Subject line: A Big Step Forward in Strategic Growth

Team,

At the beginning of the year we outlined three strategic priorities for 2018: Strategic Growth, Operational Excellence and a Differentiated Customer Experience. I'm delighted to share that the time for real growth is now. As of late last night, Taylor Morrison has entered into a definitive merger agreement to acquire AV Homes.

When we looked at M&A as a tactic for smart growth and began assessing other homebuilders we could acquire and welcome into our Taylor Morrison family, it became immediately clear that the AV Homes footprint and product offerings were complementary to ours and could take us deeper into some of the highly sought-after markets we operate in today.

AV Homes and its 500 team members operate in the greater Orlando, Jacksonville, Raleigh, Charlotte, Phoenix and Dallas-Fort Worth markets. Like us they are publicly traded, and, in 2015 and 2016, they were recognized as the fastest-growing public homebuilder. They bring decades of experience serving affordable first-time buyers, first move-up and active-adult consumer groups all segments that fall squarely in Taylor Morrison's wheelhouse.

Through this proposed acquisition, we will re-enter Jacksonville and add greater depth to our current footprint, which we expect will bring Taylor Morrison's position to a top five builder in five of the six acquired markets. We will also enjoy attractive active-adult land positions and be better equipped to expand into the more affordable, first-time buyer segment, similar to our operations in Atlanta.

Since AV Homes does not have a wholly owned financial services platform, we also expect to see immense benefits through Taylor Morrison Home Funding and our Inspired Title Services organizations, resulting in an enhanced sales process, customer experience and increased mortgage capture rates.

What's Next?

Unlike our prior acquisitions of private builders, AV Homes is a public company, making the pending deal subject to different regulations and the approval of AV Homes stockholders. We expect the transaction to close in late Q3 or early Q4, at which time AV Homes communities and team members would officially be welcomed into the Taylor Morrison family.

Edgar Filing: AV Homes, Inc. - Form 425

With four acquisitions under our belt already and AV Homes making history as our fifth and largest! we know merging one company into another is a tremendous undertaking. That's why we'll be bringing in a team of integration consultants to help take the burden of work off our teams. Lou Steffens, our President of M&A, will be joined by Robert Broad, who will be taking on new responsibilities to help lead these efforts.

As for more immediate next steps, this morning (at 8:30 a.m. EST), Chief Financial Officer Dave Cone and I will host a public webcast with our investors and we invite you to attend (a replay will be available at investors.taylormorrison.com later in the day). And next week I'll be filming another installment of *Shoes Off with Sheryl* where I'll share more color on the pending deal. Please be sure to tune in.

I could not close this message without first recognizing the team members who have been working tirelessly to get us to this point. To Lou, who led the diligence efforts, our field leaders, our finance and legal teams thank you for balancing a vast amount of work coupled with your day job. Your dedication and work product are unmatched in our industry!

We made it a priority to grow in a smart and meaningful way this year and entering into an agreement to add AV Homes to the Taylor Morrison family is a tremendous first step in that direction. When the pens have been lifted and the ink has dried on closing of the transaction, Taylor Morrison's portfolio will include roughly 54,500 owned and controlled lots and more than 350 active selling communities across eight states and 21 markets wow!

Warmly,

Sheryl
