Item 1.01 Entry into a Material Definitive Agreement.

On January 14, 2014, WellCare Health Plans, Inc. (“WellCare”) received confirmation that Amendment #18 (“Amendment #18”) to Contract No. 0654 (“Contract 0654”) between the Georgia Department of Community Health (“DCH”) and WellCare of Georgia, Inc. (“WCGA”), a wholly-owned subsidiary of WellCare, has been finalized. Amendment #18 sets forth the updated table of rates payable to WCGA under Contract 0654 retroactively effective to July 1, 2013, through June 30, 2014. WellCare has requested confidential treatment of the specific rate information. However, as previously disclosed WellCare estimates that Amendment #18 will result in an overall rate increase under Contract 0654 as of July 1, 2013, of approximately 2.3% as compared with the rates payable to WCGA on June 30, 2013.

As previously disclosed, Amendment #17 to Contract No. 0654 contained a rate increase for the period from January 1, 2013, through June 30, 2013 related to the enhanced payments to primary care providers WCGA is required to make under the Patient Protection and Affordable Care Act (“ACA”). WellCare estimates that the rates payable to WCGA under Amendments #17 and #18 result in an overall rate increase as of July 1, 2013, of approximately 7% as compared to the rates payable to WCGA on December 31, 2012.

These amendments do not address the reimbursement to WellCare of Georgia for the health insurance industry fee that will become payable beginning in 2014 under the ACA. The Company continues to discuss reimbursement of this fee with many of its Medicaid state clients, including Georgia. The Company continues to anticipate that it will be reimbursed for this fee by its state clients.

The foregoing description does not purport to be a complete description of the parties’ rights and obligations under Contract No. 0654 or Amendment #18. The above description is qualified in its entirety by reference to Amendment #18, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.
