GENERAL INFORMATION

The Board of Directors (the “Board”) of Summit Hotel Properties, Inc., a Maryland corporation, has made these materials available to you on the Internet or, upon your request, has delivered printed versions of these materials to you by mail, in connection with its solicitation of proxies for its 2019 annual meeting of stockholders to be held on May 16, 2019, at 9:00 a.m., Eastern Time, at the Hampton Inn & Suites, 200 San Jacinto Boulevard, Austin, Texas 78701, and at any adjournments or postponements thereof. These materials were first made available to stockholders on April 1, 2019. Pursuant to rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials on the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice of Internet Availability”) to our stockholders. All stockholders will have the ability to access the proxy materials at www.proxyvote.com or request to receive a printed set of the proxy materials by mail or an electronic set of materials by email. Instructions on how to access the proxy materials on the Internet or to request a printed copy may be found in the Notice of Internet Availability. In addition to solicitation by mail, certain of our directors, officers and employees may solicit proxies by telephone, personal contact or other means of communication. They will not receive any additional compensation for these activities. Also, brokers, banks and other persons holding common stock on behalf of beneficial owners will be requested to solicit proxies or authorizations from beneficial owners. We will bear all costs incurred in connection with the preparation, assembly and mailing of the proxy materials and the solicitation of proxies and will reimburse brokers, banks and other nominees, fiduciaries and custodians for reasonable expenses incurred by them in forwarding proxy materials to beneficial owners of our common stock. Although no proxy solicitor has been engaged at this time, we may determine it is necessary to employ an outside firm to assist in the solicitation process. QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

On what am I voting?

You are being asked to consider and vote on the following proposals:

- Election of the six director nominees named in this proxy statement (Proposal 1);
- Ratification of Ernst & Young, LLP (“EY”), as our independent registered public accounting firm for 2019 (Proposal 2); and
- An advisory (non-binding) resolution to approve executive compensation (Proposal 3).

Who can vote?

Holders of our common stock as of the close of business on the record date, March 15, 2019, are entitled to vote, either in person or by proxy, at the annual meeting. Each share of our common stock is entitled to one vote. Cumulative voting is not permitted in the election of directors.

How do I vote or authorize a proxy to vote my shares?

By Proxy. Before the annual meeting, you may authorize a proxy to vote your shares in one of the following ways:

- By telephone;
 - By Internet; or
 - By completing and signing your proxy card and mailing it in time to be received prior to the annual meeting.
- The telephone and Internet voting procedures are designed to confirm your identity, to allow you to give your voting instructions and to verify that your instructions have been properly recorded. If you wish to vote by telephone or Internet, please follow the instructions that are included in the Notice of Internet Availability and the proxy card. If you mail us your properly completed and signed proxy card, or vote by telephone or Internet, your shares will be voted according to the choices that you specify.

If you sign and mail your proxy card without marking any choices, your proxy will be voted:

- FOR the election of all director nominees named in this proxy statement (Proposal 1);
- FOR the ratification of EY as our independent registered public accounting firm for 2019 (Proposal 2); and
- FOR the approval of an advisory (non-binding) resolution on executive compensation (Proposal 3).

We do not expect that any other matters will be brought before the annual meeting. If an issue should arise for vote at the annual meeting that is not included in the proxy material, the proxy holders will vote your shares in accordance with their discretion.

In Person. If your shares are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares and you may attend the annual meeting and vote in person. If your shares are held in the name of your broker, bank or other nominee and you wish to attend the annual meeting, you must bring an account statement or letter from the nominee indicating that you were the owner of the shares on March 15, 2019. If your shares are held in the name of your broker, bank or other nominee and you wish to vote at the annual meeting, you must obtain a legal proxy from your broker, bank or other nominee that holds your shares giving you the right to those shares.

TABLE OF CONTENTS

May I change or revoke my vote?

Yes. You may change your vote or revoke your proxy at any time prior to the annual meeting by:

- Notifying our Secretary in writing that you are revoking your proxy;
- Providing another signed proxy that is dated after the proxy you wish to revoke;
- Using the telephone or Internet voting procedures; or
- Attending the annual meeting and voting in person. Attendance at the annual meeting will not, by itself, revoke a duly executed proxy.

Will my shares be voted if I do not provide my proxy?

It depends on whether you hold your shares in your own name or in the name of a bank or brokerage firm. If you hold your shares directly in your own name, they will not be voted unless you provide a proxy or vote in person at the annual meeting.

Brokerage firms generally have the authority to vote customers' un-voted shares on certain "routine" matters. If your shares are held in the name of a brokerage firm, the brokerage firm can vote your shares for the ratification of EY as our independent registered public accounting firm for 2019 (Proposal 2) if you do not provide your voting instructions timely, because this matter is considered "routine" under the applicable rules. The other items (Proposals Nos. 1 and 3) are not considered "routine" and therefore may not be voted by your broker without instruction.

What constitutes a quorum?

As of the record date, a total of 105,319,769 shares of our common stock were issued and outstanding and entitled to vote at the annual meeting. To conduct the annual meeting, a majority of the shares entitled to vote must be present in person or by proxy. This is referred to as a "quorum." If you submit a properly executed proxy card or authorize a proxy to vote by telephone or on the Internet, your shares will be counted for purposes of determining the presence of a quorum. Abstentions and broker "non-votes" will be counted as present and entitled to vote for purposes of determining a quorum. A broker "non-vote" occurs when a bank, broker or other nominee who holds shares for another person has not received voting instructions from the owner of the shares and, under the applicable rules, does not have discretionary authority to vote on a matter.

What vote is needed to approve the matters submitted?

Election of Directors (Proposal 1). Directors are elected by a plurality of the votes cast at the annual meeting. "Plurality" means that the nominees receiving the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. For purposes of this vote, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote for this proposal. The Board has adopted a policy on voting regarding directors. Under the policy, at any meeting of stockholders at which members of the Board are to be elected by the stockholders in an uncontested election, any nominee for director who receives a greater number of votes "withheld" from his or her election than votes "for" his or her election will submit to the Board a written offer to resign from the Board no later than two weeks after the certification of the voting results. For additional information regarding this policy, please see "The Board of Directors and Its Committees — Policy on Voting Regarding Directors."

Ratification of Appointment of EY (Proposal 2). The affirmative vote of a majority of the votes cast at the annual meeting is required to approve this proposal. For purposes of this vote, abstentions will not be counted as votes cast

and will have no effect on the result of the vote for this proposal.

Approval on an Advisory (Non-Binding) Resolution on Executive Compensation (Proposal 3). The affirmative vote of a majority of the votes cast at the annual meeting is required to approve this proposal. For purposes of this advisory vote, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote for this proposal.

We are sending only a single Notice of Internet Availability to any household at which two or more stockholders reside if they share the same last name or we reasonably believe they are members of the same family, unless we have received instructions to the contrary from any stockholder at that address. This practice is known as “householding” and is permitted by rules adopted by the SEC. This practice reduces the volume of duplicate information received at your household and helps us to reduce costs. We will deliver promptly, upon written request or oral request, a separate copy of the Notice of Internet Availability to a stockholder at a shared address to which a single copy of the document was previously delivered. If you received a single copy of this document for your household for this year, but you would prefer to receive your own copy, you may direct requests for separate copies in the future to the following address: Summit Hotel Properties, Inc., Attention: Secretary, 13215 Bee Cave Parkway, Suite B-300, Austin, Texas 78738. If you are a stockholder who receives multiple copies of our proxy materials, you may request householding by contacting us in the same manner and requesting a householding consent form.

The Board has no reason to believe that any of the persons named below as a nominee for election to the Board will be unable, or will decline, to serve if elected. The Board has determined that each director nominee named below, except Mr. Hansen, is independent under applicable SEC and New York Stock Exchange (the “NYSE”) rules.

Recommendation:

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR EACH OF THE NOMINEES.

The following table sets forth the name, position with the Company and age (as of the annual meeting) of each nominee for election to the Board at the annual meeting:

The biographical descriptions below set forth certain information with respect to each nominee, including the experience, qualifications, attributes or skills of each nominee that led us to conclude that he or she should serve as a director, if elected.

Nominees

Daniel P. Hansen. Mr. Hansen serves as our Chairman, President and Chief Executive Officer. Mr. Hansen’s service as Chairman, President and Chief Executive Officer provides a critical link between management and the Board, enabling the Board to perform its oversight function with the benefits of management’s perspectives on the business. Mr. Hansen also provides us with extensive experience in the hospitality industry as well as a capital markets background that assists the Board in analyzing capital raising opportunities and issues. He serves on the Board of the American Hotel & Lodging Association and on advisory councils of multiple hotel brands. Mr. Hansen joined The Summit Group in October of 2003 as Vice President of Investor Relations. His responsibilities included leading the capital raising efforts for our predecessor’s private placements of its equity securities and assisting in acquisition due diligence. In 2005, he was appointed to our predecessor’s Board of Managers and promoted to Executive Vice President, in which capacity he was part of the team that acquired over \$140 million of hotel properties and led the development of over \$240 million of hotel assets. In 2008, he was appointed to President and Chief Financial Officer of The Summit Group. His primary responsibilities included the development and execution of growth strategies, raising equity capital and hotel development and acquisition. Prior to joining The Summit Group, Mr. Hansen spent

11 years with Merrill Lynch, Pierce, Fenner & Smith Incorporated, or Merrill Lynch, in various leadership positions culminating as a Vice President and Regional Sales Manager in the Texas Mid-South Region, which included Texas, Louisiana, Arkansas and Oklahoma. Mr. Hansen graduated from South Dakota State University with a B.A. in Economics.

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that Mr. Hansen should serve as a director, if elected, because he currently serves as our Chairman, President and Chief Executive Officer and provides a critical link between the executive management team, which is responsible for the day-to-day management of the Company, and the Board. We believe his service as a director enables the Board to perform its oversight function with the benefits of management's perspectives on our business. Mr. Hansen also provides us with extensive experience in the hospitality industry as well as a capital markets background that assists the Board in analyzing capital raising opportunities and issues.

TABLE OF CONTENTS

Bjorn R. L. Hanson. Dr. Hanson has been a member of the Board since the completion of our initial public offering, or IPO, in February 2011. Dr. Hanson served as our Lead Independent Director from June 2015 to January 2017. Dr. Hanson has worked in the hospitality industry for more than 40 years and has been involved in consulting and investment banking in the lodging sector. He joined the New York University School of Professional Studies in June 2008 as a clinical professor teaching in the school's graduate and undergraduate hospitality and tourism programs and directing applied research projects. Dr. Hanson founded the hospitality, sports, convention and leisure practice and held various positions at PricewaterhouseCoopers and Coopers & Lybrand, including National Industry Chairman for the Hospitality Industries, National Service Line Director for Hospitality Consulting, National Industry Chairman for Real Estate, Real Estate Service Line Director and National Director of Appraisal Services. Additionally, he served on the U.S. leadership committee and global financial advisory services management committee of PricewaterhouseCoopers. Dr. Hanson was also managing director with two Wall Street firms, Kidder, Peabody & Co. and PaineWebber Inc., for which he led banking and research departments for lodging and gaming. Dr. Hanson received a B.S. from Cornell University School of Hotel Administration, an M.B.A. from Fordham University and a Ph.D. from New York University.

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that Dr. Hanson should serve as a director, if elected, because he brings a wide range of experience in consulting and investment banking in the hospitality industry to the Board. He also brings research and quantitative analysis perspectives on the hospitality and tourism industries, which enhances the ability of the Board to analyze macroeconomic issues and trends relevant to our business. Finally, Dr. Hanson's leadership roles in market trend analysis, economic analysis and financial analysis specific to our industry provide the Board with additional depth in analyzing financial reporting issues faced by companies similar to ours.

Jeffrey W. Jones. Mr. Jones has been a member of the Board since July 2014. From 2003 to 2012, Mr. Jones served as the Chief Financial Officer for Vail Resorts, Inc. Mr. Jones received a BA in Accounting and American Studies from Mercyhurst College n/k/a Mercyhurst University and is a member of the American Institute of Certified Public Accountants (AICPA).

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that Mr. Jones should serve as a director, if elected, because of his significant management, financial, hospitality industry and mergers and acquisition experience and expertise, which he has acquired through his fifteen years as a chief financial officer, including ten years as chief financial officer and four years as a director, as well as president of lodging, retail and real estate, of a publicly held resort management company. In addition, Mr. Jones's other experience as a corporate board director and audit committee member and chair provides the Board with perspective into

corporate governance best practices.

Kenneth J. Kay. Mr. Kay has been a member of the Board since July 2014. Mr. Kay is currently the Chief Financial Officer of MGM Holdings, Inc. (the parent company of Metro-Goldwyn-Mayer, Inc.), a leading entertainment company focused on the production and global distribution of film and television content. Mr. Kay began his career with PricewaterhouseCoopers, primarily focusing his efforts on large, publicly owned multinational companies. After leaving public accounting, his career included senior financial and operational roles at Ameron International, Systemed Inc., Universal Studios

and, just prior to CBRE, as Chief Financial Officer of Dole Food Company, Inc. (formerly NYSE: DOLE). Mr. Kay is a member of the Board of Governors of Cedars Sinai Medical Center and The Board of Advisors of the USC Leventhal School of Accounting. Mr. Kay received a B.S. degree in accounting and an M.B.A. degree from the University of Southern California. Mr. Kay is a Chartered Global Management Accountant, a Certified Public Accountant and a member of the American Institute of Certified Public Accountants.

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that Mr. Kay should serve as a director, if elected, because of his professional background and experience, education, Fortune 500 senior-executive level positions in real estate and hospitality and his extensive finance, accounting, operational and mergers and acquisitions experience and expertise.

Thomas W. Storey. Mr. Storey has been a member of the Board since the completion of our IPO in February 2011. Mr. Storey received a B.A. in economics from Bates College and an M.B.A. from the Johnson School at Cornell University.

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that Mr. Storey should serve as a director, if elected, because he provides the Board with strategic vision specific to the hospitality industry. In addition, Mr. Storey has substantial leadership experience in the hospitality industry, including as Executive Vice President, Business Strategy of FRHI, where Mr. Storey was instrumental in helping lead that company through various lodging cycles. The Board expects Mr. Storey’s experience in analyzing and reacting to changing conditions in the hospitality industry will serve the Board. The Board also expects Mr. Storey’s operations experience with FRHI will help him provide valuable insights to the Board. Mr. Storey also possesses particular expertise in business travel, an important aspect of our business.

An EY representative will be present at the annual meeting and will be given the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

This is commonly known as, and is referred to in this proxy statement as, a “say-on-pay” proposal or resolution. The Board intends to hold an advisory (non-binding) vote on the compensation of our named executive officers each year.

This vote is not limited to any specific item of compensation, but rather addresses the overall compensation of our named executive officers and our philosophy, policies and practices relating to their compensation as described in this proxy statement in accordance with SEC rules.

As described in detail under the heading “Compensation Discussion and Analysis” our executive compensation programs are designed to attract, retain and motivate our named executive officers, who are critical to our success. CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Our Board oversees our management and our Company's business for the benefit of our stockholders in order to enhance long-term stockholder value. The Board has adopted Corporate Governance Guidelines, which are reviewed annually and periodically amended by the Board to enhance our corporate governance principles. A current copy of the Corporate Governance Guidelines can be found under "Investors — Corporate Overview — Governance Documents" on our website at www.shpreit.com.

The Board has also adopted a Code of Business Conduct and Ethics ("Code of Ethics") that applies to all of our directors, officers and employees. The purpose of the Code of Ethics is to promote honest and ethical conduct and to promote compliance with all applicable rules and regulations that apply to our Company and our directors, officers and employees. A current copy of the Code of Ethics can be found under "Investors — Corporate Overview — Governance Documents" on our website at www.shpreit.com. Any waiver of the Code of Ethics with respect to our executive officers or directors may be made only by the Board or one of our Board's committees and will be posted timely on our website.

Our Company was built on relationships with investors, lenders, investment banks, franchise brand companies and with our third party management companies. Management strives to operate our Company with passion, integrity and excellence. We are committed to being open and transparent about our business practices and performance and remaining accountable for our conduct. We are also committed to our stockholders to create long-term value. We follow through on our commitment to stockholders by implementing what we believe are sound corporate governance practices.

Board of Directors Structure

- All of our directors must be elected annually.
- Our directors are subject to a director resignation policy as part of our policy on voting procedures with respect to the election of directors in uncontested elections.
- Eighty-three percent (83%) of our directors are independent.
- Seventeen percent (17%) of our directors are female.
- All members of the three standing committees of the Board are independent.
- Our independent directors meet regularly without the presence of any of our officers or employees.
- Our independent directors designate an independent, non-employee director to serve as our Lead Independent Director.

Stock Ownership Guidelines

Based on current corporate governance standards, the Board believes all non-employee directors and certain key executive officers should own a meaningful equity interest in our Company to more closely align the interests of directors and executive officers with those of stockholders. Accordingly, the Board has adopted stock ownership guidelines for key executive officers and all non-employee directors.

For purposes of these guidelines, the term "Company common stock" includes, in addition to shares of our common stock, (a) any class of equity securities issued by our operating partnership, Summit Hotel OP, LP (the "Operating Partnership"), that are redeemable for shares of our common stock, whether held directly or indirectly, or by or for the benefit of, immediate family members, and (b) vested and unvested restricted shares of common stock, but excludes (x) stock options, whether exercisable or un-exercisable, (y) unearned performance-based restricted stock and (z) warrants and all other forms of derivative securities.

The Board reviews the minimum equity holdings guidelines for executive officers on a periodic basis to ensure the guidelines remain consistent with corporate governance best practices and continue to promote the alignment of executive and stockholder interests.

TABLE OF CONTENTS

Over time, certain key executive officers are required to hold Company common stock with a value equal to a multiple of their then-current base salary. The equity ownership value for each of these executive officers will be calculated by multiplying the number of shares of Company common stock owned by the ten trading day trailing volume weighted average price (“VWAP”) of our common stock prior to the date of computation, typically at the end of the fiscal year. The executive officers named in the table below, except Mr. Stanner because he joined the Company in 2017, currently comply with the stock ownership guidelines. Mr. Stanner will have until January 1, 2022, to comply with the stock ownership guidelines. The equity ownership requirements for our key executive officers are as follows:

Name	Multiple of Base Salary
Daniel P. Hansen, President and Chief Executive Officer	6x
Jonathan P. Stanner, EVP & Chief Financial Officer	2x
Craig J. Aniszewski, EVP & Chief Operating Officer	2x
Christopher Eng, EVP & Chief Risk Officer	1x

Each non-employee director will be required to hold a number of shares of Company common stock equal to five times his annual cash retainer. The equity ownership value for each non-employee director will be calculated by multiplying the number of shares of Company common stock owned by the ten trading day trailing VWAP of our common stock prior to the date of computation, typically at the end of the fiscal year. Until such time as the required ownership level is achieved, each non-employee director is required to retain at least fifty percent (50%) of the net after-tax profit shares from vesting of equity awards. The Board reviews the minimum equity holdings guidelines for non-employee directors on a periodic basis to ensure the guidelines remain consistent with corporate governance best practices.

Anti-Hedging and Anti-Pledging Policies

The Board has adopted an insider trading policy that contains restrictions on hedging and pledging securities issued by us or our Operating Partnership. With respect to hedging, directors and executive officers are prohibited from engaging in any hedging or monetization transactions involving securities issued by us or our Operating Partnership. With respect to pledging, directors and executive officers are prohibited from holding securities issued by us or our Operating Partnership in a margin account or pledging these securities as collateral for a loan. An exception to this anti-pledging policy may be granted if a director or executive officer desires to pledge securities issued by us or our Operating Partnership as collateral for a loan other than margin debt and clearly demonstrates the financial capacity to repay the loan without resort to the pledged securities. Any permitted pledge of securities must be pre-approved by our General Counsel. No director or executive officer has pledged securities as collateral for a loan.

Compensation Clawback Policy

The Board has adopted a compensation clawback policy that contains terms to ensure that executives are not unduly enriched by payment of incentives based on financial achievements that are later required to be restated. If our Company is required to restate its audited, consolidated financial results due to material non-compliance with financial requirements under securities laws as a result of misconduct, fraud or negligence as determined in the Board's sole discretion, each executive that is deemed responsible as determined in the Board's sole discretion while taking into consideration all facts and circumstances shall reimburse us for the after-tax value of the incentive compensation that would not have been earned if the restated financial information had been accurately reported initially. In addition, the Board may withhold from executives deemed non-responsible for a restatement future awards with equivalent value to that of the after-tax value of the awards initially made to such executive on the basis of the restated financial results, but only to the extent such awards were made within the preceding 24 months.

Succession Planning

Our Board has established a succession plan for the Chief Executive Officer to cover emergency and other possible occurrences resulting in a vacancy in the position of Chief Executive Officer.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

We are managed under the direction of our Board. Our directors are: Daniel P. Hansen, Dr. Bjorn R. L. Hanson, Jeffrey W. Jones, Kenneth J. Kay, Thomas W. Storey and Hope S. Taitz. Mr. Hansen is the Chairman of the Board and Mr. Jones is our lead independent director ("Lead Independent Director"). Each of our directors stands for election annually.

Independence of Directors

Our Corporate Governance Guidelines require that a majority of our directors be "independent," with independence determined in accordance with the applicable standards of the NYSE. The Board may determine a director to be independent if the Board has affirmatively determined that the director has no material relationship with us or our subsidiaries, either directly, or as a stockholder, director, officer or employee of an organization that has a relationship with us or our subsidiaries. The Board has determined that Dr. Hanson, Mr. Jones, Mr. Kay, Mr. Storey and Ms. Taitz have no material relationship with us or our subsidiaries and therefore, are independent under the applicable standards of the NYSE. As a result, a majority of our directors are independent. Mr. Hansen serves as an executive officer and is not considered independent under the applicable standards of the NYSE.

Committees

The Board has established an Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee, and has adopted a written charter for each committee. A copy of each committee charter is available on our website at www.shpreit.com under the heading "Investors – Corporate Overview – Governance Documents."

Audit Committee

The members of the Audit Committee are Mr. Jones (Chair), Dr. Hanson, Mr. Kay and Ms. Taitz. Each member has been determined to be "independent" within the meaning of the applicable standards of the NYSE and Rule 10A-3 of the Exchange Act. In addition, each member meets the financial literacy requirements for audit committee membership under the NYSE's rules and the rules and regulations of the SEC. The Board has determined that Dr. Hanson, Mr. Jones, Mr. Kay and Ms. Taitz each is an "audit committee financial expert" as such term is defined in Item 407(d)(5)(ii) of Regulation S-K.

The Audit Committee is responsible for reviewing and discussing with management and our independent public accountants our annual and quarterly financial statements, engaging independent public accountants, reviewing with the independent public accountants the plans and results of the audit engagement, approving professional services provided by the independent public accountants, reviewing the performance and independence of the independent public accountants, considering audit and non-audit fees and reviewing the adequacy of our internal accounting controls, our internal audit functions and Sarbanes-Oxley Act compliance. The Audit Committee has the power to investigate any matter brought to its attention within the scope of its duties and to retain counsel or outside advisors for this purpose where appropriate. Additionally, the Audit Committee is responsible for monitoring our procedures for compliance with the rules for taxation as a real estate investment trust (“REIT”) under Sections 856-860 of the Internal Revenue Code of 1986, as amended.

TABLE OF CONTENTS

Compensation Committee

The members of the Compensation Committee are Mr. Kay (Chair), Mr. Jones and Mr. Storey. Each member has been determined to be “independent” within the meaning of the applicable standards of the NYSE. Each member of the Compensation Committee qualifies as an “outside director” as such term is defined under Section 162(m) of the Code and as a “non-employee director” for purposes of Rule 16b-3 of the Exchange Act.

The Compensation Committee exercises all powers delegated to it by the Board in connection with compensation matters. The Compensation Committee is responsible for the review and approval of the compensation and benefits of our executive officers, administration and recommendations to the Board regarding our compensation and long-term incentive plans, and production of the annual reports on executive compensation for inclusion in our proxy statements. In connection with those responsibilities, the Compensation Committee has the sole authority to retain and terminate compensation consultants employed by it to help evaluate our compensation programs. The Compensation Committee also has authority to grant awards under the Company’s 2011 Equity Incentive Plan as Amended and Restated (“Equity Incentive Plan”).

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are Dr. Hanson (Chair), Mr. Storey and Ms. Taitz. Each member has been determined to be “independent” within the meaning of the applicable standards of the NYSE.

The Nominating and Corporate Governance Committee is responsible for monitoring our compliance with corporate governance requirements of state and federal law, and the rules and regulations of the NYSE; developing and recommending to the Board criteria for prospective members of the Board; conducting Board candidate searches and interviews; overseeing and evaluating the Board and management; monitoring compliance with our Code of Ethics and policies with respect to conflicts of interest; reviewing and approving interested transactions pursuant to our related party transaction policy; periodically evaluating the appropriate size and composition of the Board, recommending, as appropriate, increases, decreases and changes in the composition of the Board; and formally proposing the slate of nominees for election as directors at each annual meeting of our stockholders. In addition, this committee annually facilitates the evaluation of each Committee and the Board’s performance as a whole and of the individual directors and reports thereon to the Board.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee consists of Mr. Jones, Mr. Kay and Mr. Storey. None of the members are, or have been one of, our employees or officers. None of our executive officers currently serves, or during the past fiscal year has served, as a member of the board of directors or compensation committee of another entity that has one or more executive officers serving on our Board or Compensation Committee.

Board Leadership Structure

The Board believes it is important to retain the flexibility to allocate the responsibilities of the positions of the Chairman of the Board and the Chief Executive Officer in the way it believes is in our best interest. Currently, the Board believes that it is in our best interest not to separate these positions. Mr. Hansen, our Chief Executive Officer, was appointed Chairman of the Board and assumed the role effective January 2017. Mr. Storey served as our Non-Executive Chairman from July 2015 until Mr. Hansen’s appointment.

To promote the independence of the Board and appropriate oversight of management and to demonstrate our commitment to strong corporate governance, the independent directors have designated an independent, non-employee director to serve as our Lead Independent Director. The Lead Independent Director helps to facilitate free and open discussion and communication among the independent, non-employee directors. The responsibilities of the Lead Independent Director are set forth in our Corporate Governance Guidelines. Dr. Hanson was our Lead Independent Director in 2016. Mr. Jones was appointed Lead Independent Director and assumed the role effective January 2017.

Risk Management Oversight

One of the key functions of our Board is informed oversight of our risk management process as well as strategic risks of the Company. This oversight is conducted primarily through the Audit Committee but also through the other committees of the Board, as appropriate. The Board and its committees satisfy this responsibility through reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within our Company.

TABLE OF CONTENTS

Meetings and Attendance

In 2018, the Board met four times in person and four times telephonically, the Audit Committee met four times in person and three times telephonically, the Compensation Committee met four times in person and one time telephonically, and the Nominating and Corporate Governance Committee met four times in person. Each of our currently serving directors attended at least 75% of the aggregate meetings of the Board and the committees of the Board on which he or she served during 2018.

Executive Sessions of Our Independent Directors

As required by the NYSE rules, the non-employee directors, all of whom are independent under the applicable standards of the NYSE, regularly meet in executive session, without management present. Generally, these executive sessions follow regularly scheduled meetings of the Board and the three standing committees. The independent, non-employee directors met in executive session following regularly scheduled meetings in 2018. Mr. Jones presided over the executive sessions of the Board, and the respective Chair of each committee presided over each such committee's executive sessions.

Director Nominations

Before each annual meeting of stockholders, the Nominating and Corporate Governance Committee considers the nomination of all directors who are up for election at the next annual meeting of stockholders and also considers new candidates whenever there is a vacancy on the Board, or whenever a vacancy is anticipated due to a change in the size or composition of the Board, a retirement of a director or for any other reason. In addition to considering incumbent directors, the Nominating and Corporate Governance Committee may identify director candidates based on recommendations from the directors, stockholders, management and others.

The Nominating and Corporate Governance Committee works with the Board to determine the appropriate characteristics, skills and experience for the Board as a whole and its individual members. In evaluating the suitability of individuals for Board membership, the Nominating and Corporate Governance Committee takes into account many factors, including, but not limited to:

- whether the individual meets the requirements for independence;
- the individual's general understanding of the various disciplines relevant to the success of a publicly-traded company in today's business environment;
- the individual's understanding of the Company's business;
- the individual's professional expertise and educational background; and
- other factors that promote diversity of views and experience.

The Nominating and Corporate Governance Committee evaluates each individual in the context of the Board as a whole, with the objective of recommending a group of directors that can best perpetuate the success of our business and represent stockholder interests through the exercise of sound judgment, using its diversity of experience. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's past attendance at meetings and participation in and contributions to the activities of the Board.

We do not have a formal policy about diversity of Board membership, but the Nominating and Corporate Governance Committee considers a broad range of factors when nominating director candidates to the Board, including differences of viewpoint, professional experience, education, skill, other personal qualities and attributes, race, gender and

national origin. The Nominating and Corporate Governance Committee neither includes nor excludes any candidate from consideration solely based on the candidate's diversity traits.

For purposes of the 2020 annual meeting of stockholders, the Nominating and Corporate Governance Committee will consider appropriate nominees for directors whose names are submitted in writing by a stockholder. Refer to "Requirements for Proposals Not Intended for Inclusion in Proxy Materials; Director Nominations", in this proxy statement for more detail. Subject to the discretion of the Nominating and Corporate Governance Committee, we anticipate that any director candidates submitted to us by our stockholders will be evaluated by the Nominating and Corporate Governance Committee on the same basis as any other director.

TABLE OF CONTENTS

Policy on Voting Regarding Directors

The Board has adopted a policy on voting regarding directors. Under the policy, at any meeting of stockholders at which members of the Board are to be elected by the stockholders in an uncontested election, any nominee for director who receives a greater number of votes “withheld” from his or her election than votes “for” his or her election will submit to the Board a written offer to resign from the Board no later than two weeks after the certification of the voting results. An uncontested election is one in which the number of individuals who have been nominated for election as a director is equal to, or less than, the number of directors to be elected.

The Nominating and Corporate Governance Committee will consider the resignation offer and, within 60 days after the certification of the voting results, recommend to the Board whether to accept or reject the resignation offer. In determining its recommendation to the Board, the Nominating and Corporate Governance Committee will consider all factors it deems relevant, which may include, (i) any stated reason or reasons why stockholders cast “withheld” votes for the director, (ii) the qualifications of the director, and (iii) whether the director’s resignation from the Board would be in our best interest and the best interests of our stockholders. The Nominating and Corporate Governance Committee may also consider alternatives to acceptance or rejection of the resignation offer as the Nominating and Corporate Governance Committee members deem appropriate.

The Board will act on the Nominating and Corporate Governance Committee’s recommendation no later than 90 days after the certification of the voting results. The Board will consider the information, factors and alternatives considered by the Nominating and Corporate Governance Committee and additional information, factors and alternatives the Board deems relevant. The recommendation of the Nominating and Corporate Governance Committee will not be binding on the Board.

Any director who offers to resign as provided above will not participate in the Nominating and Corporate Governance Committee’s or the Board’s consideration of whether to accept his or her resignation offer.

If a director’s resignation offer is accepted by the Board, the Nominating and Corporate Governance Committee will recommend to the Board whether to fill the vacancy created by such resignation or to reduce the number of directors constituting the Board.

If a majority of the members of the Nominating and Corporate Governance Committee were required to offer their resignations, the remaining independent directors will appoint a special committee of the Board to consider the resignation offers and whether to accept the resignation offers.

We will publicly disclose the Board’s decision in a Current Report on Form 8-K filed with the SEC, including an explanation of the process by which the decision was made and, if applicable, the reasons for rejecting the resignation offer(s).

Communication with the Board

Stockholders and other interested parties who wish to communicate with the Board, including any non-employee director, or the non-employee directors as a group, or any individual director or directors, may do so by writing to the Chair of the Nominating and Corporate Governance Committee, Board of Directors of Summit Hotel Properties, Inc., 13215 Bee Cave Parkway, Suite B-300, Austin, Texas 78738. The independent, non-employee directors have procedures for the handling of communications from stockholders and other interested parties and have directed our Secretary to act as their agent in processing any communications received. All communications that relate to matters within the scope of the responsibilities of the Board and its standing committees are to be forwarded to the Chair of

the Nominating and Corporate Governance Committee. Communications that relate to matters that are within the scope of the responsibilities of one of the Board's standing committees are also to be forwarded to the chair of the appropriate committee. Communications that relate to ordinary business matters that are not within the scope of the responsibilities of the Board are to be sent to the appropriate member of management. Solicitations, junk mail and obviously frivolous or inappropriate communications will not be forwarded, but will be made available to any non-employee director who wishes to review them.

Policy Governing Director Attendance at Annual Meetings of Stockholders

We expect each of our directors to attend the annual meeting unless doing so would be impracticable due to unavoidable conflicts. In 2018, all of our directors attended our annual meeting.

TABLE OF CONTENTS

DIRECTOR COMPENSATION

Our philosophy is to pay non-executive directors competitively and fairly for the work performed. The Compensation Committee annually reviews our director compensation with the assistance of its independent consultant, Frederic W. Cook & Co, Inc. (“FW Cook”), who conducts a competitive analysis of our non-employee director pay levels and program design versus the same peer group used in comparisons of executive compensation (see Compensation Discussion & Analysis—Peer Group Information). Findings from this review indicated our director compensation levels are competitive with peer company practices and that the design of our non-executive director compensation program reflects recognized best practices, incorporating the following provisions: retainer-only cash compensation with no fees for attending meetings, which is an expected part of board service; significant portion of total compensation in full-value equity awards, for alignment with shareholders, with annual grants made based on a fixed-value formula with immediate vesting, to avoid entrenchment; additional retainers for Lead Independent Director, Committee Chairs and committee memberships to recognize additional responsibilities and time commitment; and meaningful share ownership requirements of five times the annual cash retainer.

Directors who are our employees (Mr. Hansen) do not receive compensation for their services as directors. For 2018, our non-employee director compensation program consisted of the following, which remains unchanged for 2019, unless otherwise noted:

• **Annual Cash Retainer.** We paid an annual cash retainer of \$50,000 to each non-employee director.

• **Additional Committee Membership Fee.** We paid an additional fee for membership on each of our standing committees, as follows: each member of the Audit Committee was paid \$12,500, each member of the Compensation Committee was paid \$10,000 and each member of the Nominating and Corporate Governance Committee was paid \$7,500. The chair of each respective committee is not paid a committee membership fee.

• **Additional Committee Chairperson Fee.** In lieu of the membership fee, we paid the Chairs of each of our standing committees an additional fee, as follows: the Chair of the Audit Committee was paid \$25,000, the Chair of the Compensation Committee was paid \$20,000 and the Chair of the Nominating and Corporate Governance Committee was paid \$15,000.

• **Lead Independent Director Fee.** We paid our Lead Independent Director a \$20,000 Lead Independent Director fee.

• **Non-Executive Chairman Fee.** Because in 2018 our Chairman was an executive officer, a Non-Executive Chairman Fee was not paid in 2018.

• **Annual Equity Award.** Following the 2018 annual meeting of stockholders, we granted each non-employee director an equity award consisting of 6,826 shares of our common stock with an aggregate value of approximately \$100,000 (the number of shares awarded to each non-employee director was determined by dividing \$100,000 by the VWAP of our common stock on the NYSE for the ten trading days preceding the grant date). These shares were granted on May 18, 2018, pursuant to our Equity Incentive Plan and were fully vested on the grant date.

• **Election to Receive Stock in Lieu of Cash Fees.** Non-employee directors have the option to elect to receive all or any part of the cash fees we are required to pay them in fully vested shares of our common stock issued under our Equity Incentive Plan based upon the VWAP of our common stock on the NYSE for the ten trading days preceding the grant date. In 2018, Mr. Storey elected to receive \$50,625 of his fees in shares of our common stock in lieu of cash. Accordingly, we issued an aggregate of 3,543 shares of our common stock to Mr. Storey.

We reimburse our non-employee directors for reasonable out-of-pocket expenses incurred in connection with the performance of their duties as directors, including without limitation, travel expenses in connection with their attendance at in-person board and committee meetings. 2018 Compensation Highlights

Our executive compensation program consists of base salary, annual cash incentive compensation opportunities and annual long-term equity incentive grants. Our program is designed to be straightforward, transparent and market-based and to comply with sound corporate governance practices.

TABLE OF CONTENTS

The chart below contains the key components of our executive compensation program, the purpose of each component and the process for determining each component.

Compensation Component	Description and Objectives	2018 Highlights
Base Salary	Fixed cash compensation set at a level reflective of each executive's performance, market conditions, and competitive rates.	The Compensation Committee considered competitive salary information for the Company's peer group when establishing 2018 base salaries for named executive officers. Based in part on this information, the Compensation Committee increased salaries of Messrs. Aniszewski, Eng, Ruiz and Stanner to bring them closer to market-competitive levels. Mr. Hansen's salary remained unchanged from 2017.
Annual Cash Incentive Compensation	Performance-based cash incentive that rewards achievement of annual company-specific and individual performance objectives.	2018 annual cash incentives were tied to AFFO per share and RevPAR growth, as well as individual performance goals. 2018 AFFO per share and RevPAR growth finished between the threshold and target goals established by the Compensation Committee at the beginning of 2018 and each executive achieved strategic accomplishments in 2018 related to their individual performance. In aggregate, the average earned bonus was paid at an average of 95% of target for all named executive officers.
Long-Term Equity Incentives	Equity incentives that align executive compensation with total stockholder return over multi-year performance and vesting periods that encourage the retention of key talent.	In 2018, 60% of each executive's long-term equity award was in the form of performance-based stock awards that may be earned from 0 to 200% of the target number of shares based on our relative TSR percentile rank versus certain companies in the REIT Index over a three-year performance period. The remaining 40% of each executive's long-term equity award was in the form of time-based stock awards, vesting 25%, 25% and 50% on the one-year, two-year and three-year anniversaries, respectively, of a specified date. Based on our 3-year TSR beginning on March 8, 2016 and ending March 8, 2019, which placed the Company ninth in our peer group, certain previously granted performance-based restricted stock awards were earned at 35% of the previously established target level of shares for each executive. See Footnote (3) under "Outstanding Equity Awards at Fiscal Year-End".

Compensation Best Practice Policies

We maintain several stockholder-friendly compensation policies, including stock ownership guidelines, a compensation clawback policy, and anti-hedging and anti-pledging policies (refer to "Corporate Governance Principles and Board Matters" for more detail on these policies). In addition, our employment agreements with executive officers have non-compete provisions, require a double trigger for any severance payouts in connection with a change-in-control and do not provide excise tax gross-up payments.

Results of Stockholder Say-on-Pay Votes

Each year, the Compensation Committee considers the outcome of the stockholder advisory (non-binding) vote on executive compensation when making decisions relating to the compensation of our named executive officers and our executive compensation program design, structure and policies.

Stockholders continued their significant support for our executive compensation program with more than 97% of the votes cast in favor of the “say-on-pay” proposal at our 2018 annual meeting of stockholders. The Compensation Committee believes that the voting results, together with the over 97% approval received over the last three years, conveyed our stockholders’ strong support of the philosophy, design and structure of our executive compensation program. The Compensation Committee will continue to consider the results of the stockholders’ say-on-pay votes when making decisions about our executive compensation program.

TABLE OF CONTENTS

Objectives of Our Executive Compensation Program

Our executive compensation philosophy is designed to promote the following objectives:

- Assist in attracting and retaining talented and well-qualified executives by offering compensation opportunities competitive with other lodging REITs;
- Motivate our executives to manage our business to meet our near-, medium- and long-term objectives and reward them for meeting these objectives;
- Align the interest of our executives and stockholders by motivating executives to increase stockholder value and rewarding executives when stockholder value increases; and
- Maintain high standards of corporate governance.

Compensation Decision-Making Process

Role of the Compensation Committee and Management

The Compensation Committee is responsible for determining the amount and composition of compensation paid to our Chief Executive Officer and all other executive officers. The Compensation Committee exercises its independent judgment in reviewing and approving the executive compensation program as a whole, as well as specific compensation levels for each executive officer. Additionally, the Compensation Committee reviews and considers the recommendations of Mr. Hansen with respect to compensation decisions of our named executive officers other than himself. The Compensation Committee believes it is valuable to consider the recommendations of Mr. Hansen with respect to these matters because, given his knowledge of our operations and the day-to-day responsibilities of our executive officers, he is in a unique position to provide the Compensation Committee perspective into the performance of our executive officers in light of our business at a given point in time.

Role of the Compensation Consultant

The Compensation Committee has retained FW Cook as its independent compensation consultant. The Compensation Committee has determined that FW Cook meets the criteria for an independent consultant in accordance with SEC guidelines for such service. FW Cook reports directly to the Compensation Committee and works with management only at the request and under the direction of the Compensation Committee. To assist the Compensation Committee in the development of our 2018 compensation program, FW Cook conducted a comprehensive review of our executive compensation program in terms of the competitiveness of our target compensation opportunities and the appropriateness of our incentive programs in supporting our business strategy. On March 7, 2018, the Compensation Committee, based on the recommendations of FW Cook, established the terms of our 2018 executive compensation program.

TABLE OF CONTENTS

Peer Group Information

In general, the Compensation Committee uses comparative data from various companies in certain peer groups as a guide in its review and determination of base salaries, annual cash bonuses and annual equity awards.

For our 2018 compensation program review, the Compensation Committee, with the help of FW Cook, established the peer group used to evaluate the competitiveness of our existing executive compensation program. The peer group consisted of 10 public REITs that primarily invest in hotels, and four other public REITs outside of the hotel sector, which were comparable in terms of market capitalization size and executive team members that the Compensation Committee and FW Cook considered to be the most relevant peers. For purposes of making executive compensation decisions for 2018, our peer group consisted of the following companies:

CareTrust REIT	Pebblebrook Hotel Trust
Chatham Lodging Trust	Ramco-Gershenson
Chesapeake Lodging Trust	RLJ Lodging Trust
DiamondRock Hospitality Company	Sunstone Hotel Investors
FelCor Lodging Trust	Terreno Realty
Hersha Hospitality Trust	Tier REIT
LaSalle Hotel Properties	Xenia Hotels & Resorts, Inc.

TABLE OF CONTENTS

Elements of 2018 Executive Compensation

2018 Target Total Direct Compensation (“TDC”)

Target TDC for 2018 is described below and consists of salary, annual cash incentives and long-term equity incentives. The Compensation Committee considered the mix of the three components of TDC and significantly weighted the long-term equity incentive component the highest for most named executive officers to align compensation with long-term stockholder value. The Company’s target TDC mix is generally consistent with the mix used by companies in our peer group.

Name	Salary (\$)	Annual Cash Incentive (\$) ⁽¹⁾	Long-Term Incentives (\$) ⁽²⁾	Total Target Compensation (\$)
Daniel P. Hansen	700,000	1,050,000	2,700,000	4,450,000
Craig J. Aniszewski	450,000	450,000	1,100,000	2,000,000
Jonathan P. Stanner	425,000	425,000	900,000	1,750,000
Christopher R. Eng	350,000	350,000	450,000	1,150,000
Paul Ruiz	300,000	210,000	300,000	810,000

(1) This reflects the “target” level payout of our annual cash incentive award program.

This reflects the “target” level value of long-term incentive awards consisting 60% of performance share awards and 40% of time based awards. The Compensation Committee determines the intended target dollar value. The number (2) of shares issued to each executive is determined by dividing the intended value of the award by the average of the trailing 10-day VWAP of our common stock prior to the date of grant.

2018 Target Total Annual Compensation (“TAC”)

Target TAC for 2018 is described below and consists of salary and annual cash incentives. For 2018, the Compensation Committee implemented a plan to compensate our executives at comparable levels to our peer group. Target TAC for our executives as compared to members of our peer group is as follows:

Name	2018 TAC (\$)	Comparison to Peer Group
Daniel P. Hansen	1,750,000	Approximates median
Craig J. Aniszewski	900,000	Approximates median
Jonathan P. Stanner	850,000	Approximates median
Christopher R. Eng	700,000	Approximates median
Paul Ruiz	510,000	Approximates median

2018 Compensation Elements

Our compensation program seeks to promote our compensation philosophy and objectives through an appropriate mix of three core elements of compensation: Base Salary, Cash Incentive Compensation and Long-Term Incentive Compensation.

TABLE OF CONTENTS

Base Salary

Base salaries are designed to provide a fixed level of compensation that serves as a retention tool. Base salaries are reviewed annually by the Compensation Committee and are subject to annual increases at the discretion of the Compensation Committee. In determining base salary increases for 2018, the Compensation Committee considered each executive officer's individual performance and corporate performance, as well as our Company's overall performance, market conditions and competitive salary information for the peer group described above. Based on the competitive review as well as the factors outlined above, the Compensation Committee set base salaries for 2018 as follows:

Name	2018 (\$)	2017 (\$)	Percentage Increase
Daniel P. Hansen	700,000	700,000	— %
Craig J. Aniszewski	450,000	430,000	5 %
Jonathan P. Stanner	425,000	400,000	6 %
Christopher R. Eng	350,000	325,000	8 %
Paul Ruiz	300,000	275,000	9 %

Cash Incentive Compensation Program

Our 2018 annual incentive program was designed to provide the named executive officers an opportunity to earn compensation based on the achievement of company-specific performance goals and the executive's achievement of individual performance goals.

The performance measures and weightings established by our Compensation Committee for 2018 under our cash incentive compensation program are set forth below. When determining the AFFO metric the Compensation Committee took into consideration the challenging operating environment, including escalating labor costs, property tax increases and disruptions from hotel renovations along with difficult year-over-year comparisons in certain markets and the Company's transaction activity during the year which reduced the number of hotel rooms in the portfolio available for sale. When determining the RevPAR Growth metric the Compensation Committee took into consideration a challenging operating environment, including disruption from hotel renovations, continued competition from new supply and difficult year-over-year comparisons in certain markets.

Corporate Performance Measure	Weight	Threshold	Target	Maximum	Actual Company/Individual Results
2018 AFFO per share	60%	\$1.30	\$1.38	\$1.42	\$1.35
2018 RevPAR Growth (same store)	20%	(1.00)%	1.00%	2.00%	(0.20)%
Individual Performance	20%	Specific for each individual	Specific for each individual	Specific for each individual	*

*The amount earned, if any, under the Individual Performance component was determined by the Compensation Committee, in its sole discretion, based on the Compensation Committee's evaluation of the executive's performance against quantitative and qualitative objectives set forth at the beginning of the year, as well as assessment of the individual's contributions to the Company during 2018. In determining whether the Individual Performance component had been earned, the Compensation Committee did not rely on any one particular objective or formula but rather on a holistic evaluation of the individual's performance. No executive officer was guaranteed an award under the Individual Performance component. Payouts under the Individual Performance component could range

from 15% of base salary to 60% of base salary for Mr. Hansen; 10% of base salary to 40% of base salary for Messrs. Aniszewski, Stanner and Eng; and 7% of base salary to 28% of base salary for Mr. Ruiz.

For purposes of the 2018 annual incentive program, AFFO per share was calculated as our net income or loss as set forth in our audited consolidated financial statements for the year ending December 31, 2018, less preferred dividends and excluding gains (or losses) from sales of property and impairment losses, plus depreciation and amortization (including amortization of deferred financing costs and amortization of franchise application fees), as further adjusted to exclude hotel transaction and pursuit costs, equity based compensation, debt transaction costs, gain (or loss) on derivative instruments and such other items, including nonrecurring expenses, as the Compensation Committee determined appropriate and consistent with the purpose and intent of the incentive awards. A reconciliation of AFFO to our GAAP net income for the year ended December 31, 2018, is set forth in our Annual Report. The 2018 RevPAR component was calculated as a year-over-year comparison of RevPAR for our

TABLE OF CONTENTS

same store hotels (hotels owned for the entire years ended December 31, 2017 and December 31, 2018, excluding assets held for sale).

For the 2018 Individual Performance component of the annual incentive program, the Compensation Committee established individual performance metrics for the named executive officers in the first quarter of 2018. Objectives were personal to each executive and varied based upon the executive's position and responsibilities as they related to the Company's overall business plan. The objectives of each executive are summarized below. Each executive exceeded expectations for individual performance and contributed significantly to advancing our strategic plans in 2018.

Mr. Hansen's objectives primarily involved enhancing the Company's strategic planning process, succession planning and organizational development programs;

Mr. Aniszewski's objectives primarily involved maintaining a RevPAR index of 113%, oversight and further development of our construction department and optimizing our acquisition process to improve accuracy, efficiency and performance;

Mr. Stanner's objectives primarily involved transitioning to the role of Chief Financial Officer, optimizing our acquisition process to improve accuracy, efficiency and performance and providing strategic value creation scenarios;

Mr. Eng's objectives primarily involved improving corporate governance policies, optimization of risk mitigation and optimizing our acquisition process to improve accuracy, efficiency and performance; and

Mr. Ruiz's objectives primarily involved creating a development plan for the accounting and construction departments, developing a plan to increase internal audit breadth and effectiveness and developing an expense management program to control and reduce costs.

The total annual incentive opportunity ranges for 2018, and the actual total cash incentive compensation earned and paid for 2018 performance as a percentage of base salary, were as follows:

Name	2018 Cash Incentive Opportunity (% of Base Salary)			2018 Cash Incentive Earned	2018 Cash Incentive Earned
	Threshold	Target	Maximum	% of Base Salary	\$
Daniel P. Hansen	75%	150%	300%	139%	973,875
Craig J. Aniszewski	50%	100%	200%	93%	417,375
Jonathan P. Stanner	50%	100%	200%	101%	428,188
Christopher R. Eng	50%	100%	200%	99%	345,625
Paul Ruiz	35%	70%	140%	65%	194,775

The following table sets forth the payouts under the AFFO per share component, the RevPAR Growth component and the Individual Performance component that each executive earned in 2018:

Name	AFFO per share Payout (\$)	RevPAR Growth Payout (\$)	Individual Performance Payout (\$)	Total 2018 Cash Incentive Payout (\$)
Daniel P. Hansen	511,875	147,000	315,000	(1) 973,875
Craig J. Aniszewski	219,375	63,000	135,000	(1) 417,375
Jonathan P. Stanner	207,188	59,500	161,500	(1) 428,188
Christopher R. Eng	170,625	49,000	126,000	(1) 345,625
Paul Ruiz	102,375	29,400	63,000	(1) 194,775

In determining the amount paid to executives under the 2018 Individual Performance component, the Compensation Committee considered the stated objectives of each executive and each executive's contribution to the execution of the Company's strategic plan of achieving long-term shareholder value accretion including acquisitions, capital recycling, capital raising and overall balance sheet management.

TABLE OF CONTENTS

Long-Term Incentive Compensation

Long-term equity incentives granted in 2018 consisted of a combination of performance-based and time-based stock awards. The Compensation Committee determined a target total long-term incentive grant value for each named executive officer. For all executives, awards were granted 60% in the form of performance-based stock (at target) and 40% in the form of time-based stock.

Name	Performance-Based Stock Target Value (\$)	Time-Based Stock Value (\$)	Total LTI Grant Value at Target (\$)
Daniel P. Hansen	1,620,000	1,080,000	2,700,000
Craig J. Aniszewski	660,000	440,000	1,100,000
Jonathan P. Stanner	540,000	360,000	900,000
Christopher R. Eng	270,000	180,000	450,000
Paul Ruiz	180,000	120,000	300,000

The Compensation Committee granted these stock awards under the Company's Equity Incentive Plan. The number of shares granted was based on the VWAP of our common stock for the ten trading days preceding the grant date. Note that the grant-date fair values, as reported in the Summary Compensation Table and the Grants of Plan-Based Awards table, differ from the values shown in the table above because the grant-date fair value of each performance-based award is based on a Monte Carlo value and the grant-date fair value of each time-based award is based on the closing share price on the grant date.

Performance-Based Stock Awards

Sixty-percent of each executive's total long-term equity incentive was granted in the form of performance-based shares tied to the Company's relative TSR versus certain companies of the REIT Index with a market capitalization of at least \$100 million as of the grant date ("Index Companies"). The number of shares that may be earned can range from 0 to 200% of the target shares granted, based on our relative TSR percentile rank over the three-year performance period starting March 7, 2018, and ending March 7, 2021, according to the following table:

Company 3-Year TSR Percentile Rank vs. REIT Index Companies	Percent of Target Shares Earned
< 30 th Percentile	0%
30 th Percentile	25 %
55 th Percentile	100 %
≥ 80 th Percentile	200 %

The number of shares earned will be linearly interpolated for performance between the 30th and 55th percentile and for performance between the 55th and 80th percentile. In addition, if the Company's absolute TSR is equal to or greater than 8.5% per year (or 25.5% cumulative over the Performance Period), at least 25% of the performance-based shares will be earned.

The Company has entered into stock award agreements with the above-named executive officers, effective as of March 7, 2018, setting forth the terms and conditions of the performance-based stock awards. Except as described below, no performance-based shares will vest unless the executive remains in the continuous employ of the Company from the date of grant until March 7, 2021. On and after the date of the grant and prior to forfeiture of any of the performance-based shares, the executives will have the right to vote the shares that have been issued (i.e., the target number). Cash dividends on the performance-based shares will be accumulated and will only be paid to the executives to the extent the underlying performance-based share is earned.

If a “change in control” (as defined in the Company’s Equity Incentive Plan), occurs prior to the conclusion of the Performance Period, the performance-based shares will be earned based on the Company’s relative or absolute TSR performance up to the date of the change in control, and any earned shares will be fully vested on the third anniversary of the grant date (the end of the original performance period), subject to acceleration if either (a) the successor entity does not assume or replace the award, or (b) the participant is terminated without cause or is voluntarily terminated for good reason. Under these circumstances, the executives will be entitled to receive any dividend equivalent payments to which they are entitled under the terms of the stock award agreements.

TABLE OF CONTENTS

If an executive's employment is terminated on account of death or disability, termination without cause or voluntary termination for good reason, the performance-based shares may be earned contingent upon the attainment of the relative or absolute TSR performance hurdles at the end of the Performance Period. However, the number of performance-based shares earned by the executive, and the amount of any dividend equivalent payments to which the executive is entitled pursuant to the terms of the stock award agreement, will be adjusted pro rata based on the amount of time the executive was employed by the Company during the Performance Period.

For purposes of the performance-based stock awards, the Company's TSR will be calculated as the total percentage return per share of the Company's common stock calculated in accordance with the methods used by SNL Financial to calculate TSR. The TSR for the Index Companies will be calculated in the same manner.

Performance-Based Stock Awards Vesting

Based on our 3-year TSR beginning on March 8, 2016 and ending March 8, 2019, certain previously granted performance-based restricted stock awards were earned at 35% of the previously established target level of shares for each executive. See Footnote (3) under "Outstanding Equity Awards at Fiscal Year-End".

Time-Based Stock Awards

Forty percent of each executive's total long-term equity incentive was granted in the form of time-based shares under the Company's Equity Incentive Plan. The Company entered into stock award agreements with the executive officers setting forth the terms and conditions of the time-based stock awards. The stock award agreements provide for vesting over a three-year period as follows: 25% of shares will vest on March 9, 2019; 25% of the shares will vest on March 9, 2020; and 50% of the shares will vest on March 9, 2021.

Except as described below, no time-based shares will vest unless the executive remains in the continuous employ of the Company from the date of grant until the applicable vesting date. If a "change in control" (as defined in the Company's Equity Incentive Plan) occurs prior to vesting and if the successor entity does not assume or replace the time-based shares, they will vest on a "control change date", as defined in the Equity Incentive Plan, if the executive remains in the continuous employ of the Company from the date of grant until the control change date. In addition, all of the time-based shares (if not sooner vested), will vest on the date that the executive's employment with the Company ends on account of the executive's death or disability, or if the executive's employment is terminated without cause, or if the executive resigns for good reason.

Any time-based shares that have not vested as described above may not be transferred and will be forfeited on the date the executive's employment with the Company terminates. On and after the date of grant and prior to forfeiture of any time-based shares, the executive will have the right to vote the time-based shares and to receive, free of all restrictions, all dividends declared and paid on the Company's common stock, whether or not vested.

Other Benefits; 401(k) Plan

We provide benefits such as medical, dental and life insurance and disability coverage for all of our employees, including our named executive officers. We also provide personal paid time off and other paid holidays to all employees, including the named executive officers. We believe that our employee benefit plans are an appropriate element of compensation and are necessary to attract and retain employees.

We maintain a retirement savings plan under section 401(k) of the Internal Revenue Code to cover our eligible employees. We currently match 100% of each eligible participant's contributions, within prescribed limits, up to 3% of such participant's base salary and 50% of each eligible participant's contributions up to an additional 2% of the participant's base salary. In 2018, Messrs. Hansen, Aniszewski, Stanner, Eng and Ruiz each received \$11,000 in matching contributions.

TABLE OF CONTENTS

Employment Agreements

To specify our expectations with regard to our executive officers' duties and responsibilities, and to provide greater certainty with regard to the amounts payable to our executive officers in connection with certain terminations or change in control events, the Board has approved and we have entered into employment agreements with each of our executive officers. We believe that the terms of the employment agreements provide these executives with day-to-day employment stability, and enable them to properly focus their attention on their duties and responsibilities with the company, thereby promoting productivity.

Tax Deductibility of Executive Compensation

The Compensation Committee considers the anticipated tax treatment to the Company and the executive officers in its review and establishment of compensation programs and payments. The deductibility of some types of incentive compensation payments can depend upon the timing of the executive's vesting or exercise of previously granted rights. Interpretations of and changes in applicable tax laws and regulations, as well as other factors beyond the committee's control, also can affect deductibility of compensation. The Compensation Committee's general policy is to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals. Accordingly, the compensation committee has not adopted a policy that all compensation must be deductible.

Accounting Standards

ASC 718 requires us to recognize an expense for the fair value of equity-based compensation awards. Grants of equity awards under our Equity Incentive Plan will be accounted for under ASC 718. The Compensation Committee will regularly consider the accounting implications of significant compensation decisions, especially in connection with decisions that relate to our equity plans and programs. As accounting standards change, we may revise certain programs to appropriately align accounting expenses of our equity awards with our overall executive compensation philosophy and objectives.

Risk Considerations in our Executive Compensation Program

The Compensation Committee has assessed our compensation program for the purpose of reviewing and considering any risks presented by our compensation policies and practices that are likely to have a material adverse effect on us. As part of that assessment, management reviewed the primary elements of our compensation program, including base salary, annual bonus opportunities, equity compensation and severance arrangements. Management's risk assessment included a review of the overall design of each primary element of our compensation program, and an analysis of the various design features, controls and approval rights in place with respect to compensation paid to management, and other employees, that mitigate potential risks to us that could arise from our compensation program. Following the assessment, the Compensation Committee determined that our compensation policies and practices did not create risks that were reasonably likely to have a material adverse effect on the Company.
