The Notes are bail-inable debt securities (as defined in the prospectus) and subject to conversion in whole or in part by means of a transaction or series of transactions and in one or more steps into common shares of the Bank or any of its affiliates under subsection 39.2(2.3) of the Canada Deposit Insurance Corporation Act (Canada) (the CDIC Act) and to variation or extinguishment in consequence, and subject to the application of the laws of the Province of Ontario and the federal laws of Canada applicable therein in respect of the operation of the CDIC Act with respect to the Notes.

Under Rule 15c6-1 of the Securities Exchange Act of 1934, as amended (the Exchange Act), trades in the secondary market generally are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade their Notes more than two business days prior to the settlement date will be required, by virtue of the fact that the Notes initially will settle in three business days (T+3), to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement.

Because Desjardins Securities Inc. is not registered with the U.S. Securities and Exchange Commission (the SEC) as a U.S. registered broker-dealer, it will effect offers and sales of the Notes solely outside of the United States or within the United States to the extent permitted by Rules 15a-6 under the Exchange Act through one

or more U.S. registered broker-dealers and as permitted by the rules and regulations of the Financial Industry Regulatory Authority, Inc.
