Approval of Change in Control Agreements

On November 5, 2008, the Compensation Committee of Halozyme Therapeutics, Inc. (the "Company") finalized the form change in control agreement for senior executive officers per the terms of the Company's previously adopted change in control policy. A copy of the form Change in Control Agreement is attached to this Form 8-K as Exhibit 99.1 and each of the Company's senior executive officers have executed a version of this form agreement.

Revision to Severance Policy

On November 5, 2008, the Company's Board of Directors also approved a revision to the Company's standard severance policy the "Severance Policy") so that the standard Severance Policy now reads as follows:

The particular amount of cash severance for an employee terminated by the Company without cause will generally be dictated by the employee's position in the organization as well as the seniority of that employee. The Severance Policy is applicable to members of senior management in the following respects: (i) the cash severance for the Chief Executive Officer (the "CEO") will be equal to the CEO's then-current annual base salary; (ii) the cash severance for other Company officers will be equal to one half of the then-current annual base salary for such officers; and (iii) the cash severance for non-officer Vice Presidents will initially be equal to ten weeks worth of the then-current annual base salary for such employee, provided that the employee will get an additional two weeks of severance pay for each year of employment with the Company (up to a maximum of 26 weeks). In addition to cash severance payments, which will be made in a lump sum payment by no later than sixty (60) days after separation from service, the Company will also pay certain health coverage costs during the term of the applicable severance period. Despite the establishment of the Severance Policy, however, the Board of Directors retains the right to amend, alter or terminate the Severance Policy at any time and an employee's eligibility for severance payments will be conditioned upon that employee signing and delivering an agreement, releasing the Company for any claims relating to their employment (including the termination of employment), that becomes effective before any payment is due or scheduled to begin.
