NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

To be held March 31, 2009

To the Stockholders of Immtech Pharmaceuticals, Inc.:

The board of directors cordially invites you to attend our annual meeting of stockholders on March 31, 2009, at 1:00PM at the Grand Hyatt New York, 109 East 42nd Street, New York, NY 10017, for the following purposes:

Proposal No. 1 to elect six directors to serve until the next annual meeting of stockholders and until their successors are elected and qualified or their earlier resignation, removal, disqualification or death;

Proposal No. 2 to ratify the audit committee's selection of Virchow, Krause & Company, LLP as the Company's independent registered public accounting firm for the fiscal year ending March 31, 2009; and

to transact such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

This year, we are pleased to be using the U.S. Securities and Exchange Commission rule that allows companies to furnish their proxy materials over the Internet. As a result, we are mailing to many of our stockholders a notice instead of a paper copy of this proxy statement and our 2008 Annual Report. The notice contains instructions on how to access those documents over the Internet. The notice also contains instructions on how each of those stockholders can receive a paper copy of our proxy materials, including this proxy statement, our 2008 Annual Report and a form of proxy card or voting instruction card. All stockholders who do not receive a notice, including stockholders who have previously requested to receive paper copies of proxy materials, will receive a paper copy of the proxy materials by mail unless they have previously requested delivery of proxy materials electronically. Continuing to employ this distribution process will conserve natural resources and reduce the costs of printing and distributing our proxy materials.

Only stockholders of record at the close of business on February 24, 2009 will be entitled to notice of the annual meeting and to vote on any matters which come before the meeting or any adjournment or postponement thereof. If you wish to attend the meeting in person, please bring with you the admission ticket attached to the proxy card or other proof of your share ownership as of the record date (examples of acceptable evidence of share ownership are described in the attached proxy statement). **Whether or not you plan to attend the annual meeting, your shares should be represented. To insure that your vote is counted, you are urged to vote by proxy via mail, telephone or the Internet as described on the enclosed proxy card.** Proxies or voting cards delivered to you by or for brokers or fiduciaries should be returned as requested by them. Prompt return of proxies will save the expense involved in further communication. Voting by mail, telephone or Internet will not limit your right to vote in person or to attend the annual meeting, but will insure your representation if you cannot attend. Your proxy is revocable at any time prior to its use.

By order of the Board of Directors,

/s/ Gary C. Parks

IMMTECH PHARMACEUTICALS, INC.
PROXY STATEMENT
FOR THE ANNUAL MEETING OF THE STOCKHOLDERS
TO BE HELD March 31, 2009

The board of directors of Immtech Pharmaceuticals, Inc., a Delaware corporation (Immtech, we, us, our or Company), hereby solicits your proxy for use at the 2008 annual meeting of stockholders to be held on March 31, 2009, at 1:00PM at the Grand Hyatt New York, 109 East 42nd Street, New York, NY 10017, and at any adjournment or postponement thereof, for the purposes set forth in the accompanying notice of annual meeting of stockholders. This proxy statement, notice and proxy card are first being mailed to stockholders of record as of February 24, 2009 on or about March 2, 2009.

If you complete your proxy by mail, telephone or Internet, you appoint Eric L. Sorkin and Gary C. Parks as your proxies at the annual meeting. Your proxies will vote your shares as you instruct. If you sign and return your proxy, but fail to instruct how to vote your shares, Mr. Sorkin or Mr. Parks will vote your shares in favor of the slate of directors nominated by the board and for the proposals set forth on the proxy card. This way your shares will be voted whether or not you attend. We recommend that you vote by proxy in advance of the annual meeting even if you plan to attend just in case your plans change and you are unable to attend.

The board does not know of any matters to be presented at the annual meeting other than those listed on the notice and described in this proxy statement. If a matter comes up for vote that is not covered by your proxy, your proxies will vote your shares in accordance with their judgment if you have completed your proxy card and authorized them to do so.

The board encourages you to attend the annual meeting in person. No matter what method you use to vote, if you decide to change your vote, you may revoke your proxy any time before your vote is cast at the annual meeting by (i) giving written notice of revocation to the Secretary of Immtech, (ii) submitting a signed proxy bearing a date later than the date of the prior proxy or (iii) attending the annual meeting and voting in person. Attendance at the annual meeting will not, in itself, constitute revocation of your proxy.

Our principal executive offices are located at One North End Avenue, New York, NY 10282, and our telephone number is (212) 791-2911 or toll free (877) 898-8038.

PURPOSE OF THE MEETING

At our annual meeting, stockholders will be asked to consider and vote upon the following matters:

Proposal No. 1 to elect six directors to serve until the next annual meeting of stockholders and until their successors are elected and qualified or their earlier resignation, removal, disqualification or death;

Proposal No. 2 to ratify the audit committee's selection of Virchow, Krause & Company, LLP as the Company's independent registered public accounting firm for the fiscal year ending March 31, 2009; and to transact such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

INFORMATION ABOUT THE ANNUAL MEETING

Who is entitled to vote?

The record date for the meeting is February 24, 2009. Only stockholders of record at the close of business on that date are entitled to vote at the meeting. For more information, see the description of shares eligible to vote under the heading "Voting Rights of Common and Preferred Stockholders" below.

Am I entitled to vote if my shares are held in street name ?

Yes, if a bank or brokerage firm holds your shares in street name for you, you are considered the beneficial owner of the shares. If your shares are held in street name, these proxy materials are being forwarded to you by your bank or brokerage firm (the record holder), along with a voting instruction card. As the beneficial owner, you have the right to direct the record holder how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions.

What if I do not give my bank or brokerage firm voting instructions for my shares held in street name ?

If you do not give instructions to your bank or brokerage firm, it will nevertheless be entitled to vote your shares in its discretion on routine matters. For purposes of this annual meeting, the Company has determined that the election of directors (Proposal 1) and the ratification of the appointment of the independent auditors (Proposal 2) are routine matters. However, absent your instructions, the record holder will not be permitted to vote your shares on non-routine matters, which are referred to as broker non-votes. Broker non-votes (shares held by brokers that do not have discretionary authority to vote on the matter and have not received voting instructions from their clients) are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that proposal.

May I attend the annual meeting if I hold my shares in street name ?

As the beneficial owner of shares, you are invited to attend the annual meeting. If you are not a record holder, however, you may not attend the meeting or vote your shares in person at the meeting unless you obtain a proxy, executed in your favor, from the record holder of your shares. See "Who can attend the meeting?" below.

How many shares must be present to hold the meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of the holders of a majority of our outstanding shares (including the number of shares represented by our outstanding preferred stock on an as-if converted basis) as of the record date, will constitute a quorum. Proxies received but marked as abstentions or treated as broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting for quorum purposes.

What if a quorum is not present at the meeting?

If a quorum is not present or represented at the meeting, the holders of a majority of the shares entitled to vote at the meeting who are present in person or represented by proxy or the chairman of the meeting may adjourn the meeting until a quorum is present or represented. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice may be given.

Why did I receive a notice in the mail regarding the Internet availability of the proxy materials instead of a paper copy of the proxy materials?

This year, we are pleased to be using the U.S. Securities and Exchange Commission (the "SEC") rule that allows companies to furnish their proxy materials over the Internet. As a result, we are mailing to many of our stockholders a notice about the Internet availability of the proxy materials instead of a paper copy of the proxy materials. All stockholders receiving the notice will have the ability to access the proxy materials over the Internet and request to receive a paper copy of the proxy materials by mail. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found in the notice. In addition, the notice contains instructions on how you may request to access proxy materials in printed form by mail or electronically on an ongoing basis.

Why didn't I receive a notice in the mail about the Internet availability of the proxy materials?

We are providing some of our stockholders, including stockholders who have previously requested to receive paper copies of the proxy materials and some of our stockholders who are living outside of the United States, with paper copies of the proxy materials instead of a notice about the Internet availability of the proxy materials.

In addition, we are providing notice of the availability of the proxy materials by e-mail to those stockholders who have previously elected delivery of the proxy materials electronically.

Those stockholders should have received an e-mail containing a link to the website where those materials are available and a link to the proxy voting website.

How can I access the proxy materials over the Internet?

Your notice about the Internet availability of the proxy materials, proxy card or voting instruction card will contain instructions on how to:

View our proxy materials for the annual meeting on the Internet; and

Instruct us to send our future proxy materials to you electronically by e-mail.

Our proxy materials are also available on our website at www.immtechpharma.com.

Your notice of Internet availability of proxy materials, proxy card or voting instruction card will contain instructions on how you may request to access proxy materials electronically on an ongoing basis. Choosing to access your future proxy materials electronically will help us conserve natural resources and reduce the costs of printing and distributing our proxy materials. If you choose to access future proxy materials electronically, you will receive an e-mail with instructions containing a link to the website where those materials are available and a link to the proxy voting website. Your election to access proxy materials by e-mail will remain in effect until you terminate it.

How may I obtain a paper copy of the proxy materials?

Stockholders receiving a notice about the Internet availability of the proxy materials will find instructions about how to obtain a paper copy of the proxy materials on their notice. Stockholders receiving notice of the availability of the proxy materials by e-mail will find instructions about how to obtain a paper copy of the proxy materials as part of that e-mail. All stockholders who do not receive a notice or an e-mail will receive a paper copy of the proxy materials by mail.

How do I vote if I am a registered stockholder?

1. You may vote by mail. If you are a registered stockholder (that is, if you hold your stock directly and not in street name), you may vote by mail by completing, signing and dating the accompanying proxy card and returning it in the enclosed postage prepaid envelope. Your proxy will then be voted at the annual meeting in accordance with your instructions.

2. You may vote by telephone or on the Internet. If you are a registered stockholder, you may vote by telephone or on the Internet by following the instructions included on the proxy card. Stockholders with shares registered directly with Computershare Investor Services, LLC, Immtech's transfer agent, may vote (i) on the Internet at the following web address: <http://www.envisionreports.com/IMM> or (ii) by telephone by dialing 1-866-641-4276 (toll free from the United States and Canada). If you vote by telephone or on the Internet, you do not have to mail in your proxy card. If you wish to attend the meeting in person, however, you will need to bring the admission ticket attached to the proxy card with you. Internet and telephone voting are available 24 hours a day. Votes submitted through the Internet or by telephone must be received by 1:00 a.m. (Central Time) on March 31, 2009.

NOTE: If you vote on the Internet, you may elect to have next year's proxy statement and annual report to stockholders delivered to you via the Internet. We strongly encourage you to enroll in Internet delivery. It is a cost-effective way for us to send you proxy materials and annual reports.

3. You may vote in person at the meeting. If you are a registered stockholder and attend the meeting (please remember to bring your admission ticket or other acceptable evidence of stock ownership as of the record date), you may deliver your completed proxy card in person.

How do I vote if I hold my shares in street name ?

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a voting card and voting instructions with these proxy materials from that organization rather than from Immtech. Your bank or broker may permit you to vote your shares electronically by telephone or on the Internet. A large number of banks and brokerage firms participate in programs that offer telephone and Internet voting options. If your shares are held in an account at a bank or brokerage firm that participates in such a program, you may vote those shares electronically by telephone or on the Internet by following the instructions set forth on the voting form provided to you by your bank or brokerage firm.

These Internet and telephone voting procedures, which comply with Delaware law, are designed to authenticate stockholders' identities, allow stockholders to vote their shares and confirm that stockholders' votes have been recorded properly. Stockholders voting via either telephone or the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies that must be borne by the stockholder using such services. Also, please be aware that Immtech is not involved in the operation of these voting procedures and cannot take responsibility for any access, Internet or telephone service interruptions that may occur or any inaccuracies, erroneous or incomplete information that may appear.

Who can attend the meeting?

Only stockholders eligible to vote or their authorized representatives will be admitted to the meeting. If you plan to attend the meeting, detach and bring with you the stub portion of your proxy card, which is marked Admission Ticket. You must also bring a valid government-issued photo identification, such as a driver's license or a passport.

If your shares are held in street name and you wish to attend the meeting and/or vote in person, you must bring your broker or bank voter instruction card and a proxy, executed in your favor, from the record holder of your shares. In addition, you must bring a valid government-issued photo identification, such as a driver's license or a passport.

Security measures will be in place at the meeting and briefcases, handbags and packages are subject to inspection. No cameras or recording devices of any kind, or signs, placards, banners or similar materials, may be brought into the meeting. Anyone who refuses to comply with these requirements will not be admitted or, if admitted, will be required to leave.

Can I change my vote after I submit my proxy?

Yes, you may revoke your proxy and change your vote any time before your vote is cast at the meeting:

- by submitting another properly completed proxy card with a later date;
- by voting by telephone or on the Internet (your latest telephone or Internet vote is counted); or
- if you are a registered stockholder, by giving written notice of such revocation to the Secretary of Immtech prior to or at the meeting. If notice is to be given prior to the meeting, please send it to: Immtech Pharmaceuticals, Inc., 150 Fairway Drive, Suite 150, Vernon Hills, Illinois 60061, Attention: Mr. Gary C. Parks. Your attendance at the meeting itself will not revoke your proxy unless you give written notice of revocation to the Secretary before your proxy is voted or you vote in person at the meeting.

Who will count the votes?

Our transfer agent, Computershare Investor Services, will tabulate and certify the votes. A representative of the transfer agent will serve as the inspector of election.

How does the board of directors recommend that I vote on the proposals?

The board recommends that you vote **FOR** each proposal in this proxy statement.

What if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, your shares will be voted:

- FOR the election of the six nominees to the board of directors; and
- FOR the ratification of the appointment of Virchow, Krause & Company, LLP as Immtech's independent registered public accounting firm for the fiscal year ending March 31, 2009.

Will any other business be conducted at the meeting?

We are not aware of any other business that will be presented at the meeting. If any other matter properly comes before the stockholders for a vote at the meeting, however, your proxy (one of the individuals named on your proxy card) will vote your shares in accordance with his best judgment if you so authorize.

How many votes are required to elect the director nominees (Proposal 1)?

The affirmative vote of a plurality of the shares present in person or represented by proxy at the meeting and entitled to vote is required to elect the six nominees as directors. This means that the six nominees will be elected if they receive more affirmative votes than any other person. If you vote **Withheld** with respect to one or more nominees, your shares will not be voted with respect to the person or persons indicated, although they will be counted for purposes of determining whether there is a quorum.

What happens if a nominee is unable to stand for election?

If a nominee is unable to stand for election, the board of directors may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holder will vote your shares for the substitute nominee, unless you have withheld authority.

How many votes are required to approve the ratification of the appointment of Virchow, Krause & Company, LLP as Immtech's independent registered public accounting firm (Proposal 2)?

Proposal 2 requires the affirmative vote of a majority of the shares present in person or represented by proxy at the meeting and entitled to vote to approve the ratification of the appointment of Virchow, Krause & Company, LLP as Immtech's independent registered public accounting firm.

How will abstentions and broker non-votes be treated?

Shares voting **abstain** have no effect on the election of directors. For the proposal to ratify the independent registered public accounting firm (Proposal 2) abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. Broker non-votes will be treated as shares present for quorum purposes, but not entitled to vote.

VOTING RIGHTS OF COMMON AND PREFERRED STOCKHOLDERS

The board has fixed the close of business on February 24, 2009 as the record date for determination of stockholders entitled to notice of and to vote at the annual meeting. Holders of record of our common stock, \$0.01 par value (**Common Stock**), Series A Convertible Preferred stock, \$0.01 par value (**Series A Preferred Stock**), Series B Convertible Preferred stock, \$0.01 par value (**Series B Preferred Stock**), Series C Convertible Preferred stock, \$0.01 par value (**Series C Preferred Stock**), and Series D Convertible Preferred stock, \$0.01 par value (**Series D Preferred Stock**), at the close of business on the record date will be entitled to vote together as a single class on all matters that come before the meeting. At the close of business on the record date, there were issued and outstanding:

- 16,966,048 shares of Common Stock (representing 16,966,048 votes);
- 32,500 shares of Series A Preferred Stock (representing 183,823 votes);

9,464 shares of Series B Preferred Stock (representing 59,150 votes);
45,536 shares of Series C Preferred Stock (representing 257,556 votes); and
115,200 shares of Series D Preferred Stock (representing 320,003 votes).

As of the record date, each share of Series A Preferred Stock was convertible into 5.6561 shares of Common Stock, each share of Series B Preferred Stock was convertible into 6.25 shares of Common Stock, each share of Series C Preferred Stock was convertible into 5.6561 shares of Common Stock and each share of Series D Preferred Stock was convertible into 2.7778 shares of Common Stock. Each share of Common Stock is entitled to one vote, each share of Series A Preferred Stock, Series B Preferred Stock, Series C Preferred Stock, and Series D Preferred Stock is entitled to the number of votes equal to the number of shares of Common Stock into which such stock is convertible on the record date.

A total of 17,786,580 votes representing Common Stock, Series A Preferred Stock, Series B Preferred Stock, Series C Preferred Stock, and Series D Preferred Stock are entitled to vote at the annual meeting.

The presence, in person or represented by proxy, of the holders of a majority of the outstanding shares of Common Stock, Series A Preferred Stock, Series B Preferred Stock, Series C Preferred Stock, and Series D Preferred Stock entitled to vote, voting as a single class, represented in person or by proxy, constitutes a quorum for the transaction of business at the annual meeting.

Meetings and Committees of the Board of Directors

During the fiscal year ended March 31, 2008 (Fiscal Year 2008), the board of directors held a total of five board meetings and took action by unanimous written consent on eight occasions. All of our directors have agreed to serve until the next annual meeting of stockholders and until their successors have been duly elected and qualified or their earlier resignation, removal, disqualification or death. There are no arrangements between any director or executive officer and any other person pursuant to which the director or officer is to be selected as such. There is no family relationship between the directors, executive officers or persons nominated or appointed by the board to become directors or executive officers. Directors Fleet, Lau, Lee, and Sinex are independent in accordance with the rules of the NYSE Alternext US.

Each director attended at least 75% of (a) the total number of meetings of the board of directors and (b) the total number of meetings of all committees of the board of directors on which he or she served for Fiscal Year 2008. Immtech's policy is to encourage board members to attend its annual meeting of stockholders. Two of our directors attended the previous annual meeting.

The board of directors has an audit committee, a compensation committee and a nominating committee. The function, composition, and number of meetings of each of these committees are described below.

Audit Committee

The audit committee (a) has sole authority to appoint, replace and compensate our independent registered public accounting firm and is directly responsible for oversight of its work; (b) approves all audit fees and terms, as well as any permitted non-audit services; (c) meets and discusses directly with our independent registered public accounting firm its audit work and related matters; and (d) oversees and performs such investigations with respect to our internal and external auditing procedures and affairs as the audit committee deems necessary or advisable and as may be required by applicable law. Our audit committee's charter can be found in the Corporate Governance section of our website at www.immtechpharma.com.

Compensation Discussion and Analysis

Overview

The compensation committee of our board of directors has overall responsibility for the compensation program for our executive officers. Our compensation committee consists solely of independent directors, as determined by the NYSE Alternext US listing standards. The compensation committee's responsibilities are set forth in its charter, which you can find on our website at www.immtechpharma.com.

The compensation committee is responsible for establishing policies and otherwise discharging the responsibilities of the board with respect to the compensation of our executive officers, senior management, and other employees. In evaluating executive officer pay, the compensation committee may retain the services of an independent compensation consultant or research firm and consider recommendations from the chief executive officer and persons serving in supervisory positions over a particular officer or executive officer with respect to goals and compensation of the other executive officers. The compensation committee assesses the information it receives in accordance with its business judgment. The compensation committee also periodically is responsible for administering all of our incentive and equity-based plans. All decisions with respect to executive compensation are first approved by the compensation committee and then submitted, together with the compensation committee's recommendation, to the independent members of the board for final approval.

We believe that the compensation of our executive officers should reflect their success in attaining key operating objectives. Compensation is based on growth of operating earnings and earnings per share, return on assets, satisfactory results of regulatory examinations, growth or maintenance of market share and long-term competitive advantage, which lead to attaining an increased market price for our stock. We promote asset growth and asset quality. We believe the performance of the executives in managing our company, considering general economic and company, industry and competitive conditions, should be the basis for determining our executive officers' overall compensation. We also believe that their compensation should not be based on the short-term performance of our stock, whether favorable or unfavorable. The price of our stock will, in the long-term, reflect our operating performance, and ultimately, the management of our company by our executive officers. We seek to have the long-term performance of our stock reflected in executive compensation through our stock option program.

Elements of compensation for our executives generally include:

- base salary (typically subject to upward adjustment annually based on individual performance);
- stock option awards;
- 401(k) plan contributions; and
- health, disability and life insurance.

Our allocation between long-term and currently paid compensation is intended to ensure adequate base compensation to attract and retain personnel, while providing incentives to maximize long-term value for our Company and our shareholders. We provide cash compensation in the form of base salary to meet competitive salary norms and reward performance on an annual basis. We provide non-cash compensation to reward performance against specific objectives and long-term strategic goals. Our compensation package for our executive officers for the fiscal year ending March 31, 2008 ranges from 61% to 44% in cash compensation and 39% to 56% in non-cash compensation, including benefits and equity-related awards. We believe that this ratio is competitive within the marketplace for companies at our stage of development and appropriate to fulfill our stated policies.

Elements of Compensation

Base Salary

Our compensation committee desires to establish salary compensation for our executive officers based on our operating performance relative to comparable peer companies over a three year period. In recommending base salaries for the fiscal year ending March 31, 2008, our compensation committee considered salaries paid to executive officers of other biotechnology and pharmaceutical companies similar in size, stage of development and other characteristics. Our compensation committee's objective is to provide for base salaries that are competitive with the average salary paid by our peers. In making its recommendations, our compensation committee takes into account recommendations submitted by persons serving in a supervisory position over a particular officer or executive officer.

With respect to our fiscal year end March 31, 2008, the base salaries for our executive officers are reflected in our summary compensation table below and are as follows:

Eric L. Sorkin	\$ 250,000(1)
Cecilia Chan	\$ 150,000(2)
Gary Parks	\$ 200,000
Carol Olson	\$ 235,000

(1) On March 12, 2008, Mr. Sorkin volunteered to reduce his annual salary from \$375,000 to \$250,000 effective as of April 1, 2008 and the request was approved by the board of directors.

(2) On March 12, 2008, Ms. Chan volunteered to reduce her annual salary from \$201,234 to \$150,000 effective as of April 1, 2008 and the request was approved by the board of directors.

Bonus and Other Non-Equity Incentive Plan Compensation

Given our stage of development and our desire to conserve cash, we generally do not award cash bonuses or provide for other non-equity incentive plan compensation. However, Mr. Sorkin, our chief executive officer, is entitled to a cash bonus of up to 60% of his base salary for each year of his employment with us based on milestones to be determined by our compensation committee pursuant to the terms of his employment agreement with us.

Stock Option and Equity Incentive Programs

We believe that equity grants provide our executive officers with a strong link to our long-term performance, create an ownership culture and closely align the interests of our executive officers with the interests of our shareholders. Because of the direct relationship between the value of an option and the market price of our common stock, we have always believed that granting stock options is the best method of motivating the executive officers to manage our

Company in a manner that is consistent with the interests of our Company and our shareholders. In addition, the vesting feature of our equity grants should aid officer retention because this feature provides an incentive to our executive officers to remain in our employ during the vesting period. In determining the size of equity grants to our executive officers, our compensation committee considers our Company-level performance, the applicable executive officer's performance, the period during which an executive officer has been in a key position with us, comparative share ownership of our competitors, the amount of equity previously awarded to the applicable executive officer, the vesting of such awards, the number of shares available under our 2007 Plan, the limitations under our 2007 Plan and the recommendations of management and any other consultants or advisors with whom our compensation committee may choose to consult.

We currently do not have any formal plan requiring us to grant, or not to grant, equity compensation on specified dates. With respect to newly hired executives, our practice is typically to consider stock grants at the first meeting of the compensation committee and the board of directors, following such executive officer's hire date. The recommendations of the compensation committee are subsequently submitted to the board for approval. We intend to ensure that we do not award equity grants in connection with the release, or the withholding, of material non-public information, and that the grant value of all equity awards is equal to the fair market value on the date of grant.

We granted stock options to executive officers, Mr. Parks and Dr. Olson, on November 13, 2007 under our 2000 Stock Incentive Plan (the "2000 Plan"). In keeping with our standard policy and practice, the exercise price of the stock options that were awarded was \$6.35 per share, which was the fair market value on the date of grant. The options generally vest ratably on a monthly basis over a two year period from the date of grant and expire ten years from the date of grant. The options that were granted are set forth in the Grants of Plan-Based Awards table below. All options are intended to be qualified stock options as defined under Section 422 of the Internal Revenue Code of 1986, as amended, to the extent possible.

Perquisites

Our executive officers do not receive any perquisites and are not entitled to benefits that are not otherwise available to all of our employees. In this regard it should be noted that we do not provide pension arrangements, post-retirement health coverage, or similar benefits for our executive officers or employees.

Defined Contribution Plan

We maintain a qualified retirement plan pursuant to Internal Revenue Code Section 401(k) covering substantially all employees subject to certain minimum age and service requirements. Our 401(k) plan allows employees to make voluntary contributions. The assets of the 401(k) plan are held in trust for participants and are distributed upon the retirement, disability, death or other termination of employment of the participant.

Employees who participate in our 401(k) may contribute to their 401(k) account up to the maximum amount that varies annually in accordance with the Internal Revenue Code. We also make available to 401(k) plan participants the ability to direct the investment of their 401(k) accounts in various investment funds.

Employment Agreements

In general, we do not enter into formal employment agreements with our employees, other than our chief executive officer. We have entered into an employment agreement with Mr. Sorkin, our current president and chief executive officer, as amended March 12, 2008 which reduces his base salary from \$375,000 to \$250,000 from April 1, 2008 through March 31, 2009. See "Post-Employment Compensation" Employment Agreement with Mr. Sorkin below.

Our compensation committee recommended this agreement in part to enable us to induce our chief executive officer to work at a small, dynamic and rapidly growing company where his longer-term compensation would largely depend on future stock appreciation. Our chief executive officer may from time to time have competitive alternatives that may appear to him to be more attractive or less risky than working at Immtech. The change in control and severance benefits also mitigates a potential acquisition of the Company, particularly when services of the chief executive officer may not be required by the acquiring company. A description of the terms of these agreements, including post-employment payments and triggers, is included in the section entitled Potential Payments Upon Termination or Change in Control.

Accounting and Tax Considerations

We select and implement our various elements of compensation for their ability to help us achieve our performance and retention goals and not based on any unique or preferential financial accounting treatment. In this regard, Section 162(m) of the Internal Revenue Code generally sets a limit of \$1.0 million on the amount of annual compensation (other than certain enumerated categories of performance-based compensation) that we may deduct for federal income tax purposes. Compensation realized upon the exercise of stock options is considered performance based if, among other requirements, the plan pursuant to which the options are granted has been approved by the a company s stockholders and has a limit on the total number of shares that may be covered by options issued to any plan participant in any specified period. Options granted under our 2007 Plan are considered performance based. Therefore any compensation realized upon the exercise of stock options granted under the 2007 Plan will be excluded from the deductibility limits of Section 162(m). While we have not adopted a policy requiring that all compensation be deductible, we consider the consequences of Section 162(m) in designing our compensation practices.

Stock Ownership Guidelines

Although we have not adopted any stock ownership guidelines, we believe that our compensation of executive officers, which includes the use of stock options, results in an alignment of interest between these individuals and our stockholders.

Benchmarking and Consultants

Our compensation committee reviews the history of all the elements of each executive officer s total compensation over the past several years and compares the compensation of the executive officers with that of the executive officers in an appropriate market comparison group comprised of other biotechnology and pharmaceutical companies similar in size, stage of development and other characteristics.

Post-Employment Compensation

Employment Agreement with Mr. Sorkin

Upon becoming the Company's Chief Executive Officer in January 2006, Mr. Sorkin elected to provide services to the Company without receiving an annual salary. On December 20, 2006, the Company and Mr. Sorkin entered into an employment agreement pursuant to which Mr. Sorkin was engaged as the Company's President and Chief Executive Officer through March 31, 2007, with annual automatic renewals, unless either party provides not less than 30 days written notice. Mr. Sorkin is entitled to receive an annual cash salary of \$375,000 beginning on April 1, 2007. In connection with the employment agreement, he also had the right to receive a stock option to purchase up to 325,000 shares of the Company's common stock for an exercise price equal to \$9.01, the closing price of our common stock on the date the agreement was signed, subject to the stockholders approval of a new equity incentive plan. Under the terms of the agreement, Mr. Sorkin also may receive (i) a cash bonus of up to 60% of his base salary beginning with the fiscal year ended March 31, 2008, based on milestones set in the sole discretion of the compensation committee or in the discretion of the compensation committee together with the other independent members of the board of directors (as directed by the board). The agreement was amended and restated in March 2007 at the request of Mr. Sorkin to remove the requirement that he be granted the 325,000 stock options and to provide that he will be eligible for future stock options conditioned on the Company's achievements and milestones as determined by the compensation committee and the other independent directors of the board. The agreement was again amended and restated in March 2008 at the request of Mr. Sorkin to reduce his annual salary to \$250,000 from April 1, 2008 through March 31, 2009.

If Mr. Sorkin is terminated without cause (as defined in the agreement) or resigns for good reason (as defined in the agreement), then he will be entitled to receive (i) his base salary for a period of six months, (ii) benefits for 12 months, (iii) cash bonus on the date he otherwise would have received it, (iv) vesting of all stock options, and (v) the right to exercise all of his outstanding stock options through the end of their respective terms. In the event of Mr. Sorkin's death, his estate is entitled to (i) his base salary for a period of 12 months, (ii) benefits for 12 months, (iii) vesting of all outstanding stock options, (iv) pro rata share of cash bonus through date of death, and (v) the right to exercise the options through the end of their respective terms. If Mr. Sorkin becomes disabled (as defined in the agreement) he is entitled to receive (i) his base salary for a period of 12 months (paid out of disability insurance to the extent available), (ii) benefits for 12 months, (iii) pro rata share of cash bonus through the date of disability, (iv) vesting of all outstanding stock options, and (v) the right to exercise the stock options through the end of their respective terms. In the event there is a change in control of the Company (as defined), whether or not Mr. Sorkin's employment is terminated, all outstanding stock options will vest.

The following table quantifies the amounts that we would owe Mr. Sorkin upon each of the termination triggers discussed above:

Overview of Compensation and Procedures

We generally compensate non-employee directors for their service as a member of the board of directors through the grant to each such director of 20,000 options to purchase shares of common stock upon joining the board. In addition, each non-employee director receives options to purchase 15,000 shares of Common Stock for each subsequent year of board service, options to purchase 3,000 shares of Common Stock for each year of service on the compensation committee and nominating committee, respectively, and options to purchase 5,000 shares of Common Stock for each year of service on the audit committee. In lieu of an award for each year of service on a committee, the audit committee chair receives options to purchase 10,000 shares of Common Stock for each year of service and the compensation committee and nominating committee chairs each receive options to purchase 6,000 shares of Common Stock for each year of service. Such options are generally granted at fair market value on the date of grant, vest ratably on a monthly basis over 2 years from the date of grant and expire 10 years from the date of grant. Additionally, non-employee directors receive \$20,000 per year and are reimbursed for out-of-pocket expenses incurred in connection with their service as directors.

COMPENSATION COMMITTEE REPORT

PROPOSAL 2
RATIFICATION OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM

Our audit committee has appointed the firm of Virchow, Krause & Company, LLP, an independent registered public accounting firm, to be our independent auditors for the fiscal year ending March 31, 2009 and the board of directors recommends the stockholders vote for ratification of that appointment. Deloitte & Touche LLP served in this capacity for the fiscal year ended March 31, 2008.

The audit committee appoints our independent auditors annually and the board of directors subsequently requests ratification of such appointment by the stockholders at the Company's annual meeting. The audit committee reviews and approves in advance the scope of the audit, the types of non-audit services that we will need and the estimated fees for the coming year. The audit committee also reviews and approves any non-audit services provided by our independent auditors to ensure that any such services will not impair the independence of the auditors. To the extent that our management believes that a new service or the expansion of a current service provided by our accountants is necessary, such new or expanded service is presented to the audit committee or one of its members for review and approval.

Before making its selection, the audit committee carefully considered Virchow, Krause & Company, LLP's qualifications as independent auditors, which included a review of Virchow, Krause & Company, LLP's reputation for integrity and competence in the fields of accounting and auditing. The audit committee expressed its satisfaction with Virchow, Krause & Company, LLP in these respects.

Stockholder ratification of the audit committee's selection of Virchow, Krause & Company, LLP as the Company's independent auditors is not required by law, the Company's bylaws or otherwise. However, the board of directors is submitting the audit committee's selection of Virchow, Krause & Company, LLP to the stockholders for ratification as a matter of good corporate governance. If the stockholders fail to ratify the selection, the audit committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such change would be in the best interests of the Company and its stockholders.

Vote Required for Approval

The affirmative vote of a majority of the shares present in person or represented by proxy at the meeting and entitled to vote is required to approve the ratification of the appointment of Virchow, Krause & Company, LLP as the Company's independent registered public accounting firm.

**THE BOARD UNANIMOUSLY RECOMMENDS
THAT YOU VOTE FOR THE APPROVAL
OF THIS PROPOSAL NO. 2**

Independent Registered Public Accounting Firm

Deloitte & Touche LLP served as our independent auditors for the fiscal years ended March 31, 1996 through March 31, 2008. The Company has discontinued using Deloitte & Touche LLP as its independent registered public accounting firm and the audit committee has selected Virchow, Krause & Company, LLP as the Company's new independent registered public accounting firm for the fiscal year ending March 31, 2009. A representative of Virchow, Krause & Company, LLP will be present at the annual meeting, with the opportunity to make a statement should the representative desire to do so, and be available to respond to appropriate questions.

The following table presents the aggregate fees billed for professional services rendered by Deloitte & Touche LLP in fiscal years 2007 and 2008. Other than as set forth below, no professional services were rendered or fees billed by Deloitte & Touche LLP during the years ended March 31, 2007 or 2008.

All work performed by the Deloitte entities as described above has been approved by the audit committee prior to the Deloitte entities' engagement to perform such service. The audit committee pre-approves on an annual basis the audit, audit-related, tax and other services to be rendered by the Deloitte entities based on historical information and anticipated requirements for the following fiscal year. To the extent that our management believes that a new service or the expansion of a current service provided by the Deloitte entities is necessary, such new or expanded service is presented to the audit committee or one of its members for review and approval.

AUDIT COMMITTEE REPORT

The members of the audit committee have been appointed by the board of directors. The audit committee is governed by a charter, which has been approved and adopted by the board of directors and which will be reviewed and reassessed annually by the audit committee. The audit committee is comprised of three independent directors.

The following Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Exchange Act, as amended, except to the extent the Company specifically incorporates this Audit Committee Report by reference therein.

The audit committee assists the board of directors in fulfilling its oversight responsibilities by reviewing (i) the financial reports and other financial information provided by the Company to any governmental body or to the public, (ii) the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics and (iii) the Company's auditing, accounting and financial reporting processes.

In this context, the audit committee hereby reports as follows:

1. We have reviewed and discussed the audited financial statements as of and for the year ended March 31, 2008 with management and the independent registered public accounting firm.
2. The audit committee discussed with its independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended.
3. The audit committee received from its independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the audit committee discussed with its independent auditors the independence of the auditors.

Based upon the review and discussion referred to in paragraphs (1) through (3) above, we recommended to the board of directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2008, for filing with the SEC.

Compensation Committee Interlocks and Insider Participation

All compensation decisions made for the fiscal year ending March 31, 2008 were made exclusively by the independent directors serving on the compensation committee, with respect to our Chief Executive Officer, executive officers and other officers.

The members of the compensation committee for the fiscal year ending March 31, 2008 were Messrs. Lau, Fleet, and Sinex, none of whom were officers or employees of the Company or any of our subsidiaries for the fiscal year ending March 31, 2008 or in any prior year. None of our executive officers serves on the board of directors or compensation committee of a company that has an executive officer that serves on our board or compensation committee. No member of our board is an executive officer of a company in which one of our executive officers serves as a member of the board of directors or compensation committee of that company.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and 10% stockholders of a registered class of equity securities to file reports of ownership and reports of changes in ownership of our Common Stock and other equity securities with the SEC. Directors, executive officers and 10% stockholders are required to furnish us with copies of all Section 16(a) forms they file. Based on a review of the copies of such reports furnished to us, we believe that during the fiscal year ended March 31, 2008, except as disclosed below, our directors, executive officers and 10% stockholders timely filed all Section 16(a) reports applicable to them. Dr. Lee was late with one Form 4 filing due to an administrative error.

Annual Report and Financial Statements

A copy of our annual report on Form 10-K for the fiscal year ended March 31, 2008, including audited financial statements, accompanies this notice of annual meeting and proxy statement. No portion of the annual report on Form 10-K is incorporated herein or is considered to be proxy-soliciting material.

We will provide without charge additional copies of our annual report on Form 10-K for the fiscal year ended March 31, 2008, to any stockholder upon written request. Requests should be directed to Immtech Pharmaceuticals, Inc., 150 Fairway Drive, Suite 150, Vernon Hills, Illinois 60061, Attention: Mr. Gary C. Parks.

Solicitation of Proxies

Our officers, directors and employees may solicit proxies from stockholders. We pay no additional compensation to our officers, directors or employees for such solicitation. Solicitations may be made personally, or by mail, facsimile or other electronic means, telephone, or messenger. We may reimburse brokers and other persons holding shares in their names or in the names of nominees for expenses in sending proxy materials to beneficial owners and obtaining proxies from such owners. Additionally, the board of directors may engage the firm of Georgeson & Company, Inc. to aid in the solicitation of proxies. The cost of solicitation will be borne by the Corporation and is estimated at \$10,000.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (*e.g.*, brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies. This year, a number of brokers with account holders who are Immtech stockholders will be householding our proxy materials. A single proxy statement may be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you notify your broker or the Company that you no longer wish to participate in householding. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report in the future you may (1) notify your broker, (2) direct your written request to: Secretary, Immtech Pharmaceuticals, Inc. 150 Fairway Drive, Suite 150, Vernon Hills, Illinois 60061 or (3) contact our Gary C. Parks, at (847) 573-0033. Upon a written or oral request to the address or telephone number above, Immtech will promptly deliver a separate copy of the annual report and proxy statement to a stockholder at a shared address to which a single copy of the documents was delivered. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker.

Other Matters

The board does not intend to bring any other business before the meeting, and the board is not currently aware of any other matters to be voted on at the annual meeting except as disclosed in the notice of annual meeting of stockholders. However, if any other matters are properly presented at the annual meeting, those proxies granting such authority will be voted in respect thereof in accordance with the judgment of stockholders your proxy (one of the individuals named on your proxy card).

Stockholder Proposals for Next Annual Meeting

Any proposals of stockholders intended to be included in the proxy statement for the annual meeting relating to Immtech's 2009 fiscal year must be received by us not later than June 24, 2009 and must otherwise comply with applicable requirements and laws. However, if Immtech changes the date of the annual meeting of stockholders relating to its 2009 fiscal year by more than 30 days from the anniversary of the date of the annual meeting of stockholders relating to its Fiscal Year 2008, then stockholders will have a reasonable time before Immtech begins to print and mail its proxy materials for the meeting relating to its 2009 fiscal year to submit proposals. All notices or proposals, whether or not to be included in our proxy materials, must be sent to our principal executive offices at One North End Avenue, New York, NY 10282, Attention: Gary Parks.

If a stockholder intends to submit a proposal at Immtech's annual meeting relating to its 2009 fiscal year, which proposal is not intended to be included in Immtech's proxy statement and form of proxy relating to that meeting, the stockholder must give appropriate notice to the Secretary of Immtech at the address in the preceding paragraph not later than July 24, 2009 and no earlier than June 24, 2009; provided, however, if the notice for the annual meeting relating to Immtech's 2009 fiscal year is more than 90 days before the first anniversary of the date the notice was mailed for annual meeting relating to Immtech's Fiscal Year 2008, notice by a stockholder will be timely if postmarked not less than the tenth day following the notice for the annual meeting relating to Immtech's 2009 fiscal year.

Stockholders may contact Immtech's Secretary for requirements for making stockholder proposals and nominating director candidates.

Stockholders are urged to complete, sign, date and mail the proxy in the enclosed envelope, postage for which has been provided for mailing in the United States. Your prompt response is appreciated.
