Explanation of Responses:

- * If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Options vest and become exercisable in one third increments on March 3rd of each of 2018, 2019 and 2020.
- (2) Not applicable.
- (3) On the third anniversary of the grant date, Performance-Based Restricted Stock Units ("PSUs") vest based on achievement of total shareholder return ("TSR") performance over a three-year period beginning in 2017 and ending with 2020. Payout for vested PSUs ranges from 0% to 200% of the indicated number of shares, based on the Company's TSR percentile ranking compared to the TSR of the companies included in the selected market index. TSR is measured generally as the increase or decrease in the market value of the Company common stock with a deemed reinvestment of any dividends. If a participant terminates employment prior to the third anniversary of the grant date, the PSUs generally will be forfeited. PSUs have no voting rights and are generally non-transferable. The indicated number of PSUs assumes 100% vesting, and the actual number of shares issued in settlement of the PSUs may be greater or less than the indicated number.
- (4) (Continuation of Footnote 3) - Since the payout for PSUs can range from 0% to 200%, the maximum number of shares that could vest and be issued could be double the indicated number.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
