Item 1.01 Entry into a Material Definitive Agreement.

Avis Budget Group, Inc. (the “Company”) entered into a purchase agreement on November 20, 2013 with respect to the sale by its wholly-owned subsidiary, Avis Budget Car Rental, LLC (“ABCR”), of \$250 million aggregate principal amount of floating-rate senior notes due 2017 at an issue price of 98.75% (the “Notes”).

The Notes will be issued in a private offering that is exempt from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”), to qualified institutional buyers in accordance with Rule 144A and to persons outside of the United States pursuant to Regulation S under the Securities Act. The Notes will be senior unsecured obligations of ABCR and will be guaranteed on a senior basis by the Company and certain of its domestic subsidiaries. The offering is subject to customary closing conditions.

The purchase agreement contains customary representations, warranties and agreements by the Company. In addition, the Company has agreed to indemnify the initial purchaser against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the initial purchaser may be required to make in respect of those liabilities. Furthermore, the Company has agreed with the initial purchaser not to offer or sell any debt securities issued or guaranteed by the Company for a period of 90 days after the date of the purchase agreement without the prior written consent of the initial purchaser. Subject to customary closing conditions, the sale of the Notes is expected to close on or about November 25, 2013.

The Company intends to use the proceeds from this offering to redeem \$150 million of its outstanding floating rate senior notes due 2014, to redeem \$46 million of its outstanding floating rate term loan due 2016 under its senior credit facility, to pay fees in connection with the offering of the Notes and other related expenses, and for general corporate purposes, which may include purchases of additional notes or other indebtedness.

The initial offering of the Notes and the related guarantees will not be registered under the Securities Act and the Notes and the related guarantees may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. This current report on Form 8-K is neither an offer to sell nor a solicitation of an offer to buy the Notes or any other securities and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offering, solicitation or sale would be unlawful.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the complete terms of the purchase agreement, a copy of which is filed as Exhibit 10.1 hereto and which is incorporated herein by reference.
