IT WAS A VINTAGE YEAR CONSOLIDATED TOMOKA 1 2018 ANNUAL MEETING PRESENTATION April 25, 2018

FORWARD LOOKING STATEMENTS CONSOLIDATED TOMOKA If we refer to “we,” “us,” “our,” or “the Company,” we mean Consolidated-Tomoka Land Co. and its consolidated subsidiaries. Certain statements contained in this presentation (other than statements of historical fact) are forward-looking statements. Words such as “believe,” “estimate,” “expect,” “intend,” “anticipate,” “will,” “could,” “may,” “should,” “plan,” “potential,” “predict,” “forecast,” “proj” expressions and variations thereof identify certain of such forward-looking statements, which speak only as of the dates on which they were made. Although forward-looking statements are made based upon management’s expectations and beliefs concerning future Company actions and developments and their potential effect upon the Company, a number of factors could cause the Company’s actual results to differ materially from those set forth in the forward-looking statements. Such factors may include uncertainties associated with the closing of pending land transactions or other dispositions of assets, including the likelihood, timing, and final transaction terms thereof, the estimate of the cost of completing improvements affiliated with certain investments, the impact of permitting or other transactional activities on the total estimated gain for land sales, as well as the timing of the recognition of such gains, our ability to obtain necessary governmental approvals for our land transactions or to satisfy other closing conditions, the risks associated with development activities including potential tax ramifications, the ability to execute share repurchase transactions, the completion of 1031 transactions, the ability for the Company to convert to a real estate investment trust, the costs of improvements for the Golf Operations assets, the ability to achieve certain leasing activity including the timing and terms thereof, as well as the uncertainties and risk factors discussed in our Annual Report on Form 10-K for the fiscal year ended December 31, 2017, filed with the Securities and Exchange Commission. There can be no assurance that future developments will be in accordance with management’s expectations or that the effect of future developments on the Company will be those anticipated by management. 2

END NOTES CONSOLIDATED TOMOKA 28 IMPORTANT ADDITIONAL INFORMATION AND WHERE TO FIND IT The Company, its directors and certain of its executive officers may be deemed to be participants in the solicitation of proxies from the Company's shareholders in connection with the matters to be considered at the Company's 2018 annual meeting of shareholders to be held on April 25, 2018. On March 12, 2018, the Company filed a definitive proxy statement (the "Proxy Statement") with the U.S. Securities and Exchange Commission (the "SEC") in connection with the solicitation of proxies from the Company's shareholders for the 2018 annual meeting. INVESTORS AND SHAREHOLDERS ARE STRONGLY ENCOURAGED TO READ THE PROXY STATEMENT AND ACCOMPANYING WHITE PROXY CARD WITH RESPECT TO THE 2018 ANNUAL MEETING, AND OTHER DOCUMENTS FILED WITH THE SEC, CAREFULLY AND IN THEIR ENTIRETY AS THEY WILL CONTAIN IMPORTANT INFORMATION. Shareholders may obtain the Proxy Statement, any amendments or supplements to the Proxy Statement and other documents filed by the Company with the SEC for no charge at the SEC's website at www.sec.gov. Copies will also be available at no charge at the Investor Relations section of our corporate website at www.ctlc.com. Footnotes for Slide #8 The amount for the Mitigation Bank transaction represents the buyer's acquisition of approximately 70% of a to-be-formed joint venture that would own the Mitigation Bank, with the Company retaining 30%. Land sales transaction that requires the Company to incur the cost to provide the mitigation credits necessary for obtaining the applicable regulatory permits for the buyer, with such costs representing either our basis in credits that we own or the incurrence of costs to acquire the credits potentially equaling 5%-10% of the contract amount noted. The acres and amount include the buyer's option to acquire 19 acres for approximately \$2.0 million, in addition to the base contract of 26 acres for approximately \$3.2 million The acres and amount include the buyer's option to acquire 71 acres for approximately \$574,000, in addition to the base contract of 129 acres for approximately \$2.75 million Includes, pursuant to the contract, reimbursement of infrastructure costs incurred by CTO plus interest through December 31, 2017. End Notes references utilized in this presentation Certain transactions require the Company to incur the cost to provide mitigation credits necessary for applicable regulatory permits for the buyer. There can be no assurances regarding the value ultimately received for the Company's assets, or in the case of the transactions under contract, the likelihood that such transactions will close or the timing or final terms thereof, and any potential impact on the Company's stock price. There can be no assurances regarding the likelihood or timing of future execution of the Company's share repurchase program. Net operating income ("NOI") relates to our Income Property Operations segment and is calculated based on our current portfolio as of April 13, 2018 reflecting: (i) expected estimated annualized rents and costs as of and for the twelve months ended December 31, 2018; (ii) excluding non-cash items including straight-line rent and amortization of lease intangibles and depreciation; plus (iii) annual revenue from billboard leases. As of the date of this presentation, the Company meets the required coverage ratio in the Credit Facility for repurchases of stock and anticipates, subject to customary restrictions on share repurchases, to be able to continue to make repurchases. Debt amount includes the face value of the Convertible Notes as of March 31, 2018. There can be no assurance that the cap rate range used to value the income property portfolio in the Q1 2018 investor presentation is the proper range for the Company's portfolio of income properties or that such cap rate range would equate to an appropriate valuation range that the Company might achieve should the income property portfolio be sold as a portfolio, individually, or as part of more than one smaller portfolios comprising the entirety of the Company's portfolio. Dividends are set by the Board of Directors and declared on a quarterly basis, there can be no assurances as to the likelihood or amount of dividends in the future. There can be no assurances regarding the amount of our total investment or the timing of such investment. There can be no assurances regarding the likelihood of achieving the potential net operating cash flow There can be no assurances regarding the likelihood or timing of achieving the potential stabilized yield or targeted investment yield for the investments.
