ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD TUESDAY, MAY 17, 2016

PROXY STATEMENT

Information about the Annual Meeting

General

This proxy statement is furnished to the shareholders of Bar Harbor Bankshares (the Company) in connection with the solicitation of proxies on behalf of the Board of Directors (the Board) for use at the Annual Meeting. The Annual Meeting will be held on Tuesday, May 17, 2016, at 11:00 a.m. EDT at the Bar Harbor Club located at 111 West Street in Bar Harbor, Maine. The official *Notice of the Annual Meeting of Shareholders* accompanies this Statement. A *Form of Proxy* for use at the meeting and a return envelope for the proxy are enclosed.

The Notice of Annual Meeting, proxy statement, and proxy card were first mailed to the Company's shareholders on or about April 7, 2016 to solicit proxies for the Annual Meeting.

In absence of specific instructions to the contrary, shares represented by properly executed proxies received by the Company, including unmarked proxies, will be voted **FOR** Proposals 1, 2, and 3. Except for procedural matters incidental to the conduct of the Annual Meeting, the Board does not know of any matters other than those described in the Notice of Annual Meeting of Shareholders that are to come before the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named in the proxy will vote the shares represented by such proxy on such matters as determined by a majority of the Board.

Record Date; Quorum

Only shareholders of record as of March 22, 2016 will be entitled to notice of, to attend, and to vote at, the Annual Meeting. As of the Record Date, 6,010,473 shares of the Company's common stock, \$2.00 par value, were outstanding and entitled to vote at the Annual Meeting. The presence at the Annual Meeting, either in person or by proxy, of the holders of not less than a majority of the shares entitled to vote at any meeting will constitute a quorum. If there is no quorum, the holders of a majority of shares present at the Annual Meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

Voting Rights

Each share is entitled to cast one vote for each matter to be voted on at the Annual Meeting. Cumulative voting is not permitted.

Required Vote

Proposal 1: Election of Directors. Directors are elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present.

Proposal 2: Approval of a Non-binding Advisory Resolution on the Compensation of the Named Executive Officers. The approval of this proposal will require that a majority of votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote be cast **FOR** this proposal.

Proposal 3: Ratification of Appointment of Independent Registered Public Accounting Firm. The approval of this proposal will require that a majority of votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote be cast **FOR** this proposal.

Effect of Broker Non-Votes and Abstentions

A broker non-vote occurs when a broker or other nominee holder, such as a bank, submits a proxy representing shares that another person actually owns, and that person has not provided specific voting instructions to the broker or other nominee holder. Brokers who hold their customers' shares in street name may, under the applicable rules of the exchange and other self-regulatory organizations of which the brokers are members, sign and submit proxies for such shares and may vote such shares on routine matters, which typically include the ratification of the appointment of our independent registered public accounting firm. Proposals 1 and 2 are considered non-routine and Proposal 3 is considered routine.

The inspector of election will treat abstentions and broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Abstentions and broker non-votes, if they occur in connection with Proposals 1, 2 and 3, will not, in the case of Proposals 1, 2 and 3, be counted as votes and will have no effect on the proposals.

Voting Procedures

Voting by Mail. Shareholders can ensure that their shares are voted at the Annual Meeting by completing, signing, dating and mailing the enclosed proxy card in the enclosed, postage prepaid envelope.

Voting by Telephone or the Internet. If you choose to vote by telephone or the Internet, instructions to do so are set forth on the enclosed proxy card. If you vote by telephone or the Internet, you do not have to mail in your proxy card, but your vote must be received by the voting deadline set forth on the proxy card.

Voting in Person. You may attend the Annual Meeting and vote in person.

If your shares are held by a bank, broker, or other nominee, please follow the instructions provided with your proxy materials supplied by your bank or broker.

If you sign the proxy card, but do not make specific choices, the proxy will vote your shares **FOR** Proposals 1, 2 and 3 as set forth in the Notice of Annual Meeting of Shareholders.

If any other matters are properly presented at the Annual Meeting, the proxy will be voted with respect to any such matter by the proxy holders in accordance with the recommendations of the Board. As of the date of this proxy statement, it is not anticipated that any matters will be presented at the Annual Meeting other than those set forth in the accompanying Notice of the Annual Meeting of Shareholders.

Revocability of Proxies

Any shareholder who executes and delivers a proxy has the right to revoke it at any time before it is exercised. Revocation may be made prior to the Annual Meeting by (i) filing a written revocation with our Company Clerk, (ii) entering a new vote over the Internet or by telephone, (iii) by submitting a duly executed proxy card bearing a later date, or (iv) by revoking the proxy personally at the Annual Meeting prior to the voting of the proxy. If your shares are held in street name, you should follow the instructions of your broker, bank or nominee regarding the revocations of proxies.

Your personal attendance at the Annual Meeting does not revoke your proxy. Your last vote, prior to or at the Annual Meeting, is the vote that will be counted.

Solicitation of Proxies

Proxies are being solicited by the Board principally through the mail. The Board and management of the Company may also solicit proxies personally, or by telephone, e-mail, or facsimile transmission. The Company will bear the cost of soliciting proxies from its shareholders. In addition to using the mail, proxies may be solicited by personal interview, telephone, and electronic communication. The Company requests that bank, brokerage houses, other institutions, nominees, and fiduciaries forward their proxy soliciting material to their principals and obtain authorization for the execution of proxies. Officers and other employees of the Company and its wholly owned bank subsidiary, Bar Harbor Bank & Trust (BHBT), acting on the Company's behalf may solicit proxies personally. The Company may pay compensation for soliciting proxies, and will, upon request pay the standard charges and expenses of banks, brokerage houses, other institutions, nominees and fiduciaries for forwarding proxy materials to and obtaining proxies from their principals. In addition, the Company has engaged Alliance Advisors to assist in the solicitation of the proxies for a fee of \$6,000 plus reimbursement of customary expenses. The entire expense of solicitation which include the costs of preparing, assembling, and mailing the proxy materials will be borne by the Company.

Obtaining an Annual Report on Form 10-K

The Company will provide without charge upon the written request of any shareholder a copy of the proxy statement and our Annual Report on Form 10-K, including the financial statements and the financial statement schedules, required to be filed with the Securities and Exchange Commission (the SEC) for the fiscal year ended December 31, 2015. Requests should be directed to Bar Harbor Bankshares, Attn: Shareholder Relations, 82 Main Street, Bar Harbor, Maine 04609.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders to be Held on May 17, 2016

This proxy statement, along with the our Annual Report on Form 10-K for the fiscal year ended December 31, 2015 and our 2015 Summary Annual Report are available free of charge on the Shareholder Relations section of our website www.bhbt.com.

PROPOSAL 1

ELECTION OF DIRECTORS

At the Annual Meeting of Shareholders, 11 director-nominees will stand for election to serve until the 2017 Annual Meeting of Shareholders and until each director's successor is elected and qualified. Each director-nominee has consented to serve, and to the use of his or her name in this proxy statement. Ten of the eleven director-nominees currently serve on the Board with the exception of David M. Colter, who is a new director nominee this year. Messrs. Dodge and Colwell, directors of the Company since 1987 and 1991, respectively, will not stand for re-election this year pursuant to the age restriction contained in our Bylaws.

The Board has determined that all but one of the director-nominees are independent directors in accordance with applicable laws, regulations, and NYSE MKT LLC (formerly the American Stock Exchange or AMEX and hereinafter NYSE MKT) listing requirements. The exception is director-nominee Curtis C. Simard who currently serves as President and Chief Executive Officer (CEO) of the Company. Mr. Simard is not a member of the Audit, Compensation, or Governance Committees.

For additional information on each nominee, please see the section entitled "Directors and Executive Officers" located elsewhere in this proxy statement.

Vote Required

Directors will be elected by a plurality of the votes cast at the Annual Meeting by the holders of shares present or represented by proxy and entitled to vote on the election of directors. Plurality means that the individuals who receive the largest number of **FOR** votes will be elected as directors. If you do not vote for a nominee, or you indicate **WITHHOLD** for any nominee on your proxy card, your vote will not count **FOR** or **AGAINST** the nominee. You may not vote your shares cumulatively in the election of directors. Brokers do not have discretionary authority to vote shares on this proposal without direction from the beneficial owner. Therefore, broker non-votes will have no effect on the vote.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE ELECTION OF THE ELEVEN PERSONS NOMINATED AS DIRECTORS IN THE PROXY.

PROPOSAL 2

**NON-BINDING, ADVISORY RESOLUTION ON THE COMPENSATION
OF OUR NAMED EXECUTIVE OFFICERS**

The Securities Exchange Act of 1934, as amended, (the Exchange Act) requires us to provide shareholders an opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers, referred to as NEOs, as disclosed in this proxy statement. This vote does not address any specific item of compensation, but rather the overall compensation of our NEOs and our compensation philosophy, policies and practices, as disclosed in this proxy statement. Shareholders requested through their 2011 vote to have the opportunity to express their opinion on the overall compensation program through this non-binding voting mechanism on an annual basis.

The Company s NEOs in this proxy statement are Curtis C. Simard, Gerald Shencavitz, Richard B. Maltz, Gregory W. Dalton and Stephen M. Leackfeldt. The compensation of our NEOs is disclosed in the Compensation Discussion and Analysis section, the summary compensation table and the other related tables and narrative disclosure contained elsewhere in this proxy statement. As discussed in those disclosures, the Board believes that our executive compensation philosophy, policies, and procedures provide a strong link between each NEO s compensation and our short- and long-term performance. The objective of our executive compensation program is to provide compensation which is competitive based on our performance and aligned with the long-term interests of our shareholders.

We are asking our shareholders to indicate their support of our NEOs compensation as described in this proxy statement. This proposal will be presented at the Annual Meeting as a resolution in substantially the following form:

RESOLVED, on an advisory basis, that the compensation paid to the Company s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis section, compensation tables and narrative discussion, is hereby APPROVED.

Vote Required

The approval of the non-binding, advisory resolution on the compensation of our NEOs will require that a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote be cast **FOR** this proposal. In addition, an abstention shall not constitute a vote cast and will have no effect on the vote. Brokers do not have discretionary authority to vote shares on this proposal without direction from the beneficial owner. Therefore, broker non-votes will have no effect on the vote.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THIS PROPOSAL.

PROPOSAL 3

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT

**REGISTERED PUBLIC ACCOUNTING FIRM INFORMATION ON INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed RSM US LLP as the Company's principal independent registered public accounting firm for the fiscal year ending December 31, 2016. We are asking our shareholders to ratify the appointment of RSM US LLP as our independent registered public accounting firm as a matter of good corporate governance. If the Company's shareholders do not ratify the appointment, the Audit Committee will reconsider whether to retain RSM US LLP. Even if the appointment is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines such a change would be in the best interest of the Company and its shareholders.

On August 4, 2015, the Audit Committee of the Board of Directors dismissed KPMG, LLP as its independent accountant, and approved the appointment of RSM US LLP (formerly McGladrey LLP) as the Company's independent public accountants.

KPMG was notified of this action on August 4, 2015. The reports of KPMG on the Company's audited consolidated financial statements as of and for the fiscal years ended December 31, 2014 and 2013 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the fiscal years ended December 31, 2014 and 2013, and the interim period preceding the dismissal of KPMG on August 4, 2015, there have been no disagreements between the Company and KPMG on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreement(s), if not resolved to the satisfaction of KPMG, would have caused it to make reference to the subject matter of the disagreement(s) in connection with its prior reports and [(ii) no reportable events as that term is defined in Item 304(a)(1)(v) of Regulation S-K..

The Company provided KPMG with a copy of the above disclosures and requested that KPMG furnish a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the above statements. A copy of KPMG's letter dated August 6, 2015 is filed as Exhibit 16.1 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on August 6, 2015.

In deciding to recommend the engagement of RSM US LLP to the Board of Directors, the Audit Committee reviewed auditor independence and existing commercial relationships with RSM US LLP, and concluded that RSM US LLP had no commercial relationships with the Company that would impair its independence. During the fiscal years ended

December 31, 2014 and 2013, and in the subsequent interim period through August 4, 2015, neither the Company nor anyone acting on its behalf has consulted with RSM US LLP on any matters or events set forth in Item 304(a) (2) of Regulation S-K.

We anticipate that a representative from RSM US LLP will be present and available to respond to questions or make a statement at the Annual Meeting.

Vote Required

The ratification of RSM US LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016 will require that a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote be cast **FOR** this proposal. An abstention shall not constitute a vote cast, and will have no effect on the vote. Broker non-votes, if any, will also have no effect on the vote.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF RSM US LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2016.

Independent Registered Public Accounting Firm Fees and Services

The reports of RSM US LLP and KPMG LLP on the Company's consolidated financial statements as of December 31, 2015 and 2014 and for the three-year period ending on December 31, 2015, and on internal control over financial reporting as of December 31, 2015, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

The following table summarizes KPMG LLP's audit fees for 2014 and through August, 2015. RSM US LLP assumed the responsibilities as the Company's independent registered public accounting firm on August 4, 2015. Their 2015 fees from that date through December 31, 2015 are detailed below:

Service	2015		2014
	RSM	KPMG	KPMG
		(\$)	(\$)
Audit Fees	254,000	220,000	449,500
Audit-Related Fees ¹	--	28,100	27,300
Tax Fees	--	--	--
All Other Fees	--	--	--
TOTAL	254,000	248,100	476,800

1.

These services were related to an employee benefit plan audit.

Pre-Approval Policies and Procedures

The Audit Committee's policies and procedures require the Audit Committee Chair to pre-approve all audits and non-audit services and report such pre-approvals to the Audit Committee at its next regularly scheduled meeting.

No services were rendered for financial information systems design and implementation or internal audit.

The Audit Committee has considered the compatibility of the non-audit services furnished by the Company's auditing firm with the firm's need to be independent.

The Audit Committee pre-approved 100% of the services performed by RSM US LLP and KPMG LLP pursuant to the policies outlined above.

CORPORATE GOVERNANCE

Board of Directors

The Board oversees our business and monitors the performance of our management. In accordance with our corporate governance procedures, the Board does not involve itself in our day-to-day operations. Our executive officers and management oversee the day-to-day operations. Our directors fulfill their duties and responsibilities by attending regular meetings of the Board, which are held on a monthly basis. Our directors also discuss business and other matters with key executives and our principal external advisers (legal counsel, auditors, financial advisors and other consultants).

The Board held a total of 12 regular meetings, one special meeting, and one annual meeting during 2015. Each director attended at least 75% of the total number of board and committee meetings that he or she was eligible to attend.

The Board encourages each director to attend its Annual Meeting. All of the Board's members attended the 2015 Annual Meeting.

Board Independence

Under the NYSE MKT corporate governance standards, set out in the NYSE MKT Company Guide (the NYSE MKT Rules), at least a majority of the Board must be independent directors as defined in Section 803A of the NYSE MKT Rules. According to Section 803A, independent director means a person other than an executive officer or employee of the Company. In addition, to qualify as an independent director, the Board must affirmatively determine that the director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has determined that all the named director-nominees listed in this proxy statement, with the exception of Mr. Simard, meet applicable independence standards under NYSE MKT Rules. Mr. Simard is not a member of the Audit, Compensation, or Governance Committees.

Board Leadership Structure and Risk Oversight:

The leadership structure of the Company is guided by its Governance Committee. The Company's Governance Committee nominates individuals to serve as members of the Company's Board of Directors, including any management directors. All director-nominees of the Company are considered independent directors except for the CEO of the Company. The Chairperson of the Board of Directors, as well as the Vice Chairperson of the Board, are

both independent directors. Management directors do not vote or serve as Chairs of any Board committees. The Governance Committee nominates persons to serve in the Chairperson and Vice Chairperson roles for election by the entire Board of Directors. The independent directors meet in executive session directly after Board meetings periodically to ensure that there is adequate oversight of Company management and to ensure that there is ample time to assess the Company's activities separate from management. The Governance Committee believes this leadership structure is prudent and provides sufficient segregation and independence.

The Board of Directors provides oversight to the management of the Company's risk profile, including but not limited to internal controls over financial reporting, credit risk, interest rate risk, liquidity risk, operational risk, including cyber risk, reputational risk and compliance risk. The Board of Directors monitors and manages these risks through the activities of specialized Board committees and other committees in conjunction with management, internal audit, the independent registered public accounting firm, and other independent advisors. Some of the more significant risks and the Board's oversight of those risks are described below.

The Board manages credit risk through a Director's Loan Committee, which operates at the BHBT level and meets at least monthly. This committee sets loan policy, establishes credit authorities, and approves or ratifies all extensions of credit to borrowers with loan relationships of \$5,000,000 and greater.

This Committee regularly reviews credit trends, delinquencies, non-performing loans, charged-off loans and management's quarterly assessment of the adequacy of the Loan Loss reserve. The committee, in conjunction with the Audit Committee, reviews reports prepared by an independent Loan Review firm and those issued by the Internal Audit function to assist in their on-going assessment of credit risk.

The Asset and Liability Management Committee (ALCO), which comprises the entire senior management team and is chaired by the CFO, assists in the management of interest rate and liquidity risk. This committee meets on a quarterly basis to review market interest rate trends and product pricing strategies. ALCO utilizes an asset and liability management consultant, Darling Consulting Group, to review current trends, possible interest rate or liquidity risks in the balance sheet and prospective strategies typically over a two-year horizon using Darling Consulting Group's proprietary modeling services. The Chairperson of the Board attends these quarterly meetings and the findings and recommendations are reported to the full Board quarterly and the consultants meet with the Board at least twice a year. The Company's balance sheet position and risk mitigation strategies are reviewed by internal audit and the data verified by an outsourced specialist from M & M Consulting.

The Company's Audit Committee meets quarterly and receives reports from its independent registered public accounting firm, the independent loan review consultants, and the Company's internal audit function. The internal auditor conducts an annual risk-based audit program and provides audit findings quarterly to the Audit Committee or to the Board of Directors.

The Company has an Enterprise Risk Management Program that is administered on behalf of the Board of Directors by Executive Vice President and Chief Risk Officer Mr. Richard B. Maltz. As part of the Enterprise Risk Management Program, information from the Bank's lines of business is collected and analyzed to identify, monitor, track and report various risks within the organization. The Company also established an Enterprise Risk Management committee that reviews and discusses on a quarterly basis BHBT's bank-wide risk assessments. The resulting risk assessments are aggregated, shared and discussed with the Board of Directors at least annually. The risk assessments are supplemented by regular reports from the Chief Risk Officer regarding emerging risks at monthly Board meetings. In addition to this Risk Program, the Bank's Credit Policy Review, Compliance, Information Systems, Operations, Managed Assets, and Information and Physical Security departments report to Mr. Maltz.

The Board manages compensation, including incentive compensation risk, through its Compensation and Human Resources Committee. This Committee has engaged Pearl Meyer & Partners, LLC (Pearl Meyer) as independent compensation consultants to provide the Committee with both competitive market data and research into compensation best practices to guide the decisions of the Committee. To mitigate the inherent risks of incenting behaviors potentially adverse to the Company and its stakeholders, the Committee reviews compensation matters with the assistance of the Company's Chief Risk Officer and the results are reviewed by the Board to ensure that incentive plans for senior officers and others do not encourage excessive risk-taking.

The Company believes that its risk management activities and procedures provide sufficient information to management and the Board of Directors to assist them in properly and adequately evaluating the Company's compliance with its risk management programs and policies. There can be no assurance that the Board's risk oversight

structure has identified and addressed every potential material risk and there may be additional risks that could arise in the Company's business. Both known and unknown risks could result in potentially material financial and/or business losses despite the Board's efforts to oversee risk.

Committees

The Board has a standing Executive Committee, Audit Committee, Governance Committee and Compensation Committee.

Executive Committee. Our Bylaws provide that after each annual meeting of shareholders, the Board shall designate from among its members an Executive Committee with the authority to exercise all

the powers of the Board in regard to ordinary operations of our business when the Board is not in session, subject to any specific vote of the Board. The Executive Committee is composed of directors Dodge, Colwell, Dudman, Shea, Simard, Smith, Toothaker and Woodside. Mr. Dodge serves as Chairperson. The Executive Committee held two meetings in 2015.

Audit Committee. The Audit Committee is composed of directors Toothaker, Caras, Dudman, and Woodside. Ms. Fernald served on the Audit Committee until May, 2015. Mr. Toothaker serves as Chairperson of the Committee. The Audit Committee met six times during 2015. See Appendix A for the Report of the Audit Committee. The Audit Committee Charter may be viewed on our website under the Shareholder Relations section at www.bhbt.com.

The Board has determined that the Audit Committee is solely composed of independent directors, in accordance with applicable NYSE MKT listing requirements and Rule 10A-3(b)(1) under the Exchange Act. The Audit Committee operates under a written charter, which has been adopted by the Audit Committee and the Board. Audit Committee members do not accept any consulting, advisory or other compensatory fees (except directors' fees) and are not affiliated with us (except as a director) or any of our subsidiaries. The Board has determined that each Audit Committee member is financially literate and that it has at least one audit committee financial expert. Mr. Scott G. Toothaker, CPA, meets the criteria for an audit committee financial expert as defined in applicable SEC rules.

The Audit Committee has the sole authority to appoint and replace the independent registered public accounting firm. The Audit Committee is responsible for the compensation and oversight of the independent registered public accounting firm and this firm reports directly to the Audit Committee. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to (i) the financial information to be provided to shareholders and the SEC, (ii) the review of quarterly financial statements, (iii) the system of financial reporting controls management has established, and (iv) the internal audit, external audit, and loan review processes.

Governance Committee. The Governance Committee is composed of directors Shea, Dodge, Colwell, and Lewis. Ms. Fernald and Ms. Hill joined the Committee in May, 2015. The Governance Committee met six times during 2015. Mrs. Shea serves as Chairperson of the Committee. The Board has determined that each member of the Governance Committee is independent under NYSE MKT Rules.

The Governance Committee's responsibilities include screening director candidates, recommending nominees to the full Board (including the slate of returning directors) to be elected each year, making recommendations concerning the size and composition of the Board, recommending Committee structure and membership, and sponsoring new director orientation and education. The Governance Committee has a written charter, which may be viewed on our website under the Shareholder Relations section at www.bhbt.com.

The Governance Committee expects to identify nominees to serve as directors of the Company primarily by accepting and considering the suggestions and nominee recommendations made by directors, management, and shareholders. To date, the Governance Committee has not engaged any third parties to assist it in identifying candidates for the Board.

The Governance Committee considers, among other things, the background, business and professional experience (including any requisite financial expertise or other special qualifications), current employment, community service, and other board service of its director-nominees, as well as racial, ethnic, and gender diversity of the Board as a whole. The Governance Committee generally considers a candidate's qualifications in light of these broad criteria and assesses whether the candidate can make decisions on behalf of or while representing us in a manner consistent with our stated business goals and objectives. The Governance Committee will also consider the candidate's independent status in accordance with applicable regulations and listing standards. The Governance Committee will consider nominees recommended by shareholders. Any shareholder wishing to nominate a candidate for director must follow the procedures for submission of proposals set forth in the section of this proxy statement entitled "Nominations by Shareholders."

Human Resources and Compensation Committee. The Compensation Committee reviews and considers recommendations from management, consultants, and directors concerning executive compensation policies, employee benefit plans, and salary administration programs, and reviews annually the performance of, and total compensation for, and recommends adjustments for, all of our executive officers and our subsidiaries. The deliberations of the Compensation Committee are reported to the Board for review and approval by the independent board members. The Compensation Committee has a written charter, which may be viewed on our website under the Shareholder Relations section at www.bhbt.com.

The Compensation Committee is composed of directors Smith, Colwell, Dodge and Fernald. Mr. Kenneth Smith serves as Chairperson of the Compensation Committee. All members of the Compensation Committee are independent under NYSE MKT Rules. The Compensation Committee met five times in 2015.

Further information regarding the Compensation Committee can be found below in this proxy statement beginning under the caption Role of the Compensation Committee.

Compensation Discussion and Analysis

This section discusses an overview and analysis of our compensation program and policies, the material compensation decisions made under those programs and policies with respect to our NEOs, and the material factors considered in making those decisions. Later in this proxy statement under the heading **Executive Compensation Tables** is a series of tables containing specific information about the compensation earned or paid to the NEOs.

The discussion below is intended to aid understanding of the detailed information provided in those tables and put that information into context within the overall compensation program.

Named Executive Officers

For 2015, our NEOs are: President and CEO, Curtis C. Simard; CFO, Gerald Shencavitz; and our three other most highly compensated policy making executive officers. In 2015, the other NEOs were Executive Vice President and Chief Risk Officer, Richard Maltz; Executive Vice President Retail Banking, Stephen M. Leackfeldt; and Gregory W. Dalton, Executive Vice President Business Banking.

Objectives of Our Compensation Program

The objective of our compensation program is to attract, retain, motivate, and reward NEOs and other executives who contribute to our financial and operational success, which ultimately builds value for our shareholders. The Board believes that, in order to do this effectively, the program must:

.

provide NEOs with total compensation opportunities at levels that are competitive for comparable positions at companies and banks with which it competes for talent;

.

directly link a significant portion of total compensation to our achievement of performance goals in a way that proportionally rewards higher performance levels;

.

provide upside opportunities for exceptional individual performance, which can result in differentiated compensation among NEOs based on performance; and

.

closely align the NEOs' interests with those of our shareholders by making stock-based incentives an element of the executive's compensation.

Role of the Compensation Committee

The Compensation Committee oversees regulatory compliance for all of our compensation and benefit plans and administers the Company's executive compensation programs. The Compensation Committee recommends these programs to the Board for approval by its independent board members at least annually and more frequently, if circumstances warrant. These programs are intended to provide a variety of competitive compensation components including base salaries, annual cash incentives, retirement programs, and traditional benefits. In addition, we have sought to align the long-term interests of our executives, including the NEOs, with those of our shareholders by providing share-based incentives in the form of equity awards. The composition of the components may vary from year to year based on individual performance, our business plan, market conditions or other factors.

The Compensation Committee believes that our compensation policies and procedures are designed to provide a strong link between each NEO's compensation and our short and long-term performance. The objective of our compensation program is to provide compensation which is competitive, variable based on our performance, and aligned with the long-term interests of our shareholders.

Shareholder Say on Pay Advisory Votes

Shareholders are entitled to annually vote on an advisory, non-binding resolution on our compensation policies and procedures. Past shareholder votes have been overwhelmingly in favor of our programs and practices.

The May 2015 Say on Pay voting results were as follows:

For	Against	Abstain	Broker Non-Vote
3,138,975.56	158,617.63	91,727.66	1,441,525.00

The Compensation Committee will continue to consider the outcome of future advisory, non-binding Say on Pay votes when reviewing and planning future executive compensation arrangements.

The Role of Compensation Consultants and the Compensation Committee's Evaluation of Conflicts of Interest

The Compensation Committee has occasionally utilized, and expects to utilize in the future, various outside consultants, actuaries and attorneys to assist it in developing and implementing the essential components of our compensation program, including its stock option program, Supplemental Executive Retirement Plan (SERP), and incentive compensation arrangements.

The Compensation Committee, under authority granted by its Charter, engages Pearl Meyer to assist in reviewing our executive officer and director compensation packages. Their 2015 engagement included:

.
providing current market-based total compensation guidelines to assist in establishing appropriate and ongoing base compensation and incentive compensation levels for our NEOs;

.
providing on-going guidance on our short-term, annual cash incentive program positions in relationship to competitive plan design and payout opportunities to our strategic and long-term financial plans;

.
providing on-going guidance and market comparisons for the long-term incentive program using equity grants to NEOs under the Company's approved Equity plans;

.
providing guidance on plan design and preliminary testing for the 2015 Plan;

.
providing a comprehensive review of our compensation program for our directors; and

.
recommending an updated, appropriate Compensation Peer Group (defined below) comparison for compensation purposes.

The Compensation Committee has assessed the relationships among Pearl Meyer, the Company, the Compensation Committee, and the executive officers for independence and conflicts of interest. In this assessment, the Compensation Committee reviewed the criteria set forth in the SEC's Reg. 240.10C-1(b)(4) (i)-(vi) and such other criteria as it deemed appropriate. Specifically, the Compensation Committee considered the following factors in its evaluation of its relationship with Pearl Meyer:

.
whether Pearl Meyer provided any other services to us;

.
how much compensation Pearl Meyer has received from us for compensation consulting services, as a percentage to their total revenue;

what policies and procedures have been adopted by Pearl Meyer to prevent a conflict of interest;

.

whether Pearl Meyer has any business or personal relationship with a member of the Compensation Committee;

.

whether Pearl Meyer owns any of our stock; and

.

whether Pearl Meyer has any personal or business relationship with any of our executive officers.

The Compensation Committee did not identify any conflicts of interest with the engagement of Pearl Meyer. Additionally, Pearl Meyer provided us documented assurances that they are confident their relationship with us meets the independence standards and they have identified no conflicts of interest.

The Compensation Committee, under authority granted by its Charter, further engaged Arthur Warren Associates to assist in the development of a long-term phantom stock program for a group of key-contributing officers.

Role of Management in Establishing Compensation

On an annual basis Mrs. Marsha C. Sawyer, the Executive Vice President of Human Resources, with the oversight of the CEO, provides the Compensation Committee with general information on executive officer compensation, including the NEOs. The Compensation Committee then reviews, discusses and considers this information and any recommendations. Mrs. Sawyer assists in the administration of all executive compensation programs, prepares Compensation Committee and Board meeting materials and performs work as requested by the Compensation Committee, including working directly with the compensation consultant in preparation of peer analyses for the Compensation Committee's consideration. Mr. Simard, as our CEO, attends portions of the Compensation Committee's

meetings and makes recommendations on base salary, annual incentives and equity compensation for only the executive officers who report to the CEO position. The Compensation Committee has the discretion to accept, reject or modify the CEO's recommendations. The CEO is not a member of the Compensation Committee and is not present for the executive sessions or for any discussion of regarding his own compensation.

Market Benchmarking and Performance Comparisons

The Compensation Committee reviews and recommends to the Board's independent members for approval of compensation programs, which it believes meet our ongoing needs to attract, motivate, and retain talented and qualified executives who have the ability to make a major contribution to the leadership and success of the Company. The Compensation Committee regularly reviews market information provided by Pearl Meyer. Primary data sources used in the benchmarking for the NEOs is the information publicly disclosed by a peer group of publicly traded banks and published surveys. The Compensation Committee reviews comparative compensation and benefit information contained in the public filings of this peer group which has been established for compensation comparison (the Compensation Peer Group) using objective selection criteria. The peer group consists of community banks of similar asset size (approximately between one-half and two times our asset size of \$1.5 billion) as of November 2015. All the peer banks are located in the Northeast region and New York excluding New York City. The Compensation Committee believes this group provides an appropriate selection of publicly traded financial institutions representing the geographical area most probable to be considered for recruitment purposes. Further, the Compensation Committee believes the Compensation Peer Group information discloses compensation programs of similarly situated executives in comparable institutions and they are a useful comparative tool for the Compensation Committee in establishing executive compensation programs and individual criteria for its executives including the NEOs. Five financial institutions were added to the 2015 peer group and four from the 2014 peer group were omitted due to size or merger and acquisition activity.

The members of the 2015 peer group include:

<u>Financial Institution</u>	<u>State</u>	<u>Ticker</u> <u>Symbol</u>	<u>Financial Institution</u>	<u>State</u>	<u>Ticker</u> <u>Symbol</u>
Arrow Financial Corp.	NY	AROW	Financial Institutions, Inc.	NY	FISI

Evans Bancorp, Inc.	NY	EVBN	Suffolk Bancorp	NY	SCNB
First Connecticut Bancorp, Inc.	CT	FBNK	Westfield Financial, Inc.	MA	WFD

The Compensation Peer Group information is used as a guide in establishing reasonableness in our compensation program. The Compensation Committee did not target the elements of our compensation program at any specific level or percentile within the Compensation Peer Group, but used the information as a whole and the 50th percentile as a way to define our compensation program and assess the competitiveness and reasonableness of our pay practices. Rather than rely on a specific formula-based model, the Compensation Committee believes that retaining discretion to assess the overall performance of NEOs gives the Compensation Committee the ability to more accurately reflect individual contributions that cannot be absolutely quantified. The Compensation Committee also considers the senior incentive program tailored to provide emphasis on incentive compensation for the NEO group as an important component of our overall compensation program.

The Compensation Committee believes our financial results and total shareholder return (communicated in our Form 10-K for the year ended December 31, 2015) compare favorably with our

Compensation Peer Group indicating a solid pay-performance alignment. The Compensation Committee further believes that the compensation established for its CEO and other NEOs provides for appropriate balance between market compensation and shareholder return.

The Compensation Committee referenced market data including peer group and survey information along with guidance provided by Pearl Meyer in its process to establish and validate the appropriateness of our executive compensation compared to market and performance.

The following table summarizes our 2015 NEO compensation at the 35%, 50%, and 65% market percentiles for both base salary and total cash compensation against our established peers.

3.

Messrs. Maltz and Leackfeldt have expanded roles above their primary market comparison shown here and their base has been set to reflect additional responsibilities.

The Compensation Committee also considers the relative scarcity of senior banking executive candidates in its immediate market area and the difficulties of recruiting out-of-market candidates to work in rural Maine. The Compensation Committee does not use any formal, fixed or indexed criteria for establishing compensation levels for any of our NEOs within market identified ranges. The Compensation Committee believes that the growth in total compensation provided to our executive officers should be weighted towards variable compensation including cash and equity incentives which tie directly to corporate performance with less emphasis upon growth in base salaries.

Compensation Plan Components

Our executive compensation program applicable to the NEOs is composed of the following primary components: (i) base salaries and benefits; (ii) annual incentive cash compensation programs; (iii) long-term incentives in the form of stock options and grants; and (iv) retirement benefits.

Base Salary and Benefits

Our executive compensation program provides base salaries and benefits, which include health and life insurance programs, a 401(k) retirement program and vacation awards to compensate executive officers for the performance of core duties and responsibilities associated with their positions. The Compensation Committee reviews base salaries annually in the context of the comparative industry

information, as described above. The Compensation Committee also considers the specific contributions of the individual executive officer and the officer's opportunity for professional growth, as well as market factors, when it sets and adjusts base salaries. In addition, the Compensation Committee considers the prevailing economic climate, our overall performance and our most current business plan.

Upon performance evaluations and the advice and market salary data supplied by Pearl Meyer, the Compensation Committee made performance and market adjustments resulting in the 2015 and 2016 approved base salaries for the NEOs as follows:

Named Executive Officer	2014	2015	Percentage	2016	Percentage
	Base Salary	Base Salary	of Base Increase 2015 Over 2014 Base Salary	Base Salary	of Base Increase over 2015

Short-term, Annual Incentive Cash Compensation Program

During 2015, eight senior managers including the NEOs, participated in an annual cash incentive compensation plan developed under the guidance of Pearl Meyer. The program is designed to provide meaningful incentives tied to our annual initiatives to optimize profitability, growth, excellence in individual performance, and to promote teamwork among its participants. This plan was approved by the Board for 2015 and is detailed below.

Incentive Payout Opportunity. Each participant had a target incentive opportunity based on their role. The target incentive reflected a percentage of base salary determined to be consistent with competitive market practices. Actual awards varied based on achievement of specific goals. The opportunity reflects a range of potential awards. Actual awards ranged from 0% (for not achieving minimal performance) to 150% of target (for exceptional performance). The table below summarizes the incentive ranges for the 2015 plan year.

Role	2015 Short-Term Incentive Opportunities			
	Below Threshold	Threshold (50% of Target Percentage)	Target (100%)	Stretch (150% of Target Percentage)
President /CEO	0%	19.00%	38.00%	57.00%

Edgar Filing: BAR HARBOR BANKSHARES - Form DEF 14A

EVP & CFO	0%	14.00%	28.00%	42.00%
EVP	0%	12.50%	25.00%	37.50%

Program Trigger. In order for the Annual Incentive Program to activate or turn on, we needed to achieve at least \$13,457 in Net Income to Common Shareholders for 2015. If we did not meet this level, the plan would not pay out any awards for the year, regardless of performance on other goals. For the year ended December 31, 2015 we reported record net income of \$15,153 compared with \$14,613 for the year ended December 31, 2014, representing an increase of \$540 or 3.69%.

Annual Incentive Program Measures. Each participant had predefined performance goals to determine their short-term incentive award. There were two performance categories: Bar Harbor Bankshares Team and Individual. Bar Harbor Bankshares Team performance was reflected by common goals for all participants. Individual goals reflected each participant's individual contributions based on their role. The specific allocations of goals were weighted to reflect the focus and contribution for each position in the Company.

The table below provided the guidelines for the allocation of each participant's incentives for each performance component for 2015.

Position	Bar Harbor Bankshares Team	
	Performance	Individual Performance
President/CEO (Simard)	75%	25%
EVP/CFO (Shencavitz)	70%	30%

Bar Harbor Bankshares Performance. Bar Harbor Bankshares Team performance goals for 2015 were increased Net Income and a managed Efficiency Ratio. 2.

The asset quality measures for Past Dues and Non-Performing Loans + Other Real Estate Owned are calculated using a 12 month average of the month-end actual data for the calendar year. The Charge off percentage is measured using the actual annual net charge offs as a percentage of the average outstanding loans. The average outstanding loan figure for this calculation is measured by averaging the actual outstanding loans at each month end.

Long-term Incentives

Equity Plans. Since adopting the first Stock Option Plan in 2000, we have provided our officers and managers, including our NEOs, with an equity-based compensation component in the form of stock options. This compensation component is used to align the interest of our participating officers and managers, particularly its executive officers, with those of its shareholders over a long-term horizon and to serve as a retention tool. We grant options upon date of hire or promotion for qualified individuals, and from time to time for special recognition. We award all grants at the closing market price of the business day of the enabling vote by the Board. The Board also sets the vesting schedule, which is currently a period of three years. The Stock Option Plans adopted in 2000 and 2009 may no longer issue stock option grants and the grants previously made under these two plans to NEOs and other management members are nearing expiration. Members of the management team periodically exercise these maturing options. The Board adopted the 2015 Plan, which was approved by shareholders at the May 2015 Annual Meeting, under which equity grants, may currently be issued. Information pertaining to outstanding options and equity awards are disclosed in the Outstanding Equity Awards at Fiscal Year-end table under the heading Executive Compensation Tables found elsewhere in this proxy statement.

The Board voted the first Long-Term Incentive Program for senior management members in our total compensation program in 2013. Pearl Meyer assisted the Compensation Committee in the plan design and appropriate reward levels. The program is designed to be made up of three-year rolling plans utilizing shares made available through the 2009 and 2015 Plans. Grants may be given in time-vested restricted stock, performance-vested restricted stock, or a combination of both. The purpose of the program is to align executives' interests with shareholder interests, increase executive stock ownership, ensure sound risk management by providing a balanced view of performance and reward over a longer time horizon, and position our total compensation offerings to be competitive with the market to attract and retain strong talent needed to drive our success.

The Board approved plans covering the 2013-2015 2014-2016, and 2015-2017 time periods. Eight current senior managers and three retired executives (on a pro-rated basis), including NEOs Simard, Shencavitz, Maltz, Leackfeldt and Dalton, participate in the current plans. Target reward opportunities are based on role. Equity rewards are calculated as a percentage of 2015 base salary to determine the number of shares available for awards.

1.

The Board voted Mr. Simard, as part of his employment contract, an increased percentage payout for the performance shares under the 2013-2015 Plan. His target was increased from 15.00% to 30.00%, his Threshold from 7.50% to 15.00%, and his Stretch from 22.50% to 45.00% for this plan only.

The Board voted both time-vested restricted shares and performance shares for the 2013-2015, 2014-2016 and the 2015-2017 Plans. Fifty percent of the grants to each participant were voted in time-vested with a third of the shares vesting in each of the years covered by the plans. Grants were voted contingent upon continued employment with a pro-rated portion in the event of a participant retirement. The time-vested shares have a hold restriction of one year. At the time of vesting, sufficient shares may be withheld to cover the executive's tax liabilities.

The Board resolved that the remaining 50% of the shares in performance-vested shares to be awarded at the end of the three year measurement and upon attainment of the performance goal. Relative Return on Assets (ROA) measured against the SNL \$750 to \$3B Bank Index peer group will determine the performance award for the current plan. In addition to relative ROA, there is a Total Shareholder Return (TSR) modifier to further align shareholder interest. If BHB's TSR calculation for the same performance measurement period is negative, a payout cannot exceed Threshold regardless of the relative ROA performance results.

Benefits, Retirement and Post-Termination Compensation Elements

We provide a 401(k) plan for all employees meeting minimum age and service requirements. In addition, we maintain a SERP for the Executive Vice President and CFO and he is the only NEO that participates in the SERP. Mr. Shencavitz is the only active, authorized participant (the Participant) in the SERP as of December 31, 2015. Under the SERP, Mr. Shencavitz is eligible to receive upon most termination events, disability, or death, an individually defined benefit payment based upon a predetermined vesting schedule. No plan benefits are payable to him if he is terminated for cause as defined in the document.

Upon full vesting (defined as age 65 for Mr. Shencavitz) and his retirement, then monthly payments of \$8,583, respectively will be paid under the SERP to him (or his beneficiary) for a period of 240 months. There are also provisions under the SERP for reduced monthly payments in the event of an earlier retirement. Mr. Shencavitz had a vested monthly benefit amount of \$6,366 as of December 31, 2015. The SERP benefit for Mr. Shencavitz will fully vest upon a change of control of the Company (as such term is defined in the SERP). This is a legacy program and we do not anticipate future participants under this program.

We also maintain an employment agreement with NEO Simard and change in control agreements for NEOs Shencavitz, Maltz, Leackfeldt and Dalton. These agreements provide for, among other things, the payment of their

salary and other specified benefits for a period of 12 to 24 months in the event of both a change of control of the Company and subsequent termination (or constructive termination) within set timeframes after a change in control, unless such termination was for cause. These specific payments and timeframes were established under the advice of a compensation consultant and employment attorney as representative of similar type agreements in the industry.

The Compensation Committee feels that these agreements are necessary to provide a competitive total compensation plan to attract and retain the employment of the NEOs who are a party to the agreements.

Other Compensation and Benefits

In addition to the foregoing, all our executive officers are entitled to participate in certain group health, dental, disability and term life insurance benefits. In accordance with our policy, all such benefits are generally available to employees of the Company and its subsidiaries.

Stock Ownership Guidelines

The Bylaws of the Company require that each director own a minimum of 500 shares no later than one year following their initial election to the Board. In addition, the Board has implemented a policy requiring each director to own a minimum of five times his or her annual cash retainer. Ownership must be attained within five years of a director's initial election and may include their 500 qualifying shares.

All current Director-nominees have met or exceed the ownership requirement required under this policy based on their tenor on the Board. Director nominee, David M. Colter, if elected, will have up to one year from the date of his initial election to purchase his initial 500 shares and up to five years from the date of his initial election to attain the minimum ownership requirements.

While all of the Company's executive officers hold Company stock, the Company does not have specific guidelines regarding stock ownership for its NEOs at this time. The Board has implemented retention periods on equity issued under the Company's Long Term Incentive Program for its NEOs. However, the Company encourages stock ownership and reviews overall ownership levels on a periodic basis.

Hedging and Pledging

All directors and employees (including NEOs) are prohibited from engaging in any speculative transaction designed to hedge or offset any decrease in market value of our securities, including hedging of our stock. We also prohibit any pledging of our securities in a margin account and restrict all other pledging of any of our securities by requiring directors and employees to obtain the prior approval of the Audit Committee before entering into any such agreement in a financial arrangement.

Our Insider Trading Policy further prohibits directors and employees from short-swing transactions and trading in Company securities at a time when they are in possession of insider information.

Compliance with Code Section 409A

Our compensation plans subject to Section 409A of the Code are operated to comply with the Section 409A tax provisions of the Code.

Policy on Code Section 162(m)

Section 162(m) of the Code disallows publicly traded companies from receiving a tax deduction on compensation paid to executive officers in excess of \$1 million unless, among other things, the compensation meets the requirements for performance-based compensation. In structuring the compensation programs and in determining executive compensation, the Compensation Committee takes into consideration the deductibility limit for compensation and the performance-based requirements of Section 162(m). None of our employees exceeded the \$1 million dollar threshold during 2015.

CEO Employment Agreement.

In 2013, we entered into a written employment agreement with Mr. Simard, as President and CEO (the CEO Employment Agreement). The CEO Employment Agreement provides for the payment of an annual base salary to him of not less than \$375,000 paid in substantially equal installments in accordance with our compensation policies and procedures on the pay dates established by us for our senior executive

officers. He also participates in any short-term, long-term, or other performance compensation plans agreed upon by the parties during the term of the CEO Employment Agreement in concert with our evolving goals and objectives. The CEO Employment Agreement currently has a term of one year with automatic extensions of one year each in the absence of notice from us of our intention not to extend the term of the CEO Employment Agreement.

The CEO Employment Agreement also provides for a lump sum payment of two times his salary plus medical, dental and vision benefits for Mr. Simard and his eligible dependents in the event Mr. Simard is involuntary terminated without cause or voluntarily terminated for good reason. This payment shall be reduced to a one times multiplier in the event the CEO Employment Agreement is not renewed. With limited exceptions, it also allows for a severance payment to him in the event his employment is terminated within one year prior to or following certain events defined to constitute a change in control of the Company. This severance payment resulting from a termination of employment (constructive termination) following a change in control is equal to two times his base annual salary, incentive compensation payments earned and any accrued but unused vacation time. In addition, if Mr. Simard had any unvested stock options/grants they would vest in accordance with the terms of the plans under which they were granted and vest fully upon a change in control. Any payments due him would be reduced to the extent necessary to ensure that no portion of such payment will be non-deductible by us under Code Section 280G or will be subject to excise tax imposed by Code Section 4999.

The CEO Employment Agreement also restricts Mr. Simard's ability to compete with us during the term and for a period of one year following the cessation of his employment with us regardless of reason within a 150 air mile radius from Bar Harbor, Maine.

Compensation of the CEO. On an annual basis, the Compensation Committee reviews the existing compensation plan for our CEO. The Compensation Committee reviews his compensation plan in the context of our overall performance, the achievement of certain financial and non-financial goals and the judgment of the entire Board as to the quality of his leadership. In addition, the Compensation Committee will compare his compensation to CEOs of our Compensation Peer Group and salary survey information for comparable positions. In making these comparisons, the Compensation Committee will take into account appropriate differences in the size, business model, and financial performance of the other banking institutions.

In accordance with the CEO Employment Agreement, the Compensation Committee reviews his base salary no less often than annually and may recommend an increase in his base salary to the Board at the Compensation Committee's sole discretion.

As further discussed below, Mr. Simard participated in the structured annual incentive cash compensation plan provided to all executive officers. During 2015, Mr. Simard earned an award amounting to \$201,695.

During 2015, the Compensation Committee granted Mr. Simard 1,523 shares of time-vested restricted stock with a value on the grant date of \$53,983 as part of his agreed upon 2015 compensation. He is required to hold the shares for

a minimum of one year from the grant date. Mr. Simard is a member of the Board. He does not receive any director fees for participating in the activities of the Board.

Other Change in Control, Confidentiality and Non-Competition Agreements. We entered into a Change in Control, Confidentiality and Non-competition Agreement with Mr. Shencavitz. This agreement provides Mr. Shencavitz with severance of both salary and benefits for a period of 18 months in the event of both a change of control of the Company and subsequent termination (or constructive termination) within 12 months after a change of control, unless such termination was for cause. In addition, Mr. Shencavitz's stock options, equity grants, and supplemental executive retirement benefits will vest in accordance with the terms of the plans under which they were granted and vest fully upon a change in control. In the event that Mr. Shencavitz becomes subject to an excise tax on payments made under his agreements and various benefit plans in connection with a change in control, he will be reimbursed for

payment of such amounts upon such time as the assumptions and calculations have been prepared, reviewed, and confirmed by a nationally recognized accounting firm.

We have also entered into Change in Control, Confidentiality and Non-Competition Agreements with BHBT's Executive Vice Presidents, Richard B. Maltz, Stephen M. Leackfeldt, and Gregory W. Dalton along with four other senior employees. Their agreements provide for severance of both salary and benefits for a period of 12 months in the event of both a change of control of the Company and subsequent termination (or constructive termination) within 12 months of a change of control, unless such termination was for cause.

All of these agreements were entered into as part of a total compensation program to attract and/or retain qualified executives and not entered into in response to any effort known to the Board of Directors by any party or entity to acquire control of the Company.

Incentive Cash Compensation. During 2015 NEOs, Messrs. Simard, Shencavitz, Maltz, Dalton and Leackfeldt participated in an annual cash incentive compensation program with a combination of team and individual goals representing opportunities for incentive payments. We paid out a total of \$504,298 in February 2016 to the five NEOs based on the 2015 measurement period.

The altering, inflating, and/or inappropriate manipulation of performance/financial results or any other infraction of recognized ethical business standards will subject any participant to disciplinary action up to and including termination of employment. In addition, any incentive compensation as provided by the plan to which the participant would otherwise be entitled will be revoked or subject to claw back.

The plan is based on a balance of multiple measures, layered oversight, and reasonable ceilings for exceptional performance. These two basic plan features structure the plan to discourage excessive risk and rewards. The Compensation Committee reviewed the plan design to insure it is in line with best practices for risk.

Notes

- A** Cash Severance. Severance payable to all other executives represents a payment due upon a hypothetical change in control event and their subsequent termination under the terms of their agreements 24 months of severance would have been payable to Mr. Simard if his employment was terminated by the Company for any reason other than cause, death, disability, or retirement as defined in his written CEO Employment Agreement. Mr. Shencavitz's payment stream under his severance agreement would be for 18 months. Payments disclosed represent 12 months of salary for each of Maltz, Leackfeldt and Dalton.
- B** Bonus. The amount disclosed in this row represents the bonus/incentive amounts due for 2015 but not yet paid, to each executive on December 31, 2015. These amounts were paid in February 2016. The amount of incentive payments earned for the fiscal year 2015 has also been disclosed in the Summary Compensation Table.
- C** Stock Options/SARs. The closing per share price on the NYSE MKT exchange for our common stock on December 31, 2015 was \$34.42. All options for participants are either completely vested or of no value when measured against the \$34.42 closing per share price on December 31, 2015. Disclosed amounts would have been realized if the executive actually exercised the vested options in the manner provided for by the Company's stock option plan and award agreement at the December 31, 2015 market price. In the event of a termination of employment, the executive (or the executive's estate in the event of death) would have had the right to exercise vested stock options for a set period as specified under the plan document. All executives would have forfeited the right to exercise vested or unvested options if they had been terminated for cause.
- D** Stock Options/SARs Accelerated. Figures on this line item represent the value of unvested stock options/SARs in the event of acceleration due to a change of control event occurring on December 31, 2015.
- E** COBRA Eligible Benefits. The amount disclosed represents the cost of continued health, dental, and vision coverage for a period of 24 months for Simard, 18 months for Shencavitz, and 12 months for Maltz, Dalton and Leackfeldt.
- F** Pension Benefits/SERP. Amounts disclosed represent vested amounts as of December 31, 2015, payable to Shencavitz (or his beneficiary/estate) over the 20-year benefit period provided for under our plan document. Amounts disclosed under Change in Control for Mr. Shencavitz represents the full vesting of his benefit under the program to be paid over the same 20-year period. Amounts disclosed do not reflect vested balances for each executive as part of our 401(k) plan under which participation is generally available to all employees. We carry a term life insurance policy on Mr. Shencavitz in the amount of \$1,200,000 to help defray costs of this pension benefit should he die while employed by us, but prior to full recognition of required accounting entries.
- G** Nonqualified Deferred Compensation Plan. No NEO participated under a Nonqualified Deferred Compensation Plan as of December 31, 2015 with the exception of the SERP set forth in Note F.

H

Life Insurance Proceeds/Disability Benefits. Amounts represent benefits payable by a third-party insurer (UNUM) to the designated executives or their beneficiaries under our life and disability programs. These life and disability insurance programs were generally available to all of our employees. The disability amount quoted represents a 12 month, paid benefit with a cap of \$15,000 per month. Total benefits due would be dependent upon the severity, the length of a disability, and insurance policy interpretation.

I Other Perquisites. Not applicable to the Company.

COMPENSATION OF DIRECTORS

Independent Directors of the Company, BHBT and BHTS were paid by a combination of fees for meetings attended supplemented by quarterly stipends. A fee of \$500 was paid to Board members for each meeting of the Company and its subsidiary company boards attended and each committee meeting attended. Members of the Board received \$500 when the Company and the BHBT held joint meetings. The Chairperson (or the Vice Chairperson in their stead) was compensated at one-half of the meeting fee for attendance at committee meetings of which they were not a voting member. We review a comparative summary of director compensation annually prepared by Pearl Meyer. Pearl Meyer recommended that the Board consider including equity compensation as part of its compensation mix on an ongoing

basis. In November 2015, each independent director was awarded 260 restricted shares of our common stock under the 2015 Plan. This grant was made in lieu of an increase in the cash portion of their fees and as part of an overall market adjustment in director compensation. These restricted share certificates are fully vested, but may not be sold, transferred or gifted by any director until three months after such director leaves the service of the Board.

No director has any other beneficial interest in these shares. These trusts are denominated for purposes of this proxy statement as the "Parker Trust" and the "The Fred & Hattie Lynam Private Foundation" formerly known as the Lynam Trust.

The Parker Trust was established in 1955 in perpetuity. BHTS, the Company's second tier non-depository trust services company located in Ellsworth, Maine, is the sole Trustee, with full powers, of this trust benefiting the Mt. Heights Cemetery in Southwest Harbor, Maine.

The Fred & Hattie Lynam Private Foundation, formerly known as the Lynam Trust, was established in 1942 in perpetuity to benefit Mount Desert Island charities and later expanded to provide scholarships to graduates of Mount Desert Island High School. Section 16(a) of the Exchange Act requires the Company's officers, directors, and persons who own more than 10% of a registered class of the Company's equity securities (collectively "Section 16 Persons") to file initial reports of ownership and reports of changes of ownership with the SEC and the NYSE MKT. Section 16 Persons are required by the Commission regulations to furnish the Company with copies of all Section 16(a) forms they file.

To our knowledge, based solely on review of such reports provided to us and written representations, all reports were filed timely as required except for:

On November 30, 2015, a late Form 4 was filed to report an exercise and sale of 1,000 shares by Marsha C. Sawyer on November 18, 2015.

(This space has intentionally been left blank)

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Management and Others

We administer related party transactions (if any) under our Related Party Transaction Policy, which addresses compliance to NYSE MKT Rule 120 and Item 404 (a) of Regulation S-K. This policy provides for Audit Committee oversight of related party transactions that exceed a *de minimis* lifetime income statement impact of \$25,000 (except for loan transactions, which for the Company and its subsidiaries are administered pursuant to Federal Regulation O, as described more fully below). Any transactions that qualify under this policy are reviewed by the Audit Committee (or another acceptable Board Committee, or the full Board) for pre-approval. Other than the Somesville Lease described below, and loans offered in the ordinary course of business and approved by the BHBT Board, we had no related party transactions. The Related Party Transaction Policy is approved annually by the Board and administered by management of BHBT.

We have entered into a long-term lease for our BHBT branch located in Somesville, Maine, effective February 1, 2006 (the Somesville Lease). The Somesville Lease has interim renewals of five years and the present term runs through 2016. During each subsequent lease year the base rent is increased using a formula tied to certain changes in the consumer price index. During 2015, 2014, and 2013 respectively, the lease payments totaled \$83,879, \$81,665, and \$82,068. There were no amounts outstanding for this lease as of December 31, 2015. In addition to base rent, BHBT is responsible to pay as additional rent certain defined real estate taxes as well as certain operating expenses, and other costs, charges, and expenses associated with the premises. The Landlord under the Somesville Lease is A.C. Fernald Sons Inc., a Maine corporation. Mr. Robert B. Fernald of Mount Desert, Maine, is a shareholder, director, and officer of A. C. Fernald Sons Inc. and is the father of Company director Lauri E. Fernald. Lauri E. Fernald does not own any stock or hold any corporate office or other position with A.C. Fernald Sons Inc. and has no direct or indirect interest in the Somesville Lease other than her familial relationship with Mr. Robert B. Fernald.

Except as set forth above and with regard to Indebtedness of Management described below, none of the director-nominees or NEOs of the Company or of any of its subsidiaries engaged during 2015 in any transaction with the Company or any of its subsidiaries, in which the amount involved exceeded \$120,000.

Indebtedness of Management

BHBT offers to its directors, officers, principal shareholders and employees, and to businesses owned and/or controlled by those persons (collectively insiders), commercial and consumer loans in the ordinary course of its business.

All loans made by the Company and its subsidiaries to insiders are regulated by the Company's federal and state regulators under federal Regulation O (Reg. O). Reg. O sets forth various practices and reporting requirements for loans to insiders. In addition, the Sarbanes-Oxley Act of 2002 permits banks and bank holding companies to extend credit to their directors and officers provided that such extensions of credit are (a) made or provided in the ordinary course of the consumer credit business of such issuer; (b) of a type that is generally made available to such issuer to the public; and (c) made by such issuer on market terms, or terms that are no more favorable than those offered by the issuer to the public. Further, NYSE MKT rules provide that related party transactions must be subject to appropriate review and oversight by the Company's Audit Committee or a comparable body of the Board.

As of December 31, 2015, the outstanding loans by BHBT to our director-nominees and NEOs amount to an aggregate of approximately \$11,579,475 with a maximum availability limit of \$15,184,093. All such loans are offered under the same terms and conditions available for comparable loans to persons not related to BHBT, including but not limited to interest rates repayment terms, and the required collateral. The terms and conditions of all loans, including those to insiders, and the process by which they are approved, is fully documented in BHBT's written Loan Policy. The Loan Policy is

approved annually by the Board and administered by management of BHBT. Loans to insiders may not contain a higher level of risk, nor be offered with terms and conditions more favorable, than loans to non-insiders with equivalent financial profiles (except for the favorable pricing programs previously described). We believe that all extensions of credit to our insiders and executive officers satisfy the foregoing conditions. No extensions of credit to our insiders have involved more than normal risk of collectability or present other unfavorable features.
