights under Section 302A.471 of the Minnesota Business Corporation Act, as amended (MBCA).

ARTICLE II.**MANNER AND BASIS OF EXCHANGE OF STOCK**

2.01 Consideration. Subject to the terms and conditions of this Agreement, at the Effective Time:

(a) Anchor Common Stock. Each share of Anchor Common Stock issued and outstanding immediately prior to the Effective Time (other than (i) shares held as treasury stock of Anchor, (ii) shares held directly or indirectly by ONB, except shares held in a fiduciary capacity or in satisfaction of a debt previously contracted, if any, and (iii) Dissenting Shares (as hereinafter defined)) shall become and be converted into the right to receive in accordance with this Article, (1) 1.350 shares of common stock (the Common Stock Exchange Ratio) (as adjusted in accordance with the terms of this Agreement), without par value, of ONB (ONB Common Stock), and (2) cash consideration in the amount of \$2.625 per share (the Common Stock Cash Consideration).

(b) Stock Options. Each option to purchase Anchor Common Stock granted under the Anchor Bancorp, Inc. 1996 Stock Option Plan or Anchor Bancorp, Inc. 2013 Stock Option Plan (each an Anchor Stock Option Plan and collectively, the Anchor Stock Option Plans), as applicable (each an Anchor Stock Option , and collectively, the Anchor Stock Options), whether vested or unvested, that is outstanding immediately prior to the Effective Time, shall, as of the Effective Time, become fully vested and be converted into the right at the Effective Time to receive an amount, equal to the product of (i) the total number of shares of Anchor Common Stock subject to such Anchor Stock Option and (ii) the positive difference, if any, of (A) the Common Stock Cash Consideration on a per share basis plus the Common Stock Exchange Ratio multiplied by the Average ONB Closing Price (as hereinafter defined) less (B) the exercise price of such Anchor Stock Option, subject to any consents required from holders of Anchor Stock Options or necessary amendments to the applicable Anchor Stock Option Plan or award agreements (the Options Settlement Amount). ONB shall pay the Options Settlement Amount in shares of ONB Common Stock valued at the Average ONB Closing Price. ONB shall pay the Anchor Stock Option holders the Options Settlement Amount described in this Section 2.01(b), less such amounts as are required to be withheld or deducted under the Code or any provision of state, local or foreign tax law with respect to the making of such payment, on or as soon as reasonably practicable after the date of Closing, but in any event within five (5) business days following the date of Closing.

(c) Merger Consideration. The total stock and cash consideration to be paid by ONB in respect of shares of Anchor Common Stock and Anchor Stock Options is referred to herein as the Merger Consideration.

(d) Dissenters Rights. Notwithstanding any provision of this Agreement to the contrary, if required by the MBCA (but only to the extent required thereby), Anchor Stock that is issued and outstanding immediately prior to the Effective Time (other than Anchor Stock to be canceled pursuant to Section 2.03(i)) and that is held by holders of such Anchor Stock who have not voted in favor of the adoption of this Agreement or consented thereto in writing and who have properly exercised appraisal rights with respect thereto in accordance with, and who have complied with, Section 302A.473 of the MBCA (the Dissenting Shares) will not be convertible into the right to receive the Merger

Consideration, and holders of such Dissenting Shares will be entitled to receive payment of the fair value of such Dissenting Shares in accordance with the provisions of such Section 302A.473

A-3

unless and until any such holder fails to perfect or effectively withdraws or loses its rights to appraisal and payment under the MBCA. If, after the Effective Time, any such holder fails to perfect or effectively withdraws or loses such right, such Dissenting Shares will thereupon be treated as if they had been converted into and have become exchangeable for, at the Effective Time, the right to receive the Merger Consideration, without any interest thereon, and ONB shall remain liable for payment of the Merger Consideration for such shares of Anchor Stock. At the Effective Time, any holder of Dissenting Shares shall cease to have any rights with respect thereto, except the rights provided in Section 302A.471 of the MCBA and as provided in the previous sentence. Anchor will give ONB (i) notice of any demands received by Anchor for appraisals of shares of Anchor Stock and (ii) the opportunity to participate in and direct all negotiations and proceedings with respect to such notices and demands. Anchor shall not, except with the prior written consent of ONB, make any payment with respect to any demands for appraisal or settle any such demands.

2.02 Adjustment to Exchange Ratio. At the Effective Time, the Common Stock Exchange Ratio shall be adjusted, if applicable (which Common Stock Exchange Ratio, as adjusted as provided below and in Section 2.04, shall become the Common Stock Exchange Ratio for purposes of this Agreement) in accordance with this Section 2.02. If the Anchor Consolidated Shareholders Equity as of the end of the month prior to the Effective Time (the Computation Date) is less than One Hundred Seventy-Nine Million Dollars (\$179,000,000), the Common Stock Exchange Ratio shall be decreased to a quotient determined by dividing the Adjusted Stock Purchase Price by the total number of shares of Anchor Common Stock outstanding at the Effective Time, and further dividing that number by the Average ONB Closing Price.

As used in this Agreement, the following terms shall have the meanings indicated below:

Adjusted Stock Purchase Price shall be equal to (x) the Purchase Price less (y) the difference between \$179,000,000 and the Anchor Consolidated Shareholders Equity as of the end of the month prior to the Effective Time.

Anchor Consolidated Shareholders Equity shall be the consolidated shareholders equity of Anchor less the net accumulated other comprehensive income/(loss) as of the Computation Date, determined in accordance with United States generally accepted accounting principles (GAAP), to which shall be added the following amounts (which amounts shall also be calculated in accordance with GAAP): (i) any accruals, reserves or charges resulting from expenses of the Merger and other transactions contemplated by this Agreement, (ii) charges related to the planned termination of Anchor s pension plan, (iii) any accruals, reserves or charges taken by Anchor at the request of ONB pursuant to Section 5.05 hereof, and (iv) a part of the quarterly dividend paid by Anchor to holders of Anchor Common Stock, as permitted by Section 5.03(a)(iii) hereof, equal to \$0.0862 times the number of share of Anchor Common Stock outstanding as of the record date for such dividend.

Average ONB Closing Price shall mean the volume-weighted average of the per share closing prices of a share of ONB Common Stock as quoted on the NASDAQ Global Market during the ten (10) trading days preceding the fifth (5th) calendar day preceding the Effective Time.

Purchase Price shall be equal to the Average ONB Closing Price multiplied by the total number of shares of ONB Common Stock to be issued pursuant to Section 2.01 as though the Common Stock Exchange Ratio was not adjusted pursuant to this Section 2.02.

2.03 Exchange Procedures.

(a) At and after the Effective Time, each share of Anchor Common Stock shall represent only the right to receive the Merger Consideration in accordance with the terms of this Agreement.

(b) At or prior to the Effective Time, ONB shall reserve a sufficient number of shares of ONB Common Stock to be issued as part of the Merger Consideration. As promptly as practicable after the Effective Time, but

A-4

Table of Contents

in no event more than five (5) business days thereafter, ONB shall mail to each holder of record of Anchor Common Stock a letter of transmittal with a form providing instructions and requesting usual and customary information (the Exchange Form) necessary to effect the issuance of shares of ONB Common Stock in exchange for shares of Anchor Common Stock pursuant to the terms of this Agreement.

(c) ONB shall cause a statement of ownership of book-entry shares representing that number of shares of ONB Common Stock (including fractional shares) that each holder of Anchor Common Stock has the right to receive pursuant to Section 2.01 and a check in the amount of any cash consideration and dividends or distributions which such holder shall be entitled to receive, to be delivered to such shareholder upon receipt by ONB of a properly completed and executed Exchange Form. An Exchange Form will be deemed received by ONB only if ONB shall have received a fully and properly completed and signed (including duly executed transmittal materials included in the Exchange Form) Exchange Form. No interest will be paid on any Merger Consideration that any such holder shall be entitled to receive pursuant to this Article II upon such delivery.

(d) No dividends or other distributions on ONB Common Stock with a record date occurring after the Effective Time shall be paid to the holder of any shares of Anchor Common Stock converted in the Merger into the right to receive shares of such ONB Common Stock unless and until ONB receives the Exchange Form in accordance with this Section 2.03. After becoming so entitled in accordance with this Section 2.03, the record holder thereof also shall be entitled to receive any such dividends or other distributions, without any interest thereon, which theretofore had become payable with respect to shares of ONB Common Stock such holder had the right to receive upon receipt by ONB of the Exchange Form.

(e) ONB shall be entitled to deduct and withhold from the applicable Merger Consideration, cash dividends or distributions payable pursuant to this Section 2.03 or any other amounts otherwise payable pursuant to this Agreement to any holder of Anchor Common Stock such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code or any provision of state, local or foreign tax law. To the extent that amounts are so withheld by ONB and paid over to the appropriate Governmental Authority, the withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of Anchor Common Stock in respect of which the deduction and withholding was made by ONB. For purposes of this Agreement, Governmental Authority shall mean any government (or any political subdivision or jurisdiction thereof), court, bureau, agency or other governmental entity having or asserting jurisdiction over the applicable party or its business, operations or properties.

(f) The stock transfer books of Anchor shall be closed immediately upon the Effective Time and from and after the Effective Time there shall be no transfers on the stock transfer records of Anchor of any shares of Anchor Common Stock.

(g) ONB shall be entitled to rely upon Anchor's stock transfer books to establish the identity of those individuals, partnerships, corporations, trusts, joint ventures, organizations or other entities (each, a Person) entitled to receive the Merger Consideration, which books shall be conclusive with respect thereto. In the event of a dispute with respect to ownership of any Anchor Common Stock, ONB shall be entitled to deposit any Merger Consideration represented thereby in escrow with an independent third party and thereafter be relieved from any and all liability with respect to any claims thereto.

(h) Subject to the terms of this Agreement and the Exchange Form, ONB, in the exercise of its reasonable, good faith discretion, shall have the right to make all determinations, not inconsistent with the terms of this Agreement, governing (i) the validity of all Exchange Forms and compliance by any holder of Anchor Common Stock with the exchange procedures set forth herein, (ii) the method of issuance and delivery of a statement of ownership of book-entry shares representing the number of shares of ONB Common Stock into which shares of Anchor Common

Stock are converted in the Merger, and (iii) the method of payment of Common Stock Cash Consideration.

A-5

Table of Contents

(i) Notwithstanding anything in this Agreement to the contrary, at the Effective Time, all shares of Anchor Common Stock that are held as treasury stock of Anchor or owned by ONB (other than shares held in a fiduciary capacity or in satisfaction of a debt previously contracted) shall be cancelled and shall cease to exist and no stock of Anchor or other consideration shall be exchanged therefor.

(j) Notwithstanding the foregoing, no party hereto shall be liable to any former holder of Anchor Common Stock for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws.

2.04 **Anti-Dilution Adjustments.** If ONB changes (or establishes a record date for changing) the number of shares of ONB Common Stock issued and outstanding prior to the Effective Time by way of a stock split, stock dividend, recapitalization or similar transaction with respect to the outstanding ONB Common Stock, and the record date therefor shall be prior to the Effective Time, the Common Stock Exchange Ratio shall be adjusted so the shareholders of Anchor at the Effective Time shall receive, in the aggregate, such number of shares of ONB Common Stock representing the same percentage of outstanding shares of ONB Common Stock as would have been represented by the number of shares of ONB Common Stock the shareholders of Anchor would have received if any of the foregoing actions had not occurred. No adjustment shall be made under this Section 2.04 solely as a result of ONB issuing additional shares of ONB Common Stock provided it receives fair market value consideration for such shares or such shares are issued in connection with the ONB Plans (as hereinafter defined).

ARTICLE III.

REPRESENTATIONS AND WARRANTIES OF ANCHOR

On or prior to the date hereof, Anchor has delivered to ONB a schedule (the **Anchor Disclosure Schedule**) setting forth, among other things, items the disclosure of which is necessary or appropriate either in response to an express disclosure requirement contained in a provision hereof or as an exception to one or more representations or warranties contained in this Article III or to one or more of its covenants contained in Article V.

Acquisition Agreement) constituting or related to, or which is intended to or would be reasonably likely to lead to, any Acquisition Proposal (other than a confidentiality agreement referred to in Section 5.06(b)). Notwithstanding the foregoing, at any time prior to the special meeting of Anchor's shareholders to approve the Merger, the Anchor Board of Directors may, in response to a Superior Proposal, effect an Adverse Recommendation Change or enter into an Acquisition Agreement, provided, that the Anchor Board of Directors determines in good faith, after consultation with its outside legal counsel and financial advisors, that the failure to do so would be reasonably likely to result in a breach of its fiduciary duties to the shareholders of Anchor under applicable Law, and provided, further, that the Anchor Board of Directors may not effect such an Adverse Recommendation Change or enter into an Acquisition Agreement unless (A) the Anchor Board shall have first provided prior written notice to ONB that it is prepared to effect an Adverse Recommendation Change or enter into an Acquisition Agreement in response to a Superior Proposal, which notice shall, in the case of a Superior Proposal, attach the most current version of any proposed written agreement or letter of intent relating to the transaction that constitutes such Superior Proposal (it being understood that any amendment to the financial terms or any other material term of such Superior Proposal shall require a new notice and a new five (5) business day period) and (B) ONB does not make, within five (5) business days after receipt of such notice, a proposal that would, in the reasonable good faith judgment of the Anchor Board of Directors (after consultation with financial advisors and outside legal counsel), cause the offer previously constituting a Superior Proposal to no longer constitute a Superior Proposal or that the Adverse Recommendation Change or execution of an Acquisition Agreement is no longer required to comply with the Anchor Board's fiduciary duties to the shareholders of Anchor under applicable law. Anchor agrees that, during the five (5) business day period prior to its effecting an Adverse Recommendation Change or execution of an Acquisition Agreement, Anchor and its officers, directors and representatives shall negotiate in good faith with ONB and its officers, directors and representatives regarding any revisions to the terms of the transactions contemplated by this Agreement proposed by ONB.

(d) In addition to the obligations of Anchor set forth in paragraphs (a) and (b) of this Section 5.06, Anchor shall as promptly as possible, and in any event within two (2) business days after Anchor first obtains knowledge of the receipt thereof, advise ONB orally and in writing of (i) any Acquisition Proposal or any request for information that Anchor reasonably believes could lead to or contemplates an Acquisition Proposal or (ii) any inquiry Anchor reasonably believes could lead to any Acquisition Proposal, the terms and conditions of such Acquisition Proposal, request or inquiry (including any subsequent amendment or other modification to such terms and conditions) and the identity of the Person making any such Acquisition Proposal or request or inquiry. In connection with any such Acquisition Proposal, request or inquiry, if there occurs or is presented to Anchor any offer, material change, modification or development to a previously made offer, letter of intent or any other material development, Anchor (or its outside counsel) shall (A) advise and confer with ONB (or its outside counsel) regarding the progress of negotiations concerning any Acquisition Proposal, the material resolved and unresolved issues related thereto and the material terms (including material amendments or proposed amendments as to price and other material terms) of any such Acquisition Proposal, request or inquiry, and (B) promptly upon receipt or delivery thereof provide ONB with true, correct and complete copies of any document or communication related thereto.

(e) For purposes of this Agreement, Acquisition Proposal shall mean (i) any inquiry, proposal or offer from any Person or group of Persons (other than as contemplated by this Agreement) relating to, or that could reasonably be expected to lead to, any direct or indirect acquisition or purchase, in one transaction or a series of transactions, of (A) assets or businesses that constitute 20% or more of the revenues, net income or assets of Anchor and its Subsidiaries, taken as a whole, or (B) 20% or more of any class of equity securities of Anchor or any of its Subsidiaries; (ii) any tender offer or exchange offer that, if consummated, would result in any Person beneficially owning 20% or more of any class of equity securities of Anchor or any Anchor Subsidiary; (iii) any merger, consolidation, business combination, recapitalization, liquidation, dissolution, joint venture, binding share exchange or similar transaction involving Anchor, Bank or any other Anchor Subsidiary pursuant to which any Person or the shareholders of any Person would own 20% or more of any class of equity securities of Anchor, Bank, or any other

Anchor Subsidiary or of any resulting parent company of Anchor or Bank; or (iv) any

other transaction the consummation of which could reasonably be expected to impede, interfere with, prevent or materially delay the Merger or that could reasonably be expected to dilute materially the benefits to ONB of the transactions contemplated hereby, other than the transactions contemplated hereby. For purposes of this Section 5.06, a Person shall include a natural Person, or any legal, commercial or Governmental Authority, including, a corporation, general partnership, joint venture, limited partnership, limited liability company, trust, business association, group acting in concert or any Person acting in a representative capacity.

(f) For purposes of this Agreement, Superior Proposal shall mean any Acquisition Proposal (but changing the references to 20% or more in the definition of Acquisition Proposal to 50% or more) that the Anchor Board determines in good faith (after having received the advice of its financial advisors), to be (i) more favorable to the shareholders of Anchor from a financial point of view than the Merger (taking into account all the terms and conditions of such proposal and this Agreement [including any break-up fees, expense reimbursement provisions and conditions to consummation and any changes to the financial terms of this Agreement proposed by ONB in response to such offer or otherwise]) and (ii) reasonably capable of being completed without undue delay taking into account all financial, legal, regulatory and other aspects of such proposal.

5.07 Press Releases. Unless prior notice and comment is not possible or practicable as the result of applicable law or any listing or exchange rule, neither Anchor nor ONB will issue any press or news releases or make any other public announcements or disclosures relating to the Merger without providing a final copy of such press or news release to the other party and providing such party with a reasonable opportunity to comment on such press or news release.

5.08 Material Changes to Disclosure Schedules. Anchor shall promptly supplement, amend and update, upon the occurrence of any change prior to the Effective Time, and as of the Effective Time, the Anchor Disclosure Schedule with respect to any matters or events hereafter arising which, if in existence or having occurred as of the date of this Agreement, would have been required to be set forth or described in the Anchor Disclosure Schedule or this Agreement and including, without limitation, any fact which, if existing or known as of the date hereof, would have made any of the representations or warranties of Anchor contained herein materially incorrect, untrue or misleading. No such supplement, amendment or update shall become part of the Anchor Disclosure Schedule unless ONB shall have first consented in writing with respect thereto.

5.09 Access; Information. ONB and Anchor, and their representatives and agents, shall, upon reasonable notice to the other party, at all times during normal business hours prior to the Effective Time, have full and continuing access to the properties, facilities, operations, books and records of the other party. ONB and Anchor, and their representatives and agents may, prior to the Effective Time, make or cause to be made such reasonable investigation of the operations, books, records and properties of the other party and their respective Subsidiaries and of their financial and legal condition as deemed necessary or advisable to familiarize themselves with such operations, books, records, properties and other matters; provided, however, that such access or investigation shall not interfere unnecessarily with the normal business operations of Anchor or ONB or their respective Subsidiaries. Upon request, Anchor and ONB will furnish the other party or its representatives or agents, their attorneys' responses to external auditors requests for information, management letters received from their external auditors and such financial, loan and operating data and other information reasonably requested by ONB or Anchor which has been or is developed by the other party, its auditors, accountants or attorneys (provided with respect to attorneys, such disclosure would not result in the waiver by the other party of any claim of attorney-client privilege), and will permit ONB or Anchor or their representatives or agents to discuss such information directly with any individual or firm performing auditing or accounting functions for Anchor or ONB, as applicable, and such auditors and accountants will be directed to furnish copies of any reports or financial information as developed to ONB or Anchor or its representatives or agents, as applicable. No investigation by ONB or Anchor shall affect the representations and warranties made by Anchor or ONB herein. Any confidential information or trade secrets received by ONB, Anchor or their representatives or agents

in the course of such examination will be treated confidentially, and any correspondence, memoranda, records, copies, documents and

Additionally, any confidential information or trade secrets received by ONB or Anchor, or either of their agents or representatives in the course of their examinations (whether conducted prior to or after the date of this Agreement) shall be treated confidentially and in accordance with the Confidentiality Agreement (as defined in Section 11.09 hereof). This Section 5.09 will not require the disclosure of any information to ONB or Anchor which would be prohibited by law.

5.10 **Financial Statements.** As soon as reasonably available after the date of this Agreement, Anchor will deliver to ONB any additional audited consolidated financial statements which have been prepared on its behalf or at its direction, the monthly consolidated unaudited balance sheets and profit and loss statements of Anchor prepared for its internal use, Bank's Call Reports for each quarterly period completed prior to the Effective Time, and all other financial reports or statements submitted to regulatory authorities after the date hereof, to the extent permitted by law (collectively, Subsequent Anchor Financial Statements). The Subsequent Anchor Financial Statements will be prepared on a basis consistent with past accounting practices and GAAP to the extent applicable and shall present fairly the financial condition and results of operations as of the dates and for the periods presented (except in the case of unaudited financials or Call Report information for the absence of notes and/or yearend adjustments). The Subsequent Anchor Financial Statements, including the notes thereto, will not include any assets, liabilities or obligations or omit to state any assets, liabilities or obligations, absolute or contingent, or any other facts, which inclusion or omission would render such financial statements inaccurate, incomplete or misleading in any material respect. The Subsequent ONB Financial Statements, including the notes thereto, will not include any assets, liabilities or obligations or omit to state any assets, liabilities or obligations, absolute or contingent, or any other facts, which inclusion or omission would render such financial statements inaccurate, incomplete or misleading in any material respect.

5.11 **Environmental.**

(a) If requested by ONB within sixty (60) days of this Agreement, Anchor will cooperate with an environmental consulting firm designated by ONB in connection with the conduct by such firm of a phase one (using the current ASTM standard) on all real property owned or leased by Anchor or any Anchor Subsidiary as of the date of this Agreement, and any real property acquired or leased by Anchor or any Anchor Subsidiary after the date of this Agreement. If any phase one report discloses any adverse environmental conditions, or reports a reasonable suspicion thereof, on any such real estate, and if a phase two is determined to be advisable by the environmental consulting firm based on a finding of a Recognized Environmental Condition under the current ASTM standard, ONB shall have the right to have a phase two environmental investigation performed on such real property. ONB shall be responsible for the costs of the phase ones, and Anchor and ONB shall each be responsible for 50% of the costs of any phase twos.

(b) If the environmental consultant's good faith estimate, based upon the results of the environmental studies and other diligence conducted by the environmental consultant, of the dollar amount, if any, that Anchor and Anchor Subsidiaries would be required to expend under applicable Environmental Laws for clean-up, remediation and penalties relating to pollutants, contaminants, wastes, toxic substances, petroleum, petroleum products and any other materials regulated under the Environmental Laws with respect to Anchor's or Anchor Subsidiaries' owned or leased

real properties or any adjoining properties, is in excess of \$3,000,000, then ONB

Promptly upon its becoming available, Anchor shall furnish to ONB one (1) copy of each financial statement, report, notice or proxy statement sent by Anchor to any Governmental Authority or to Anchor's shareholders generally, and of any order issued by any Governmental Authority in any proceeding to which Anchor is a party. This Section 5.12 will not require the disclosure of any information to ONB which would be prohibited by law.

Anchor shall not knowingly take any action that is intended or is reasonably likely to result in (a) any of its representations and warranties set forth in this Agreement being or becoming untrue in any respect at any time at or prior to the Effective Time, subject to the standard set forth in Section 7.01(a), (b) any of the conditions to the Merger set forth in Article VII not being satisfied, (c) a material violation of any provision of this Agreement or (d) a material delay in the consummation of the Merger except, in each case, as may be required by applicable law or regulation.

5.14 Opinion of Financial Advisor. Anchor shall receive as promptly as practicable the written fairness opinion from Sandler O'Neill, to the effect that, as of the date thereof, and based upon and subject to the factors, assumptions and limitations set forth therein, the Merger Consideration pursuant to this Agreement is fair, from a financial point of view, to the holders of Anchor Common Stock.

Each party shall promptly notify the other party hereto in writing of any litigation related to this Agreement, the Merger or the other transactions contemplated by this Agreement that is brought, or, to the knowledge of either party, threatened in writing, against it and/or the members of its Board of Directors (any such litigation, "Transaction Litigation"), and shall keep the other party reasonably informed with respect to the status thereof. Each party shall give the other party the opportunity to participate in the defense or settlement of any Transaction Litigation, and, except to the extent required by applicable Law, neither party shall settle, agree to any undertakings or approve or otherwise agree to any waiver that may be sought in connection with such Transaction Litigation, without the prior written consent of the other party (which shall not be unreasonably withheld, conditioned or delayed).

For any Anchor employees who have not become eligible for Anchor's or an Anchor Subsidiary's plans, such employees will be subject to the same or substantially similar waiting periods to participate as Continuing Employees in the ongoing benefit plans. Continuing Employees who become covered under the health or dental plans of ONB shall not be subject to any waiting periods or additional pre-existing condition limitations under the health and dental plans of ONB or ONB Subsidiaries in which they are eligible to participate than they otherwise would have been subject to under the health and dental plans of Anchor. To the extent that the initial period of coverage for Continuing Employees under any such ONB employee benefit plans is not a full 12-month period of coverage, Continuing Employees shall be given credit under the applicable plan for any deductibles and co-insurance payments made by such Continuing Employees under the corresponding Anchor plan during the balance of such 12-month period of coverage provided that ONB can obtain, in a manner satisfactory to ONB, as determined in its sole discretion, the necessary data. After the Effective Time, ONB shall continue to maintain all fully insured employee welfare benefit, and cafeteria, plans currently in effect at the Effective Time, until such time as ONB determines, in its sole discretion, to modify or terminate any or all of those plans. ONB shall grant credit for the Continuing Employees accrued and unused vacation as of the Effective Time for the remainder of 2017, if any. (d) After the Effective Time, mileage for Continuing Employees business-related travel shall be reimbursed according to ONB's reimbursement policy for mileage, consistent with the applicable provisions of the Code.

(e) After the Effective Time, Anchor shall not award any additional equity grants or awards of any kind under the Anchor Stock Option Plans or any other arrangement. Prior to the Effective Time, Anchor will use its best efforts, including using best effort to obtain any necessary consents from optionees, with respect to the Anchor Stock Options to permit the settlement of each outstanding Anchor Stock Option in accordance with Section 2.01(b). Anchor shall take action prior to the Effective Time to cause the freezing and/or termination, as applicable, of the Anchor Stock Option immediately after the settlement of the option, as provided in Section 2.01(b).

(f) Until the Effective Time, Anchor or an Anchor Subsidiary, whichever is applicable, shall be liable for all obligations for continued health coverage pursuant to Section 4980B of the Code and Section 601 through 609 of ERISA (COBRA) for eligible employees who incur a qualifying event before the Effective Time. ONB or an ONB Subsidiary, whichever is applicable, shall after the Effective Time be liable for (i) all obligations for continued health coverage under COBRA with respect to each qualified beneficiary of Anchor or an Anchor Subsidiary who incurs a termination on and after the Effective Time, and (ii) for continued health coverage under COBRA from and after the Effective Time for each qualified beneficiary of Anchor or an Anchor Subsidiary who incurs a qualifying event before the Effective Time.

(g) Employees of Anchor, or any Anchor Subsidiary as of the Effective Time whom ONB or ONB Subsidiaries elect not to employ after the Effective Time or who are terminated within twelve (12) months from the Effective Time due to Involuntary Termination (Separated Employees) shall be entitled to severance benefits equal to two (2) weeks of annual base pay for each year of service with a minimum of eight (8) weeks of annual base pay and a maximum of fifty-two (52) weeks of annual base pay. For the purpose of this subsection, Involuntary Termination means termination by (i) ONB or an ONB Subsidiary (other than for cause) or (ii) the employee following (A) a reduction in force or other permanent lack of work which adversely impacts the employee, as determined by ONB or an ONB Subsidiary, (B) a reorganization or consolidation of or within ONB or an ONB Subsidiary that eliminates the employee's position or (C) the closing or divestiture of an ONB or an ONB Subsidiary facility or business location that eliminates the employee's position. Notwithstanding the foregoing, a Separated Employee will not be considered to have incurred an Involuntary Termination where he or she was offered both a reasonably comparable position and reasonably comparable pay, as determined by ONB, within ONB or any ONB Subsidiaries or any successor company with pay that was to be at least one hundred percent (100%) of his or her compensation at the time of termination and where such comparable position was within a reasonable commuting distance of thirty-five (35) miles of the Separated Employee's primary residence. Any severance payment under this subsection will be subject to and conditioned upon the Separated Employee's execution of a severance agreement, in a form acceptable to ONB, that includes a full release of all federal and state law claims against Anchor or any Anchor Subsidiary and against ONB or any ONB Subsidiary arising out of the Separated Employee's employment, including any claims based on discrimination. In addition, in order to receive any severance payments under this subsection, a Separated Employee must work until the termination date specified by ONB or any ONB Subsidiary. A year of service will be determined based on each Separated Employee's employment anniversary date and will include service with Anchor, Voyager Bank, Anchor Subsidiaries and ONB or ONB Subsidiaries. Credit will be given for partial years of service by rounding up a Separated Employee with a fractional year of service of six (6) months of service or more to the next full year and rounding down any Separated Employee with a fractional year of service that is less than six (6) months

of service. For example, a Separated Employee with ten (10) years and seven (7) months of service will be credited

with eleven (11) years of service for purposes of determining his or her severance pay. A Separated Employee with ten (10) years and four (4) months of service will be credited with ten (10) years of service for purposes of determining his or her severance pay. Effective as of the day following the day which is twelve (12) months after the Effective Time, all Anchor employees who become employees of ONB will be subject to the severance policies, if any, of ONB in effect at their time of termination without regard to this Section 6.03(g). Nothing in this Section 6.03(g) shall be deemed to limit or modify ONB's at-will employment policy.

(h) As of the Effective Time, ONB shall assume the employment and change in control agreements between Anchor and the employees listed in the Anchor Disclosure Schedule as being party to such agreements, subject to mutually satisfactory resolution of any calculated Internal Revenue Code Section 280G excise taxes and gross-up payments that may be applicable by reason of any such employment agreements.

(i) ONB shall authorize the payment of and pay retention bonuses upon reaching certain milestones to selected employees of Anchor or Anchor Subsidiaries as identified by ONB and Anchor, in amounts to be determined by ONB and Anchor; provided however, the aggregate cost of the retention bonuses shall not exceed the amount as set forth in the Anchor Disclosure Schedule. Notwithstanding the foregoing, ONB shall have no responsibility to pay, and Anchor shall pay, any 2017 bonuses consistent with past practice and in amounts not to exceed the amount as set forth in the Anchor Disclosure Schedule.

6.04 Adverse Actions. ONB shall not knowingly take any action that is intended or is reasonably likely to result in (a) any of its representations and warranties set forth in this Agreement being or becoming untrue in any respect at any time at or prior to the Effective Time, subject to the standard set forth in Section 7.02(a), (b) any of the conditions to the Merger set forth in Article VII not being satisfied, (c) a material violation of any provision of this Agreement or (d) a material delay in the consummation of the Merger except, in each case, as may be required by applicable law or regulation.

6.05 D&O Insurance. ONB shall cause the individuals serving as officers and directors of Anchor and Bank immediately before the Effective Time to be covered for a period of three (3) years from the Effective Time by the directors' and officers' liability insurance policy maintained by Anchor (provided that ONB may substitute therefor policies of at least the same coverage and amounts containing terms and conditions that are not less advantageous to such officers and directors than such policy) with respect to acts or omissions occurring before the Effective Time; provided, further, that in no event shall ONB be required to expend pursuant to this Section 6.05 more than an amount per year equal to 300% of the annual premiums paid by Anchor as of the Effective Time for such insurance (the Insurance Amount); provided, however, that if the cost exceeds such limit, ONB shall use its reasonable efforts to obtain as much comparable insurance as is available for the Insurance Amount.

6.06 Short-Swing Trading Exemption. Prior to the Closing Date, the Board of Directors of ONB shall adopt such resolutions as necessary to cause any shares of ONB Common Stock to be received by executive officers and directors of Anchor as part of the Merger Consideration to qualify for the exemptions provided in Rule 16b-3(d) under the 1934 Act.

6.07 Material Changes to ONB Disclosure Schedules. ONB shall promptly supplement, amend and update, upon the occurrence of any change prior to the Effective Time, and as of the Effective Time, the ONB Disclosure Schedule with respect to any matters or events hereafter arising which, if in existence or having occurred as of the date of this Agreement, would have been required to be set forth or described in the ONB Disclosure Schedule or this Agreement and including, without limitation, any fact which, if existing or known as of the date hereof, would have made any of the representations or warranties of ONB contained herein materially incorrect, untrue or misleading. No such supplement, amendment or update shall become part of the ONB Disclosure Schedule unless Anchor shall have first

consented in writing with respect thereto.

(b) by either of Anchor or ONB by written notice to the other:

(i) if the Agreement and the Merger are not approved by the requisite vote of the shareholders of Anchor at the meeting of shareholders of Anchor contemplated in Section 5.01;

(ii) if any Governmental Authority of competent jurisdiction shall have issued an order, decree, judgment or injunction or taken any other action that permanently restrains, enjoins or otherwise prohibits or makes illegal the consummation of the Merger, and such order, decree, judgment, injunction or other action shall have become final and non-appealable or if any consent or approval of any Governmental Authority the consent or approval of which is required to consummate the Merger has been denied and such denial has become final and non-appealable; or

(iii) if the consummation of the Merger shall not have occurred on or before June 30, 2018 (the Outside Date); provided that the right to terminate this Agreement under this Section 8.01(b)(iii) shall not be available to any party whose breach of any provision of this Agreement causes the failure of the Merger to occur on or before the Outside Date;

(c) by written notice from ONB to Anchor if:

(i) any event shall have occurred which is not capable of being cured prior to the Outside Date and would result in any condition set forth in Section 7.01 not being satisfied prior to the Outside Date;

(ii) Anchor breaches or fails to perform any of its representations, warranties or covenants contained in this Agreement, which breach or failure to perform would give rise to the failure of a condition set forth in Section 7.01, and such condition is incapable of being satisfied by the Outside Date or such breach has not been cured by Anchor within twenty (20) business days after Anchor's receipt of written notice of such breach from ONB;

(iii) there has been a Material Adverse Effect on Anchor on a consolidated basis as of the Effective Time, as compared to that in existence as of the date of this Agreement; or

(iv) ONB elects to exercise its right to terminate pursuant to Section 5.11.

(d) by written notice from Anchor to ONB if:

(i) any event shall have occurred which is not capable of being cured prior to the Outside Date and would result in any condition set forth in Section 7.02 not being satisfied prior to the Outside Date;

(ii) ONB breaches or fails to perform any of its representations, warranties or covenants contained in this Agreement, which breach or failure to perform would give rise to the failure of a condition set forth in Section 7.02, and such condition is incapable of being satisfied by the Outside Date or such breach has not been cured by ONB within twenty (20) business days after ONB's receipt of written notice of such breach from Anchor; or

(iii) there has been a Material Adverse Effect on ONB on a consolidated basis as of the Effective Time, as compared to that in existence as of the date of this Agreement.

(e) by written notice of ONB to Anchor if the Anchor Board of Directors shall fail to include its recommendation to approve the Merger in the proxy statement/prospectus;

(i) in the event of an Adverse Recommendation Change;

(ii) if the Anchor Board shall approve any Acquisition Proposal or publicly recommend that the holders of Anchor Common Stock accept or approve any Acquisition Proposal;

(iii) if Anchor shall have entered into, or publicly announced its intention to enter into, a definitive agreement, agreement in principle or letter of intent with respect to any Acquisition Proposal; or

A-46

(iv) if the Anchor Board fails to publicly reaffirm its recommendation of this Agreement, the Merger or the other transactions contemplated by this Agreement within five (5) business days of a written request by ONB to provide such reaffirmation.

(f) by written notice by ONB to Anchor if a quorum could not be convened at the meeting of shareholders of Anchor contemplated in Section 5.01 or at a reconvened meeting held at any time prior to or on the Outside Date.

(g) by written notice by Anchor to ONB if, the Average ONB Closing Price is less than \$15.00 per share; subject, however, to the following two sentences. If Anchor elects to exercise its termination right pursuant to this Section 8.01(g), it shall give prompt written notice thereof to ONB. During the five (5) business day period commencing with its receipt of such notice, ONB shall have the option to increase the Common Stock Cash Consideration per share by an amount equal to the difference between (A) \$22.875 per share, and (B) the sum of (1) the Common Stock Exchange Ratio multiplied by the Average ONB Closing Price plus (2) \$2.625 per share. A sample calculation of such amount, assuming an Average ONB Closing Price of \$13.00, is set forth on Exhibit 8.01(g). If within such five (5) business day period, ONB delivers written notice to Anchor that it intends to proceed with the Merger by paying such additional consideration as contemplated by the preceding sentence, and notifies Anchor of the revised Common Stock Cash Consideration, then no termination shall have occurred pursuant to this Section 8.01(g), and this Agreement shall remain in full force and effect in accordance with its terms (except that the Common Stock Cash Consideration shall have been so modified). If ONB declares or effects a stock dividend, reclassification, recapitalization, split-up, combination, exchange of shares or similar transaction between the date of this Agreement and the Closing Date, the prices for the ONB Common Stock shall be appropriately adjusted for the purposes of applying this Section 8.01(g). Notwithstanding the foregoing, in no event shall ONB pay cash pursuant to this Section 8.01(g) to the extent that such payment (together with any other cash paid as consideration) would result in the Merger failing to satisfy the continuity of interest requirement applicable to reorganizations under Treas. Reg. Section 1.368-1(e) (using 40% as the minimum value of the proprietary interest in Anchor that must be preserved in the reorganization). In the event of any such reduced cash payment, the Common Stock Exchange Ratio shall be increased accordingly.

(h) by written notice by Anchor to ONB if, prior to the special meeting of Anchor's shareholders to approve the Merger, (i) Anchor has received a Superior Proposal, and in accordance with Section 5.06 of this Agreement, has entered into an Acquisition Agreement with respect to the Superior Proposal, or (ii) if Anchor's Board of Directors determines in good faith, after consultation with Anchor's outside legal counsel and financial advisors, that the failure of Anchor's Board of Directors to effect an Adverse Recommendation Change would be reasonably likely to result in a breach of its fiduciary duties to the shareholders of Anchor under applicable Law.

8.02 Effect of Termination. (a) Subject to the remainder of this Section 8.02, in the event of the termination of this Agreement pursuant to Section 8.01, this Agreement shall forthwith become null and void and have no effect, without any liability on the part of ONB or Anchor and each of their respective directors, officers, employees, advisors, agents or shareholders, and all rights and obligations of any party under this Agreement shall cease, except for the agreements contained in Section 8.02 and Section 11.11, which shall remain in full force and effect and survive any termination of this Agreement; provided, however, that nothing contained in this Section 8.02(a), except for the fees payable pursuant to subsections (b), (c), or (d), shall relieve any party hereto from liabilities or damages arising out of any fraud or intentional breach by such party of any of its representations, warranties, covenants or other agreements contained in this Agreement.

(b) Anchor shall pay to ONB an amount in cash equal to \$11,400,000 (the Termination Fee) if:

(1) this Agreement is terminated by ONB pursuant to Section 8.01(e); or

(2) this Agreement is terminated by either party pursuant to Section 8.01(b)(i) as a result of the failure of Anchor s shareholders to approve the Agreement and the Merger by the requisite vote or by ONB pursuant to Section 8.01(f) and, in each case, prior to the date that is twelve (12) months after such

termination Anchor or any Anchor Subsidiary enters into any Acquisition Agreement or any Acquisition Proposal is consummated (regardless of whether such Acquisition Proposal is made or consummated before or after termination of this Agreement); or

(3) this Agreement is terminated by either Anchor or ONB pursuant to Section 8.01(b)(iii) and (A) prior to the date of such termination, an Acquisition Proposal was made, and (B) prior to the date that is twelve (12) months after such termination, Anchor or any Anchor Subsidiary enters into any Acquisition Agreement or any Acquisition Proposal is consummated; or

(4) this Agreement is terminated by Anchor pursuant to Section 8.01(h).

(c) Any fee due under Section 8.02(b) shall be paid by Anchor by wire transfer of same day funds:

(1) in the case of Section 8.02(b)(1) or Section 8.02(b)(4), concurrently with such termination; and

(2) in the case of Section 8.02(b)(2) or Section 8.02(b)(3), on the earlier of the date Anchor enters into such Acquisition Agreement or consummates such Acquisition Proposal.

(d) In the event that Anchor owes the Termination Fee to ONB pursuant to Section 8.02(b), then the payment of such amount shall be the sole and exclusive remedy for those termination events and shall constitute liquidated damages. Anchor acknowledges that the agreements contained in this Section 8.02 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, ONB would not have entered into this Agreement. Accordingly, if Anchor fails promptly to pay the amounts due pursuant to this Section 8.02, and, in order to obtain such payment, ONB commences a suit that results in a judgment against Anchor for the amounts set forth in this Section 8.02, Anchor shall pay to ONB its reasonable costs and expenses (including attorneys' fees and expenses) in connection with such suit and any appeal relating thereto, together with interest on the amounts set forth in this Section 8.02 at the national prime rate in effect on the date such payment was required to be made.

ARTICLE IX.

Notwithstanding the foregoing, if the Closing Date were to occur on the last business day of November, then the Closing Date will be the last business day of December. $$\$22.875 \quad ((1.350 \times \$13.00) + \$2.625)$$

Anchor Bancorp, Inc. (Anchor) and Old National Bancorp (ONB) are proposing to enter into an Agreement and Plan of Merger (the Agreement) pursuant to which Anchor will merge with and into ONB with ONB being the surviving corporation (the Merger). Pursuant to the terms of the Agreement, at the Effective Time, each share of common stock, \$0.10 par value per share, of Anchor (Anchor Common Stock) issued and outstanding immediately prior to the Effective Time, except for certain shares of Anchor Common Stock as specified in the Agreement, will be converted into the right to receive, subject to certain adjustments set forth in the Agreement, (i) 1.350 shares of common stock (the Common Stock Exchange Ratio) (as adjusted in accordance with the terms of the Agreement), without par value, of ONB (ONB Common Stock and such consideration, the Stock Consideration), and (ii) \$2.625 in cash (the Cash Consideration); *provided*, however, in the event that the Anchor Consolidated Shareholders' Equity as of the end of the month prior to the Effective Time is less than One Hundred Seventy -Nine Million Dollars (\$179,000,000), the Common Stock Exchange Ratio shall be decreased to a quotient determined by dividing the Adjusted Stock Purchase Price by the total number of shares of Anchor Common Stock outstanding at the Effective Time, and further dividing that number by the Average ONB Closing Price. The Stock Consideration and the Cash Consideration are collectively referred to herein as the Merger Consideration. Capitalized terms used herein without definition have the meanings assigned to them in the Agreement. The terms and conditions of the Merger are more fully set forth in the Agreement. You have requested our opinion as to the fairness, from a financial point of view, of the Merger Consideration to the holders of Anchor Common Stock.

In performing our review, we have relied upon the accuracy and completeness of all of the financial and other information that was available to and reviewed by us from public sources, that was provided to us by Anchor or ONB or their respective representatives or that was otherwise reviewed by us, and we have assumed such accuracy and completeness for purposes of rendering this opinion without any independent verification or investigation. We have relied on the assurances of the respective managements of Anchor and ONB that they are not aware of any facts or circumstances that would make any of such information inaccurate or misleading. We have not been asked to and have not undertaken an independent verification of any of such information and we do not assume any responsibility or liability for the accuracy or completeness thereof. We did not make an independent evaluation or perform an appraisal of the specific assets, the collateral securing assets or the liabilities (contingent or otherwise) of Anchor or ONB or any of their respective subsidiaries, nor have we been furnished with any such evaluations or appraisals. We render no opinion or evaluation on the collectability of any assets or the future performance of any loans of Anchor or ONB. We did not make an independent evaluation of the adequacy of the allowance for loan losses of Anchor or ONB, or of the combined entity after the Merger, and we have not reviewed any individual credit files relating to Anchor or ONB. We have assumed, with your consent, that the respective allowances for loan losses for both Anchor and ONB are adequate to cover such losses and will be adequate on a pro forma basis for the combined entity.

In preparing its analyses, Sandler O'Neill used certain internal financial projections for Anchor for the years ending December 31, 2017 through December 31, 2021, as provided by the senior management of Anchor. In addition, Sandler O'Neill used publicly available consensus mean analyst earnings per share estimates for ONB for the years ending December 31, 2017 through December 31, 2019, as well as an estimated long-term earnings per share growth rate for the years thereafter and estimated cash dividends per share of ONB Common Stock for the years ending December 31, 2017 through December 31, 2021, as provided by the senior management of ONB. With respect to the foregoing information, the respective senior managements of Anchor and ONB confirmed to us that such information reflected (or, in the case of the publicly available

consensus mean analyst earnings per share estimates referred to above, were consistent with) the best currently available projections, estimates and judgments of those respective senior managements as to the future financial performance of Anchor and ONB, respectively, and the other matters covered thereby, and we assumed that the future financial performance reflected in such information would be achieved. We express no opinion as to such information, or the assumptions on which such information is based. We have also assumed that there has been no material change in the respective assets, financial condition, results of operations, business or prospects of Anchor or ONB since the date of the most recent financial statements made available to us. We have assumed in all respects material to our analysis that Anchor and ONB will remain as going concerns for all periods relevant to our analysis.

We have also assumed, with your consent, that (i) each of the parties to the Agreement will comply in all material respects with all material terms and conditions of the Agreement and all related agreements, that all of the representations and warranties contained in such agreements are true and correct in all material respects, that each of the parties to such agreements will perform in all material respects all of the covenants and other obligations required to be performed by such party under such agreements and that the conditions precedent in such agreements are not and will not be waived, (ii) in the course of obtaining the necessary regulatory or third party approvals, consents and releases with respect to the Merger, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on Anchor, ONB or the Merger or any related transaction, and (iii) the Merger and any related transactions will be consummated in accordance with the terms of the Agreement without any waiver, modification or amendment of any material term, condition or agreement thereof and in compliance with all applicable laws and other requirements. Finally, with your consent, we have relied upon the advice that Anchor has received from its legal, accounting and tax advisors as to all legal, accounting and tax matters relating to the Merger and the other transactions contemplated by the Agreement. We express no opinion as to any such matters.

Our opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. Events occurring after the date hereof could materially affect this opinion. We have not undertaken to update, revise, reaffirm or withdraw this opinion or otherwise comment upon events occurring after the date hereof. We express no opinion as to the trading value of ONB Common Stock at any time or what the value of ONB Common Stock will be once it is actually received by the holders of Anchor Common Stock.

We have acted as Anchor's financial advisor in connection with the Merger and will receive a fee for our services, a significant portion of which is contingent upon the closing of the Merger. We will also receive a fee for rendering this opinion, which opinion fee will be credited in full towards the portion of the transaction fee which will become payable to Sandler O'Neill on the day of closing of the Merger. Anchor has also agreed to indemnify us against certain claims and liabilities arising out of our engagement and to reimburse us for certain of our out-of-pocket expenses incurred in connection with our engagement. We have not provided any other investment banking services to Anchor in the two years preceding the date of this opinion. As we have previously advised you, in the two years preceding the date hereof, Sandler O'Neill has provided certain investment banking services to, and received fees from, ONB. Most recently, Sandler O'Neill acted as financial advisor to the Board of Directors of ONB in connection with the sale of ONB's subsidiary, ONB Insurance Group, Inc., to Prime Risk Partners, Inc., which transaction closed in May 2016. In addition, in the ordinary course of our business as a broker-dealer, we may purchase securities from and sell securities to ONB and its affiliates. We may also actively trade the equity and debt securities of ONB and its affiliates for our own account and for the accounts of our customers.

Our opinion is directed to the Board of Directors of Anchor in connection with its consideration of the Agreement and the Merger and does not constitute a recommendation to any shareholder of Anchor as to how any such shareholder should vote at any meeting of shareholders called to consider and vote upon the approval of the Agreement and the Merger. Our opinion is directed only to the fairness, from a financial point of view, of the Merger Consideration to the holders of Anchor Common Stock and does not address the underlying business decision of Anchor to engage in the Merger, the form or structure of the Merger or any other transactions contemplated in the Agreement, the relative merits of the Merger as compared to any other alternative transactions or business strategies that might exist for Anchor or the effect of any other transaction in which Anchor might engage. We also do not express any opinion as to the fairness of the amount or nature of the compensation to be received in the Merger by any officer, director or employee of Anchor or ONB, or any class of such persons, if any, relative to the compensation to be received in the Merger by any other shareholder. This opinion has been approved by Sandler O'Neill's fairness opinion committee. This opinion shall not be reproduced without Sandler O'Neill's prior written consent; *provided*, however, Sandler O'Neill will provide its consent for the opinion to be included in regulatory filings to be completed in connection with the Merger.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Merger Consideration is fair to holders of Anchor Common Stock from a financial point of view.

Very truly yours,

SECTIONS 302A.471 AND 302A.473 OF THE MINNESOTA BUSINESS CORPORATION ACT

302A.471 RIGHTS OF DISSENTING SHAREHOLDERS

Subdivision 1. Actions creating rights. A shareholder of a corporation may dissent from, and obtain payment for the fair value of the shareholder's shares in the event of, any of the following corporate actions:

(a) unless otherwise provided in the articles, an amendment of the articles that materially and adversely affects the rights or preferences of the shares of the dissenting shareholder in that it:

(1) alters or abolishes a preferential right of the shares;

(2) creates, alters, or abolishes a right in respect of the redemption of the shares, including a provision respecting a sinking fund for the redemption or repurchase of the shares;

(3) alters or abolishes a preemptive right of the holder of the shares to acquire shares, securities other than shares, or rights to purchase shares or securities other than shares;

(4) excludes or limits the right of a shareholder to vote on a matter, or to cumulate votes, except as the right may be excluded or limited through the authorization or issuance of securities of an existing or new class or series with similar or different voting rights; except that an amendment to the articles of an issuing public corporation that provides that section 302A.671 does not apply to a control share acquisition does not give rise to the right to obtain payment under this section; or

(5) eliminates the right to obtain payment under this subdivision;

(b) a sale, lease, transfer, or other disposition of property and assets of the corporation that requires shareholder approval under section 302A.661, subdivision 2, but not including a disposition in dissolution described in section 302A.725, subdivision 2, or a disposition pursuant to an order of a court, or a disposition for cash on terms requiring that all or substantially all of the net proceeds of disposition be distributed to the shareholders in accordance with their respective interests within one year after the date of disposition;

(c) a plan of merger, whether under this chapter or under chapter 322B or 322C, to which the corporation is a constituent organization, except as provided in subdivision 3, and except for a plan of merger adopted under section 302A.626;

(d) a plan of exchange, whether under this chapter or under chapter 322B or 322C, to which the corporation is a party as the corporation whose shares will be acquired by the acquiring organization, except as provided in subdivision 3;

(e) a plan of conversion is adopted by the corporation and becomes effective;

(f) an amendment of the articles in connection with a combination of a class or series under section 302A.402 that reduces the number of shares of the class or series owned by the shareholder to a fraction of a share if the corporation exercises its right to repurchase the fractional share so created under section 302A.423; or

(g) any other corporate action taken pursuant to a shareholder vote with respect to which the articles, the bylaws, or a resolution approved by the board directs that dissenting shareholders may obtain payment for their shares.

Subdivision 2. Beneficial owners. (a) A shareholder shall not assert dissenters' rights as to less than all of the shares registered in the name of the shareholder, unless the shareholder dissents with respect to all the shares

C-1

Table of Contents

that are beneficially owned by another person but registered in the name of the shareholder and discloses the name and address of each beneficial owner on whose behalf the shareholder dissents. In that event, the rights of the dissenter shall be determined as if the shares as to which the shareholder has dissented and the other shares were registered in the names of different shareholders.

(b) A beneficial owner of shares who is not the shareholder may assert dissenters' rights with respect to shares held on behalf of the beneficial owner, and shall be treated as a dissenting shareholder under the terms of this section and section 302A.473, if the beneficial owner submits to the corporation at the time of or before the assertion of the rights a written consent of the shareholder.

Subdivision 3. Rights not to apply. (a) Unless the articles, the bylaws, or a resolution approved by the board otherwise provide, the right to obtain payment under this section does not apply to a shareholder of (1) the surviving corporation in a merger with respect to shares of the shareholder that are not entitled to be voted on the merger and are not canceled or exchanged in the merger or (2) the corporation whose shares will be acquired by the acquiring organization in a plan of exchange with respect to shares of the shareholder that are not entitled to be voted on the plan of exchange and are not exchanged in the plan of exchange.

(b) If a date is fixed according to section 302A.445, subdivision 1, for the determination of shareholders entitled to receive notice of and to vote on an action described in subdivision 1, only shareholders as of the date fixed, and beneficial owners as of the date fixed who hold through shareholders, as provided in subdivision 2, may exercise dissenters' rights.

(c) Notwithstanding subdivision 1, the right to obtain payment under this section, other than in connection with a plan of merger adopted under section 302A.621, is limited in accordance with the following provisions:

(1) The right to obtain payment under this section is not available for the holders of shares of any class or series of shares that is listed on the New York Stock Exchange, the American Stock Exchange, the NASDAQ Global Market, or the NASDAQ Global Select Market.

(2) The applicability of clause (1) is determined as of:

(i) the record date fixed to determine the shareholders entitled to receive notice of, and to vote at, the meeting of shareholders to act upon the corporate action described in subdivision 1; or

(ii) the day before the effective date of corporate action described in subdivision 1 if there is no meeting of shareholders.

(3) Clause (1) is not applicable, and the right to obtain payment under this section is available pursuant to subdivision 1, for the holders of any class or series of shares who are required by the terms of the corporate action described in subdivision 1 to accept for such shares anything other than shares, or cash in lieu of fractional shares, of any class or any series of shares of a domestic or foreign corporation, or any other ownership interest of any other organization, that satisfies the standards set forth in clause (1) at the time the corporate action becomes effective.

Subdivision 4. Other rights. The shareholders of a corporation who have a right under this section to obtain payment for their shares, or who would have the right to obtain payment for their shares absent the exception set forth in paragraph (c) of subdivision 3, do not have a right at law or in equity to have a corporate action described in subdivision 1 set aside or rescinded, except when the corporate action is fraudulent with regard to the complaining shareholder or the corporation.

302A.473 PROCEDURES FOR ASSERTING DISSENTERS RIGHTS

Subdivision 1. Definitions. (a) For purposes of this section, the terms defined in this subdivision have the meanings given them.

C-2

Table of Contents

(b) Corporation means the issuer of the shares held by a dissenter before the corporate action referred to in section 302A.471, subdivision 1 or the successor by merger of that issuer.

(c) Fair value of the shares means the value of the shares of a corporation immediately before the effective date of the corporate action referred to in section 302A.471, subdivision 1.

(d) Interest means interest commencing five days after the effective date of the corporate action referred to in section 302A.471, subdivision 1, up to and including the date of payment, calculated at the rate provided in section 549.09, subdivision 1, paragraph (c), clause (1).

Subdivision 2. Notice of action. If a corporation calls a shareholder meeting at which any action described in section 302A.471, subdivision 1 is to be voted upon, the notice of the meeting shall inform each shareholder of the right to dissent and shall include a copy of section 302A.471 and this section and a brief description of the procedure to be followed under these sections.

Subdivision 3. Notice of dissent. If the proposed action must be approved by the shareholders and the corporation holds a shareholder meeting, a shareholder who is entitled to dissent under section 302A.471 and who wishes to exercise dissenters' rights must file with the corporation before the vote on the proposed action a written notice of intent to demand the fair value of the shares owned by the shareholder and must not vote the shares in favor of the proposed action.

Subdivision 4. Notice of procedure; deposit of shares. (a) After the proposed action has been approved by the board and, if necessary, the shareholders, the corporation shall send to (i) all shareholders who have complied with subdivision 3, (ii) all shareholders who did not sign or consent to a written action that gave effect to the action creating the right to obtain payment under section 302A.471, and (iii) all shareholders entitled to dissent if no shareholder vote was required, a notice that contains:

(1) the address to which a demand for payment and certificates of certificated shares must be sent in order to obtain payment and the date by which they must be received;

(2) any restrictions on transfer of uncertificated shares that will apply after the demand for payment is received;

(3) a form to be used to certify the date on which the shareholder, or the beneficial owner on whose behalf the shareholder dissents, acquired the shares or an interest in them and to demand payment; and

(4) a copy of section 302A.471 and this section and a brief description of the procedures to be followed under these sections.

(b) In order to receive the fair value of the shares, a dissenting shareholder must demand payment and deposit certificated shares or comply with any restrictions on transfer of uncertificated shares within 30 days after the notice required by paragraph (a) was given, but the dissenter retains all other rights of a shareholder until the proposed action takes effect.

Subdivision 5. Payment; return of shares. (a) After the corporate action takes effect, or after the corporation receives a valid demand for payment, whichever is later, the corporation shall remit to each dissenting shareholder who has complied with subdivisions 3 and 4 the amount the corporation estimates to be the fair value of the shares, plus interest, accompanied by:

- (1) the corporation's closing balance sheet and statement of income for a fiscal year ending not more than 16 months before the effective date of the corporate action, together with the latest available interim financial statements;
- (2) an estimate by the corporation of the fair value of the shares and a brief description of the method used to reach the estimate; and
- (3) a copy of section 302A.471 and this section, and a brief description of the procedure to be followed in demanding supplemental payment.

C-3

Table of Contents

(b) The corporation may withhold the remittance described in paragraph (a) from a person who was not a shareholder on the date the action dissented from was first announced to the public or who is dissenting on behalf of a person who was not a beneficial owner on that date. If the dissenter has complied with subdivisions 3 and 4, the corporation shall forward to the dissenter the materials described in paragraph (a), a statement of the reason for withholding the remittance, and an offer to pay to the dissenter the amount listed in the materials if the dissenter agrees to accept that amount in full satisfaction. The dissenter may decline the offer and demand payment under subdivision 6. Failure to do so entitles the dissenter only to the amount offered. If the dissenter makes demand, subdivisions 7 and 8 apply.

(c) If the corporation fails to remit payment within 60 days of the deposit of certificates or the imposition of transfer restrictions on uncertificated shares, it shall return all deposited certificates and cancel all transfer restrictions. However, the corporation may again give notice under subdivision 4 and require deposit or restrict transfer at a later time.

Subdivision 6. Supplemental payment; demand. If a dissenter believes that the amount remitted under subdivision 5 is less than the fair value of the shares plus interest, the dissenter may give written notice to the corporation of the dissenter's own estimate of the fair value of the shares, plus interest, within 30 days after the corporation mails the remittance under subdivision 5, and demand payment of the difference. Otherwise, a dissenter is entitled only to the amount remitted by the corporation.

Subdivision 7. Petition; determination. If the corporation receives a demand under subdivision 6, it shall, within 60 days after receiving the demand, either pay to the dissenter the amount demanded or agreed to by the dissenter after discussion with the corporation or file in court a petition requesting that the court determine the fair value of the shares, plus interest. The petition shall be filed in the county in which the registered office of the corporation is located, except that a surviving foreign corporation that receives a demand relating to the shares of a constituent domestic corporation shall file the petition in the county in this state in which the last registered office of the constituent corporation was located. The petition shall name as parties all dissenters who have demanded payment under subdivision 6 and who have not reached agreement with the corporation. The corporation shall, after filing the petition, serve all parties with a summons and copy of the petition under the Rules of Civil Procedure. Nonresidents of this state may be served by registered or certified mail or by publication as provided by law. Except as otherwise provided, the Rules of Civil Procedure apply to this proceeding. The jurisdiction of the court is plenary and exclusive. The court may appoint appraisers, with powers and authorities the court deems proper, to receive evidence on and recommend the amount of the fair value of the shares. The court shall determine whether the shareholder or shareholders in question have fully complied with the requirements of this section, and shall determine the fair value of the shares, taking into account any and all factors the court finds relevant, computed by any method or combination of methods that the court, in its discretion, sees fit to use, whether or not used by the corporation or by a dissenter. The fair value of the shares as determined by the court is binding on all shareholders, wherever located. A dissenter is entitled to judgment in cash for the amount by which the fair value of the shares as determined by the court, plus interest, exceeds the amount, if any, remitted under subdivision 5, but shall not be liable to the corporation for the amount, if any, by which the amount, if any, remitted to the dissenter under subdivision 5 exceeds the fair value of the shares as determined by the court, plus interest.

Subdivision 8. Costs; fees; expenses. (a) The court shall determine the costs and expenses of a proceeding under subdivision 7, including the reasonable expenses and compensation of any appraisers appointed by the court, and shall assess those costs and expenses against the corporation, except that the court may assess part or all of those costs and expenses against a dissenter whose action in demanding payment under subdivision 6 is found to be arbitrary, vexatious, or not in good faith.

(b) If the court finds that the corporation has failed to comply substantially with this section, the court may assess all fees and expenses of any experts or attorneys as the court deems equitable. These fees and expenses

may also be assessed against a person who has acted arbitrarily, vexatiously, or not in good faith in bringing the proceeding, and may be awarded to a party injured by those actions.

(c) The court may award, in its discretion, fees and expenses to an attorney for the dissenters out of the amount awarded to the dissenters, if any.
