**Item 7.01 Regulation FD Disclosure.**

On September 22, 2006, Affiliated Computer Services, Inc. (the "Company") received a letter from persons claiming to hold certain of its senior notes advising the Company that it was purportedly in default of its covenants under that certain Indenture dated June 6, 2005 (the "Indenture") between the Company and The Bank of New York Trust Company, N.A., as the Trustee. The letter alleged that the Company's failure to file its Form 10-K by September 13, 2006, was a default under the terms of the Indenture. It is the Company's position that no default has occurred under the Indenture. The Company has filed a lawsuit against the Trustee in the United States District Court, Northern District of Texas, Dallas Division, seeking a declaratory judgment affirming the Company's position. Pursuant to the rules and regulations of the Securities and Exchange Commission, the information in this item is deemed furnished and shall not be deemed to be "filed" under the Securities Exchange Act of 1934.
