The accompanying Notice of Annual Meeting and proxy card and this Proxy Statement are being first mailed to stockholders on or about October 10, 2006.

VOTING AND REVOCABILITY OF PROXIES

Stockholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by properly executed proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies may be revoked by written notice to Roy L. Pulliam, Jr., Secretary of the Company, at the address shown above, by filing a later-dated proxy prior to a vote being taken on a particular proposal at the Annual Meeting or by attending the Annual Meeting and voting in person. The presence of a stockholder at the Annual Meeting will not in itself revoke such stockholder's proxy.

Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. **Where no instructions are indicated, proxies will be voted FOR the nominees for director set forth below, and FOR the ratification of the appointment of Grant Thornton LLP as the Company's independent public accountants for the year ending June 30, 2007.** The proxy confers discretionary authority on the persons named therein to vote with respect to the election of any person as a director where the nominee is unable to serve or for good cause will not serve, and matters incident to the conduct of the Annual Meeting. If any other business is presented at the Annual Meeting, proxies will be voted by those named therein in accordance with the determination of a majority of the Board of Directors. Proxies marked as abstentions will not be counted as votes cast. Shares held in street name which have been designated by brokers on proxies as not voted (broker non-votes) will not be counted as votes cast. Proxies marked as abstentions or as broker non-votes, however, will be treated as shares present for purposes of determining whether a quorum is present.

VOTING SECURITIES AND SECURITY OWNERSHIP

The securities entitled to vote at the Annual Meeting consist of the Company's common stock, par value \$.01 per share (the Common Stock). Stockholders of record as of the close of business on September 29, 2006 (the Record Date) are entitled to one vote for each share of Common Stock then held. As of the Record Date, there were 8,507,864 shares of Common Stock issued and outstanding. The presence, in person or by proxy, of at least a majority of the total number of shares of Common Stock outstanding and entitled to vote will be necessary to constitute a quorum at the Annual Meeting.

Persons and groups beneficially owning more than 5% of the Common Stock are required to file certain reports with respect to such ownership pursuant to the Securities Exchange Act of 1934, as amended (the Exchange Act). The following table sets forth information regarding the shares of Common Stock beneficially owned as of the Record Date by persons who beneficially own more than 5% of the Common Stock, each of the Company's directors, the executive officers of the Company named in the Summary Compensation Table set forth under Proposal I Election of Directors Executive Compensation Summary Compensation Table, and all of the Company's directors and executive officers as a group.

PROPOSAL I -- ELECTION OF DIRECTORS**General**

The Company's Board of Directors consists of seven members, all of whom are independent under the listing standards of Nasdaq, except Tony D. Whitaker, Don D. Jennings and Stephen G. Barker. The Company's Bylaws require that directors be divided into three classes, as nearly equal in number as possible, with approximately one-third of the directors elected each year. At the Annual Meeting, three directors will be elected for a term expiring at the 2009 annual meeting. The Board of Directors has nominated Stephen G. Barker, David R. Harrod, and Tony D. Whitaker, to each serve as directors for a three-year period. Each of the nominees is currently a member of the Board. Pursuant to the Company's Bylaws, there is no cumulative voting for the election of directors. As a result, directors are elected by a plurality of the votes present in person or by proxy at a meeting at which a quorum is present.

It is intended that the persons named in the proxies solicited by the Board of Directors will vote for the election of the named nominees. If any nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend or the size of the Board may be reduced to eliminate the vacancy. At this time, the Board knows of no reason why any nominee might be unavailable to serve.

The following table sets forth, for each nominee for director and continuing director of the Company, his age, the year he first became a director either of the Company or the Company's wholly owned subsidiary, First Federal Savings and Loan Association of Hazard (First Federal of Hazard), and the expiration of his term as a director. All such persons were appointed as directors of the Company in March 2005 upon the formation and organization of the Company. Directors Barker, Ecton, Gorman and Whitaker also serve on the Board of Directors of First Federal of Hazard, and Directors Harrod and Regan also serve on the Board of Directors of the Company's wholly owned subsidiary, Frankfort First Bancorp, Inc. (Frankfort First), and Frankfort First's wholly owned subsidiary, First Federal Savings Bank of Frankfort (First Federal of Frankfort.) Director Jennings also serves on the Board of First Federal of Frankfort.

Committees of the Board of Directors

The Board of Directors of the Company meets quarterly and may have additional special meetings. During the year ended June 30, 2006, the Board of Directors of the Company met seven times. No director attended fewer than 75% in the aggregate of the total number of Company Board of Directors meetings held during the year ended June 30, 2006 and the total number of meetings held by Committees on which he served during such fiscal year.

Audit Committee. The Company has a separately designated Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. During the fiscal year ended June 30, 2006, the Board of Directors' Audit Committee consisted of Directors Harrod (Chairman), Ecton, Gorman and Regan. Each of the members of the Audit Committee are independent, as independent is defined in Rule 4200(a)(15) of the listing standards of the National Association of Securities Dealers, Inc. (NASD). The Company's Board of Directors has determined that one member of the Audit Committee, David R. Harrod, qualifies as an audit committee financial expert as defined in Section 401(h) of Regulation S-K promulgated by the U.S. Securities and Exchange Commission. Director David R. Harrod is independent, as such term is defined in Item 7(d)(3)(iv)(A) of Schedule 14A of the Exchange Act.

The function of the Audit Committee is to review and discuss the audited financial statements with management, internal audit and the independent auditors; to determine the independent auditors' qualifications and independence; to engage the independent auditors of the Company; to review the internal audit function and internal accounting controls; to review the internal audit plan; to review the Company's compliance with legal and regulatory requirements; and to review the Company's auditing, accounting and financial processes generally. The Company's Board of Directors adopted a written charter for the Audit Committee. A copy of the Audit Committee Charter was attached to the Company's proxy statement prepared in connection with the Company's 2005 annual meeting of stockholders. The Audit Committee met four times during the year ended June 30, 2006.

Nominating/Corporate Governance Committee. The Board of Directors' Nominating/Corporate Governance Committee nominates directors to be voted on at the Annual Meeting and recommends nominees to fill any vacancies on the Board of Directors. The Nominating/Corporate Governance Committee consists of Directors Ecton (Chairman), Gorman and Regan. The members of the Nominating/Corporate Governance Committee are independent directors as defined in Nasdaq listing standards. The Board of Directors has adopted a Charter for the Nominating/Corporate Governance Committee a copy of which was attached to the Company's proxy statement prepared in connection with the Company's 2005 annual meeting of stockholders. The Nominating/Corporate Governance Committee met once during the fiscal year ended June 30, 2006.

It is the policy of the Nominating/Corporate Governance Committee to consider director candidates recommended by security holders who appear to be qualified to serve on the Company's Board of Directors. Any stockholder wishing to recommend a candidate for consideration by the Nominating/Corporate Governance Committee as a possible director nominee for election at an upcoming annual meeting of stockholders must provide written notice to the Nominating/Corporate Governance Committee of such stockholder's recommendation of a director nominee no later than July 1 preceding the annual meeting of stockholders. Notice should be provided to: Roy L. Pulliam, Jr., Secretary, Kentucky First Federal Bancorp, P.O. Box 1069, Hazard, Kentucky 41702-1069. Such notice must contain the following information:

The name of the person recommended as a director candidate;

All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934;

The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;

As to the shareholder making the recommendation, the name and address, as he or she appears on the Company's books, of such shareholder; provided, however, that if the shareholder is not a registered holder of the Company's common stock, the shareholder should submit his or her name and address, along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock; and

A statement disclosing whether such shareholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In its deliberations, the Nominating/Corporate Governance Committee considers a candidate's personal and professional integrity, knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate representation of the Bank's market area. Any nominee for director made by the Nominating/Corporate Governance Committee must be highly qualified with regard to some or all the attributes listed in the preceding sentence. In searching for qualified director candidates to fill vacancies in the Board, the Nominating/Corporate Governance Committee solicits the Company's then current directors for the names of potential qualified candidates. Moreover, the Nominating/Corporate Governance Committee may ask its directors to pursue their own business contacts for the names of potentially qualified candidates. The Nominating/Corporate Governance Committee would then consider the potential pool of director candidates, select a candidate based on the candidate's qualifications and the Board's needs, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a director of the Company. In the event a stockholder has submitted a proposed nominee, the Nominating/Corporate Governance Committee would consider the proposed nominee in the same manner in which the Nominating/Corporate Governance Committee would evaluate nominees for director recommended by directors.

With respect to nominating an existing director for re-election to the Board of Directors, the Nominating/Corporate Governance Committee will consider and review an existing director's Board and committee attendance and performance, length of Board service, experience, skills and contributions that the existing director brings to the Board and independence.

Compensation Committee. The Compensation Committee consists of Directors Ecton, Gorman and Regan (Chairman). The Committee evaluates the compensation and fringe benefits of the directors, officers and employees and recommends changes. The Compensation Committee met three times during the year ended June 30, 2006.

Board Policies Regarding Communications with the Board of Directors and Attendance at Annual Meetings. The Board of Directors maintains a process for stockholders to communicate with the Board of Directors. Stockholders wishing to communicate with the Board of Directors should send any communication to Roy L. Pulliam, Jr., Secretary, Kentucky First Federal Bancorp, P.O. Box 1069, Hazard, Kentucky 41702-1069. All communications that relate to matters that are within the scope of the responsibilities of the Board and its Committees are to be presented to the Board no later than its next regularly scheduled meeting. Communications that relate to matters that are within the responsibility of one of the Board Committees are also to be forwarded to the Chair of the appropriate Committee. Communications that relate to ordinary business matters that are not within the scope of the Board's responsibilities, such as customer complaints, are to be sent to the appropriate officer. Solicitations, junk mail and obviously frivolous or inappropriate communications are not to be forwarded, but will be made available to any director who wishes to review them.

Directors are expected to prepare themselves for and to attend all Board meetings, the Annual Meeting of Stockholders and the meetings of the Committees on which they serve, with the understanding that on occasion a director may be unable to attend a meeting. All directors attended the Company's annual meeting held on November 15, 2005.

Compensation Committee Report on Executive Compensation

Overview and Philosophy The Company's executive compensation policies are established by the Compensation Committee of the Board of Directors (the Committee). The Committee is responsible for developing the Company's executive compensation policies. The Committee's objectives in designing and administering the specific elements of the Company's executive compensation program are as follows:

To link executive compensation rewards to increases in stockholder value, as measured by favorable long-term operating results and continued strengthening of the Company's financial condition.

To provide incentives for executive officers to work towards achieving successful annual results as a step in achieving the Company's long-term operating results and strategic objectives.

To maintain a competitive mix of total executive compensation, with particular emphasis on awards related to increases in long-term stockholder value.

To attract and retain top performing executive officers for the long-term success of the Company.

In furtherance of these objectives, the Committee has determined that there may be four specific components of executive compensation: base salary, a cash bonus, routine fringe benefits, and stock benefit plans.

Base Salary. The Committee makes recommendations to the Board concerning executive compensation on the basis of performance, experience, and retention goals. Surveys of salaries paid to executive officers of other savings and loan holding companies, non-diversified savings institutions and other financial institutions similar in size, market capitalization and other characteristics may be used to insure that salaries are competitive with salaries paid by the Company's peers.

Bonus. The Company may pay a discretionary bonus on an annual basis. Whether bonuses are paid each year and the amount of such bonuses are determined by the Committee. Bonuses may be used to meet the Committee's goals for retention of executives, or they may be structured so that they reward specific performance goals either for the individual or for the Company as set forth by the Board of Directors. The absence of such a bonus does not indicate an officer's failure to achieve such a performance goal. Currently, the Company does not have any plans for a performance-based incentive bonus. However, each subsidiary Bank may also pay its employees bonuses based either upon certain incentives or as a routine annual bonus. While a bonus may be routine, it is not guaranteed and the Board of the subsidiary Bank may choose not to pay the bonus for any reason. Executive Officers of the Company may participate in such bonus plans with their subsidiary Bank to the same extent all employees participate.

Routine Fringe Benefits. Each officer of the Company is also an employee of one of the subsidiary Banks and, as such, is entitled to participate in benefit plans and programs offered to all employees by the Bank of his or her employment. These programs may include retirement plans, health insurance plans, provision of an automobile, entitlement to paid vacation, etc.

Stock Benefit Plans. In addition, the Committee believes that stock-related award plans are an important element of compensation since they provide executives with incentives linked to the performance of the Common Stock. Accordingly, the Board of Directors has adopted the 2005 Equity Incentive Plan (the 2005 Plan), which was approved by stockholders at the 2005 Annual Meeting.

Under the 2005 Plan, the Company reserved for issuance 421,216 shares of Common Stock that may be issued pursuant to stock options. The Committee believes that stock options are an important element of compensation because they provide executives with incentives linked to the performance of the Common Stock. Options are granted with an exercise price equal to the market value of the Common Stock on the date of grant, and thus acquire value only if the Company's stock price increases. In addition, under the 2005 Plan, the Company reserved for issuance as restricted stock awards 168,486 shares of common stock. The Company intends to award stock options and restricted stock as a means of providing employees the opportunity to acquire a proprietary interest in the Company and to link their interests with those of the Company's stockholders.

Compensation of Chief Executive Officer

Mr. Whitaker's base salary is established in accordance with the terms of the employment agreements entered into between the Company and First Federal of Hazard and Mr. Whitaker. See -- Executive Compensation -- Employment Agreements. The Committee determines Mr. Whitaker's compensation on the basis of several factors. In determining Mr. Whitaker's base salary, the Committee reviewed compensation paid to chief executive officers of similarly situated savings institutions and non-diversified savings institutions and other financial institutions of similar asset size. The Committee believes that Mr. Whitaker's base salary is generally competitive with the average salary paid to executives of similar rank and expertise at banking institutions which the Committee considered to be comparable and taking into account Kentucky First Federal Bancorp's complex operations and First Federal of Hazard's superior performance relative to comparable institutions.

The Committee believes that the Company's executive compensation program serves the Company and its stockholders by providing a direct link between the interests of executive officers and those of stockholders generally and by helping to attract and retain qualified executive officers who are dedicated to the long-term success of the Company.

(2) Includes 42,000 and 15,250 shares of restricted stock granted to Messrs. Whitaker and Jennings, respectively, under the 2005 Plan. The dollar amounts set forth in the table represent the market value of the shares on the date of grant. The restricted stock awards vest in five equal annual installments commencing on December 13, 2006, the first anniversary of the granting of the awards. When shares become vested and are distributed from the trust in which they are held, the recipients will also receive an amount equal to accumulated cash and stock dividends (if any) paid with respect thereto, plus earnings thereon. The number and value of all unvested shares of restricted stock held under the 2005 Equity Incentive Plan that are awarded to each named executive officer as of June 30, 2006, is as follows, based on \$10.40, the closing price of the Company's common stock on June 30, 2006:

	Number of Unvested Shares	Value of Unvested Shares
Mr. Whitaker	42,000	\$ 436,800
Mr. Jennings	15,250	\$ 158,600

(3) Includes the market value of allocations under the employee stock ownership plan.

(4) Mr. Jennings 2005 salary and other annual compensation represents the period from March 2, 2005, the date of the Company's acquisition of Frankfort First Bancorp, Inc. through June 30, 2005.

Edgar Filing: Kentucky First Federal Bancorp - Form DEF 14A

Option Grants in Last Fiscal Year. The following table lists all grants of options granted to the named executive officers in fiscal 2006 and contains certain information about the potential value of these options based upon certain assumptions as to the appreciation of the Company's stock over the life of the option.

Name	Number of Securities Underlying Options Granted(1)	% of Total Options Granted to Employees In Fiscal Year	Exercise Price Per Share (2)	Expiration Date	Potential Realizable Value of Assumed Annual Rates of Stock Price For Option Term (3)	
					5%	10%
Tony D. Whitaker	105,200	30%	\$ 10.10	12/13/2015	\$ 666,943	\$ 1,690,164
Don D. Jennings	52,000	15%	10.10	12/13/2015	330,295	837,034

- (1) Options become exercisable in five equal annual installments commencing on December 13, 2006; provided, however, that options become immediately exercisable upon a change in control or if the optionee terminates employment due to death or disability. Options have value only if the stock price increases above the exercise price shown in the table during the effective option period. In order for the executive to realize the potential values set forth in the 5% and 10% columns in the table, the price per share of the Company's common stock would be approximately \$16.45 and \$26.20, respectively, as of the expiration date of the options.
- (2) All stock options were granted at 100% of fair market value on date of grant
- (3) The dollar amounts under these columns are the result of calculations at the 5% and 10% rates set by the United States Securities and Exchange Commission and are not intended to forecast possible future appreciation, if any, in the market value of the Company's common stock.

As of June 30, 2006, none of the stock options granted were exercisable. Consequently, no stock options were exercised by Messrs. Whitaker and Jennings during fiscal 2006. The following table provides certain information with respect to the number and value of shares of Company common stock represented by outstanding options held by the named executive officers as of June 30, 2006.

Name	Number of Securities Underlying Unexercised Options at June 30, 2006		Value of Unexercised In-the-Money June 30, 2006(1)	
	Exercisable	Unexercisable	Exercisable	Unexercisable
Tony D. Whitaker		105,000	\$	\$ 31,500
Don Jennings		52,000	\$	\$ 15,600

- (1) Value of unexercisable in-the-money stock options equals the market value of shares covered by in-the-money options on June 30, 2006, less the option exercise price. Options are in-the-money if the market value of shares covered by the options is greater than the exercise price.

Employment Agreements. The Company and First Federal of Hazard entered into separate employment agreements (the Agreements) with Tony D. Whitaker, Chairman of the Board of Kentucky First and President and Chief Executive Officer of First Federal of Hazard. The Company and First Federal of Frankfort entered into separate employment agreements (the Agreements) with Don D. Jennings, President and Chief Operating Officer of Kentucky First and Executive Vice President of First Federal of Frankfort. The Agreements provide for three-year terms, expiring on August 15, 2009, renewable on an annual basis for an additional year upon review and extension by the respective Boards of Directors of Kentucky First, First Federal of Hazard and First Federal of Frankfort. The Agreements establish a base salary of \$164,400 and \$100,000 for Messrs. Whitaker and Jennings, respectively. The respective Boards of Directors will review the base salaries each year in order to consider any appropriate changes. In addition to establishing a base salary, the Agreements provide for, among other things, participation in stock-based and other benefit plans, as well as certain fringe benefits.

The Agreements also provide that Kentucky First, First Federal of Hazard and First Federal of Frankfort may terminate the employment of Messrs. Whitaker or Jennings for cause, as defined in the Agreements, at any time. No compensation or benefits are payable upon termination of either officer for cause. Each of the officers may also voluntarily terminate his employment by providing 90 days prior written notice. Upon voluntary termination, the officer receives only compensation and vested benefits through the termination date.

The Agreements terminate upon the officer's death, and his estate receives any compensation due through the last day of the calendar month of death. The Agreements also allow the appropriate boards to terminate the employment of Messrs. Whitaker or Jennings employment due to disability, as defined in the Agreements. A disabled executive receives any compensation and benefits provided for under the agreement for any period prior to termination during which the executive was unable to work due to disability. Messrs. Whitaker and Jennings also may receive disability benefits under First Federal of Hazard's or First Federal of Frankfort's long-term disability plan(s) without reduction for any payments made under the Agreement. During a period of disability, to the extent reasonably capable of doing so, Messrs. Whitaker and Jennings agree to provide assistance and undertake reasonable assignments for the employers.

If either Kentucky First, First Federal of Hazard or First Federal of Frankfort terminates the employment of Messrs. Whitaker or Jennings without cause, or if Messrs. Whitaker or Jennings resigns under specified circumstances that constitute constructive termination, he receives his base salary and continued employee benefits for the remaining term of the Agreement, as well as continued health, life and disability coverage under the same terms such coverage is provided to other senior executives, or comparable individual coverage.

Under the Agreements, if, within one year after a change in control (as defined in the Agreements), Messrs. Whitaker or Jennings voluntarily terminate his employment under circumstances discussed in the Agreement, or involuntarily terminates employment, the executive receives a cash payment equal to three times his average annual compensation over the five most recently completed calendar years preceding the change in control. He also receives continued employee benefits and health, life and disability insurance coverage for thirty-six months following termination of employment.

Section 280G of the Internal Revenue Code provides that severance payments that equal or exceed three times the individual's base amount are deemed to be excess parachute payments if they are contingent upon a change in control. Individuals receiving excess parachute payments are subject to a 20% excise tax on the amount of the payment in excess of their base amount, and the employer is not entitled to deduct any parachute payments over the base amount. The Agreements limit payments made to Messrs. Whitaker and Jennings in connection with a change in control to amounts that will not exceed the limits imposed by Section 280G.

The Agreements also require Messrs. Whitaker and Jennings to agree not to compete with Kentucky First, First Federal of Hazard or First Federal of Frankfort for one year following a termination of employment, other than in connection with a change in control. Kentucky First, First Federal of Hazard or First Federal of Frankfort will pay or reimburse Messrs. Whitaker or Jennings for all reasonable costs and legal fees paid or incurred by him in any dispute or question of interpretation regarding the Agreements, if the executive is successful on the merits in a legal judgment, arbitration proceeding or settlement. The Agreements also provide Messrs. Whitaker and Jennings with indemnification to the fullest extent legally allowable. Although payments under the Agreements may be made by either the Company, First Federal of Hazard or First Federal of Frankfort, Messrs. Whitaker and Jennings will not receive any duplicative payments under the Agreements.

Supplemental Executive Retirement Plan. First Federal of Hazard has implemented a supplemental executive retirement plan (SERP) to provide for supplemental retirement benefits with respect to the ESOP and pension plans. The plan provides participating executives with benefits otherwise limited by certain provisions of the Internal Revenue Code or the terms of the ESOP loan. Specifically, the SERP will provide benefits to designated officers that cannot be provided under the pension plan or the ESOP as a result of limitations imposed by the Internal Revenue Code, but that would have been provided under such plans, but for these Internal Revenue Code limitations. In addition to providing for benefits lost under tax-qualified plans as a result of the Internal Revenue Code limitations, the SERP will also provide supplemental benefits upon a change of control prior to the scheduled repayment of the ESOP loan. Generally, upon a change in control, the SERP will provide participants with a benefit equal to what they would have received under the ESOP, had they remained employed throughout the term of the loan, less the benefits actually provided under the ESOP on the participant s behalf. A participant s benefits generally become payable upon a change in control of Kentucky First or its subsidiaries. The Board has designated Tony D. Whitaker as a participant in the SERP. No expense was recognized for the SERP in fiscal 2006.

First Federal of Hazard may utilize a grantor trust in connection with the SERP, in order to set aside funds that ultimately may be used to pay benefits under the SERP. The assets of the grantor trust will remain subject to the claims of general creditors in the event of insolvency, until paid to a participant according to the terms of the SERP.

Retirement Plan. First Federal of Hazard and First Federal of Frankfort participate in the Financial Institution Retirement Plan (the Retirement Plan) to provide retirement benefits for eligible employees. Employees are eligible to participate in the Retirement Plan after the completion of one year of employment and attainment of age 21. The formula for normal retirement benefits payable annually under the plan differs slightly for the two Banks and is a maximum of 2% of the average of the participant s highest five years of compensation multiplied by the participant s years of service. Participants may also receive a reduced early retirement benefit under the retirement Plan upon attainment of age 45 and satisfaction of the Retirement Plan s vesting requirements. Participants generally have no vested interest in Retirement Benefits prior to their completion of five years of service. Following the completion of five years of vesting service, or upon attainment of age 65, death or termination of employment due to disability, participants automatically become 100% vested in their accrued benefit under the Retirement Plan. The table below reflects the maximum annual pension benefit payable to a participant assuming various levels of earnings and years of service. The amounts of benefits paid under the Retirement Plan are not reduced for any social security benefit payable to participants. As of June 30, 2006, Tony D. Whitaker had 34 years of credited service under the Retirement Plan and Don D. Jennings had 15 years of credited service under the Retirement Plan.

Final Average Earnings	Years of Benefit Service

Officers of either Bank who are also directors are not compensated for their service as directors.

The following table sets forth the total cash and equity compensation paid to the Company's non-employee directors for their service on the Boards of Directors of Kentucky First and First Federal of Hazard and/or First Federal of Frankfort during fiscal 2006.

- (2) All options have an exercise price of \$10.10, the fair market value of our common stock on the date of grant, which was December 13, 2005. All options vest in five equal annual installments beginning one year from the date of grant.

Transactions with Management

First Federal of Hazard and First Federal of Frankfort both offer loans to their directors and executive officers. These loans were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features. Under current law, the Banks' loans to directors and executive officers are required to be made on substantially the same terms, including interest rates, as those prevailing for comparable transactions with other persons and must not involve more than the normal risk of repayment or present other unfavorable features. Furthermore, all loans to such persons must be approved in advance by a disinterested majority of the Company's Board of Directors. At June 30, 2006, loans to directors and executive officers and their affiliates totaled \$659,000 or 1.0% of the Company's stockholders' equity, at that date.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors (the "Audit Committee") has:

1. Reviewed and discussed the audited financial statements for the fiscal year ended June 30, 2006.
2. Discussed with the Company's independent auditors the matters required to be discussed by Statement of Accounting Standards No. 61, as the same was in effect on the date of the Company's financial statements; and
3. Received the written disclosures and the letter from the Company's independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as the same was in effect on the date of the Company's financial statements.

Based on the foregoing materials and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended June 30, 2006 be included in the Company's Annual Report on Form 10-K for the year ended June 30, 2006.

The Audit Committee has reviewed the non-audit services currently provided by the Company's independent auditor and has considered whether the provision of such services is compatible with maintaining the independence of the Company's independent auditors.
