Annual Meeting of Shareholders to be held at the Lakeway Inn Conference Resort, located at 101 Lakeway Drive, Austin, Texas 78734, on Monday, June 7, 2004 at 8:30 a.m., Austin, Texas time, and any adjournment(s) thereof. This solicitation may be made in person or by mail, telephone, or telecopy by our directors, officers, and employees, who will receive no extra compensation for participating in this solicitation. In addition, we will reimburse banks, brokerage firms, and other fiduciaries for forwarding solicitation materials to the beneficial owners of our common stock held of record by such persons. We will pay the entire cost of this solicitation. We expect to mail this proxy statement and the enclosed form of proxy on or about May 7, 2004.

References in this report to "we", "us", "our", and the "Company" mean American Physicians Service Group, Inc.

### ANNUAL REPORT

Enclosed is our Annual Report to Shareholders for the year ended December 31, 2003, including our audited financial statements. The Annual Report to Shareholders does not form any part of the material for the solicitation of proxies.

### OUTSTANDING COMMON STOCK

Only shareholders of record at the close of business on April 21, 2004 are entitled to notice of, and to vote at, the meeting and any adjournment(s) thereof. At April 21, 2004, we had outstanding and entitled to vote 2,504,467 shares of our common stock.

### QUORUM; VOTING

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum at the meeting. Abstentions and "broker non-votes" (i.e., shares held by brokers or nominees that are represented at the meeting but with respect to which they have no discretionary power to vote on a particular matter and have received no instructions from the beneficial owners thereof or persons entitled to vote thereon) will be counted in determining whether a quorum is present at the meeting. If a quorum is not present or represented at the meeting, the shareholders entitled to vote thereat, present in person or represented by proxy, have the power to adjourn the meeting from time to time, without notice other than an announcement at the meeting, until a quorum is present or represented. At any such adjourned meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the meeting as originally notified.

1

On all matters (including election of directors) submitted to a vote of the shareholders at the meeting or any adjournment(s) thereof, each holder of our common stock will be entitled to one vote for each share of our common stock owned of record by such shareholder at the close of business on April 21, 2004. Cumulative voting is not permitted in the election of our directors.

Proxies in the accompanying form which are properly executed and returned and that are not revoked will be voted at the meeting and any adjournment(s) thereof and will be voted in accordance with the instructions thereon. Any proxy upon which no instructions have been indicated with respect to a specified matter will be voted according to the recommendations of our board of directors, which are contained in this proxy statement. Our board of directors knows of no matters, other than those presented in this proxy

## Edgar Filing: AMERICAN PHYSICIANS SERVICE GROUP INC - Form DEF 14A

statement, to be presented for consideration at the meeting. If, however, other matters properly come before the meeting or any adjournment(s) thereof, the persons named in the accompanying proxy will vote such proxy in accordance with their judgment on any such matters. The persons named in the accompanying proxy may also, if they believe it advisable, vote such proxy to adjourn the meeting from time to time.

Each matter submitted to the shareholders requires the affirmative vote of a majority of the shares entitled to vote and present in person or by proxy. If you abstain from voting on a proposal, your abstention will have the effect of a negative vote on such proposal. Broker non-votes will have the effect of a negative vote on any proposal.

### REVOCATION OF PROXY

You have the power to revoke your proxy at any time before the shares it represents are voted. A revocation will be effective upon receipt, at any time before the meeting is called to order, by our Secretary of either (a) an instrument revoking your proxy or (b) a proxy duly executed by you bearing a later date than the preceding proxy. Additionally, you may change or revoke a previously executed proxy by voting in person at the meeting.

### PROPOSAL NO. 1 ELECTION OF DIRECTORS

All nominees will be elected to hold office until our next annual meeting of shareholders and until his or her successor is duly elected and qualified, or until his or her earlier death, resignation or removal.

Should any nominee for director become unwilling or unable to accept nomination or election, the proxies will be voted for the election, in his or her stead, of such other persons as our board of directors may recommend or our board of directors may reduce the number of directors to be elected. We have no reason to believe that any nominee named above will be unwilling or unable to serve.

### CERTAIN ADDITIONAL INFORMATION CONCERNING OUR BOARD OF DIRECTORS

## Edgar Filing: AMERICAN PHYSICIANS SERVICE GROUP INC - Form DEF 14A

No family relationships exist among our officers or directors. Except as indicated above with respect to Prime and FIC, no director is a director of any company with a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, or subject to the requirements of Section 15(d) of the Exchange Act or any company registered as an investment company under the Investment Company Act of 1940.

Our board of directors held nine meetings during 2003, and each director attended at least 75% of (a) the total number of our board meetings held during 2003 (or, if shorter, during the period he or she served as a director) and (b) the total number of meetings held by all committees of the board on which he or she served during 2003 (or, if shorter, during the period he or she served as a director). It is the policy of the Board of Directors to hold an executive session without the presence of management at each Board meeting.

### BOARD COMMITTEES; CORPORATE GOVERNANCE

#### BOARD MEETINGS

In regard to directors' attendance at annual shareholders meetings, although we do not have a formal policy regarding such attendance, our board of directors encourages all board members to attend such meetings, but such attendance is not mandatory. All of our board members attended the 2003 annual shareholders meeting. In addition, our board of directors holds its regular annual meeting immediately following the annual shareholders meeting.

4

#### AUDIT COMMITTEE

Our board of directors has an audit committee that, during 2003, consisted of three directors. Mr. Myer served on the committee along with former director Mr. Brad Hummel, who resigned in October 2003. Mr. Majors and Ms. Williams served on the committee upon being appointed to the Board of Directors in March 2003 and December 2003, respectively. The chairperson of the committee is Ms. Williams. Our board has determined that the committee members are "independent" as defined in Rule 4200(a)(15) of the Nasdaq listing standards. In addition, our board has determined that the committee members meet the independence standards set forth in Rule 10A-3(b)(1) of the Exchange Act. Our board has further determined that Ms. Williams is an "audit committee financial expert" as such term is defined in Item 401(e) of Regulation S-B promulgated by the SEC. The audit committee held six meetings during 2003. Mr. Myer was unable to attend one meeting. The audit committee meets with our independent auditors, reviews our financial statements, and selects our independent auditors for each fiscal year.

The audit committee's policy is to pre-approve all audit and permissible non-audit services provided by our independent auditors. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The audit committee has delegated pre-approval authority to Ms. Williams, the chairperson of the audit committee, when expedition of services is necessary.

#### COMPENSATION COMMITTEE

Our board has a compensation committee, which in 2003 was expanded from two to three directors. Mr. Myer and Mr. Searles were joined by Ms. Williams upon

## Edgar Filing: AMERICAN PHYSICIANS SERVICE GROUP INC - Form DEF 14A

her appointment to the board. Mr. Majors succeeded Mr. Searles and the committee now consists of Mr. Majors, Mr. Myer and Ms. Williams, all of whom are "independent" directors as defined in Rule 4200(a)(15) of the Nasdaq listing standards. The chairperson of the committee is Mr. Majors. The compensation committee held four meetings during 2003. The compensation committee recommends to the board the compensation of our executive officers and directors.

### NOMINATING COMMITTEE

Our board of directors has a nominating committee that assists the board in identifying qualified individuals to become directors. During 2003 the committee consisted of two members, Mr. Majors and Mr. Myer. Both are "independent" directors as defined in Rule 4200(a)(15) of the Nasdaq listing standards. The chairperson of the committee is Mr. Majors. The nominating committee held one meeting in 2003.

The nominating committee identifies nominees by first evaluating the current members of the board who are willing to continue in service. Current members of the board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the board with that of obtaining a new perspective. If any member of the board does not wish to continue in service or if the nominating committee decides not to recommend a member for re-election, the nominating committee will identify the desired skills and experience of a new nominee in light of the

5

criteria below. Research may be performed to identify qualified individuals. To date, the nominating committee has not engaged third parties to identify or evaluate or assist in identifying potential nominees, although it may do so in the future if it considers doing so necessary or desirable. Ms. Williams, who has not previously stood for election, was recommended by our chairman of the board and chief executive officer to fill a vacancy in December 2003.

The consideration of any candidate for service on our board is based on the nominating committee's assessment of the candidate's professional and personal experiences and expertise relevant to our operations and goals. The committee evaluates each candidate on his or her ability to devote sufficient time to board activities to effectively carry out the work of the board. The ability to contribute positively to the existing collaborative culture among board members is also considered by the committee. In addition, the committee considers the composition of the board as a whole; the status of the nominee as "independent" under the Nasdaq's listing standards and the rules and regulations of the SEC; and the nominee's experience with accounting rules and practices. Other than the foregoing, there are no stated minimum criteria for director nominees, although the nominating committee may also consider such other factors as it may deem are in our and our shareholders' best interests.

After completing its evaluation, the nominating committee makes a recommendation to the full board of directors as to the persons who should be nominated by the board, and the board determines the nominees after considering the recommendation and report of the nominating committee.

The nominating committee will consider director candidates recommended by our shareholders. The nominating committee does not have a formal policy on shareholder nominees, but intends to assess them in the same manner as other nominees, as described above. To recommend a prospective nominee for the nominating committee's consideration, shareholders should submit in writing the candidate's name and qualifications, and otherwise comply with our bylaws'

### EMPLOYMENT AGREEMENTS

We have entered into employment agreements with Mr. Shifrin and Mr. Hayes. Each of these agreements provides for the payment of a base salary, eligibility for performance bonuses as determined by our board of directors, and such other benefits as are available to our other salaried employees. Mr. Shifrin's agreement provides for a monthly salary, currently \$25,000, and terminates April 1, 2007. Mr. Hayes' agreement provides for a monthly salary, currently \$11,666, and terminates April 1, 2005. Each of the agreements entitles the employee to receive lump-sum payments in the event the agreements are terminated by us without cause or by the employee following a "change in control" of us, as defined in the agreements. These payments are calculated as the greater of (a) for Mr. Shifrin, five times, and for Mr. Hayes, three times, their respective average annual cash compensation earned for the past five years, or (b) the total cash compensation that would otherwise have been payable to them throughout the remainder of the term of their employment agreements assuming their current compensation, including the amount of any bonuses for the immediately preceding calendar year, would have remained the same throughout the remainder of the term of their employment agreements.

### INDEMNITY AGREEMENTS

We have entered into indemnity agreements with our directors and certain of our officers. The agreements generally provide that, to the extent permitted by law, we must indemnify each such person for judgements, expenses, fines, penalties and amounts paid in settlement of claims that result from the fact that such person was our officer, director or employee. In addition, our articles of incorporation and certain of our subsidiaries' articles of incorporation provide for certain indemnifications and limitations on director liability.

REPORT OF THE COMPENSATION COMMITTEE  
OF THE BOARD OF DIRECTORS

The Company is engaged in several highly competitive industries. For the Company to succeed, the Company believes that it must be able to attract and retain qualified executives. To achieve this objective, we have structured an executive compensation policy tied to operating performance that we believe has enabled the Company to attract and retain key executives.

During 2003, up to December 4, 2003, the Compensation Committee was comprised of Messrs. Myer and Searles, and from December 4, 2003 until December 19, 2003, the Compensation Committee was comprised of Mr. Myer, Mr. Searles and Ms. Williams. Since December 19, 2003, the committee has been comprised of Mr. Majors, chairman, Mr. Myer and Ms. Williams. Mr. Myer, Mr. Majors and Ms. Williams are all independent non-employee directors. The Compensation Committee had primary responsibility for determining executive compensation levels. The board of directors as a whole maintains a philosophy that a significant component of both annual and long-term compensation of executive officers, including that of the Chief Executive Officer, should be linked to measurable performance. A portion of the management compensation has been comprised of bonuses, based on operating and stock price performance, with a particular emphasis on the attainment of planned objectives. Accordingly, in years in which performance goals are achieved or exceeded, executive compensation tends to be higher than in years in which performance is below expectations. Stock options are granted from time to time to members of management, based primarily on such person's potential contribution to the Company's long-term growth and profitability. The Committee feels that options are an effective incentive to create value for shareholders since the value of an option bears a direct relationship to our stock price. The Committee further recognizes that long-term performance is becoming an increasingly more important component of overall executive compensation.

For 2003, our executive compensation program, including that of the Chief Executive Officer, consisted of base salary, a cash bonus and deferred compensation based on current year performance and long-term stock option awards, all of which relate to the achievement of specific current and long-term goals. Specifically, the cash bonus and deferred compensation paid to the executives of our subsidiaries was based upon achieving, among other things, a targeted pretax income. The Chief Executive Officer was paid a bonus for 2003 based upon achieving specific operating income, cash flow and stock price thresholds, and implementing short and long-term initiatives for improving the Company's return on investment.

One of the Company's primary objectives is financial performance that

## Edgar Filing: AMERICAN PHYSICIANS SERVICE GROUP INC - Form DEF 14A

achieves several long-term goals, including earnings-per-share growth, revenue growth, stock price growth and a proper diversification of business risks. The Committee believes that its compensation policy promotes those objectives and that compensation levels during 2003 adequately reflect the Company's compensation goals and policies.

- o reviews the activities and independence of the independent auditors;
- o reviews and discusses the audited financial statements with management and the independent auditors and the results of the audit; and
- o appoints independent auditors.

The Audit Committee is responsible for hiring, terminating and compensating the auditor and approving all related fees. The Audit Committee or a designated member thereof, pre-approves audit and non-audit services rendered by its independent auditors. If pre-approval authority is delegated, the delegate must report back to the Audit Committee at the first Audit Committee meeting following any approval.

It is the responsibility of our executive management to prepare financial statements in accordance with accounting principles generally accepted in the United States of America and of our independent auditors to audit those financial statements.

In this context, the Committee has reviewed and held discussions with management and the independent auditors regarding the Company's 2003 financial statements. Management represented to the Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards).

In addition, the Committee has discussed with the independent auditors the auditor's independence from the Company and management and has received the written disclosure and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit

14

Committees). Further, the Committee has considered whether the provision of non-audit services by the independent auditors is compatible with maintaining the auditor's independence.

The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of our internal controls, and the overall quality of our financial reporting.

Based on the reviews and discussions referred to above, the Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2003, for filing with the Securities and Exchange Commission. The Audit Committee considered the independent auditors' provision of non-audit services in 2003 and determined that the provision of those services is compatible with and does not impair the auditors' independence.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

#### UNCOMMON CARE

On January 1, 1998 we invested in the preferred stock of Uncommon Care, Inc., a developer and operator of specialized care facilities for individuals with Alzheimer's disease. Certain of our officers, directors and employees also invested in the common stock of Uncommon Care, paying the same price per share for their investment as we did. The initial ownership of Mr. Hayes, Mr. Myer, Mr. Searles and Mr. Shifrin was 2.3% in the aggregate.

At the same time, these officers, directors and employees also participated in a \$2.4 million secured line of credit to Uncommon Care, with each individual participant funding their pro rata portion of the line of credit. We subsequently extended two unsecured lines of credit totaling an additional \$2.45 million to Uncommon Care. Beginning July 1, 2001, we agreed to take payments on the lines of credit in-kind, receiving Uncommon Care common stock in place of cash. The officers, directors and employees who participated in the line of credit did not participate in the in-kind program. Uncommon Care defaulted on all of these loans in 2002. At March 31, 2003, the preferred shares

of Uncommon Care we held, assuming conversions, plus our common shares of Uncommon Care earned in-kind, amounted to approximately 42% of the total voting power of Uncommon Care. In November 2004 we sold all of our stock in Uncommon Care for a nominal amount and wrote off the loans.

### ASSET MANAGEMENT

In May 1998, we formed APS Asset Management, Inc., or Asset Management, of which we initially owned 95%. Asset Management was organized to manage fixed income and equity assets for institutional and individual clients on a fee basis. Certain of our officers, directors and employees also invested in Asset Management, paying the same price per share as we did. Their investments are as follows:

Name ----	Title -----	Initial Ownership % -----
George S. Conwill	President of Investment Services	1%
William A. Searles	Director and Chairman of Investment Services	1%

### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, or the Exchange Act, requires our directors and officers, and persons who own more than 10% of a registered class of our equity securities, to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission, or the SEC, and the NASDAQ Smallcap Market. Such persons are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based solely on review of the copies of such forms received by us with respect to 2003, or written representations from certain reporting persons, we believe that all filing requirements applicable to our directors and officers and persons who own more than 10% of a registered class of our equity securities have been complied with except for Mr. Myer who reported on Form 5 two transactions that were not timely filed on Form 4.

### SHAREHOLDER PROPOSALS

Any of our shareholders meeting certain minimum stock ownership and holding period requirements may present a proposal to be included in our proxy statement for action at the annual meeting of shareholders to be held in 2005 pursuant to Rule 14a-8 of the Exchange Act. Such shareholder must deliver such proposal to our principal executive offices no later than January 5, 2005, unless we notify the shareholders otherwise. Only those proposals that are appropriate for shareholder action and otherwise meet the requirements of Rule 14a-8 of the Exchange Act may be included in our proxy statement.

A shareholder who otherwise intends to present business, other than for the nomination of a person for election to our board of directors, at our 2005 annual meeting of shareholders must comply with the requirements set forth in our bylaws, which require, among other things, that to bring business before our 2005 annual meeting, a shareholder must give written notice that complies with our bylaws to our Secretary at our principal executive offices. A shareholder's notice shall be timely if received by our Secretary no later than 30 days

## Edgar Filing: AMERICAN PHYSICIANS SERVICE GROUP INC - Form DEF 14A

before, and no earlier than 50 days before, the 2005 annual meeting, provided, however, if we give less than 40 days notice of the date of the 2005 annual meeting, a shareholder's notice shall be timely if received by our Secretary not later than the close of business on the 7th day following the day on which we mail our proxy statement for the 2005 annual meeting.

A shareholder who intends to nominate a person for election to our board of directors at the 2005 annual meeting must give written notice that complies with our bylaws to our Secretary at our principal executive offices no later than 90 days before the date of our 2005 annual meeting.

19

As a result, a notice of a shareholder proposal for the 2005 annual meeting, submitted other than pursuant to Rule 14a-8, will be untimely if not received by us within the time deadlines required by our bylaws as described above. As to any such proposals, the proxies named in management's proxy for that meeting will be entitled to exercise their discretionary authority on that proposal unless we receive notice of the matter to be proposed within the time deadlines required by our bylaws as described above. Even if proper notice is received on a timely basis, the proxies named in management's proxy for that meeting may nevertheless exercise their discretionary authority with respect to such matter by advising shareholders of such proposal and how they intend to exercise their discretion to vote on such matter to the extent permitted under Rule 14a-4(c)(2) of the Exchange Act.

### OTHER MATTERS

Our board of directors does not intend to bring any other matters before the meeting and does not know of any matters which will be brought before the meeting by others. However, if any other matters properly come before the meeting, the persons named in the accompanying proxy will vote the proxies in accordance with their judgment on such matters.

By Order of our Board of Directors

W. H. HAYES  
Secretary
