(e) Adoption of Stock Ownership Guidelines

Also on April 24, 2019, the Board of Directors of Ameresco, Inc., on the recommendation of the Compensation Committee, adopted share ownership guidelines, in order to encourage the company's executive officers and senior management to obtain a significant ownership interest in the company, thereby helping to align their interests with those of Ameresco's shareholders. The plan applies to the company's executive officers and certain other members of senior management, other than our Interim Chief Financial Officer. It is expected that, when named, our Chief Financial Officer will be subject to these guidelines. The guidelines target share ownership at a value equal to (i) five times annual base salary for the Chief Executive Officer, (ii) three-times annual base salary for other Section 16 officers who serve as Executive Vice Presidents of the company, (iii) two-times annual base salary for certain senior management members who serve as Senior Vice Presidents of the company and (iv) annual base salary for certain senior management members who serve as Vice Presidents of the company. Compliance with the ownership guidelines will be measured annually as of April 23rd, the day preceding the anniversary of the guidelines' adoption, based upon the immediately preceding closing price. Covered individuals will have five years to accumulate the applicable stock ownership level.

The foregoing summary of the stock ownership guidelines is qualified in its entirety by reference to the full text of the guidelines, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.
