**CAMBREX CORPORATION**

**Form 8-K**

**Current Report**

**Item 5.02 – Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On March 14, 2016, the Board of Directors of Cambrex Corporation appointed Claes Glassell, 65, as a member of the Company's Board of Directors for a term expiring on the date of its 2016 annual meeting and will serve on the Board's Audit and Regulatory Affairs Committees. Mr. Glassell's appointment increases the size of the Board to ten members until William Korb's retirement following the Company's April 2016 Annual Meeting of Stockholders.

Mr. Glassell was most recently the Chief Executive Officer of CMC Biologics, a contract manufacturing organization focused on biologic pharmaceuticals from 2011 through 2015.

Previously, Mr. Glassell was the Chief Executive Officer of Cerus Corp., a publicly held medical device company from 2004 through 2011. Before joining Cerus Corp., Mr. Glassell spent over eight years at Cambrex Corporation as President and Chief Operating Officer. From 1989 through 1994, Mr. Glassell was President and CEO of Nobel Chemicals and Senior Vice President of Nobel Industries.

Mr. Glassell will be paid in accordance with the Company's non-employee director compensation program, prorated for the current year, which is as follows: the compensation for non-employee directors consists of an annual retainer of \$55,000 plus \$1,500 for each Committee meeting attended, an annual award of such number of restricted stock units equivalent in value to \$60,000 (determined by dividing \$60,000 by the average of the highest and lowest trading prices of the Company's stock as reported on the NYSE on the date of the award) and an option to purchase \$35,000 in value of shares of the Company's common stock (estimated on the date of the grant using the Black-Scholes option-pricing model based on the director's age and expected retirement date).
