(b) On March 28, 2016, Maurice S. Hebert, the Chief Accounting Officer of WellCare Health Plans, Inc. (the “Company”), notified the Company that he would be resigning effective April 22, 2016 to assume a senior management role at a private healthcare company.

The Company currently anticipates appointing Michael Troy Meyer, 42, as the principal accounting officer effective April 15, 2016. He holds a Bachelor of Science in Business & Management from Purdue University.

(e) Adoption of New Forms of Award Agreements

On March 28, 2016, the Compensation Committee (the “Committee”) of the Board of Directors (the “Board”) of the Company approved a form of Performance Stock Unit Award Notice and Agreement (the “PSU Award Notice”), a form of Restricted Stock Unit Award Notice and Agreement (the “RSU Award Notice”) and a Stock Unit Award Agreement (the “Award Agreement” and together with the PSU Award Notice and the RSU Award Notice, the “Award Documentation”) for awards of performance stock units (“PSUs”) and awards of restricted stock units (“RSUs”) under the WellCare Health Plans, Inc. 2013 Incentive Compensation Plan (the “2013 Plan”) for the executive officers of the Company. The amount and terms of each award of PSUs and RSUs, including the applicable performance goals, will be determined by the Committee in its sole discretion and set forth in an individual’s Award Documentation.

Performance Stock Unit Awards

Each PSU constitutes a right to receive one share of the Company’s common stock, subject to vesting. Shares of the Company’s common stock underlying the number of vested PSUs will be delivered as soon as practicable after vesting. The PSU Award Notice provides for a grant of a target number of PSUs, with the actual number of PSUs that become eligible for vesting determined by the Committee in accordance with its determination of the achievement of specific performance goals. These specific performance goals will be established by the Committee at the time of grant. If the grantee’s employment is terminated for any reason (other than following a change in control of the Company), then any then-unvested PSUs under the award will automatically terminate and be forfeited. In the event of a change in control of the Company, the number of PSUs determined pursuant to specific performance goals adopted by the Committee, will vest on the earlier of the original vesting date or upon termination of employment if the grantee’s employment is terminated by the Company without cause or by the grantee for good reason, in either case if within twenty-four months following the change in control. In the event of a change in control, the Company’s obligations regarding outstanding PSUs shall, on such terms as may be approved by the Committee prior to such event, be assumed by the surviving or continuing company or cancelled in exchange for property (including cash).

## Restricted Stock Unit Awards

Each RSU constitutes a right to receive one share of the Company's common stock, subject to vesting. Shares of the Company's common stock underlying the number of vested RSUs will be delivered as soon as practicable after vesting. The RSU Award Notice provides that the vesting of the RSUs is contingent on the Company achieving the specific performance condition determined by the Committee at the time of grant. If the Committee determines that the performance condition is achieved, then the RSUs will vest in approximately equal increments over time. If the grantee's employment is terminated for any reason (other than following a change in control of the Company), then any unvested RSUs under the award will automatically terminate and be forfeited. If the grantee's employment is terminated by the Company without cause or by the grantee for good reason, in either case within twenty-four months following the change in control, then, provided that the RSUs have not been previously forfeited, the remaining unvested portion of the RSUs will immediately vest as of the grantee's termination date. In the event of a change in control, the Company's obligations regarding outstanding RSUs shall, on such terms as may be approved by the Committee prior to such event, be assumed by the surviving or continuing company or cancelled in exchange for property (including cash).

The foregoing description does not purport to be a complete description of the parties' rights and obligations under the PSU Award Notice, the RSU Award Notice and the Award Agreement. The above description is qualified in its entirety by reference to the PSU Award Notice, the RSU Award Notice, the Award Agreement and the 2013 Plan, which are incorporated herein by reference as Exhibits 10.1, 10.2, 10.3 and 10.4, respectively, to this Current Report on Form 8-K.
