PART III -- NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

This filing relates to amendment no. 2 on Form 10-K/A that was due July 25, 2011. Normally Giga-tronics Incorporated files Part III information in its Proxy statement, which was scheduled to be filed before July 25, 2011. During the applicable period this year, the Company was considering a proposal that would require shareholder approval. Consideration of that proposal took more time than previously anticipated. It became apparent that the Company needed to file an amendment to Form 10-K to include Part III information. Management believed they were on schedule for timely filing, but due to last-minute discovery of an error requiring correction and technical difficulties related to the recent outsourcing of its Edgar filing to a third party vendor, the Company filed the Form 10-K/A on the July 25, 2011 due date, but a few hours after the deadline for a July 25 filing date. The Company believes it was unable to eliminate these causes without undue effort or expense.

Forward-Looking Statements

The information provided in this notice includes forward-looking statements, including, without limitation, statements regarding an outside equity investment.

Statements that are not historical facts, including statements about the Company's beliefs and expectations, are forward-looking statements. These statements are based on beliefs and assumptions by the Company's management, and on information currently available to management. Forward-looking statements speak only as of the date they are made, and we undertake no obligation to update any of them publicly in light of new information or future events. A number of important factors could cause actual result to differ materially from those contained in any forward-looking statements.
