News Corporation Issues Shares And Pays Cash to WorldCom

Satisfies Obligations In Connection With ASkyB Joint Venture

NEW YORK, NY, February 21, 2002: News Corporation today announced that the Company will issue to a subsidiary of WorldCom, Inc. approximately 121.2 million preferred limited voting ordinary shares (NYSE: NWS.A, ASX: NCPDP), with a value of US\$680 million, and will pay WorldCom US\$250 million in cash.

This share issuance and cash payment satisfy News Corporation's obligation to issue redeemable preferred stock to WorldCom (formerly MCI Communications Corporation) in connection with the unwinding of their former American Sky Broadcasting direct broadcast satellite joint venture (ASkyB). ASkyB's major assets were sold in 1999. News Corporation and WorldCom today also settled all claims relating to ASkyB.

The shares issued to a subsidiary of WorldCom may initially be sold only pursuant to an exemption from registration under the Securities Act of 1933; however, for a period of 90 days after the shares are issued, WorldCom may request that they be registered for sale in the United States.
